DEDICATION

Because he has provided material and moral support to several generations of Lawrentians, because he has inspired us to new and greater efforts, because he has participated in the encouragement of excellence for forty years, because he shall not go unremembered in the hearts of those who have known him, we of the Class of 1960 dedicate this seventy-sixth edition of the Olla Podrida

To

ALTON RUFUS HYATT

In Memoriam

ALLAN VANDERHOEF HEELY

A BROAD HUMANITY marked Allan Heely's life. His culture and his appreciation of the first-rate disclosed to his friends as well as to his students the riches of life which he so thoroughly enjoyed. Conversant with many kinds of excellence, he spurred his associates to its pursuit. The vigorous clarity of his thought and expression stimulated the minds of others. In him the social graces came to full flower; his gaiety, charm and hospitality captivated hosts of friends.

The School he shaped is a tribute to his labors here. We remember him for what he was; a Christian gentleman, who taught by example and by word the essence of Man's civilization, who lived life at its noblest.

(Resolution by the Faculty)

ACKNOWLEDGMENTS

To the many wonderful people and organizations who have assisted us during the past year we offer our heartfelt and sincerest thanks. Without their aid it would have been impossible to put out this seventy-sixth edition of the *Olla Podrida*. We hope and trust that many future boards will be fortunate enough to receive this same unselfish help and cooperation, which to us has been invaluable. We stand deeply indebted to:

Mr. Norval F. Bacon, Jr., our faculty advisor; Indeed, he has been a faithful friend and a guiding light throughout the hectic and trying times of the year. We cannot thank him enough for the freedom and cooperation he has given us. And we must always be grateful for the timely assistance he has offered in our deepest moments of doubt and despair. His excellent guidance has kept us within practical bounds and has diverted us from pursuing our foolish whims. To him we wish there was a better way to express our gratitude.

Mrs. Vilis Muiznieks, of the Princeton University Press; Without her this book would have never come out! Her fantastic efficiency and undying perseverance has left us bewildered. We are most grateful to her for keeping us from lagging behind and seeing that each deadline is met. We have learned a lot from her. And to the Princeton University Press we are thankful for their usual superb printing job.

Orren Jack Turner, Sr. and Jr., have

done an excellent job with the many pictures in this edition. They realized how hard pressed we were and showed us extraordinary cooperation. It has not been an easy task for them. We are deeply indebted.

The Lawrence, the School newspaper; When we think of the countless times we have plundered from their vast supply of facts and pictures, we realize what a help they have been! We are very grateful.

Mr. William Van Syckle has been an invaluable aid to the business board. In keeping our accounts straight, he has always offered excellent guidance and interest in our work. And as a friend and counselor we will always remember him.

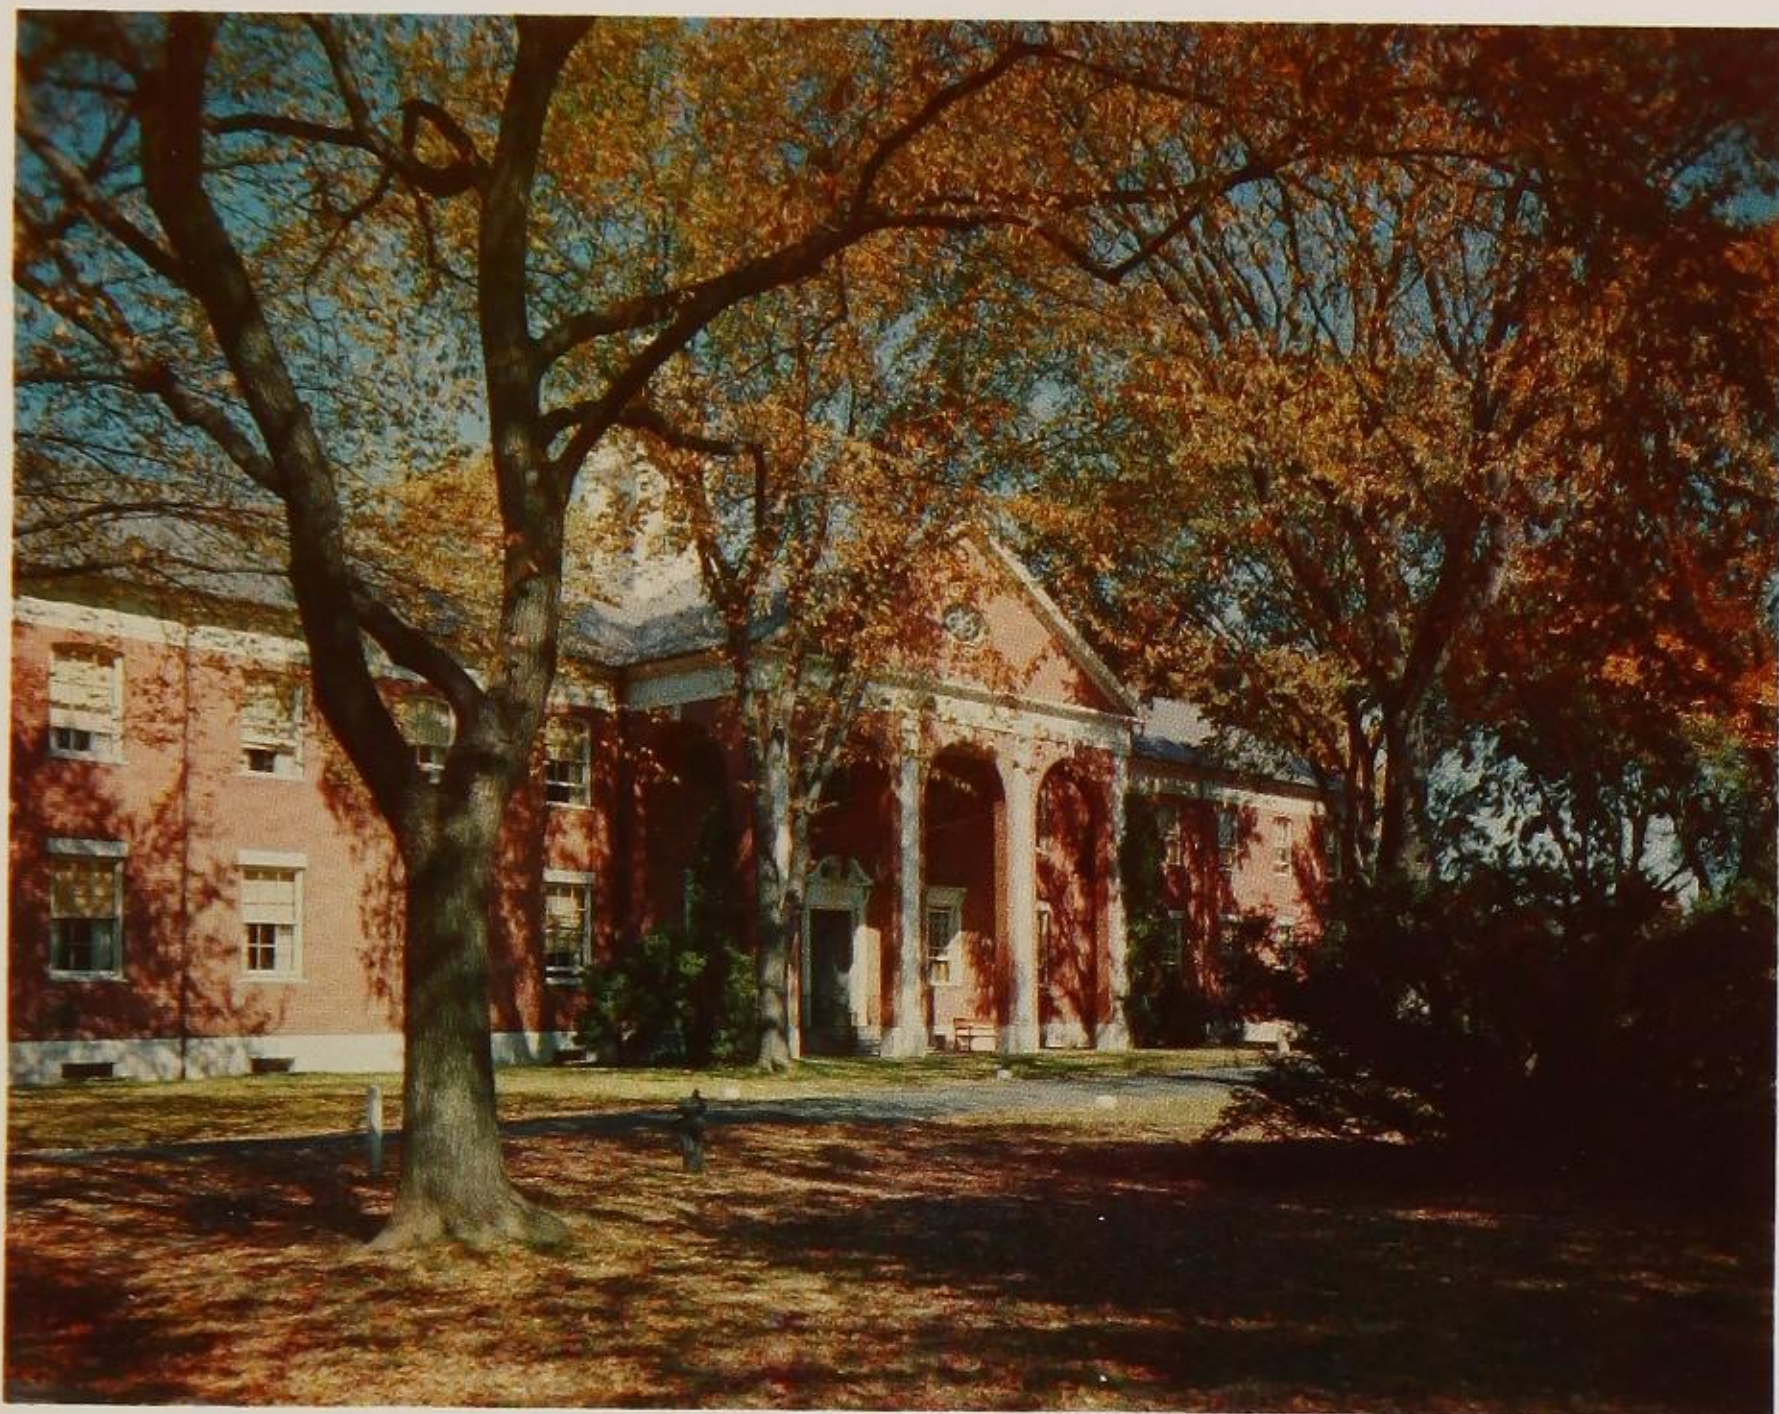

We realize the impossibility of thanking all, and we know that there have been some omissions. However, we hope that these will be excused. And again we extend to all our appreciation.

FROM THE HEAD MASTER

IN an incautious moment last summer just after my appointment as Head Master was announced, I told a *Newsweek* reporter that I lamented the intense pressures which tended to take some of the joy of life out of our school community. "We do not have, and are not likely to have, good-natured pranks," I said. I thought that this was really quite broad-minded of me in face of my new responsibilities but did not realize that every last boy in school would find a personal mission for himself in the sentiment. I take it all back. There is plenty of room for good-natured pranks in school, and the question now is "How many pranks can a Head Master stand per term?" The magnificent "Beat Hill" sign of the old gym roof. Mr. Wicks' Volkswagen in the halls of Upper. The Jigger sign transplanted to the Esplanade. These events alone would make the year memorable.

But there have been other memorable things this year. I think at once of personalities in the Class of 1960. Butler Lampson campaigns for the elimination of classes. David Loveman wins a national award in the Science Talent Search. Don Regan takes pot-shots at the new physics curriculum. Jay and Gary Keller, identical twins, show us what it means to study diligently. Alastair Pullar does not parade frequently enough in his kilts. Dick Winickoff wins high regard from everyone for both brains and brawn.

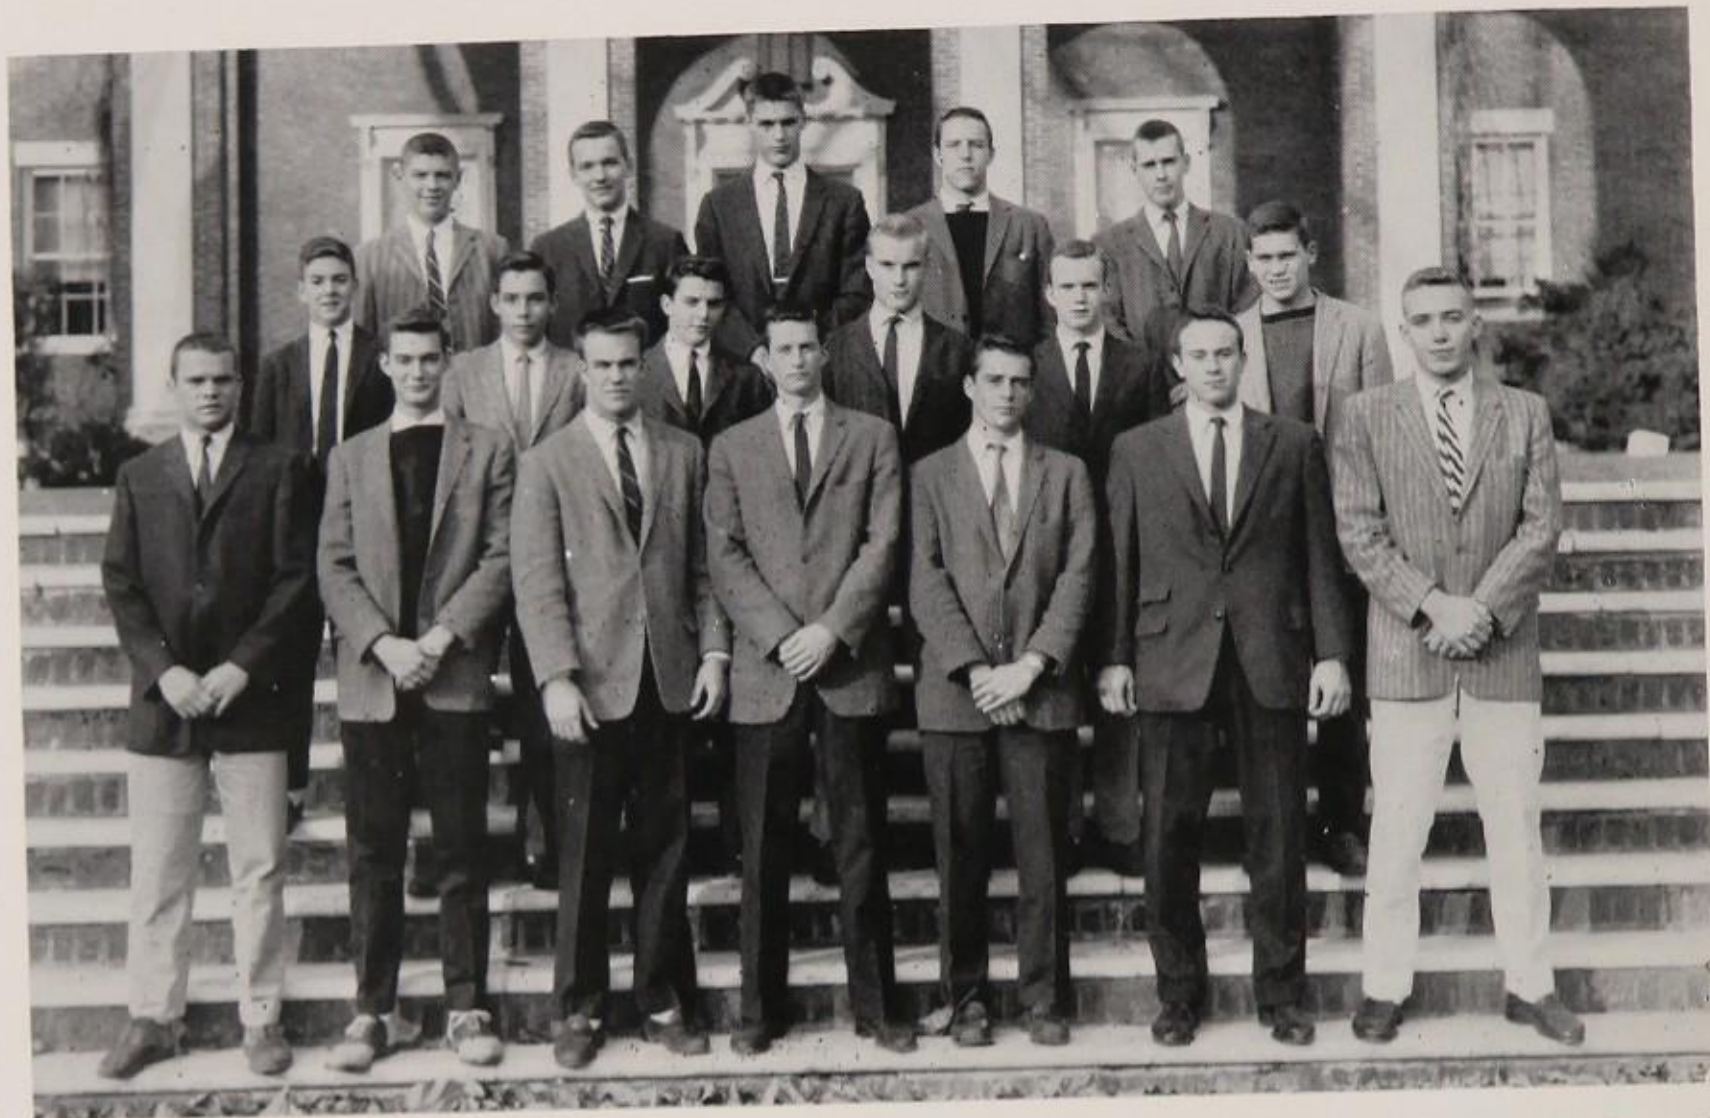

Quite aside from pranks and personalities the Fifth Form on the whole has seemed to me enthusiastic and cooperative in everything that we have done this year. Some of our tasks—like the great

stamp-licking—have been above and beyond the usual call of duty, and we have responded well to the need. But in day-to-day affairs the Form has also been superlatively good-humored and understanding. It must be difficult to break in a new Head Master, and if I may be a bit subjective I think you have met the challenge successfully. Tea in Alumni Study has been a great pleasure to Mrs. McClellan and me, not to speak of Bill and Ann. In spite of occasional blips of shaving cream on the Upper House walls and slightly frenetic cries infrequently detected in the dining room, behavior has been gentlemanly.

There is really only one thing I worry about. It seems very curious to me that Mike Eisner's little dog "Whitey" doesn't seem to answer to his name at all. When I call him by his proper name he never responds, but somehow Mike and his cohorts seem to keep him under control, so I suppose it's all right.

The heart of our community, of course, lies in the classroom, and this Fifth Form has made a record worthy of the 150th Anniversary Year. After midyear I had the pleasure of announcing that the Fifth Form had earned its highest midyear average in history and would therefore have an extra day of spring vacation. The class average is only one of several indicators that suggest 1960's very strong record. They raised again our College Board verbal scores to a level that would have seemed stratospheric as recently as ten years ago. Performance has been similarly superior in extracurricular activities. Del Harwich's management of the Concert Club suggests the possibility of his having a career as

THE STUDENT COUNCIL

EACH year the Student Council has enlarged its participation in the affairs and in the running of the School. The idea of placing more responsibility in the hands of the students has met with great success.

The Student Council consists of Circle House presidents, presidents of V form houses, and officers of the School. It is very active in all phases of School life. During the football season it helps the Major "L" Club police football games and organize rallies. The poster contest for the Hill game was initiated by the council. School trips such as this year's journey to Blair for the Lawrenceville-Blair football game are supervised by the council.

Several years ago the Student Council took over chapel spotting, and it has been doing a competent and thorough job since.

The council has also recently helped in the raising of money for the School camp and in the clothing drive for the needy.

The control of student discipline by the council in recent years has greatly enlarged its power. Punishments recommended by the council for boys who have committed offenses are often approved by the headmaster. As a spokesman of student opinion, as a competent administrative device, and as a provider of vital services, the Student Council is appreciated by students and masters alike.

CLASS HISTORY

WE the members of the 150th graduating class, despite hard work, despite history papers, and despite the pressures of college admittance, have enjoyed our final year at Lawrenceville. Many of us, for the first time, have availed ourselves of the opportunities afforded us. We look back with satisfaction upon almost all the events of Mr. McClellan's first year of administration, a tenure which we all hope will be a long and successful one. To the McClellans we offer our gratitude for their part in a productive year.

Along with the dawn of a new era this class has witnessed the passing of another era, the reign of that venerable entrepreneur Ray Arrowsmith. Let us hope that the scroll, presented Ray by the fifth form council, offers due commemoration to the many moments of meditation spent in Ray's emporium. The memory of Arrowsmith's ptomaine palace will long linger in our minds. Another momentous passing was that of the old gymnasium, an event which provided untold delight for those among the administrative staff who remembered their marshmallows. Yet, before this landmark vanished from our view, industrious members of our form had managed to stamp upon it the immortal epitaph (for both the old gym and the Hill School), "Beat Hill." Another seemingly impossible feat was performed by ingenious fifth formers as the ancient eyesore, the Jigger Shop sign, was briefly removed from its hanging place. Posterity can only speculate on how a crane was smuggled into Lawrenceville.

However, our class also devoted a great deal of time to the more essential secondary school pursuit, that of excellence. The class's application to this endeavor must be termed adequate, as our efforts were rewarded at mid-years with a 76.488 average, highest in the fifth form's history. Further reward was derived from the extra day magnanimously added to spring vacation by the administration. The existence of a substantial brain trust in our midst was evidence also by the scores of some class members on both the Merit Scholarship and the G.M. Scholarship tests. The bards of Belknap made their small contribution to our academic success with an 81.7 house average. This 150th anniversary year also witnessed more momentous academic achievement. The speech by Professor Moses Hadas on "humanism" was excellent and deserving of the praise it received. Norman Thomas' speech to the Herodotus Club emerged an unqualified success. Some of us were fortunate enough to come into contact during the year with many of the top minds in American education at the various 150th anniversary conferences. These benefits could be reaped largely because of the sesquicentennial celebration, for our class a propitious event.

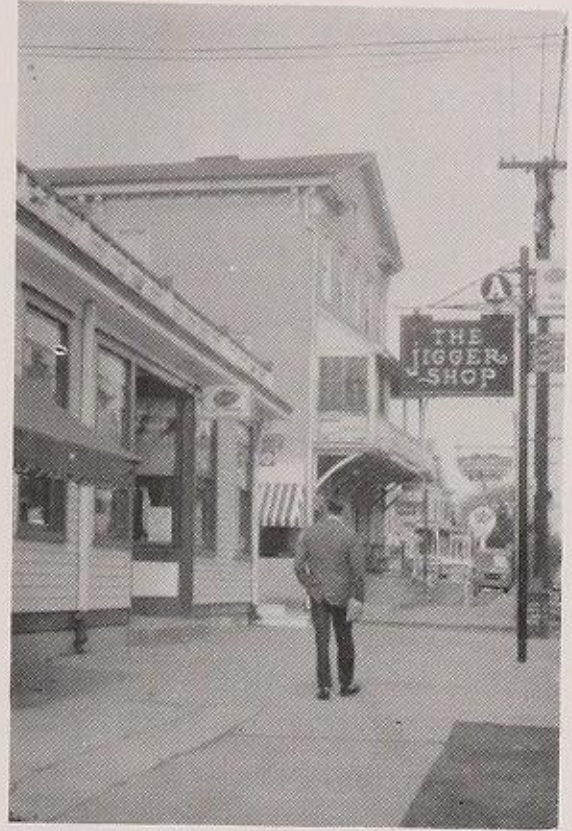

60 Olla Podrida 60

The activities of this special year, from President Goheen's address in October, through the list of speakers and conferences provided to us added opportunities for enjoyment and education.

The long awaited fifth form year commenced innocently enough in September. An enormous group of khaki clad sophisticates swarmed back to the campus, glanced disdainfully upon the as yet uninitiated rhinies, and assumed positions on the esplanade. Entertainment was not long in arriving. An outlet for the belligerent emotions which had accumulated during underform years was immediately provided by the circle housemasters. Rallying cries of "Maverick" and "Kookie" issued forth as the television feud momentarily enveloped Lawrenceville. However, more constructive outlets were soon found for our repressed emotions. Operation "stamp" was an unparalleled success. Yet let us not be remembered for our prodigious output of saliva.

For the more sadistic members of our class, distraction was provided by the football team. Carnage is the only word to describe the method by which seven teams in a row, including Choate and Hill, were neatly disposed of. The all winning season brings Lawrenceville's skein to fourteen consecutive victories. Although football grabbed the spotlight, the soccer and cross-country squads also enjoyed highly successful seasons.

The dreaded winter term crept down upon us, as usual "not with a bang but a whimper." Yet the world did not end and this year the customary cold weather let-down went unnoticed. Many factors undoubtedly contributed to the success of this year's winter term. The formation of a yo-yo club did much to relieve any expected boredom. Those fugitives from Muscle Beach amongst us found occupation for their time applying man-tan to their rippling forms. Others bided their time pouring over the problem of trying to get a Volkswagen out of Upper House. Some fifth formers who could not restrain themselves from reverting back to their childhood, joined forces with the local cub scout pack. Unfortunately, most of these fifth formers could not pass the rank of wolf. These floundering souls were summarily dismissed from the scout movement with the sage advice to join the navy. Soon, however, our thoughts were considerably sobered. The winter term brought with it the realization that the deadline for theses was fast approaching. Some dismissed the idea as a diabolical whim of the history department. Yet, when March eleventh lept upon us, all were prepared. There was much distinguished work which appeared among this year's crop of papers. One scholarly masterpiece, "Did Roosevelt Have an Oedipus Complex?" unfortunately never got past the planning stage. Modern psychology will undoubtedly be the better for this oversight. Chagrined history teachers repeatedly found it necessary to warn enthusiastic history students to cut down such cumbersome topics as, "The United States from 1492 to the Present."

60 *Olla Podrida* 60

Once more, as in years past, the truth that matters eluded the grasp of innumerable students. News from the center of the golf course, that salvation in the form of a new religion book is in the offing, was greeted with notable fanfare. The Lincoln's birthday "demonstration" was a small but infamous event of the term which undoubtedly caused Old Abe to turn over in his grave. Embarrassed fifth form council members, after walking out of chapel during the singing of "America," could offer no explanation other than their clinging to ritual. Fortunately, that occasion was not typical of the council's performance. The council this year labored in an untiring and capable fashion. To its members our thanks are due. Congratulations must also be extended to the swimming squad for their upset victory in the Easterns. The exciting meet, with its thrilling races, more than compensated for a somewhat mediocre season.

The spring term was by no means without its benefits. Once the many spring fever sufferers (easy to distinguish by their deranged stares) had recuperated, one of the most enjoyable portions of the year was discovered. The annual Herodotus safari to Washington was well worth sacrificing two days of spring vacation. Meeting and conferring with the heads of the government face to face was an extremely educational experience. The balmy spring zephyrs produced a mass exodus amongst us in the direction of the golf course and tennis courts. The number of potential Sam Sneads and Jack Kramers within this year's class was indeed staggering. If some of this latent talent were developed, Pancho Gonzales, Ben Hogan, etc. would be forced to run for cover. It is therefore somewhat surprising that the favorite words among students this spring were "mulligan please." Those erudite class members, who preferred more aesthetic pastimes than golf, spent spring afternoons contemplating their navels beneath the sunny skies of Lawrenceville-by-the-sea, more commonly known as green field. The one spring event to occupy universal interest within the form, besides graduation, was the prom. This year's bevy of beauties probably compared favorably with past delegations. At any rate, although no exact figures have been tabulated, it is suspected that the number of broken hearts this year reached an all time high.

The realization approaches, as commencement nears, that we have reached a small but significant plateau in our lives. We can now take time for some serious reflection. Now we are able to comprehend with startling clarity exactly what we have or have not accomplished. We are able to see which opportunities we have disregarded. To the majority of us the pondering of these questions produces a feeling of only mild regret and an overwhelming feeling of confidence in the future. We advance into our future with customary uncertainty, yet with the assurance that we are prepared. The realization now forcefully strikes us that we have made but a small contribution to an impressive tradition.

NORMAN L. CANTOR
Class Historian

CLASS POEM

To course the vestige of the Greeks, affect
Lothario's powers, ponder Triune God,
Attempt the feats of Hercules, infect
His self-inflated ego—poorly shod,
Sometimes, strengths untested—Youth proceeds.
Unaware of tested Time's deceptive traps,
Careless of the effects of callous deeds,
Inclined to passions lost, perhaps,
Too soon, the Young, by whim, love, hate and
True purpose guided, peeved by minor
Transgressions on their freedom, stand
Alone, heirs of crises never greater,
Braced by cold unfettered courage to fete
The harsh onslaughts of uncharted Fate.

BY COLBY SMITH

QUOTABLE QUOTES

Take us to the Roosevelt, we're the little Rough Rider hoods.

Why can't he just park outside like other masters?

Young . . . , thank you very much!

Who are you?

Who am I?

I don't pretend to be an expert on the subject, but . . .

Drop your pants.

See my secretary and make a date.

Troy, where's my bird.

He's a fine team player.

Gentlemen, there *is* a work program, check for it.

Oh, la petite Helene.

Why do you want to go to college?

Sitting there like a palpitating protoplasm!

Hmmmmm, Hmmmmm, Hmmmmm, 25¢.

You've been good about picking up people around the campus.

Members of the Class

THE OLD SCHOOL

150TH ANNIVERSARY

TWENTY-FIVE years ago Dr. Roland J. Mulford, in celebration of Lawrenceville's 125th anniversary, published a history of the School in which he wrote the following: "The life of a great School is like the life of a great man; each to be great must typify its world and yet be exceptional. So with Lawrenceville. Founded on the tide of a democratic movement that swept American education and replaced the old aristocratic Latin grammar schools with the Academy, it has adapted this ideal to changing times for a century and a quarter of increasing usefulness."

Now, a quarter of a century later, Lawrenceville celebrates her 150th anniversary. As we look forward to the future and "the encouragement of excellence," we also look back to examine its formation and development. The history presents

itself in three eras: The Old School, 1810-1883, The John C. Green Foundation and the Centennial, 1883-1910, The Past Fifty Years, 1910-1960, which aid in the study of the change from the old European to the modern American psychology of education—the gradual change from the student-teacher war to the union of both in the pursuit of excellence.

Rev. Isaac Van Arsdale Brown, Lawrenceville's first headmaster or, to be more exact, first owner, founded the School in 1810. Of the first nine pupils enrolled one was John Cleve Green, who was destined to play a very important role in the School's later history. The first pupils didn't live with the principal but boarded around in the neighborhood until the building of the Hamill House in 1814. By 1820 there were 25 boys and we get a taste of

One Hundred Fifty-five

60 Olla Podrida 60

THE BARN

the old European method of discipline in this description of Isaac Brown. "Dr. Brown was of Huguenot descent, a sincere Christian, and a good man, a little too fond of the birch; for he would occasionally flog some of the younger boys most unmercifully."

A pupil who joined the School in 1819 gave a picture of his fellow students in a letter to a friend: "The school which I attend consists of twenty-five scholars, of whom five, including myself, are preparing for the ministry; the rest are wild giddy-headed boys."

In 1829 Isaac Brown decided to "branch out with more originality on a course that led to expansion and increased popularity." In an advertisement for the "Lawrenceville High School" Dr. Brown explains the new conduct and management. "This institution, established on the general plan of the Gymnasia and High Schools of Europe, has arisen out of the deep conviction that the old and ordinary modes of instruction are very imperfect and inefficient." The advertisement went on to discuss the change to "full and liberal course instruction" and Dr. Brown's "radical departure" in encouraging athletics to "invigorate the physical system, and develop

the minds of youth." It must be remembered that at this time athletics in our sense of the word were unknown.

In 1834 Brown, feeling the weariness of the headmastership and sadness over the death of son and wife, sold the School to Alexander H. Phillips, the co-principal at that time, for \$8,500. The physical plant of the School had now swelled to include an addition to the "Big House" (Hamill), the "Laboratory" (Haskell House), the ice house (no longer in existence), and the pond, dug in 1829 by Dr. Brown.

Mr. Phillips in his brief stay followed closely along the lines that had proved so successful in the past and left no permanent imprint of his own. When James H. Porter left the faculty to found the Lawrenceville Female Seminary, Mr. Phillips engaged Samuel H. Hamill to fill the vacancy. This was probably the most significant event of the Phillips regime, as Dr. Hamill was soon to become the third headmaster of the School and to serve the School for 49 years. Upon Mr. Porter's death, the Lawrenceville Female Seminary, only one month opened, came under the proprietorship of Mr. Phillips. In November, 1837, the School was sold for the third

FOOTBALL TEAM (1895)

60 Olla Podrida 60

time to Dr. Hamill and his brother, the Reverend Hugh Hamill.

The similarities between the Hamill brothers were certainly few and far between. Samuel was a man of extraordinary talents as a schoolmaster. Taking over Lawrenceville when its enrollment had dwindled to eighteen boys, he rapidly built it up again to its former popularity. He was a very religious man whose "favorite weapon, incidentally, was a missionary pamphlet." His wise and tolerant government did not come from his theories, but "from his heart."

Hugh Hamill, as Joseph R. Duryee '70 described him, "was a unique character. Could Dickens or Howells have had contacts with him, the picture would stand forth as unmatched in story. He was tall and gaunt with sharp features, red face and fiery eyes."

As it was said before, this was a time of the student-against-teacher war. One prank which showed the unusual kindness of Dr. Samuel Hamill in treating disciplinary matters as opposed to his contemporaries (i.e. his brother Hugh) is related by General Hugh S. Scott (L '69). He and some of his friends had crept out the window and raided an apple orchard

FACULTY WIVES (1890)

in Princeton. "We were caught with the goods in the middle of the road by Dr. Hamill himself, who lectured us with much kindness, but gave no clue as to how the punishment would be made to fit the crime." Later on, when the boys heard that Dr. Hamill had actually dined with one of the boys' parents without mentioning the disgrace, "The effect was tremendous, and every one of us would have died with our boots on, rather than give him cause to lecture us again." General Scott goes on to say of the Hamills, "The strictness, dignity, kindness, and courtesy with which we were always treated by Dr. and Mrs. Hamill gave us a love and respect for them I have never seen equalled in the heads of any school."

One thing that doesn't change too much with the passage of time is human nature, and General Woodhull's (L '54) following remarks smack of analogous situations today. "In the evening we could go to service in the lecture-room of the church, if we wanted to. As we grew older and found that the older Seminary girls had the habit, we generally wanted to. . . ." There was, indeed, a sacrifice on the boys part, for the seating arrangements were such that they

LAWRENCEVILLE FEMALE SEMINARY

One Hundred Fifty-seven

60 Olla Podrida 60

were robbed of the chance to watch the girls.

Sturgis Milford (L '86) describes the food conditions of the School. "Under Dr. Hamill we had a remarkably fine table, most of the meat was killed on the grounds and Miss Susan made the finest desserts I have ever tasted."

The beginning of the end of the old School was marked by the death of John

Cleve Green, ironically one of Lawrenceville's first nine pupils. Having left Lawrenceville at the age of 16 and in the ensuing time acquired a large fortune, he now left his fortune to his residuary legatees who in turn bought the School for \$25,000 from Dr. Hamill, now old and ready to retire. In 1882 the Green legatees secured James C. Mackenzie to take over the helm from Dr. Hamill.

FIRST TROLLEY CAR

60 *Olla Podrida* 60

VIEW OF CAMPUS (1899)

THE JOHN C. GREEN FOUNDATION AND THE CENTENNIAL

SEPTEMBER 1883 marked the beginning of the new school. Four years had now passed since the actual purchase of the school from Dr. Hamill, during which time the owners, the four joint tenants of the will of John C. Green, had discussed and broadened the objectives in their undertaking. John Cleve Green had left his residuary estate "for application to such purposes as he would have approved," and the legatees meant to fulfil this bequest to the utmost. The scope of their plans extended far beyond a mere rehabilitation of the Old School—they wanted to create a new Lawrenceville under the John C. Green, devoting themselves to "the establishment in perpetuity of a great endowed school, not for Princeton, but for God and the nation. . . ."

Their first task was to secure a competent headmaster. Attracted by the vigorous leadership of the head of the Harry Hillman Academy in Wilkes-Barre, Pennsylvania, the "Founders" in 1882 engaged Dr. James C. Mackenzie, Ph.D., as the first headmaster. Their substantial endowment enabled them to obtain the best instructors to teach the new curriculum also.

The fact that the residuary legatees wanted a complete break with the Old School was manifest in the deletion of all the old buildings from the new plan of the campus. The new institution was to be considered as having no previous existence—it was a renaissance of the Lawrenceville School, the beginning of an era.

When the school opened in the fall of 1883, the enrollment was 112 boys, of

One Hundred Fifty-nine

60 Olla Podrida 60

whom only twelve had been under Dr. Hamill. One wrote: "Although but a lad of fourteen, I was not so young that I could not realize how great a scholastic revolution was taking place. . . . Some of the older boys, I recalled, did not like the change, for the new headmaster believed in hard work and plenty of it, while for us younger lads we scarce could follow the sudden but necessary shifts in matters and discipline."

Improvement of the educational system progressed side by side with the construction plans. Within two years the School had moved into its new buildings, and by 1895 Memorial Hall, Upper House, nicknamed "The House of Lords," and the Edith Memorial Chapel had been added. It was during this period that Lawrenceville acquired some of its famous traditions. The modern "jigger" was originated in 1890 when a student in DeWitt's Drug Store, wishing ice cream in a hurry, called out, "Hey, Al! Gimme a couple of those-er-what do you-call-ems? That jigger you

have in your hand." The jigger was an ice cream scoop, but from then on its name was given to the serving of ice cream.

The universally rebellious nature of schoolboys was of course present at this time—"except in rare cases, the genus boy looked upon the genus master as a natural enemy, and to play the game properly, he (had to) get the better of his oppressor." The vitality of the young, growing school was uniquely captured by Owen Johnson '95 in his *Lawrenceville Stories*, which appeared in the first *Lawrenceville Literary Magazine* in 1895. Through these stories the school gained national acclaim as "the only American Prep School with a literature." Wrote the Philadelphia Public Ledger: "Had it done nothing more than furnish the backgrounds for these classics of American boyhood, Lawrenceville School would not have existed in vain."

By 1898 and its quindecennial, the School had more than trebled its enrollment, and ninety-five percent of its gradu-

VIEW OF CENTR

60 Olla Podrida 60

ates had received college degrees. Under the expert guidance of Dr. Mackenzie Lawrenceville had grown and prospered during its first crucial years. However, the headmaster was in real need of a vacation—he had served the School for over sixteen years; he had given unstintingly of his time and energy whenever and wherever they were needed; he had striven to maintain the high academic standards for which Lawrenceville had become famous; he had been offered such distinguished positions as the superintendency of the Philadelphia Public Schools and the presidency of his college; and he was concerned about Mrs. Mackenzie, who had worked for the School as devotedly and unsparingly as he. His letter of resignation in March, 1899 was not, therefore, entirely a surprise to the trustees. They accepted his resignation and within a week unanimously elected the Rev. Simon John McPherson, D.D., of Chicago to succeed Dr. Mackenzie.

The sorrow at the parting of the Mackenzies was particularly poignant among

the student body. An article appearing in *The Lit* voiced deeply the feelings of the boys and showed the high esteem in which they held their headmaster: "The task which confronted Dr. Mackenzie was most difficult; it was a situation with which few men could have ably coped . . . it was Dr. Mackenzie's aim to make Lawrenceville known everywhere not alone for the instruction it gave, not for its athletics or its numbers, but for the type of young men which it developed. With this end in view he has labored patiently and steadily, overcoming almost insurmountable obstacles, until now Lawrenceville men are noted everywhere for their manliness and sterling worth. . . ."

Dr. Mackenzie's task had been a particularly difficult one, for most always his responsibility was greater than his authority. Furthermore, the complete break with the Old School had left him without the support of the old alumni. He accomplished what he had set out to do, however, and when he left, "Lawrenceville stood

SCHOOL PROPERTY

60 Olla Podrida 60

ready to preserve the best of the old traditions while facing the challenge of the new."

Simon John McPherson, fifth headmaster of Lawrenceville and the second under the Green Foundation, had graduated from Princeton in 1874 at the head of his class with a final grade of 99.3 per cent. His brilliant mind, solid religious background in the Presbyterian ministry since his graduation, and amiable exterior merited his unanimous election to the headmastership in 1899. He at once appealed to the boys, as the October *Lit* revealed: "During the short time which Dr. McPherson has had control of the School all have found that he is willing to repose as much confidence in them as their conduct warrants; the fellows have appreciated this, and as a result there has been less hazing and rough horse-play than ever before. A man who can, by his plain outspoken justice, secure the confidence of both students and masters in this School must be a man and a gentleman—both of which we know Dr. McPherson to be."

In 1904 came one of Dr. McPherson's greatest contributions to the school, and that the most important new measure since the start of the Green Foundation. It was the addition of a lower form. With it Lawrenceville added a new element and dis-

tinguished itself from the four-year preparatory schools, such as Andover and Exeter. In this year the enrollment was over 400, while the faculty numbered thirty-one. With the completion of a gymnasium housing a swimming pool and completely modern equipment two years earlier, the School was fast becoming one of the largest of its kind in the country.

Due to ill health Dr. McPherson was relieved of his duties from March of 1909 until the following September, when he sent out an earnest appeal to the alumni of both schools to attend the Centennial Celebration in June. The turnout was very gratifying—over 600 "old boys" returned to relive their memories, and forty-eight large army tents were set up on the golf course to accommodate the students.

President Wilson of Princeton delivered an address in the Chapel on the final morning that paid great tribute to the school. Lawrenceville's distinct advantage over public schools, he said, was that its education went beyond mere instruction—it included an association with men from whom the student got examples to follow: "pure-hearted men; . . . men whose purpose has run beyond themselves; . . . men who have had a fine surplus of knowledge to spend upon fellow men as well as upon their individual concerns."

60 Olla Podrida 60

VIEW OF CAMPUS (1959)

THE PAST 50 YEARS

UNITING the “old” and “new” School and organizing the Alumni Association, was the main goal Dr. McPherson had applied himself to from the first year of his headmastership. The centennial marked his “gradual achievement.” The foundation and organization eras were now completed and the growth and expansion of the last fifty years begun.

Most instrumental in the growth and expansion of the School were the alumni. Previously there had been a complete silence with respect to the alumni participation in the School. First evidence of enthusiastic alumni activity was in 1901—the beginning of a permanent Lawrenceville Alumni Association. At the meeting in 1903 a committee was appointed to

draw up a constitution and raise money for an Alumni Track. In the summer of 1905 another important link was forged with the first appearance of the *Alumni Bulletin*. The centennial dinner brought 600 strong back to the campus, and five years later President Belknap appointed a council to bring closer relations between alumni and the School and the Trustees. Thus the alumni were being welcomed to fuller and fuller cooperation.

“Partly through this work of the alumni; partly because of the uniqueness of its life, Lawrenceville was growing more famous with the years.” Indeed the reputation of the School had grown so that a matter of School discipline was important enough to warrant *New York Herald* coverage.

One Hundred Sixty-three

60 Olla Podrida 60

SCENE FROM "THE HAPPY YEARS"

"Lawrenceville School, one of the most exclusive preparatory institutions in the East, is just now in a state of great excitement because of the discovery of gambling among the fourth form boys. About sixty of these boys are involved in the escapade (. . . a home made roulette wheel)." The article goes on to mention that Headmaster McPherson punished the sons of prominent and wealthy families who tried their luck between studies.

In 1916 Lawrenceville entered the great war as one hundred and eighty boys were enrolled in two companies. However, the Great War affected Lawrenceville a great deal more than Lawrenceville affected it. The War, by weakening the fifth form, sped up the creation of the Student Council, "the second of his [McPherson's] two great contributions to the School." The war had become the most important thing in the life of a school boy. In 1924, as a tribute to those Lawrentians who had died in the Great War, the present Lower School was dedicated.

On January 9, 1919 Simon John McPherson died—the first headmaster to die while head of the School. Of the tributes given

One Hundred Sixty-four

him, one of his family clearly expressed his spirit. "We can say that in essence his was a pastoral administration. What a good shepherd would think important to his flock, Dr. McPherson zealously provided for the School." Of Mrs. McPherson, a master wrote, "sincerity and frankness were the very substance of her character and training."

The selection of a head-master to succeed Dr. McPherson marked the first important cooperation of the alumni in the management of the School, a "cooperation that, continuing to the present day, has preserved and made articulate the living tradition which is the core of Lawrenceville's strength." The alumni adopted a resolution to enter into the consideration of prospective candidates. Their committee made up a composite ideal head-master which was eventually realized in Professor Mather A. Abbott of Yale.

Shortly after Dr. Abbott's first year, Lawrenceville faced one of the most important questions in its history! Should "there be one single executive head of the School, namely the head-master, who shall

MEMORIAL HALL CLASS ROOM

60 Olla Podrida 60

THE LAVINO FIELD HOUSE

be clothed with full authority over all educational, administrative, and business matters other than finances, subject only to the control of the board of trustees"? The question all started with Dr. Abbott's "most forward-looking" innovations, the provision for a medical staff. The medical department was not to be under the headmaster's authority, and presented the question that it should. In other words, "either the whole School should be under his final control or else he would be headmaster in name only."

When Dr. Abbott sent in his resignation to the board of Trustees, both the faculty and the students petitioned the board not to accept it. At a meeting two weeks later, the faculty accepted the withdrawal of the resignation by Dr. Abbott. The *Lawrence* expressed their sentiments,

"It is with sincerest and greatest pleasure that the *Lawrence* is able to announce that Dr. Abbott will continue as our headmaster."

Other early innovations of Dr. Abbott include the organization of the Fathers' Association; a preceptorial committee, "To discuss frankly and freely all questions that cause unrest among the boys"; and the Harvard Survey, which strengthened the position of the faculty.

With the construction of the "Incubator," Lower School, in 1924, Lawrenceville entered into a boom in physical growth and expansion. Between the years of 1924 and 1931 five new buildings were added and two remodeled. Besides Lower, the Dawes House, the Raymond House, the Simon John McPherson Infirmary, and the Fathers' Building were either built or

One Hundred Sixty-five

60 Olla Podrida 60

EARLY PERIWIG PRODUCTION

under construction by '29, and the Science Building (now Haskell) and the Kinnan House were remodeled. Also a result of Dr. Abbott's "drive" was the John Dixon Library, built in 1931.

Through Dr. Abbott's persistent attack, the educational level of the School was raised despite the expansion. He introduced the "three track" plan, which called for the division of classes into three groups: the "A" group for the most able; the "B" group for the average; and the "C" group for the slower student.

On Thursday, May 17, 1934, a tragedy befell the School. Dr. Abbott, who had been confined to his bed the previous Saturday, despite improvement on Monday, developed pneumonia and died Thursday morning. The funeral service was held in the Chapel by his brother, The Rt. Rev. H. P. H. Abbott, as the school community lined both sides of the road from the Chapel to the gateway. As Dr. A. R. Evans summed up the development of the School under Dr. Abbott: In the brief space of fifteen years, more than a million and a half dollars in brick, mortar, equipment, and landscape had been added to the School plant.

One Hundred Sixty-six

Dr. Hyatt took over the control of the School during the interval between the untimely death of Dr. Abbott and the election of his successor, Dr. Allan V. Heely, in 1935. In his first address as the seventh head of The Lawrenceville School, Dr. Heely honored the builders of Lawrenceville and the "Tradition of a great school" and expressed his wish that "the individual boy . . . be the center of our thoughts in all that we do." This theme Dr. Heely followed closely through his twenty-five years service as Lawrenceville's seventh headmaster.

Dr. Heely's first innovation was the improvement of academics. With the aid of Edward S. Harkness in 1931, Dr. Heely adopted the conference plan of instruction and enlarged the faculty sufficiently to operate it. The interiors of Memorial Hall and The Fathers' Building were altered to accommodate the new system. Further physical developments during the administration include The Lavino Field House, the Noyes Science Building, a new Music Building, a new heating plant, and other facilities required to service the large plant.

Little can be said of Dr. Heely that is

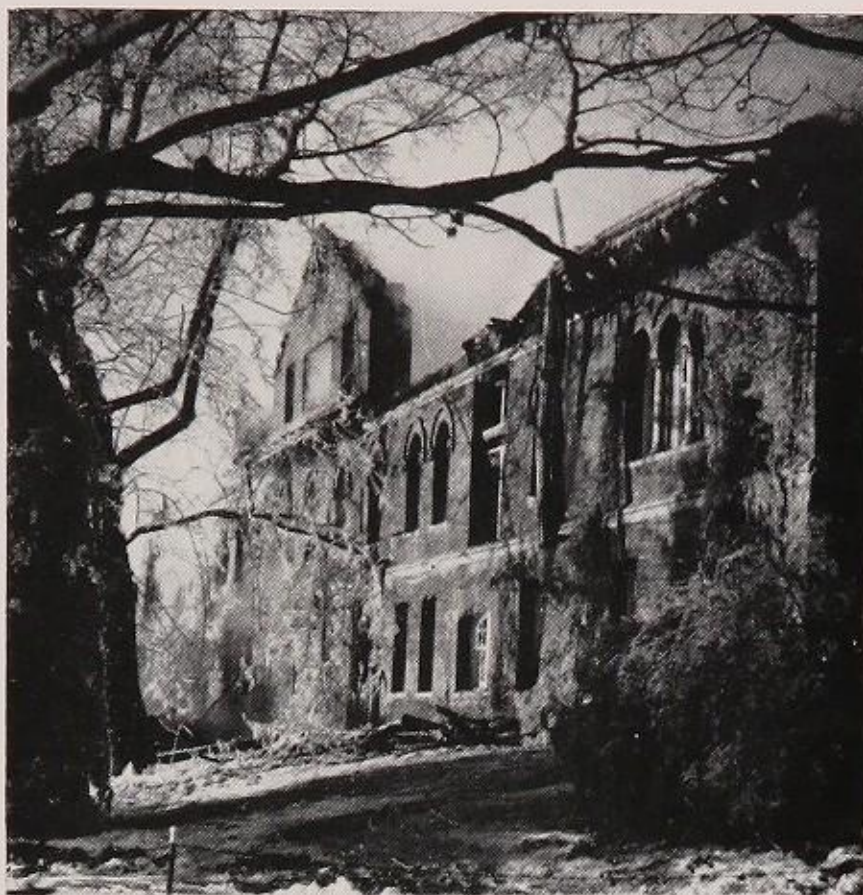

MEMORIAL HALL (1905)

60 *Olla Podrida* 60

not already well-known by those connected with Lawrenceville in any way. Those who knew him—trustees, alumni, and friends—were “drawn closely to the School by his personality.” His wisdom, knowledge of words, and scintillating wit made it a joy to listen to him speak. One example recorded by Mr. John Humason shows Dr. Heely’s method of “scolding the young”: “I wish the young men who removed the clock from the Field House wall would present themselves at my office. Their sense of humor is so extraordinary, and their procedure so bizarre, that I should like to take a long look at them.”

The third tragedy in Lawrenceville’s otherwise bright history was the death of Allan V. Heely in the summer of ’59. As an alumnus wrote, “I was very much saddened to hear the news. By just seeing Dr. Heely, hearing him, a boy could know that Lawrenceville was in the highest, best lines of education. It was a very broad feeling of pride.”

DEATH OF THE OLD GYM

The Trustees in June elected Bruce McClellan, former housemaster of the Hamill, to assume the office so tragically vacated by his predecessor. With the inauguration of the eighth headmaster of the School, Lawrenceville entered its 150th year. During its century and a half of existence, the School’s national eminence has not come through mere physical expansion. An education at Lawrenceville has become famous as more than instruction—it is a close association of master and student so that “the impact of the mature mind upon the less mature will be constant and influential. It is education in godliness and manliness and in living with others; it is the preparation of a boy not for Princeton; but for God and the nation. . . .”

As one stands in 1960 looking in retrospect at the history of Lawrenceville, it is interesting to note that the School now begins its second sesquicentennial under a headmaster taken from the very house that was the beginning.

CUM LAUDE SOCIETY

THE Cum Laude Society, Omicron chapter, enjoyed an eventful year. Election requirements were stiffened, and privileges altered. Instead of allowing anybody with an 82.0 average to enter at the quarter, membership is now limited to about ten at the first quarter, fifteen at midyears, and twenty at the third major report. The members must be in the top 10% of the class in November and continue at that level until graduation. In June all with an 82.0 average, not to exceed 20% of the graduating class become eligible for membership. Eligibility does not mean to imply election—it is merely the primary qualification. Such things as consistency of academic achievement, and attitude toward studies are also considered.

The cut system was abandoned this year under pressure from the faculty. In its place came one free on-bounds weekend per quarter in Cum Laude. A member of Cum Laude was given the further option of converting his regular weekends into on-bounds weekends. While the system at first was received with some uncertainty, it grew to be accepted and supported. The Omicron chapter participated in a district-wide conference of the Cum Laude Society held in Philadelphia. Hugh Oechler and Don Regan moderated panel discussions.

With the revamping and tightening of Lawrenceville's chapter of Cum Laude, came a broadening and expanding of the group's activity.

60 Olla Podrida 60

OPEN DOOR COMMITTEE

THE Open Door Committee consists of fourteen Fifth Formers, whose job it is to welcome visitors to the school. The group is an honorary one, and is chosen by Mr. C. H. Wagner of the French Department, faculty advisor of the group, and Mrs. McClellan. Mrs. McClellan and Mr. Wagner make their choices from recommendations submitted by the Circle House Masters. The English exchange student, however, is automatically a member.

A member must have good social intelligence: he must be at ease with adults, he must be able to keep up an interesting conversation, and he must have good manners.

The main job of the Committee consists in showing visitors around the school

and helping Mr. and Mrs. McClellan entertain at Sunday Coffee, but this year it acquired some special duties. It helped orient visitors at the 150th Anniversary Department Conferences, and about half-way through each Saturday afternoon, or during game intermissions on that day, it served coffee in the Field House Lounge.

This year Committee members welcomed the students visiting from South Africa. They roomed with these visitors over the weekend before Midyear Exams, and showed them around the school.

The Open Door Committee is especially active on occasions such as Alumni Day, Class Day, and Parents Day. It also serves during the Esso Stockholders' Meeting, held annually in the Field House.

One Hundred Seventy-one

60 Olla Podrida 60

LOWER SCHOOL STUDY HALL

EACH year certain fifth formers are chosen by Mr. Julian Thompson, the director of Lower School, to serve as proctors for Lower School study hall. Boys are selected on the basis of leadership in extracurricular activities, sports and student life, and for their personal integrity and trustworthiness. The program benefits the School in many ways. It enables many Lower Schoolers to meet older boys, whom they ordinarily wouldn't meet and thus helps make the School a closer unit. School spirit is engendered and fostered. It also increases student responsibility in the running of the School, lightens the burden on the master, and provides excellent lead-

ership opportunity for the older boys. The plan of having fifth formers as monitors is a very old one which was abandoned by the School in the 1940's. A few years ago Mr. Thompson reinstated it with satisfying results. He sees no reason to eliminate it in the foreseeable future.

Monitors usually supervise one daytime study hall a week. The evening study halls are supervised by the masters. Monitors take attendance and attempt to answer academic questions.

Proctoring is one of the many ways in which the student body is continually accepting more responsibility.

60 Olla Podrida 60

First Row: Left to Right: Barclay, Hess, Musselman, Winickoff, Love. Second Row: Godfrey, Schneider, Shepard, Sullivan, W., Espenshade, Pullar, Harwich.

THE CHAPEL BOARD

OPERATING so silently and smoothly as to be almost totally unknown, the Chapel Board, is one of the School's honorary organizations. The board, which represents a cross-section of all faiths, consists of ten fifth formers and one fourth former, who are chosen at the end of the preceding year. Mr. R. S. Wicks is the faculty advisor.

During the year the board must prepare the School's communion services and make arrangements for the choir. It is also responsible for the Lenten services and the distribution of the weekly collection in Sunday Chapel. One of the board's most unusual functions is its frequent participation in discussions with the Town Council of Lawrenceville to insure continuance of

good town-School relations.

For its two yearly drives, the organization temporarily discards its usual silent aspect and plunges into active and wordy promotion. The first of these is a bi-annual collection of used, but still usable, clothing for the needy. The second, and most important campaign, is for the benefit of the School Camp, which was established some years ago to give underprivileged boys of the area an opportunity to spend an enjoyable two weeks in the country. This camp is supervised by Lawrenceville boys who have been enlisted by the Chapel Board and is financed by money received from the Sunday collections together with funds raised during the annual drive.

One Hundred Seventy-three

60 Olla Podrida 60

First Row: Left to Right: Devins, Stouck, Gibson, Curry, Rotnem, DiMaggio, Chapin, Casaldue, Huxley. Second Row: Warner, Clifford, Holcombe, McCulloch, Buesser, Harris, Van Dyke, Grant. Third Row: Dilworth, Jones, Parkerson, Bedford, Walker, Flynn, Cushing, Squires, Newcomer.

CHAPEL USHERS

THE Chapel Ushers perform functions important to the School. The group is under the supervision of Mr. Wyman, who is responsible for choosing the members. Once the organization's membership has been determined, Mr. Wyman appoints a head usher. From then on this person is responsible for guiding the organization. The execution of ushers' duties requires tact, courtesy, and friendliness.

Each Sunday at Chapel these ushers guide guests to their seats. As a part of the service, these students take the collection for the benefit of the School camp. After Sunday Chapel, the ushers assist at

coffee hour, making certain that this event proceeds smoothly.

This year's fifth formers performed their duties quite adequately, exhibiting the qualities for which they were chosen. This year's group has been guided by Dick Rotnem, assisted by Jim Shea. During the spring term Mr. Wyman will designate fifteen fourth formers as candidates for the next year's group. After these people have had a brief trial period, including the Commencement and Baccalaureate services, Mr. Wyman chooses a limited number as final members. After School starts in September, the roster is filled in with Rhinies.

60 Olla Podrida 60

First Row: Left to Right: Steinhardt, Loveman, Lippert, Oechler, Regan. Second Row: Winickoff, Panzer, Warner.

THE LIBRARY ASSOCIATES

THE Library Associates is an honorary organization involving students and the Library. Each member specializes in a certain topic such as music or chemistry, which he delves into quite thoroughly using library material. At each meeting of the group one of the members gives a substantial talk on the subject that he is studying. In this manner the members not only increase their knowledge of their own fields, but also learn about many other subjects. At the same time they learn of the resources of the Library and how to use them.

In addition the students work as desk assistants in the library, they suggest books and records that the library should have,

and they help out at the book fair held every year. Many of the exhibits at the library and the book review board in Memorial Hall are done by the Library Associates.

Membership is usually restricted to V Formers. To become eligible for membership one must be nominated by a present member of the organization. The nominee is then given a test on different aspects of literature by Mr. Gerrish Thurber, the faculty advisor.

The Library Associates consist of twelve members headed by Chairman Larry Lippert. With the completion of the new wing on the library Mr. Thurber plans to expand the number of students participating.

THE HERODOTUS CLUB

THE Herodotus Club is an honorary history society composed of fifth formers. Its ambitious aim is the understanding of those forces which are shaping the world about us. The membership of the club is chosen at the end of each year from the leading history students of the fourth form. New members are added at the first quarter if superior work merits the increase. At the first meeting Norm Cantor was elected president. Walt Jones and Bob Dilworth were elected secretary and treasurer respectively. The guiding light of the organization is Mr. A. Graham Down, the ebullient Englishman.

The Club was host to many noted historians during the 150th Anniversary His-

One Hundred Seventy-six

tory Conference. The purpose of the conference was to discuss the progress made in the Advanced Placement program. In this connection several members of the Club commented on the work they had done on their theses. The educators then proceeded to give helpful opinions on the solutions to those problems.

The Washington trip during the first few days of Spring Vacation was the highlight of the year, both in education and entertainment. While in the Capital the Club saw Congress in action, and had private interviews with several government officials. Speeches by noted historians were also heard through the year.

60 Olla Podrida 60

First Row: Left to Right: Pullar, Labouchere, Welch, Regan, Warner. Second Row: Cantor, Winickoff, Oechler, Hitchcock, Lippert, Harwich.

THE PIPE AND QUILL CLUB

THE Pipe and Quill Club is the fifth form literary organization. Although the club does not seek any publicity or announce its meetings to the School community, it is not a completely secret one. In the spring of each year the current members elect three or four members from the fourth form. The students chosen become the officers of the club for the forthcoming year and the additional members are inducted into the club by invitation. David Welch was this year's president, Dick Labouchere was the vice-president, Larry Lippert was the treasurer, and Delano Harwich was the secretary. The club was somewhat larger than usual with

fourteen members this year and their faculty advisor, Mr. Thomas J. Johnston.

The club normally holds bi-weekly meetings at which it is host to a speaker. During the past year the club relied heavily on contributions from various members of the faculty. Mr. Arthur J. Peck of the modern language department spoke on "The Twentieth Century French Novel." Mr. Thomas J. Johnston spoke on "The Development of the Novel in America." Mr. Henry C. Woods spoke on *War and Peace*. Both Mr. Johnston and Mr. Woods are members of the English department. The club heard Professor Spiller of Penn during the spring term.

THE CHEERLEADERS

THE members of this year's cheerleading squad were, as always, chosen by the Major "L" Club officers. The cheerleaders' main function is to boost Lawrenceville's spirit at athletic contests. In addition to organizing rallies at Saturday conferences, the chosen eleven lead the verbal attack at soccer and football games. The group also serves as a welcoming committee for opposing teams.

This year the cheerleaders helped hold a poster contest before, and a meeting of student bodies after, the Hill football game. The two rival Schools were served refreshments in the large dirt area of the field

house. Before and during the half time of the game a '32 Chevrolet bedecked with school colors and Lawrenceville slogans was used to transport the cheerleaders across the playing field and to elicit enthusiastic response from the home crowd.

This year's cheerleaders added several new cheers to Lawrenceville's repertoire. Headed by Scott Andrews, the group enjoyed an active and constructive year. The others participating were: Bill Kramer, Fred Frost, Jerry Guthrie, Randy Yocum, Fred Schnieder, Steve Grant, and Sandy Parkerson.

60 Olla Podrida 60

CLEVE HOUSE HISTORY

THOUGH the Cleve House found considerable difficulty with the academic side of Lawrenceville life, the House lended itself well to most other facets, excelling particularly in athletics. Last spring President Jock Hannum, Vice-President Roger Colehower, and Secretary-Treasurer Henry Osborn were elected and took office this fall complemented by Historian Bruce Robertson and Rhinie Representative Pete Riley.

Cleve was heavily represented on School teams. Roger Colehower and Jock Hannum were elected captains at the conclusions of their '59 seasons in Lacrosse and Baseball respectively. Jock was honored further by being voted most valuable player. Numeral winners included Worcester and Robertson in baseball, McCashin in track, and Clifford in golf. Etherington, Worcester, and Bodine retired the golf trophy for the house by winning the house tournament for the third time.

Nine of us returned early this fall for football camp. Hannum and Robertson made the varsity's defensive unit as Colehower, Riley, and Worcester won minor L's. Buzzy Hannum, Barry Haywood, Bert Bonner, and Skip Tredick started for the J.V. In soccer Etherington, Lake and manager Mettler were awarded numerals. Jim McCashin ran varsity cross-country.

Meantime Cleve's mangled football team managed a 4-2-1 season for third place. Injury was the club's hardest opponent as Co-Captain Clifford and halfback Reynolds were out for the entire season, and Co-Captain and quarterback Osborn

missed the last two games. Nevertheless, Mike Bodine and Tony Elliott spearheaded the never-say-die attack of Cleve.

Soccer and Basketball faired poorly as over half the house were engaged in School athletics. Individual performances were noted by Jim Worcester's election to the all-house soccer squad and Mike Bodine's honorable mention. Mike also led the house basketball team as high scoring Co-Captain along with Keith Henderson.

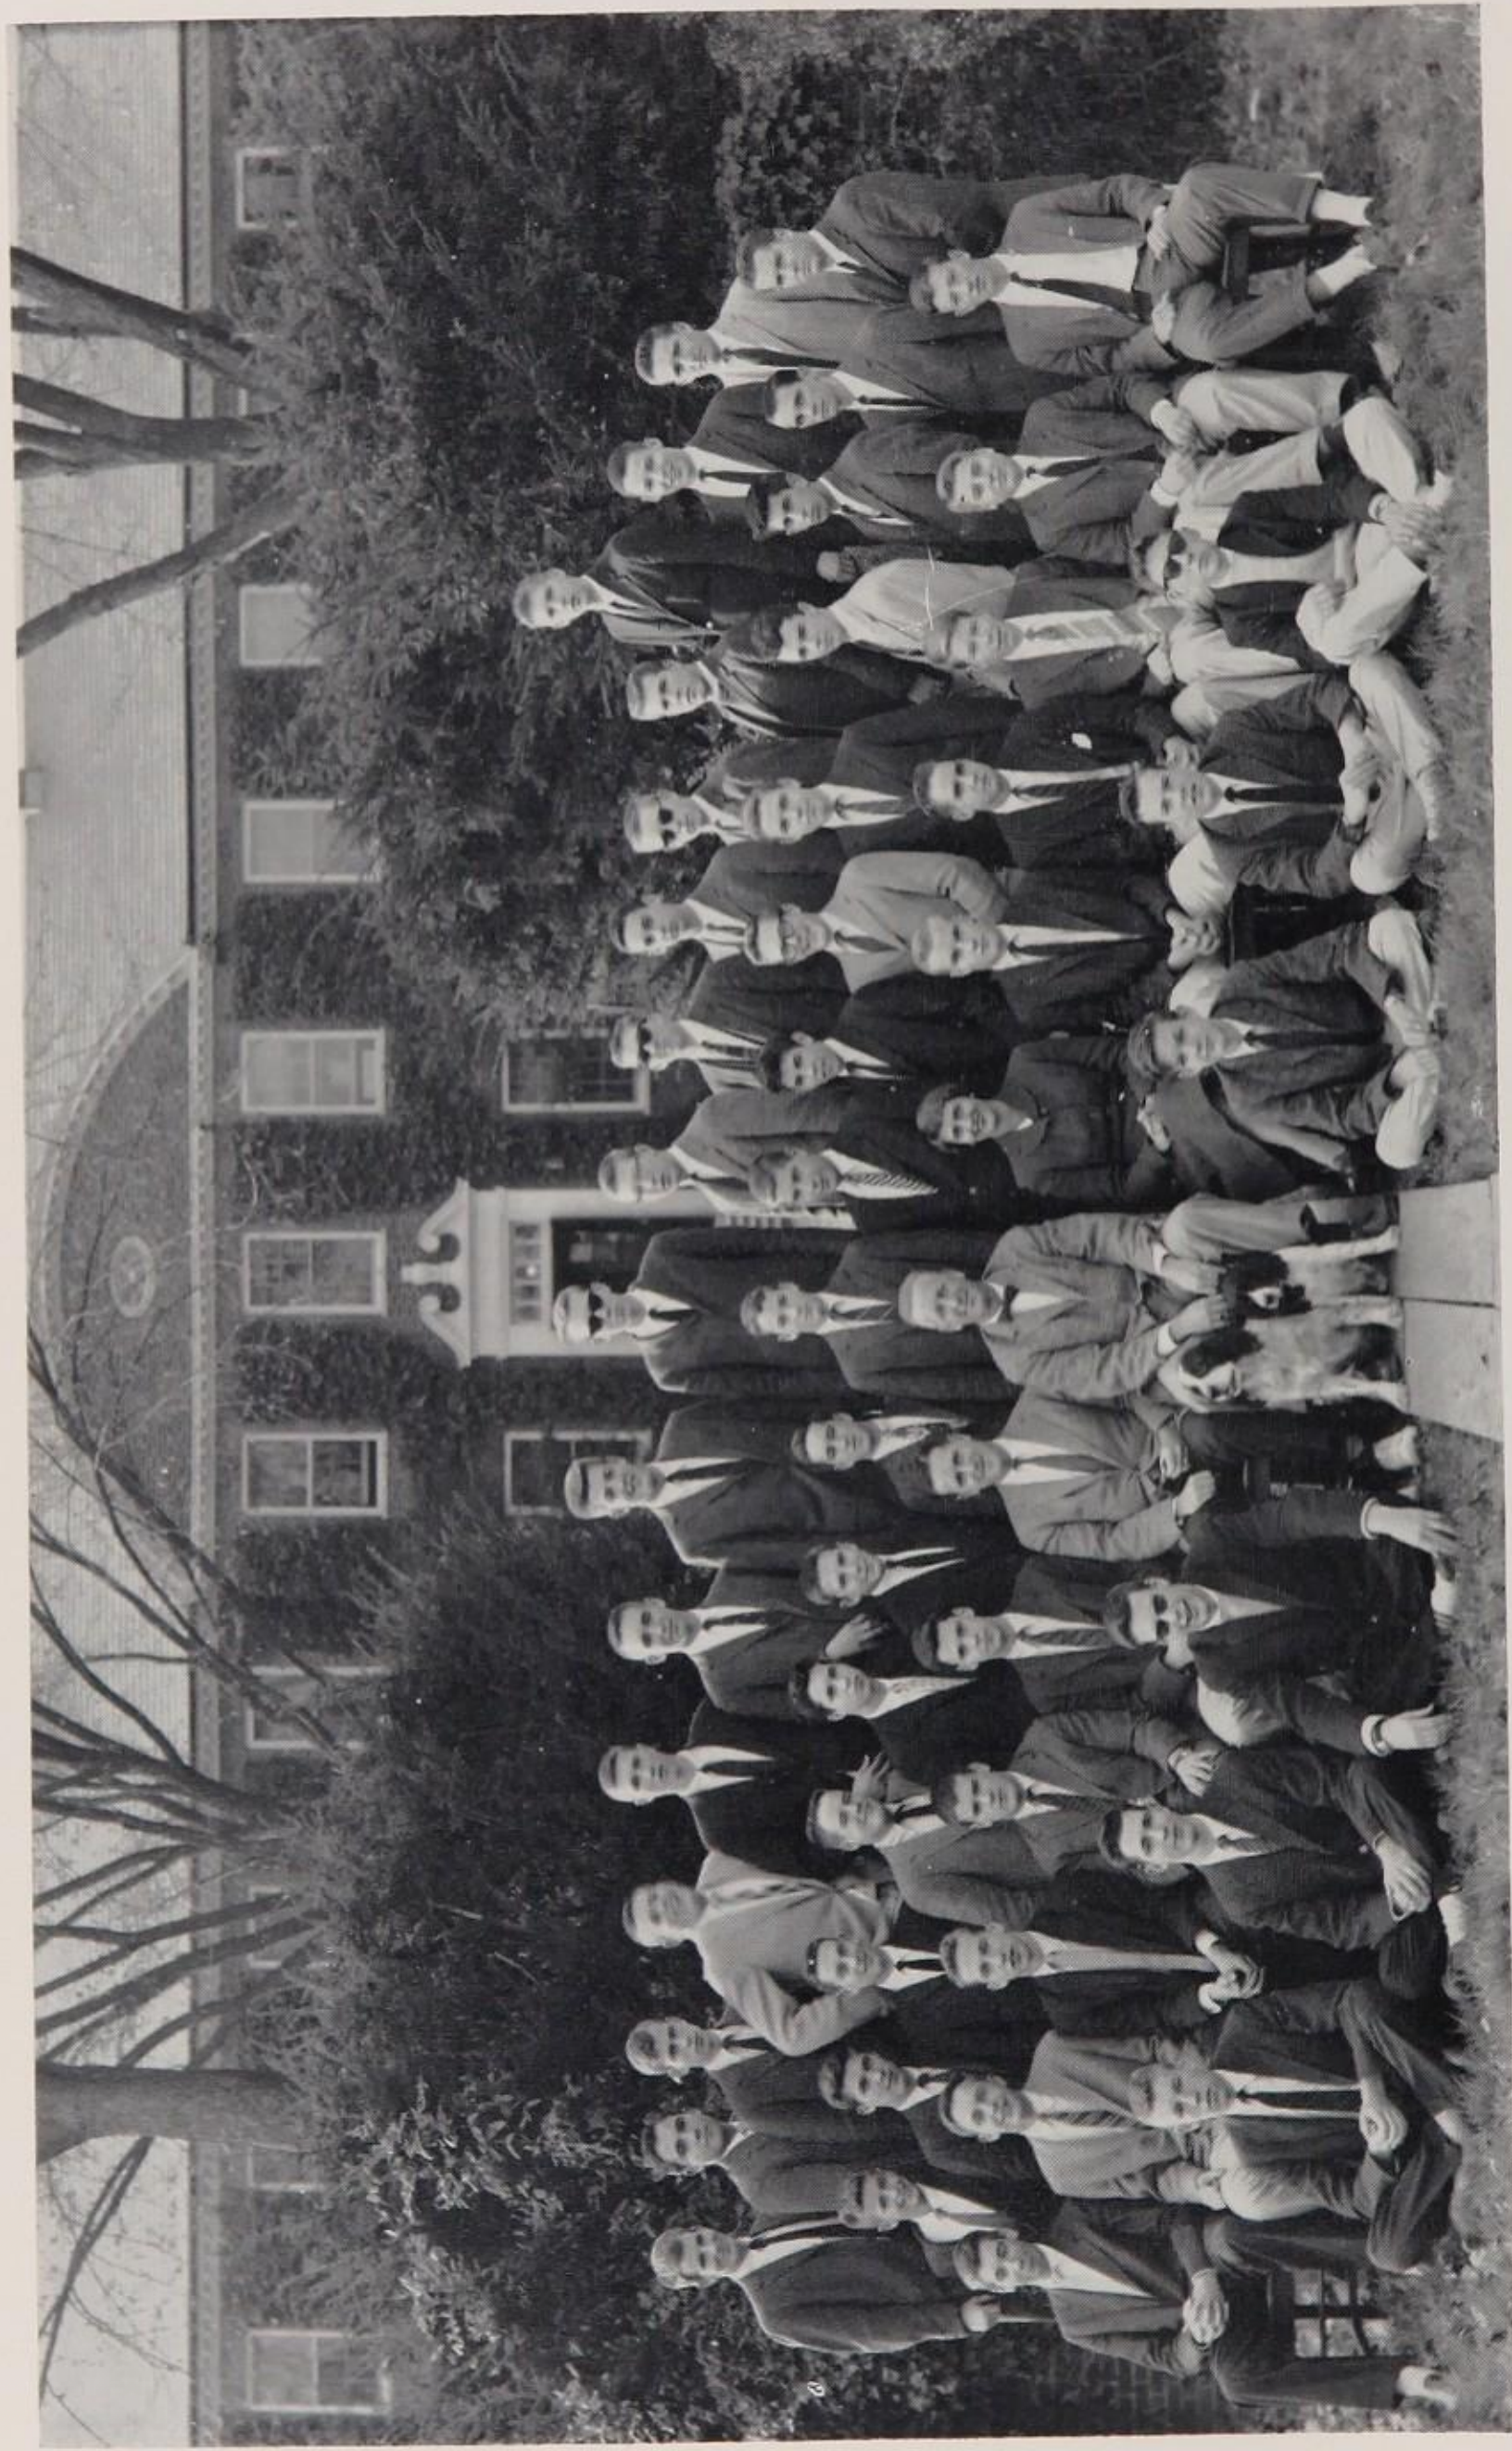

Housemaster Chambers had another swimming house this year. Osborn, Taylor, and Kramer swam for the varsity and Anathan, Stone, Millard, and Zaloom for the J.V. Colehower and Riley started for the hockey and basketball teams respectively while Hannum and Robertson co-captained their J.V. teams in two sports. Tredick in basketball and Van Wart and Buzz Hannum in hockey won numerals. McCashin and Bittel ran track.

The Periwig was Cleve's most popular extracurricular activity. Karl Corby was head carpenter as 11 were candidates. On the literary side Robertson and Hannum were on the *Olla Podrida* board, Riley and Osborn were co-assistant sports editors of the *Lawrence* on which Robertson was an issue editor. Candidates for the *Olla Podrida* numbered six as Bill Stone, Buzz Hannum, and Tony Elliott were members. Bowen shot skeet, and Elliott and Kaiser sang for the Glee Club.

We will never forget the Chambers and Mr. Elliot, our assistant housemaster, for their never failing help and guidance through the year.

BRUCE ROBERTSON
House Historian

DAWES HOUSE

Left to Right: First Row: Espenshade, Smith, L., Krauthoff, Gill, Thomas, Sundgren. *Second Row:* Williams, Paneyko, Atlee, Jenny, Gardner, Mr. Candler, Mr. Wicks, Mrs. Wicks, Hodges, Kimball, Gilbert, Tassie, Mastin. *Third Row:* McCartney, Waters, Walters, S., Lightner, Millen, Welch, Glickenhause, Bond, S., Johnson, J. M., Bass, Jeffords, Walker, Strater, Kihn, Dulany, Jones, M. *Fourth Row:* Ward, Soler, Field, Antheil, Walsh, Gaillard, Schroeder, Wilson, W., Pohndorf, Chariott, Stein, White, Bruel, Wanvig, Bower, Sellett.

60 Olla Podrida 60

DAWES HOUSE HISTORY

UNDER the guidance of Mr. and Mrs. Wicks and Mr. Candler, The Dawes produced a happy, close-knit unit of boys that was able to work and live together effectively. Although we have not attained an especially high academic average, we have been victorious in house sports and have had many boys in extracurricular activities.

In the fall, Dawes produced another power house in football. Led by Captains John Gardner and Champ Atlee, the team only lost one game and won first place honors in the Circle. Frank "Big Daddy" Schroeder and John Kimball made All-House. The soccer team did not fare too well, but sent Brian Bruel to the All-House team.

On the undefeated varsity football team were Dick Sellett, Jay Jenny, Brian Bruel, and Skipper Gaillard. On the J.V. team were Sandy Bower, Craig Welch, and Bill McDaniel. On the soccer team were Linc Field and Al Walsh. On J.V. were Evans Ward, Henry Soler, and Walter Jeffords. Mike Slater and Ted Adriance ran varsity cross-country while Dick Bass ran J.V.

On winter school teams were Dave Pohndorf and Ted Adriance on varsity swimming; Winnie Wilson and John Kimball were on J.V. Skipper Gaillard and John Gardner were varsity track runners while Mike Slater, Jim Johnson, Dick Bass, Tony Chariott, and Champ Atlee were on J.V. Linc Field, Evans Ward, and Joe Hodges were on varsity hockey

while Craig Welch, John Tassie, Sandy Bond, and Jay Jenney were on J.V. To the junior sports were added Henry Soler in basketball, and Ross Waters in hockey. Phil Krauthoff also made J.V. wrestling.

The undefeated Dawes House basketball team won the Circle House Trophy. The first string was Frank Schroeder, Bobby Stein, Mike Kihn, Al Walsh, and Tom Espenshade.

In extracurriculars, Dawes had twenty-three members in the Periwig Club. This is about sixty percent of the entire house. Bill Antheil was on the debating team and Bill Sundgren was in the Math Club. Linc Field was president of the Archery Club while Tom Walker, Dave Thomas, and Brit White were in the Skeet Club.

Those bringing up the Academic average of The Dawes were Tom Espenshade, Keith Glickenhau, John Gardner, Bobby Stein, Bill Sundgren, and Sandy Bond.

Dawes, as usual, led the Circle with the greatest number of tea dances. The House would like to thank the tea-dance committee and especially Mrs. Wicks for the success that they were. This committee was composed of Joe Hodges, Chet Wavig, Evans Ward, and Tony Chariott.

The council was Joe Hodges, president; John Gardner, vice-president; John Kimball, secretary-treasurer; Jay Jenney, historian; and Champ Atlee, Rhinie Representative. The council together with the House wish to thank Mr. and Mrs. Wicks and Mr. Candler for the fine year we have had.

JAY JENNEY, *Historian*

DICKINSON HOUSE

Left to Right: Front Row: Mr. Gordon, Knight, R., Chapman, Miller, G., Jordan, J., Pfeifer, Mrs. Keller, Bunch, Hume, Yost, Mr. Keller. *Second Row:* Hitchcock, B., Davis, C., Evans, M., Hustead, Pilalas, Strater, Goldmann, Singley, Hyer, Stevens, Sommer, G., McGowin, G., Moran, Pfeifer. *Third Row:* Underwood, Muchmore, Grosjean, Callen, Raborn, Bauer, J., Holmes, Kershaw, Kampmann, Berns, Barnett, P., Mapel, Wagoner, W., Brown, J., Hesse, W.

60 Olla Podrida 60

DICKINSON HOUSE HISTORY

UNDER the able leadership of Mr. Keller and Mr. Gordon the house has enjoyed a fine all around year. With twenty-one old boys returning, a good group from Lower School, and eight school rhinies, the boys have been molded into a cooperative, well-working unit.

Last spring the house elected Bill Pfeifer as president, Frank Bunch as vice-president, Alex Hume as secretary-treasurer, and Jay Jordan as historian.

The house teams had a fairly successful year starting with the football team finishing fourth in the league. Mr. Pratt made his debut as coach and employed a single wing attack modeled after the varsity system. With co-captains Alex Hume and Tom Hustead and assistant coaches Gerrit Lansing, Tom Cushing, and Roberto Bonetti leading us, the team went through the season with high spirits. House soccer followed, coached by Drew Callen and captained by rhinie Joe Stevens. The team fought hard all season but due to lack of depth we did not have a victorious season. The basketball team coached by Bruce Driver and Bob Holcombe elected George Sommer as captain and he led them to a 2-5 season record with Joe Stevens as high scorer.

The house was well represented on the varsity sports. In football co-captain Frank Bunch helped lead the team to another great season. Frank was elected captain for next year and was recognized on almost every all-state poll. Bill Pfeifer and Jay Jordan also earned major letters. Eric

Kampmann, Walt Wagoner, Gregg Miller, Knox Kershaw fought hard as J.V. grid-ders. John Holmes and Don Goldmann ran J.V. cross country. Buzz Raborn was our sole representative on varsity hockey, while Jim Chapman and Bill Hesse fenced their way through the winter. Frank Bunch, Alex Hume, Bill Pfeifer, and Drew Callen were on the varsity track team and Jim Muchmore ran J.V. track. Jay Jordan was on varsity basketball while Bob Knight, Fred Hyer, and Jerry Strater were the winter's mermen. Pete Barnet wrestled in some varsity matches and Eric Kampmann, Damon Pilalas, Gregg Miller, and Dave Preefer wrestled J.V.

Many members of this year's house were on various extracurricular activities. Frank Bunch, Eric Kampmann, Bob Knight, and Al Moran were members of the Program Committee and Moran was elected Photography Editor of the *Olla Pod*. Morris Evans, Frank Bunch, and Gregg Miller were all members of the Glee Club and Walter Wagoner assisted Mr. Keller in the audio work for the Choir and the Glee Club. Al Moran, Bob Knight, and Frank Bunch were members of the Spanish Club.

The whole house is extremely grateful to Mrs. Keller who unselfishly devoted much of her time and effort to the house. The tea dances, the 10:15 feeds, the Vesper breakfasts, and the wonderful coffee hours would not have been possible without her. Lastly the whole house would like to thank the Kellers for their faithful support at house contests and for a great all round year.

JAY JORDAN, *Historian*

GRISWOLD HOUSE

Left to Right: Front Row: Bearinger, Ross, Evans, Mr. Bull, Mrs. Bull, Caddell, Solberg, Schloss, Palmer, Irwin. *Second Row:* Vaughan, Coburn, Nichols, Spofford, C., Oman, Adamson, Overstreet, Wade, Stanard, Whittaker, Spofford, W., Freret. *Third Row:* Butterfield, Clark, J., Alcivar, Daesener, Stockman, Osgood, Clark, A., Bennett, Strubing, Wynne, Hudson, Johnson, Kamenstein.

60 Olla Podrida 60

GRISWOLD HOUSE HISTORY

UNDER Mr. Bull there have been numerous changes in Griswold. During the past summer several of the rooms were redone, and more rooms are to be improved during the coming summer. The various room changes were accompanied by changes among the inhabitants of the house, for this year we received an exceptionally fine group of Rhinies to replace last year's IV formers. Along with the new members of the house came new interests and new opinions. Mr. Bull is in his second year as our housemaster, while Mr. Howard is a veteran of three years as our assistant housemaster. Our council consists of John Caddell as president, Jon Evans as vice-president, Thor Solberg as secretary-treasurer, Barney Ross as historian, and Jon Bowers as Rhinie Representative.

Although our scholastic record is not as strong as it was last year, we are constantly improving with the aid of Honors students such as Solberg, Evans, Bearinger, Adamson, Spofford, Johnson, and Clark. If our scholastic improvement continues, we will soon have the leading Circle house average.

Athletically, Griswold has had many of its members on School squads. In the fall we had Solberg, Irwin, and Palmer on varsity football, and Stockman and Daesener on the J.V. Ross and Art Clark were on the J.V. soccer team while Whittaker ran varsity cross-country, and Coburn, Schloss, and Wynne ran for the J.V. squad. In the winter we have Evans, Palmer,

and Schloss on the varsity swimming team and Alcivar on the J.V. team. On the wrestling squad Solberg and Ross are varsity while Overstreet, Daesener, and Wade are J.V. Winter Track has Whittaker on varsity and Caddell and Irwin on J.V. In hockey Nichols, Hudson, Bennett and Strubing are on J.V., and Stockman is on J.V. basketball. Our house teams suffered due to the many Griswoldites that were out for School sports, but by showing constant initiative and spirit the teams were always very impressive and hard to beat. The house football team, coached by Mr. Bull and captained by Strubing, was a constant threat throughout the season and finally finished in fourth place. The house soccer team, coached by Mr. Howard and captained by Irwin, finished fifth. In the field of extracurricular activities Griswold is well represented. Members of the house hold positions on the *Olla Podrida*, the *Lawrence*, the Periwig, the Skeet Club, the Press Club, and the Glee Club. Excelling in the field of extracurricular activities are Hudson, Ross, Solberg, Evans, Stockman, Freret, Stanard, and John Clark.

In summary it might be said that the true spirit of Griswold lies in the house itself. Here, away from the athletic fields and the classroom, a group of boys with different ideas, backgrounds, and interests is able to live under the guidance of an excellent housemaster and a fine assistant housemaster. The council and the entire house are deeply indebted to Mr. Bull, Mrs. Bull, and Mr. Howard for making this a very successful year.

GRAHAM ROSS, *Historian*

One Hundred Eighty-nine

HAMILL HOUSE

Left to Right: First Row: Becker, Laddey. *Second Row:* Crawford, Wilson, E., Klinedinst, Markham, Carter, Dr. Stephens, Mrs. Stephens, Mr. Callahan, Furlong, Parker, Fesler, MacHarg, Reid, Collins, E. *Third Row:* Guttman, Conner, McCall, Jones, G., Baker, Burroughs, Derby, McNeil, Berger, Vine, San Miguel, Mellon, Slemmer, Smith, J.J., Durham, Niederer, Schulze. *Fourth Row:* Magee, Rosen, Hawkins, Heartburg, Wiedeman, McLean, A., Harbison, Franklin, DeGuere, Hill, Rahilly, O'Brien, Winnet, Cummings.

60 Olla Podrida 60

HAMILL-HASKELL HOUSE HISTORY

HAMILL was led this year by its new housemaster, Dr. Stephens, capably seconded by Mr. Callahan. We have experienced a prosperous and rewarding year. The boys in the house, individually and as a whole, excelled in all aspects of Lawrenceville life.

Getting off to an inauspicious start, the men of Hamill were unable to compile a very impressive record in Circle football competition. Competently coached by Dr. Stephens and captained by John Parker and Mike Furlong, the team lacked size and experience, and it finished in last place.

The house was well-represented in School athletics in the fall. Will Fesler earned his Major "L" in football and Bill Magee got his numerals. Beau Carter, Dave O'Brien, Earl Wilson, and Eric Berger all earned J.V. numerals in soccer, and Judd Hill received his "L" in cross-country.

Braving the terrible New Jersey weather, the house soccer team, professionally coached by Mr. Callahan, enjoyed a very successful season. Captained by Brad Crawford, the Blue and White finished in second place.

As the second semester approached, the men's tans became less orange, and Hamill had undisputedly captured the individual absence crown. The house had maintained a fine 73.427 average, second only to Raymond, and the promiscuous plagiarist began to gain a following. Also many of the late sleepers were beginning to find great advantages in vespers breakfasts patiently and cheerfully supervised by Mrs. Stephens.

The house basketball team, at the time

of this writing, was doing very well. The Hamill five had a record of three wins and two losses. Ably coached by John Nathan, Hamill alumnus, and led by Captain Jim Markham, Al Derby, George Wiedemann, Eric Berger, and Will Fesler, the squad has depth on the bench and good spirit and drive.

During the winter term, Hamill was exceptionally well represented in the realm of varsity athletics. Mike Furlong, Jeff Becker, and Don Winnet were all Major "L" winners in wrestling. Beau Carter captained the J.V. hockey team, and Brian Laddey also played, and Phil DeGuere played J.V. basketball. The perennial exodus to the winter track boards saw many Hamillites puffing about, and among the more serious were Judd Hill, Bill Magee, Brad Crawford, and Graham Jones. Dave O'Brien captained the varsity swimming.

Hamill, with great help from its many perspicacious day boys, achieved great distinction in the field of the encouragement of excellence. Individual honors must be awarded to Beau Carter, Gene Rosen, and Eric Berger who led the house as well as their forms in academic achievement.

The council, President Beau Carter, Vice-President Mike Furlong, Secretary-Treasurer John Parker, Rhinie Representative Will Fesler, and Historian Jim Markham would like to take this opportunity to join with the rest of the house in thanking Dr. and Mrs. Stephens and Mr. Callahan for the inspiration and guidance that have made this year an enjoyable experience.

JIM MARKHAM, *Historian*

KENNEDY HOUSE

Front Row: Left to Right: Mr. Clemen, Junguito, Correa, Mason, Hanford, Mr. Brewster, Eder, Haverkamp, Frederick, Jump, Brassell. Second Row: Pope, Solosko, Morey, Skeen, Rosenblad, Graham, Sloan, Hesse, McCarthy, Kuntz, Brewster, Lyons, Guzzardi, Valentine, Weiss. Third Row: Reiger, Walters, Legler, Davis, Wakelin, Friedman, Gattis, Ming, McGowin, Edgar, Dewey, Hartshorne, Scott, Rank, Whiteley.

60 Olla Podrida 60

KENNEDY HOUSE HISTORY

THIS year, under the guidance of Mr. Brewster and Mr. Clemen, the Kennedy boys have played the role of scholar and athlete and compiled a well-rounded record. On the whole, house spirit has been good, and considerable interest has been shown in the field of extracurricular activities.

In house athletics the Blue and Gray has performed admirably. This fall, under the leadership of Mr. Clemen and fifth formers Rick Greenleaf and Bill Doniger, the Kennedy eleven compiled a record of three wins, three losses, and one tie. This was sufficient to place us fourth in the circle. Kennedy members of the All-House squad were Captain Lee Kuntz and Terry Davis. Scott McCulloch and John Ohly tutored the soccer team, which finished the season with five wins and two ties while securing the soccer championship for Kennedy for the second year in a row. Bob Legler was elected to the All-House team, while Dan Gattis received honorable mention. Coached by Mr. Clemen and senior Kennedy members Jerry Guthrie and Bill Kramer, the basketball team exhibited much potential and finished the season with a worthy standing in the circle. Outstanding members of the team included Bob Legler and Mason McGowin.

In participation in school athletics, the performance is comparable. Two Kennedy members, Bob Jungito and Eliot Jump, were elected co-captain and captain respectively of next year's soccer and cross-country teams. Major "L's" were won by Bob Jungito in soccer and by Eliot Jump

in cross-country. Minor "L's" were won by Bob Legler and Pete Haverkamp for their contribution to the varsity football squads. Kennedy boys were on all J.V. squads except J.V. winter track.

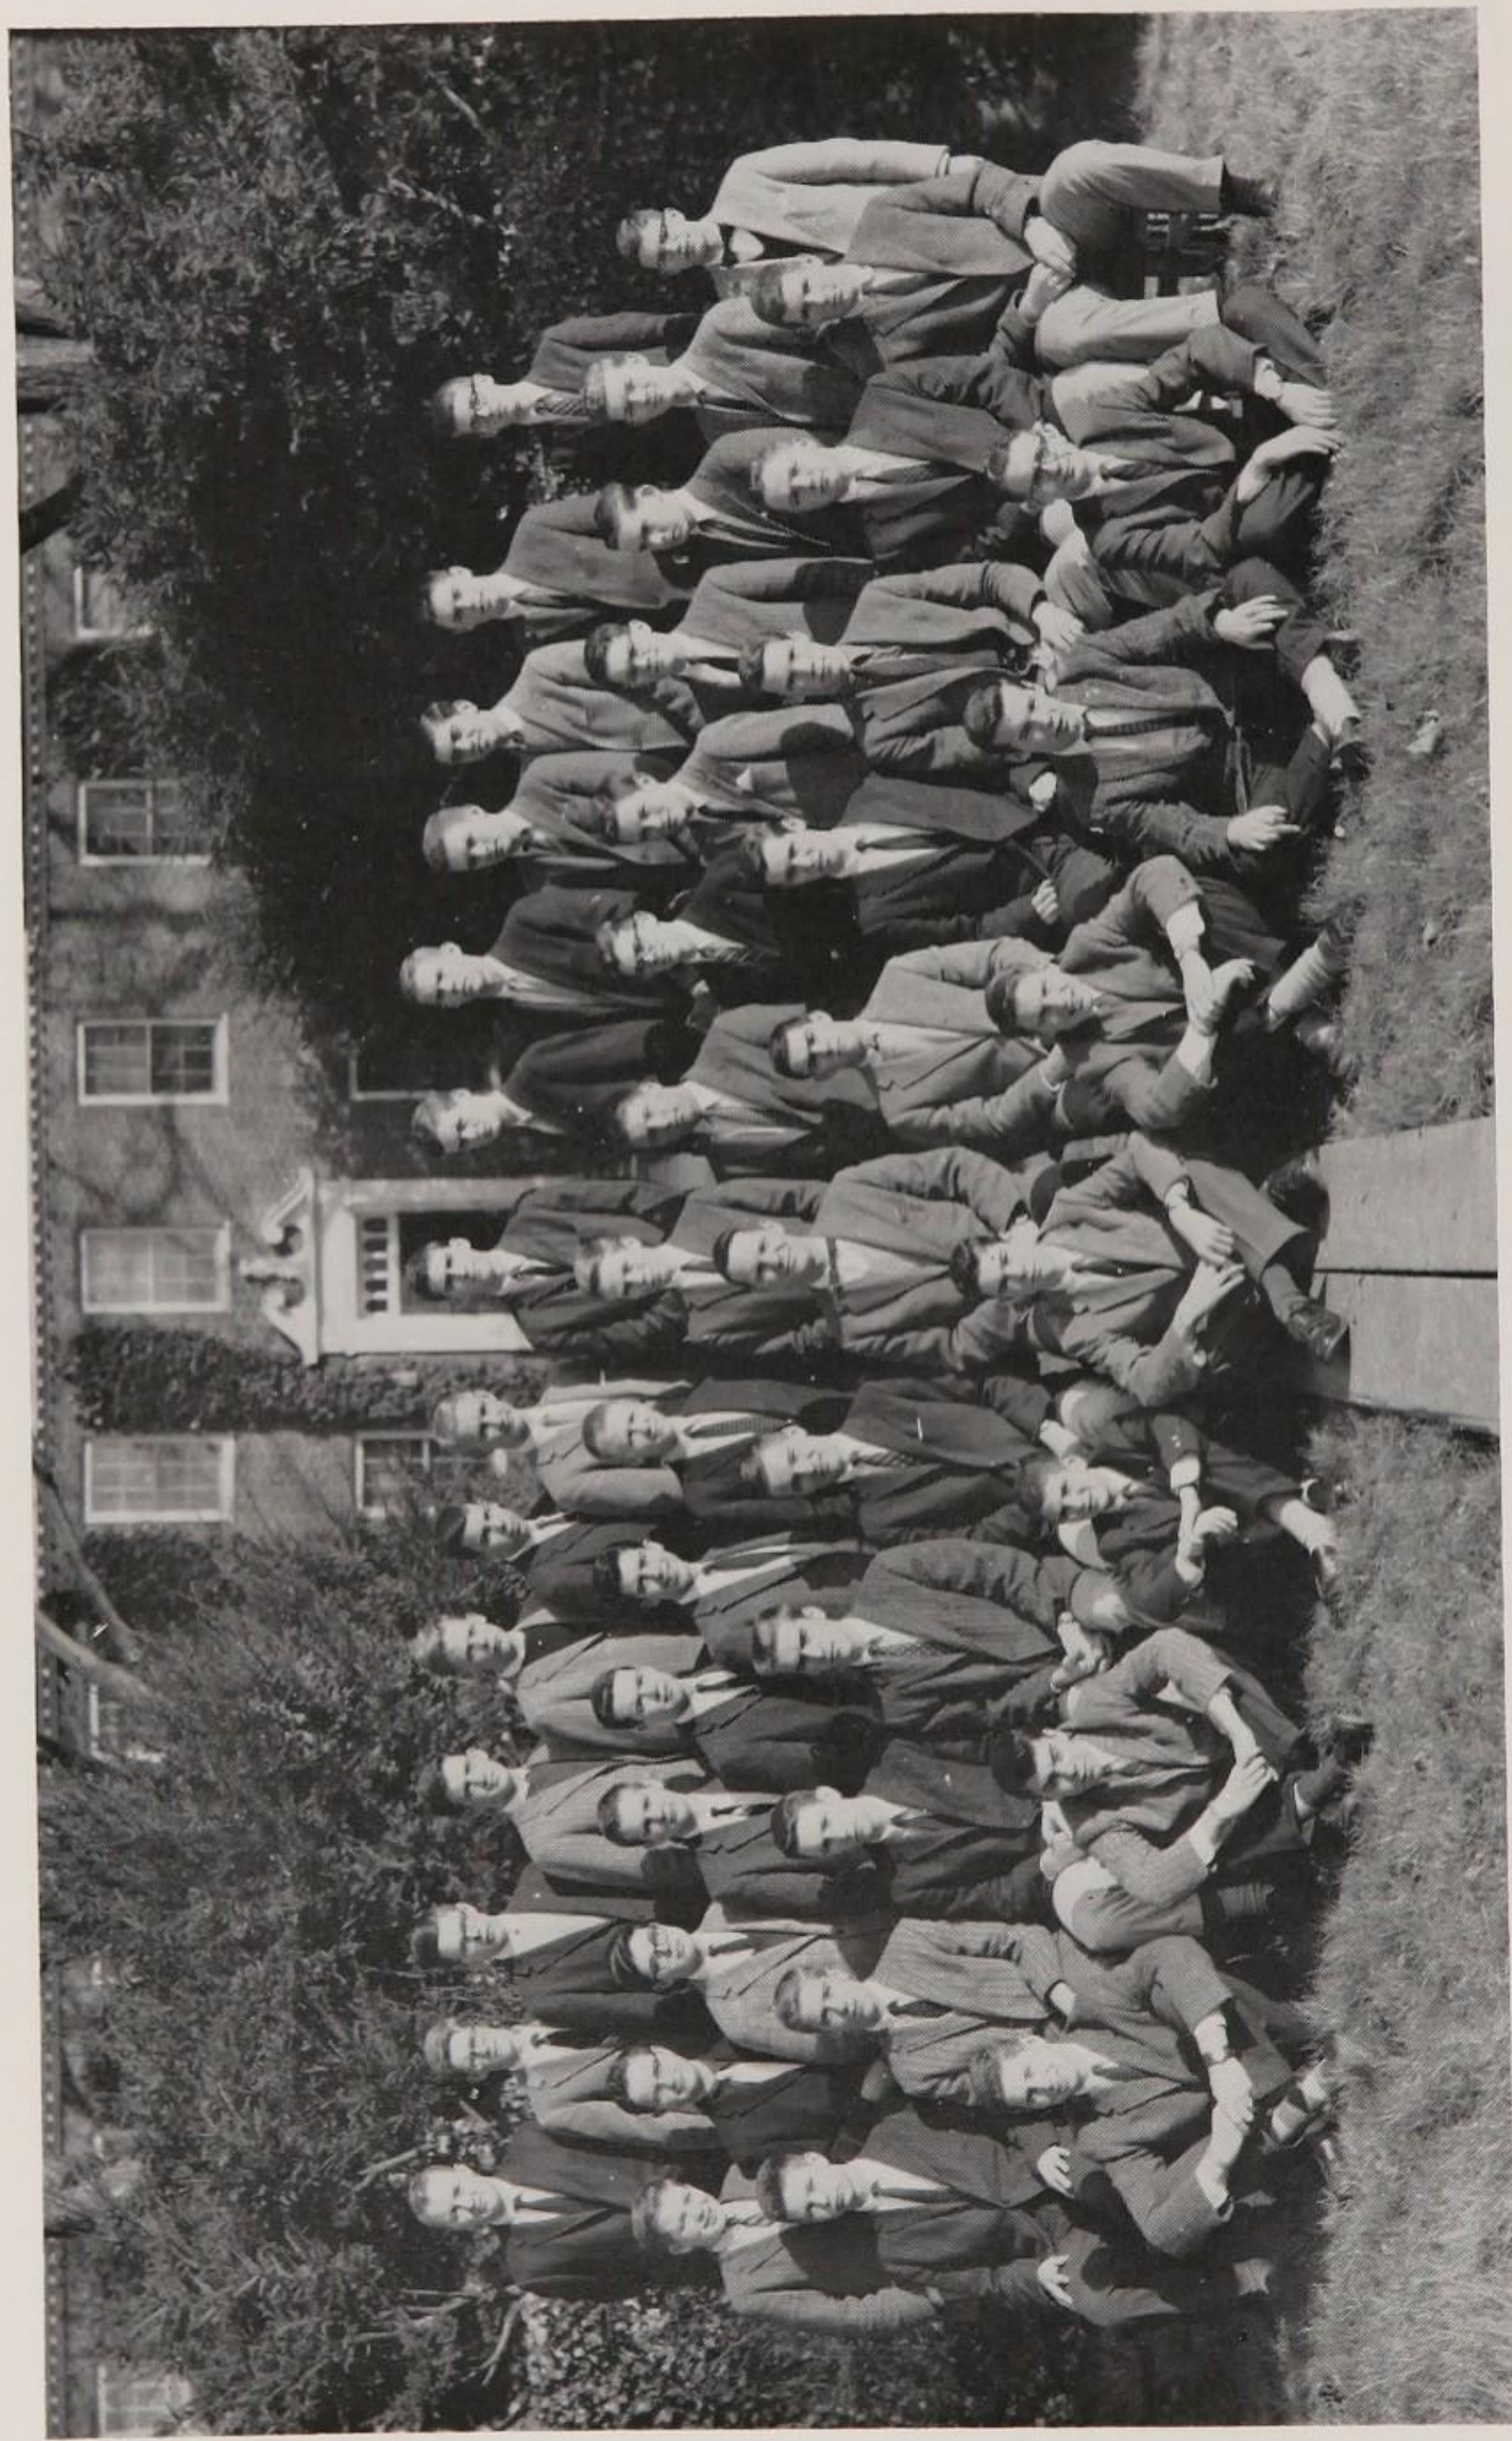

Members of the house were to be found in many of the school's organizations and clubs. John Correa, Frank Frederick, Don Freeman, Pete Haverkamp, Glenn Mason, and Jim Ming sang in both the Glee Club and the Choir. Still more musical talent was displayed by Dan Whiteley, who played in the band, which was managed by Joe Guzzardi. Al Eder, Tom Edgar, and Charles Dewey worked in the Press Club. In the realm of foreign languages, much interest was present and exhibited by John Correa, Al Eder, Dan Gattis, Joe Guzzardi, Bob Jungito, and Dave Solosko, who were in the Spanish Club. Other organizations, including the *Olla Podrida*, the Periwig Club, the Stamp Club, and the Science Club, had Kennedy boys in the ranks of their members.

The house scholastic standing improved steadily as the year continued. With course failures at a minimum, and with the help of eight honors averages, Kennedy attained fourth place in the Circle at mid-years.

The council of Al Eder, president; Stu Hanford, vice-president; Frank Frederick, rhinie representative; and Glenn Mason, historian joins with all the boys in the house in expressing their gratitude to the Brewsters and Mr. Clemen for the invaluable guidance and attention they have given us throughout the year.

GLENN MASON, *Historian*

One Hundred Ninety-three

RAYMOND HOUSE

Front Row: Left to Right: Luke, C., Gentry, Reich, Haeger, Robinson, Wooten, Monatt. *Second Row:* Andrews, W., Edmonds, Kennedy, Green, Monge, Mr. Johnston, Greenstein, Beard, Bittel, B., Daesener, A., Barclay, N. *Third Row:* Hahn, Tustin, Barnes, Murry, Koether, Stuart, Matthews, Harrison, Evans, Schmitz, Wagner, Johnston, R., Gause, Dawe, Hale. *Fourth Row:* Huckle, Brice, Plantinga, McCrann, Lamb, Bowers, Barden, Maddock, Smoke, Meek, Dial, Del Balso, Deutch, Hover.

60 Olla Podrida 60

RAYMOND HOUSE HISTORY

THIS year has proved to be a fine one for the Raymond House both scholastically and athletically. Our victories both in the classroom and on Green Field can be attributed to the strong house spirit we possess.

This fall's Major "L" winners were Augie Daesener, All-State strong side guard in football; Steve Robinson, next year's co-captain elect in soccer, and Rusty Edmonds and Rick Shuart in cross-country.

Our house football team, led by co-captains Bruce Bittel and Dave Deutsch, was the best in years, finishing in second place. Proof of the interest shown in the team is the fact that there were enough players out for it to make two full teams. The greatest victory of the season was the upset over Dawes. With this victory we happily ended their seventeen game winning streak. The frigid, but nevertheless, enjoyable house soccer season proved rather mediocre for Raymond. Our team was led by Captain Brooke Beaird and by Billy Harrison. Billy Harrison played soccer for the first time the day of our first game, but ended the season being the team's high scorer.

In winter sports Raymond was represented by Steve Robinson playing J.V. hockey; Ken Wagner, Steve Reich, and Dick Johnston wrestling J.V.; Bruce Bittel playing varsity and Augie Daesener and Rob Maddock playing J.V. basketball; Rusty Edmonds, Rick Shuart, Joe Matthews, and Curt Luke running J.V. track; Bob Greenstein swimming varsity and Tom Bowers, captain for the Hill meet

and member of the record breaking J.V. relay team, swimming J.V.; and Don Dial fencing.

The house basketball team, led by captain Jim Rubino and high scorers, Billy Harrison and Maxwell Meek, had a respectable season even with the hard luck of loosing two games in sudden-death overtime.

The Raymond House had members distributed in almost all extracurricular organizations, particularly the *Lawrence*, where Jay Monge is an assistant editor, and Maxwell Meek is the photography editor. Others active in extracurriculars are Bob Greenstein in the Forensic Society, Rick Shuart in the Periwig, Dave Deutsch a fourth form member of the Olympians.

At midyears the Raymond House was on top scholastically, having the highest weighted average in Circle.

To those of you who will look back over this year in Raymond House may I recall for you some of the things that gave this house its character. Remember "J.B." and his electric bookcase. Recall the bridge club that was ever ready to defy Goren, the second floor, fourth form, soccer team which "but for better coaching would have gone against the varsity any day." Remember our tea dance with the 1,000 balloons and last, but by no means least, think back to "T.J.'s" quarterly fight talks.

As this happy and productive year draws to a close, we would like to sincerely thank Mr. and Mrs. Johnston and Mr. Brink, our Rhinie assistant Housemaster, for all the interest they have shown in us.

WEBB H. GREEN, *Historian*

One Hundred Ninety-five

WOODHULL HOUSE

Left to Right: First Row: Formidoni, Wilson, J., Hunker, Walker, W., Mr. Hlavacek, Mrs. Hlavacek, Mr. Cotter, Gardiner, Strecker, Musgrave, Miller. *Second Row:* Fralich, Todd, Deyo, Van Alst, Jennings, Hill, Bueno, Johnson, J., Bunn, Hoffmann, Thorpe, Key, Ferguson, Reydel, Henderson, Patterson. *Third Row:* Taliaferro, Wakefield, Barclay, Barnum, Coburn, Connely, Brashear, Lynn, Brewer, Flickenger, Baky, McConnell, Schlossberg, Kennerson.

60 Olla Podrida 60

WOODHULL HOUSE HISTORY

UNDER Mr. and Mrs. L. L. Hlavacek and Mr. Cotter, the Woodhull House has had an enjoyable and successful year. The house has been united throughout the year, thus producing and conducive to enjoyable living and good work.

The Woodhull House started out last fall with three fine officers: Weyman Walker, president; David Strecker, vice-president; and Garrett Gardiner, treasurer. Later in the year Al Hunker was elected rhinie representative, and Tim Musgrave was elected historian.

The house football team, co-captained by Bill Hoffmann and Tim Musgrave, had a very exciting, though not too successful season. The team ended up with a record of two wins, one tie, and four losses, gaining fifth place in the league. Tim Musgrave was representative of Woodhull on the All-House team.

In house soccer, we fared a little better, winning four, losing three, and tying none, securing a third place in the league. John Coburn, Rusty Brashear, and captain Gary Gardiner were selected for the All-House team.

At the time of this writing, the house basketball team, sparked by Bill Deyo, and co-captains Gary Gardiner and Rusty Brashear, has won three of its five games, and is in a tie for third place.

As far as varsity sports are concerned, the house had Gary Gardiner winning his minor in football, while Bill Deyo, John

Coburn, and Chuck Reydel picked up their J.V. numerals. Ed Bueno won his major in soccer, and Brand Wakefield won numerals.

During the winter term, our representatives on School teams were: Tim Musgrave and Al Hunker on basketball; Dick Marshall and Bob Barclay on hockey; Chuck Fraïich, Lowell Flickenger, Joe Hill, and Chuck Reydel on swimming; and Mick Van Alst and David Strecker on wrestling.

Last spring saw Woodhull win both the tennis and track championships, helping them capture the Foresman Trophy at the end of the year.

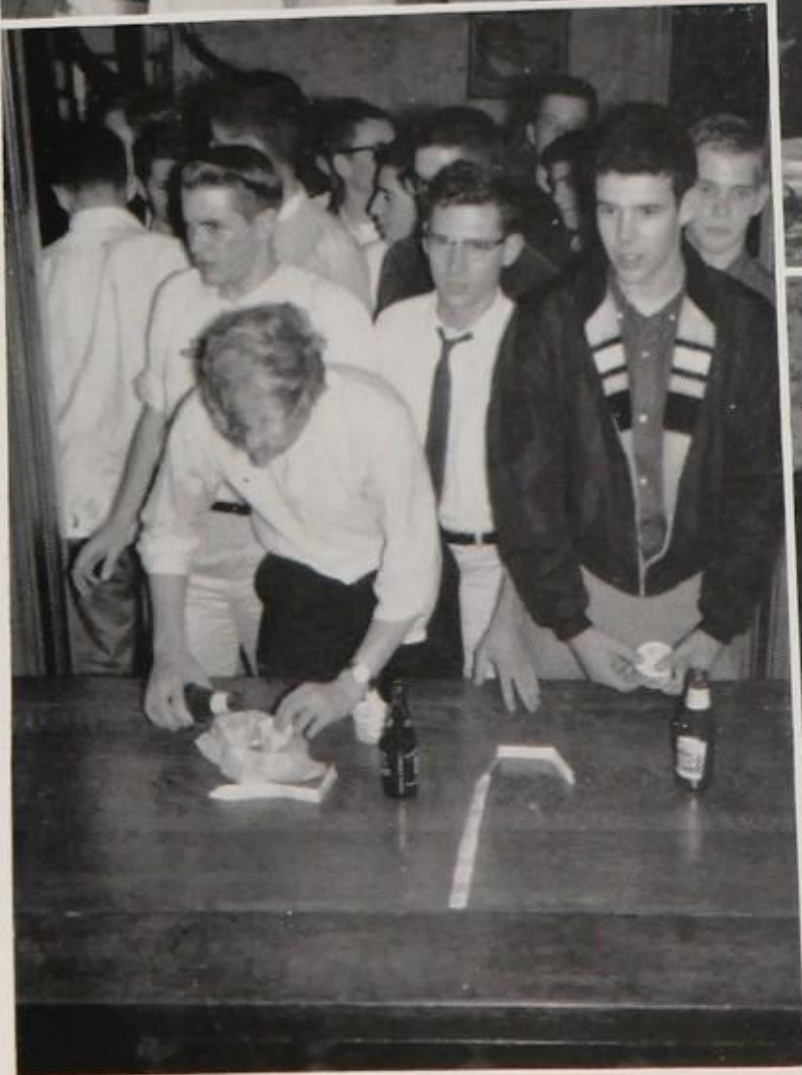

In the field of extracurricular activities, the house was well represented. Will Bunn, Don Barnum, John Coburn, and David Strecker contributed their talents to the *Lawrence*, while Tim Musgrave, Ted Brewer, Keith Jennings, Mick Van Alst, Chuck Reydel, Gary Gardiner, and Will Bunn were writing for the *Olla Pod*. The only actor of the house was our president, Weyman Walker, who had the lead role in the Periwig's production *The Caine Mutiny Court Martial*.

The house's scholastic achievement was shown at the quarter as we led the circle with a 73 average, and at mid-years as we maintained a 72 average.

In closing, the Council and the House wish to express their most sincere appreciation to Mr. and Mrs. Hlavacek, and Mr. Cotter for their kindly and helpful spirit towards us throughout the entire year.

FROM MR. THOMPSON

IN a blinding flash of originality, I recently turned to Webster's New Collegiate Dictionary and discovered that an "olla-podrida" is said to be "a highly seasoned dish of meat and vegetables cooked in a bulging, wide-mouthed pot or jar." I would like to suggest, with no thought of giving offense, that this might be regarded as an apt definition of the Lower School.

"Highly seasoned" we have been, thank heaven. Sometimes we have even been electrified (thank Harry); twice we were even de-electrified (thanks once to the wind and once to a local brigand). We've been exposed to a lot of noise: musical noise from the Austin named Jack and his associates at the battered upright (Honky-Tonk Dick Quintal was born to play a battered upright), and conversational noise, fortissimo, from almost everyone else. Once I even heard the buzzing of the dreaded Cynosessa Fly.

No one who saw the House football season or the Junior hockey team (is a right cross your best punch, Tom?) could question the fact that we've got plenty of beef available. And to prove that these are thinking creatures, we recall the Mid-year Form averages which saw the Second and First Forms trailing only the lordly (and college-conscious) Fifth. The Second Form average, incidentally, was an all-time you-know-what!

"Vegetables"? Well, Mrs. Mott's favorite overheard comment of the year was, "If you were any dumber, you'd be a plant," so I guess we may have some of those around. And anyway, aren't Peanuts vegetables?

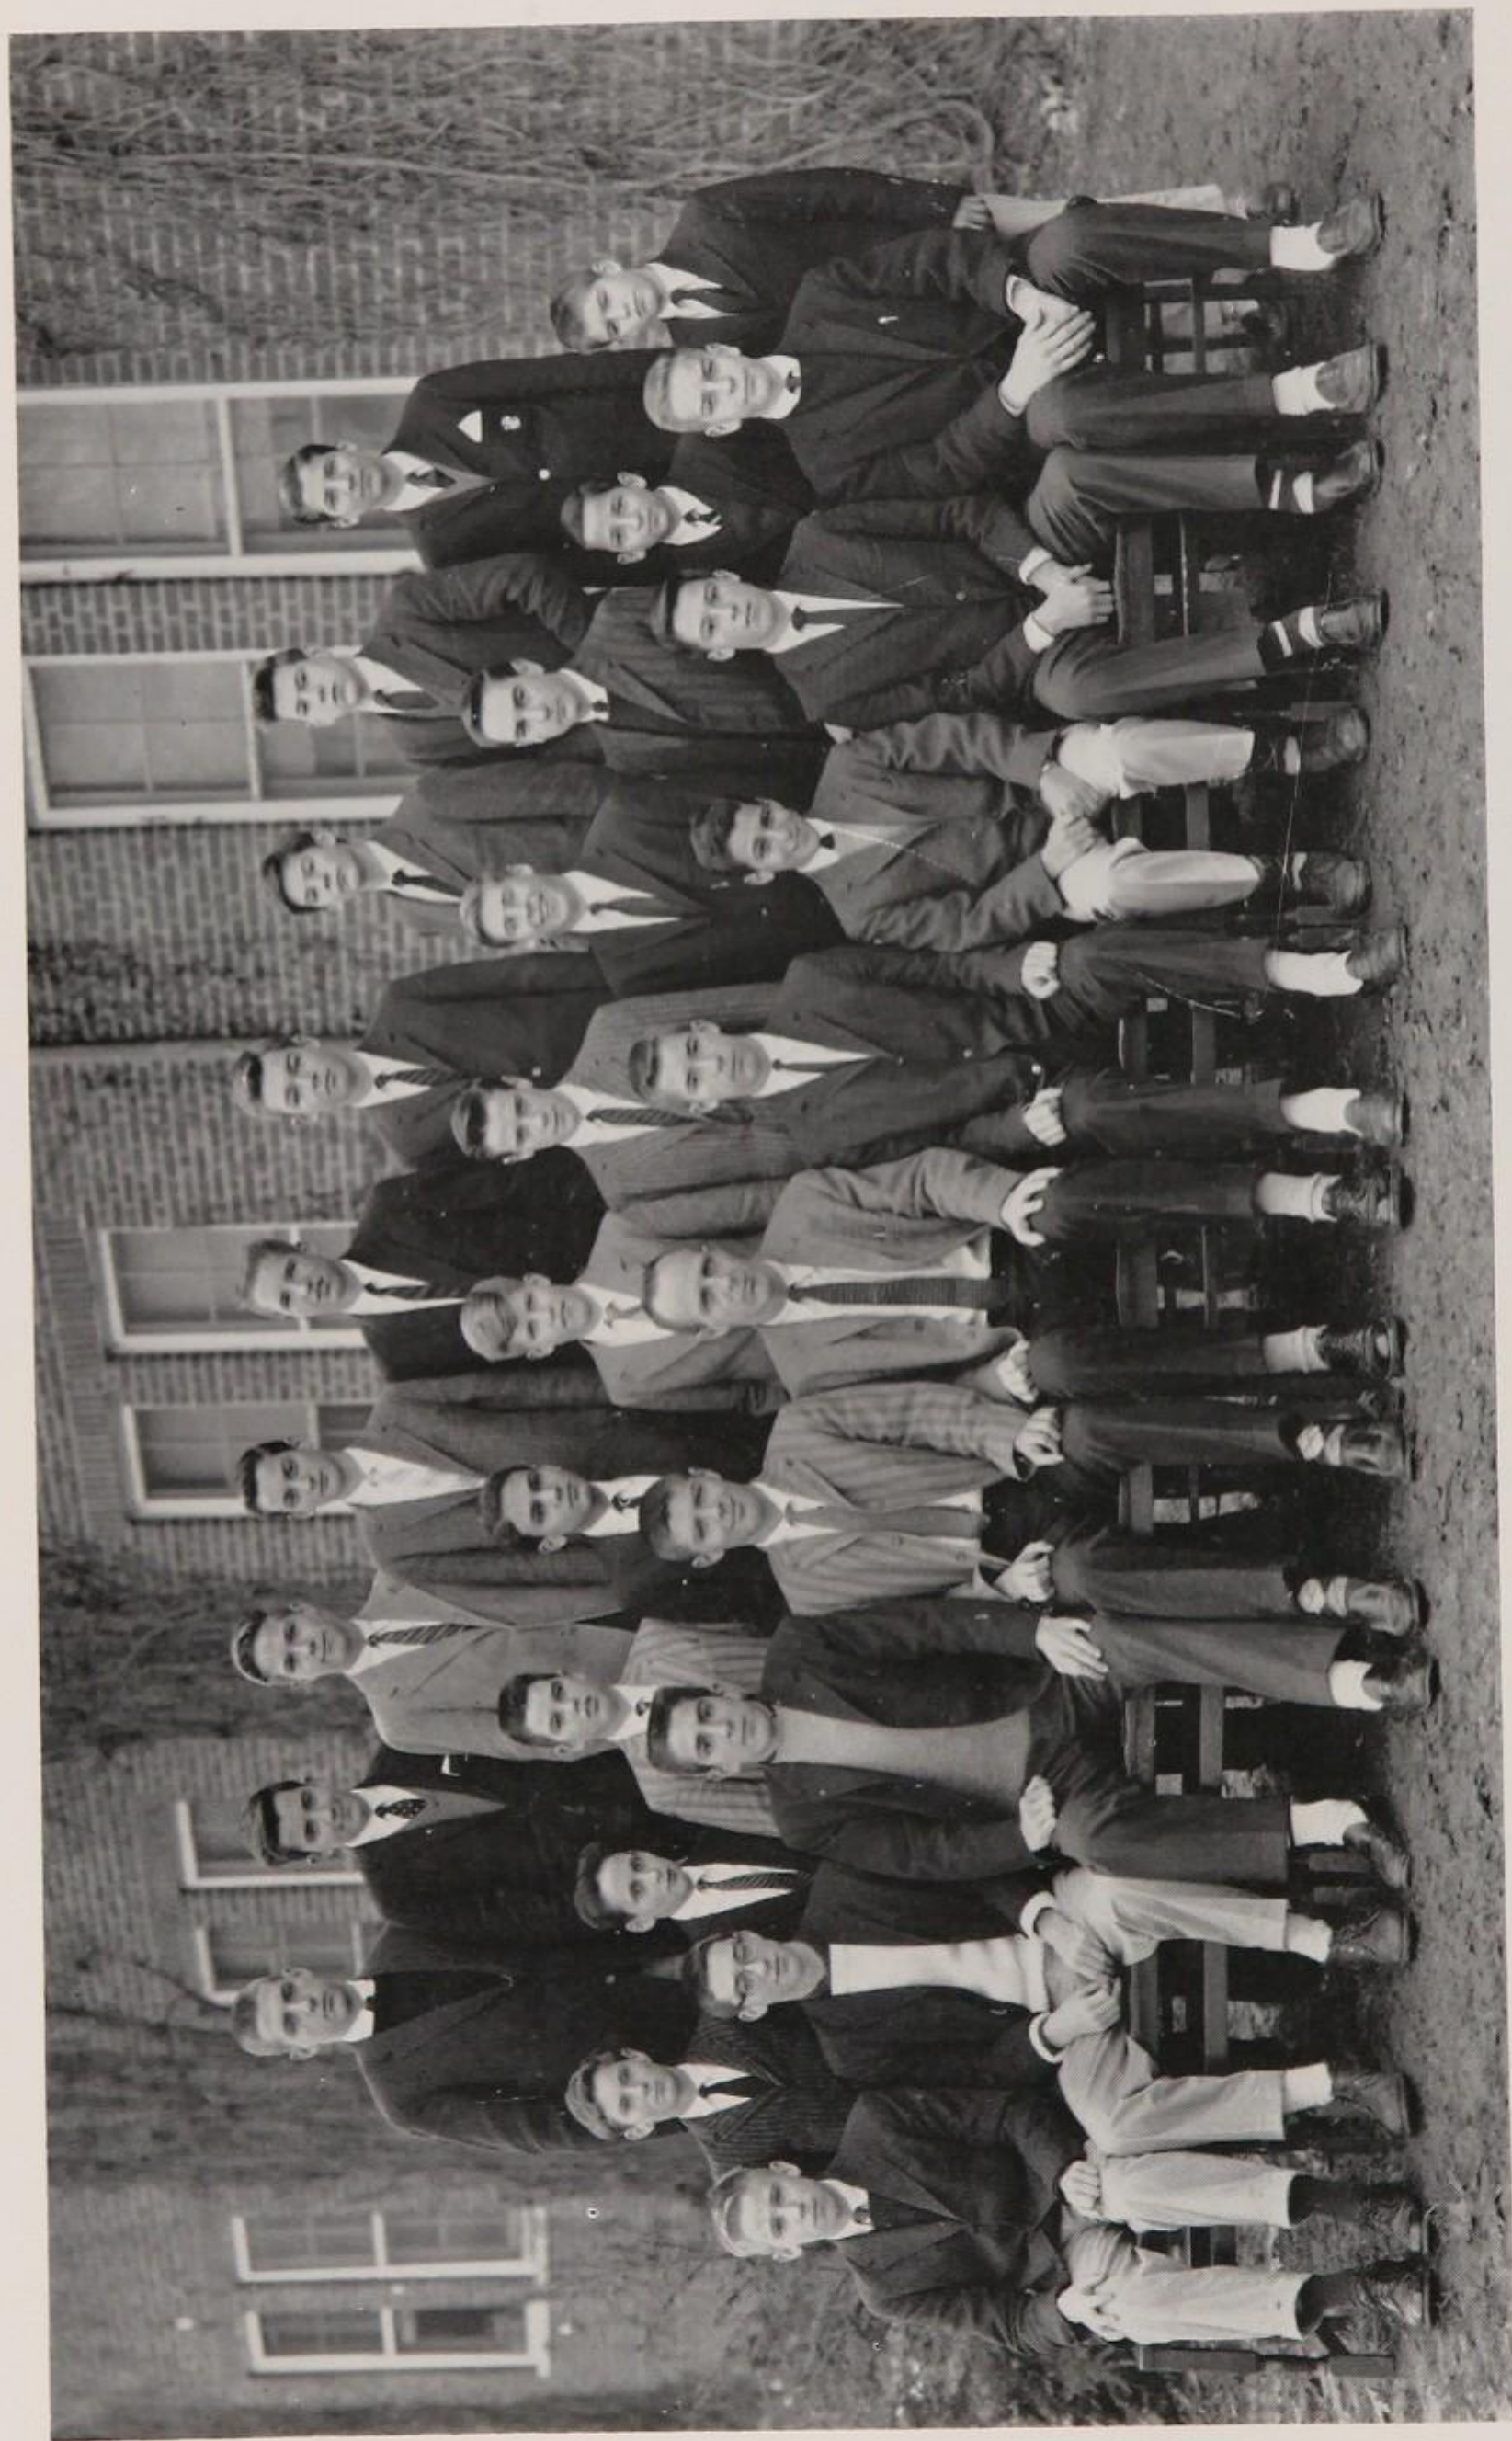

MR. THOMPSON

"Cooked"? Have you ever been in Study Hall on a steamy May evening? "Bulging"? Come into the dining room at lunch some day. "Wide-mouthed"? I guess we could all fill in our favorite nominee, with no real lack of contenders.

Yes, these are the ingredients, but they are, for the most part, physical properties, and they don't begin to suggest some of the other things about this group that have made it distinctive and worthy. I guess I'll never forget the fact of the Lower School's gift to the 150th anniversary fund—one hundred and fifty dollars that came out of allowances, and which might be taken as a fair measure of the charity of these young men and their esteem for the School. In their private, every-day acts they have been, I know, equally thoughtful. I value this group highly, and I hardly dare hope that future olla-podridas will prove as palatable.

60 Olla Podrida 60

CROMWELL HOUSE HISTORY

THIS year's Cromwell House, under the supervision of Mr. Gaines, had a very successful year. The year started with the election of a house council composed of four old boys. Mark Haley was elected president, followed by Larry Marsh, vice-president, Bob Poitras, historian, and Charlie Perrin, treasurer.

During the fall term it became obvious that Cromwell was one of the athletic powers in Lower School. Our house teams took second place in football, first in soccer, and tied for first in 8 man football. The Cromwell football team had a good season, finishing with a record of four wins and two losses. The team owes much of its success to its strong defense. At the end of the soccer season Cromwell found itself on top, being undefeated and turning out a record of four wins and two ties. Special credit should be given to Turkey Faisal, who held the line, as well as to John Hay, who was outstanding in the goal. The eight man football team also had a very successful season, ending up in a three-way tie for first place.

Elected to All-House football team were Bense, Marsh, and Hall, as well as captains Poitras and Haley. On the eight man football team co-captains Perrin and Langhorne, along with Elmer and Witmer were among the All-House boys. Included on the All-House soccer team were Haley, Faisal, Bermant, Poitras, Hay, and Elmer from Cromwell.

In the winter Cromwell continued to make its athletic power felt, as we domi-

nated house basketball with an outstanding team and were heavily represented in both junior and J.V. sports. The junior wrestlers were Hay, Carr, Collins, Summers, and R. Maduro. The house's swimmers, Wilgus, Gatterdam, Poitras, and Langhorne, swam in both junior and J.V. meets. Cromwell placed Bense, Haley, Perrin, Ryan and Megna on the junior basketball team.

Eight boys formed the house basketball team. Captained by Ed Bermant, the team proved to be very strong. The other members of the team included Maduro, Witmer, Edwards, Fagan, Faisal, Elmer, and Randolph.

In scholastics the house has consistently done much better than was expected. The outstanding mid-years average of 75 clearly shows the scholastic ability of the house. Boyce, Haley, Randolph, Fagan, and Perrin led the house with honors averages at mid-years. In all, fifteen boys, more than half the house, attained averages above 75.

In extracurricular activities again the house was outstanding. Members of the Lower School newspaper, the *Recorder*, included Perrin, Bermant, Poitras, Hall, Langhorne, Haley, Ohrbach, and Randolph. The Skeet Club has two members from Cromwell, Gatterdam and Boyce.

In closing I would like to express the appreciation of the whole house to Mr. Gaines, and Dr. Keuffel and Mr. Weeden, our assistant house masters, for the fine job they have done this year.

BOB POITRAS, *Historian*

DAVIDSON HOUSE

First Row: Left to Right: LeSchander, Loveland, Gamble, Soler, Mr. Chapman, Loud, Smitherman, Green, File. Second Row: Austin, W., Howard J., Petzold, Klopman, Holt, Schaefer, Ackerman, Higginbotham, Liernan, Gladstone, Gindhart. Third Row: Parcels, Shent, Harris, P., Nase, Redfield, Snedeker, Moore, T., Crosby, Barclay, Haney.

60 Olla Podrida 60

DAVIDSON HOUSE HISTORY

A GAIN last year Davidson formed its ranks in preparation for the forthcoming year. Leading in his second year as housemaster was Mr. Chapman. Rising from the ranks by election were: Pancho Soler, president; John Loud, vice-president; Jim Smitherman, treasurer, and William Gamble, historian.

Another poor year of Davidson house football prevailed this fall. Crushing injuries to important players Ackerman and Klopman and a light-weight team forced Davidson to a depressing season. Captain Brian Loveland, tailback, and John Loud, wingback, were the spark-plugs of the team, and both made All-House.

For the midgets, star quarterback and Captain Chuck Tiernan made All-House. He led the team under the coaching of Doug Rampona but fared no better than the eleven-man squad. However, much praise must be given to the fine sportsmanship and playing of this team. We also want to thank Ted Barclay for his help as assistant coach.

Davidson house soccer, though quite talented, suffered a setback this year. Even though the forward line was constantly on the offense, it was unable to score frequently. Much credit must be given to Mr. Chapman for his fine coaching, and to Co-Captains Loveland, Soler, and Loud for their fine leadership. These three plus defenseman Bill Klopman made All-House.

A scramble for Davidson house basketball positions this year found Ted Crosby at center, Jim Smitherman and Barrie Barclay as forwards, and Pancho Soler and J. C. Higginbotham as guards. The team took second place in the league.

After Christmas Davidson was represented on the junior hockey squad by Bud Ackerman, Mike Nase, Bill Snedeker, and Chuck Tiernan. Ackerman plays goal, Snedeker defense, and Tiernan and Nase are among the leading scorers. Junior basketball claimed old reliable Pete Harris. The junior wrestling squad was teeming with Davidson grapplers. Tom Haney, Bill Austin, Tom Gindhart and John Green all look promising. John Loud, Pete Shent, and Joe File have wrestled either J.V. or varsity. Six more boys were on junior swimming: John Howard, Hal Schaefer, Burt Parcels, George Holt, Bill Klopman, and Thad Moore. Brian Loveland and William Gamble trained for spring track.

In extracurricular activities Davidson had Evan Gladstone and Burt Parcels in the Stamp Club, Jim Smitherman in the Skeet Club, William Gamble on the *Recorder*, Burt Parcels, Pete Harris, and Dick LeSchander in the band, and John Loud, Bob Redfield, and Pancho Soler in the Classics Club.

Davidson had a fair scholastic record at mid-years, with consistent honors being attained by Bill Austin, Bob Redfield, Jim Smitherman, Pancho Soler, and a high honors average at mid-years by Barrie Barclay.

The boys of Davidson would like to express their appreciation to Mr. Chapman, Mr. Heyniger, and Mr. Clicquennoi for their assistance throughout the year.

PERRY ROSS HOUSE

First Row: Left to Right: Crenshaw, Platt, Schwalm, Viault, Mr. Green, San Philipp, Force, Polhemus, Smith, J. Second Row: Ackley, Graupner, Leith, Austin, Barnett, Shannon, Weller, McCord. Third Row: Franklin, R., Inch, Barrow, Roney, Dix, Greser, Hemmerdinger.

60 Olla Podrida 60

PERRY ROSS HOUSE HISTORY

UNDER the guidance of Mr. Geer, Ross has had a very successful and enlightening year. Although we were weak at first in scholastics, there has been steady improvement throughout the year.

In early November Ross House elected the council. Ray Viault was elected president; Mike San Philipp, vice-president; Tom Force, treasurer; and Tom Schwalm, historian.

This year Ross achieved an undefeated season with a six and zero record and won the Lower School football championship. Along with Ray Viault, the captain, Roy Dix, Rick McCord, Lincoln Platt, John Polhemus, Dave Roney, Mike San Philipp, Tom Schwalm and Barry Crenshaw helped to make the team's undefeated season. All of the people mentioned above received All-House awards.

The midget team also had a good year and fought to a three way tie for first place with Cromwell and Thomas. Their success was due mainly to Kick Hoffmaster (captain), Tom Force, Dave Tyler and Jim Smith. These boys were elected the All-House team.

After the undefeated football season, Ross did almost as well in soccer, taking a close second place. Much credit is due to Barry Crenshaw, Roy Dix, and Hans Greser for their outstanding performance through the season.

The house basketball team with Hans Greser, captain, Roger Franklin, Jim Reid, Al Ilch, and Duncan Leith made steady improvement and turned out a satisfactory

season. The team tied for second place.

Ross was well represented in both junior varsity and junior sports. Ray Viault and Bob Shannon were co-captains of junior swimming and Charles Ackley was on J.V. fencing. Representing us on the junior swimming team were Bob Barrow, Tom Force, Rick McCord, Dave Roney, and Jim Smith. On the junior hockey team were Dick Hoffmaster, Tom Schwalm, Charlie Hemmerdinger, and Roy Dix. Lincoln Platt and John Polhemus were on the junior wrestling team. Mike San Philipp and Barry Crenshaw were on the junior basketball team.

At midyears the house average was seventy-three. Leading the house with honors are Jack Austin, Mike Barnett, Roy Dix, Roger Franklin, William Graupner, Bob Shannon, and Mike San Philipp. Those with privileges averages are: Bob Barrow, Hans Greser, Lincoln Platt, John Polhemus, Ray Viault, and Kick Weller.

Involved in extracurricular activities were Ray Viault and Tom Force on the *Olla Podrida*, Lincoln Platt and Bob Shannon in the Easel Club, Tom Force, Jack Austin, Hans Greser, Bob Barrow and Bob Shannon in the Classics Club, and Billy Wyman in the Stamp Club.

As a conclusion we would like to extend our thanks to Mr. and Mrs. Geer along with Mr. Havens and Mr. Delaney for their expert assistance and for the sacrifices they have made throughout the year.

TOM SCHWALM, *Historian*

THOMAS HOUSE

First Row: Left to Right: Bachman, Vine, Grace, Quintal, Mr. Devlin, Williams, Marquez, Hoffman, Falcone. Second Row: Plain, Gregory, Wolff, Browne, Ehret, Wallick, Warner, Lee, Hegeman, Bach. Third Row: Mendillo, Moore, Bailey, Pearce, Saxman, Gefaell, Riggs, McGrath, Howard, T.

60 Olla Podrida 60

THOMAS HOUSE HISTORY

UNDER the guidance of Mr. Devlin, the Thomas House has led a successful year. In the first trying month of school the Rhinies were aided in their activities by the returning old boys, Williams, Grace, Vine, Hoffman, and Marquez. When this year's council was elected, Brooke Williams was chosen president, Richard Quintal vice-president, John Marquez secretary, and Morgan Grace treasurer.

The Thomas House football team was composed of determined and spirited individuals who, despite their efforts, could gain no better than third place. The team was captained by Don Wolff, who was elected to the All-House team along with Bob Moore, Jay Gafaell, and Hugh Vine. This year's midget team duplicated the achievements of the preceding year's team by gaining a three-way tie for first place. The team was composed of nine hard-hitting players.

Next under the athletic spotlight was the soccer season, during which a spirited team achieved third place. This was a bit of a letdown, because the games which were lost were close ones and hard to lose. Hugh Hoffman captained the team and displayed a great deal of talent.

At the end of the soccer season the Thomasites branched out to qualify for various Junior Teams. Those who met the qualifications for the Junior swimming team were Hornburg, Vine, Wallick, Warner, and Saxman. In addition to these, Thomas also has representatives on the J.V. swimming team; Dan Bailey, a backstroke, and Pete Lee, a free-styler.

Jeff Pearce turned in some excellent performances as a junior diver. Those who chose to test their skills on the junior basketball team were Bob Moore, Tom Howard, Don Wolff, Bob Ehret, and John Marquez. Thomas had three junior wrestlers: Grace, Gregory, and Plain; they have had no outside matches with other schools yet. The junior hockey team is the best one in many years, and Thomas House has contributed three scrappers to this team: Jim Mendillo, Jay Gefaell, and Richard Kartzke. House members who chose to play house basketball are Williams, Hegeman, Bachman, Bach, Felcome, McGrath, Browne, and Quintal. Although the team had a lot of spirit, their lack of experience was their downfall.

As tradition holds, Thomas had excellent participation in the activities of the *Recorder*. Everyone tried to give some assistance to the publishing of the editions, but the big contributors from Thomas were Wallick, Quintal, Gefaell, and McGrath, the *Recorder* artist.

Despite the fact that Thomas has not won a major house sport yet, they can still give themselves a pat on the back for leading the Lower School in overall average throughout the year. Those in the house who attained the rank of honors were Moore, Lee, Quintal, Mendillo, Warner, Marquez, Vine, Plain, Bach, and Bachman.

We certainly owe a vote of thanks to Mr. Devlin, our house master, and to Mr. Keller and Mr. Wagner, our two assistant house masters.

JOHN T. MARQUEZ
House Historian

THE RECORDER

THE *Recorder* is the Lower School newspaper. It was founded in 1926 and was done every year except a few years during the Second World War. The paper is put out for Lower School boys by Lower School boys.

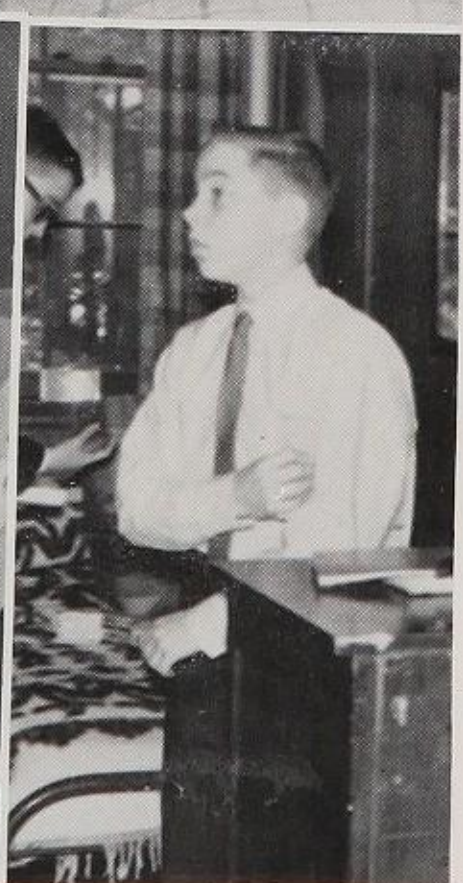

The Fathers' Association gave the paper a new mimeograph machine. This is a very important improvement over the old machine which was just about to fall apart (in fact, it finally did).

The Parents' day issue was an extra, which was edited by Marc Haley. He did a remarkable job considering that this was the first issue. This issue included a dedication from the Head Master and an article admonishing the Lawrenceville team to beat Peddie.

The 1st quarterly issue was a smashing success and was edited by Dick Quintal. The issue was the first real challenge thrown at the staff and they took it in true fighting spirit. It was during this issue that the old machine broke down and the new machine was given to the *Recorder*.

The Christmas issue was also well done. This issue was born of the labors of Dick Quintal and Jonathan Wallick. The main purpose of this issue was to wish the student body a Merry Christmas and to thank the Fathers' Association for their gift.

The next issue was the spring issue. This was edited by Jonathan Wallick. Credit must be given to Bob McGrath who did a magnificent job as the *Recorder's* cartoonist.

VARSDTY FOOTBALL SEASON, 1959

AS the 150th year got under way, the Lawrenceville football team added to the School's fine tradition of excellence in everything it undertakes by completing their 1959 season with seven wins and no defeats. Thus, their undefeated streak was extended to fourteen games.

Led by Co-Captain Frank Bunch, Lawrenceville easily captured its first win by downing Perkiomen 39-0. Tallying twice, Bunch led the offensive attack.

Due to alert and aggressive defensive play defensive guard Augie Daesener intercepted a Perkiomen lateral and scored to make it 20-0. Late in the third quarter fullback Woody Hess scored, and John Musselman raced thirty yards to add to the rout. The last touchdown came in the fourth quarter as fullback Gary Gardiner plunged over the goal to make the score 39-0. Although the Larries won the game by a rather decisive margin, the ball playing was pretty careless since the victors had four touchdowns called back because of penalties.

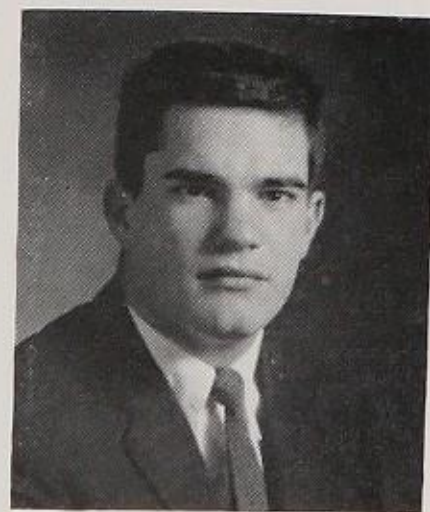

A hard hitting Mercersburg team invaded the Lawrenceville campus the following week, only to be defeated 24-0. Early in the first quarter, Frank Bunch set up the touchdown plunge of Mort Fuller by racing sixty yards to the Blue and White's two yard line. The second half got under way as Woody Hess caught a pass from tailback Dick Sellett in the end zone. Next came a rather unusual occurrence in high school football as Lawrenceville's place kicker and center, Joe DiMaggio, booted an eighteen yard field goal to make it 17-0.

Late in the game the lanky Lawrence-

ville end, Jay Jordan, caught a pass from the tailback, Jim Worcester, and raced eighteen yards for the final tally. All the placements by DiMaggio and Hannum were good.

The varsity gridders remained unscored upon as they downed Blair 33-0. The defensive halfback, Woody Hess, snagged a Buccaneer pass in the first quarter of play to score. DiMaggio converted to make the score 7-0. Wingback Dick Rotnem scampered twenty yards to account for the second T.D. DiMaggio again split the up-rights for a fourteen point margin. The strong single wing proved invincible as fullback Mort Fuller tallied on a two yard plunge, climaxing a sixty yard drive. Dick Rotnem and Woody Hess scored again in the second half to end the game with a 33-0 victory.

As over 2,000 people visited the Lawrenceville campus on Parents' Day, the football squad added to their laurels by crushing Peddie 58-0. Dick Rotnem and Mort Fuller led the attack by sprints of seventy and sixty yards, respectively. Fuller tallied again on a five yard plunge. As the second half began, Frank Bunch raced off tackle for a ninety-five yard touchdown. Dick Sellett's fifty yard dash, Beetle

CO-CAPTAINS BUNCH AND HARRIS

Two Hundred Seventeen

60 Olla Podrida 60

COACH KEUFFEL

Bailey's twenty yard sprint, and Brian Breuel's four yard plunge resulted in more tallies.

The Larries defense's unmarred record came to an end when Admiral Farragut scored twice, but all to no avail. Lawrenceville won the game 40-13. Co-Captain Frank Bunch paced the victors with two tallies on a very muddy and rainy day. John Musselman, sidelined by an ankle injury, returned to add two more touchdowns. Mort Fuller and Dick Sellett each added a T.D. to the victory.

The defensive team finally came into the spotlight when they held a very strong Choate team scoreless. The playing conditions at Wallingford were again muddy, but the strong interior defensive wall, led by Art Broadus, Fred Buesser, Dan Harris, and Buddy Temple, held the Choaties scoreless. Both teams' single wing offenses were bogged down by the wet and slippery

turf. Late in the second period, Joe DiMaggio opened up the game for the Larries as he booted a twenty yard field goal. Frank Bunch tallied for the only touchdown as the Larries won 9-0.

The Larries' winning streak had been extended to thirteen games when they met Hill on Friday, November 13. The Larries thus far had had only thirteen points scored against them. By winning this year's contest, Lawrenceville went ahead of Hill by thirteen games in the sixty-four year old rivalry. The strong Lawrenceville defense held Hill to only fourteen points.

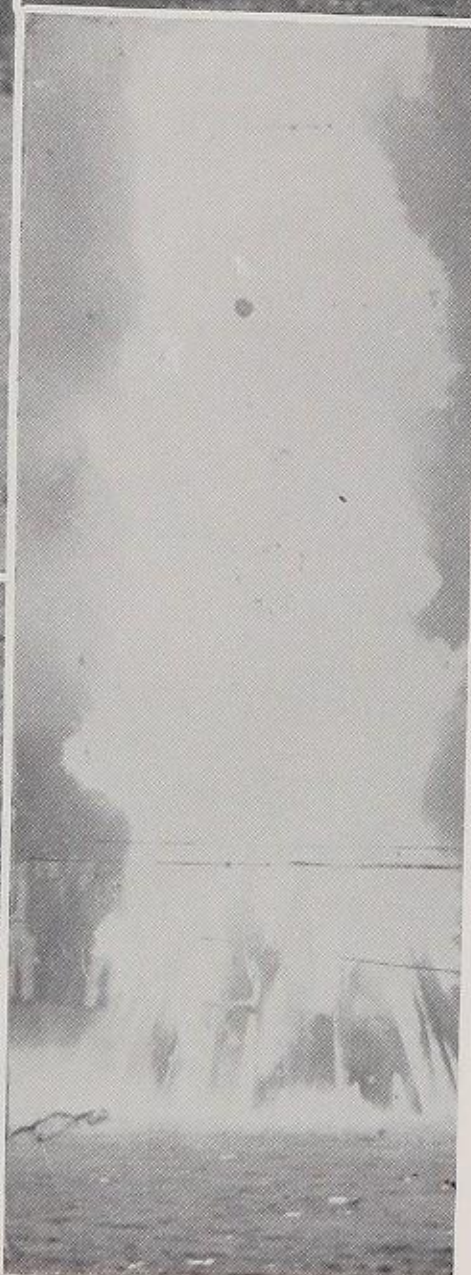

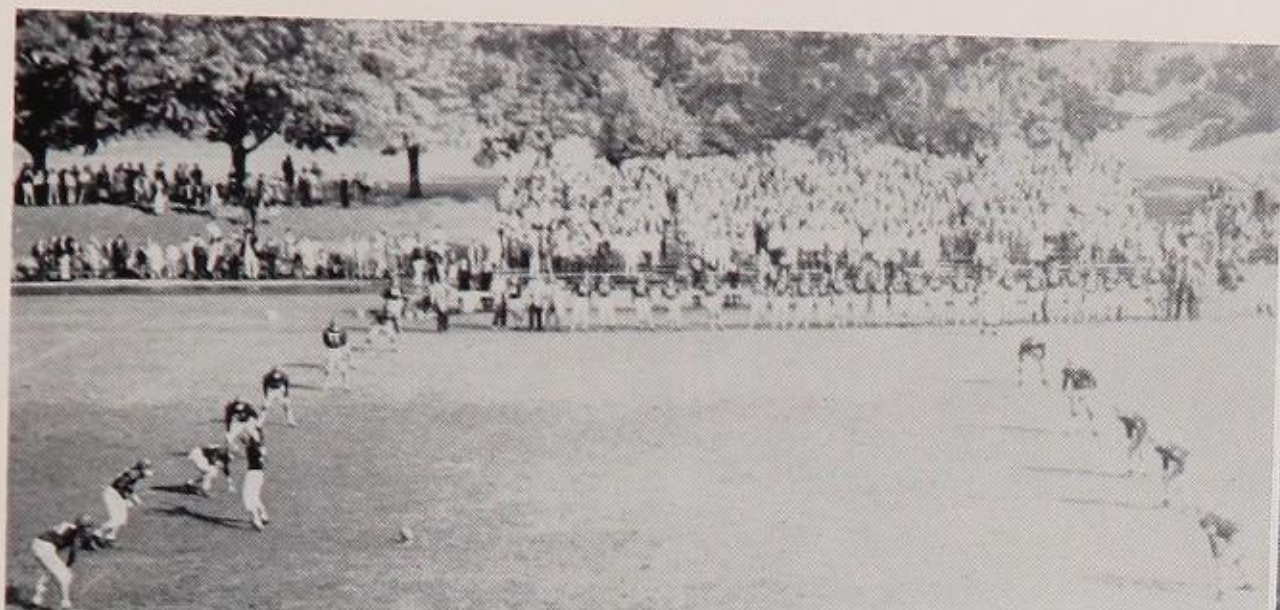

Bunch scored two touchdowns before he was injured early in the first half. Dick Sellett scored another touchdown on a sixty yard run shortly after replacing Frank Bunch at the tailback position. Playing the two point, one point, extra point rule, the Larries won 22-14.

Lawrenceville's strong single wing offensive unit scored 225 points this season. The defensive unit gave up only twenty-seven points.

When the football season ended, Frank Bunch was elected to lead the Lawrenceville winning tradition through the season of 1960.

VARSITY SOCCER

Left to Right: First Row: Ohly, Field, Huxley, Williams, T., Larsen, B., McGowan, Junguito, Eder, Robinson. *Second Row:* Mr. Wicks, Campello, Cantor, Shea, Stein, J., Snow, Ford, Atlee, W., Raymond, W., Flynn, Mr. Callahan. *Third Row:* Walsh, Hartshorne, Etherington, Price, Schilling, McCulloch, Bueno, Sullivan, M., Warner (mgr.).

60 Olla Podrida 60

VARSIITY SOCCER SEASON, 1959

UNDER the able coaching of Mr. Wicks the Lawrenceville soccer squad completed the season with a 9-4-1 record. The team was led by Co-Captains Barry Larsen and Duncan McGowan and aided by three other returning lettermen. Graduates of last year's J.V. team and some newcomers composed the rest of the team.

In the first game of the season the Larries beat Pennington School 2-0. John Ohly knocked the ball past their goalie to score the first goal. Bob Junguito scored the second goal with an assist from Steve Robinson. The second game showed Lawrenceville defeated by a stronger Perkiomen squad 3-0.

In the next game the team nipped Bordentown Military Institute 3-2 by scoring in each of the first three periods and holding off a late B.M.I. rally. Trenton High School, a perennially strong team, then defeated the Larries 3-0, scoring twice in the first and once more in the third while turning back our attack with a strong defense.

Though it was without the services of goalie Barry Larsen, who was lost for the season because of illness, the team next outclassed Trenton Catholic Boys' High School 5-2. In the rain and mud Bob Junguito managed to score two goals, the first coming after five minutes of the first period after the opponents took an early lead. The other goals were tallied by Eduardo Bueno, Mark Sullivan and Mike Huxley.

In the next game the squad faced a strong Princeton team and battled for a 1-1 tie. Bob Junguito scored Lawrenceville's only goal at the beginning of the game. The second half showed the ball changing

hands continually. Finally, with seconds left, Princeton scored on a penalty shot. This game proved a moral victory for Lawrenceville and preceded a four game winning streak.

The four game winning streak began when L'ville defeated Princeton High School 5-0. The Larries displayed both fine offensive and defensive play throughout most of the game. The first quarter headwind hampered L'ville and made it difficult for them to move the ball out of their own territory. In the second period the tables turned and Bob Junguito was able to score two goals. In the next half Gus Schilling, Eduardo Bueno and Jim Shea all scored.

Lawrenceville's fifth victory was over Peddie 2-1. Bob Junguito scored both goals, the first one on a pass from Bueno. In the following game with Blair, L'ville won 3-1 on two goals by McCulloch and one by Huxley.

Playing in the rain and on a muddy field in Princeton, the team squeaked by a 3-2 score over the always competitive Hun School. The victory string ended at Hightstown, where Peddie won the return game 3-1, Junguito's goal in the third period

CO-CAPTAINS LARSEN AND MCGOWAN

Two Hundred Twenty-one

60 Olla Podrida 60

COACH WICKS

being the only bright spot in the game. Bouncing back from this setback, the team edged Hamilton High School 3-2. The tallies were made by Huxley, Norm Cantor, and McCulloch. The Larries managed to halt Hamilton's rally in the second half only after they had scored two goals.

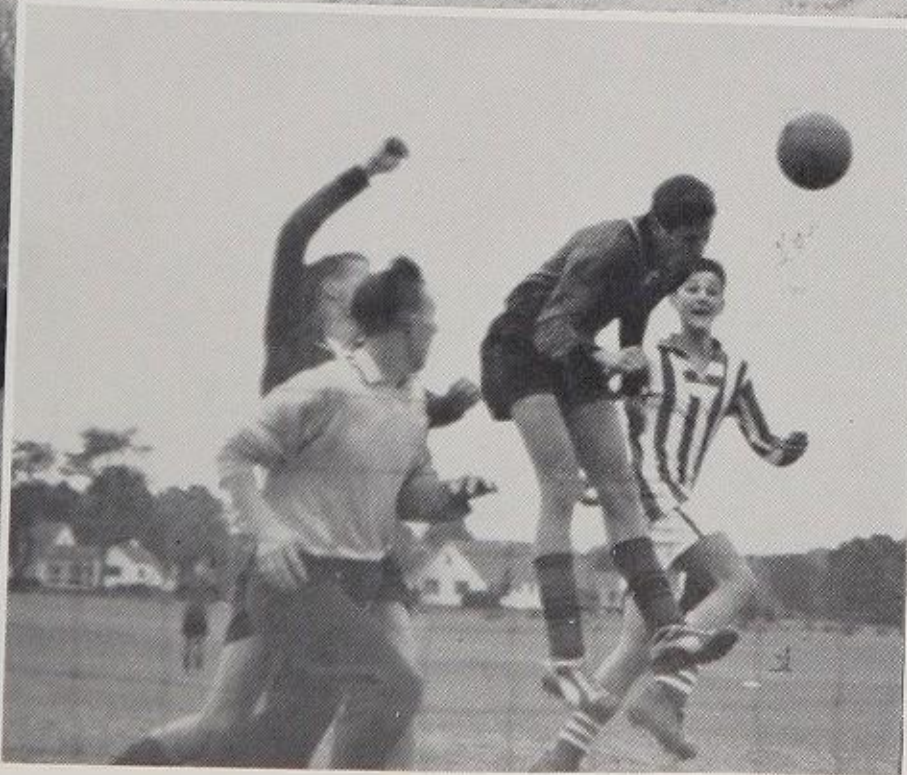

The team went on to beat the Pennington School, Junguito tallying in the second and fourth quarters with Ohly registering in the third. In the season's climactic game Hill shut out the booters 2-0, scoring in the second and third periods and turning

back our repeated efforts to draw even.

The season's regular players were Barry Larsen and Alan Walsh at goal; Duncan McGowan, Dan Hartshorne, Norman Cantor and Borden Snow at halfback; Sean Flynn, John Stein and Tom Williams at fullback; and linesmen Eduardo Bueno, Lincoln Field, Brin Ford, Mike Huxley, Scott McCulloch, John Ohly, Steve Robinson, Roberto Junguito, August Schilling, Jim Shea and Mark Sullivan. The co-captains for next year are Bob Junguito and Steve Robinson.

Varsity Cross Country

Left to Right: First Row: Jump, Powers, Bedford, Adriance, E., Hill. Second Row: Smith, J. J. (mgr.), Slater, Shuart, Edmonds, McCashin.

60 Olla Podrida 60

VARSIITY CROSS-COUNTRY SEASON, 1959

UNDER the guidance of coach Edward Poreda, a relatively young and inexperienced Lawrenceville cross-country team compiled a 4-4 record and captured third place in the state meet. There was only one returning letterman from last year's outstanding squad, Captain Bob Bedford, and Poreda had only two weeks to whip the team into shape, for its first meet was on October 2. His task was made easier by Bedford, who gave tips to the new runners. Bedford was a big help in another way: he placed first in six of the harriers' eight meets.

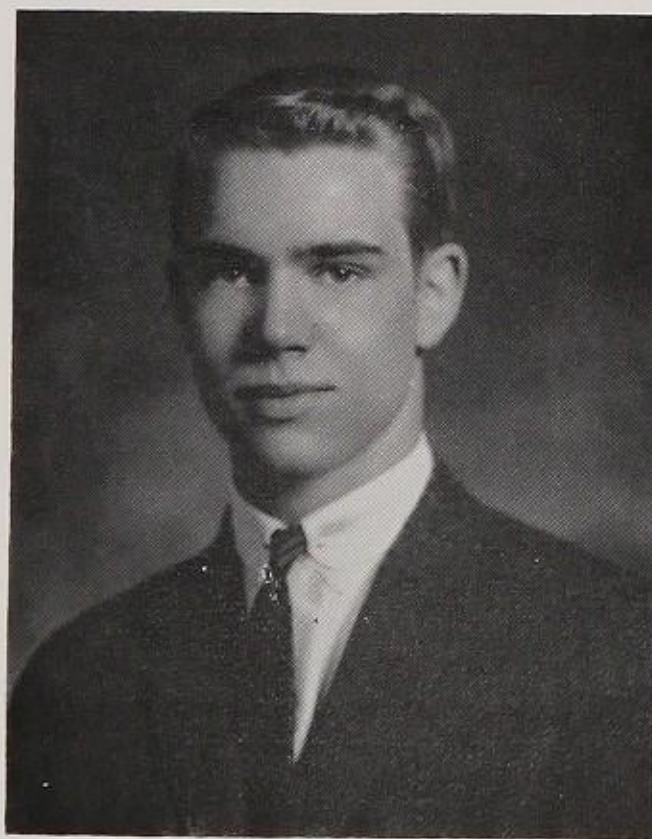

Lawrenceville's first foe was a weak Bordentown Military Institute team. The harriers had little trouble subduing B.M.I. by the impressive score of 22-48. Bedford copped first place in 13:40. Rusty Edmonds finished fourth and Jud Hill fifth for the victors.

The squad was faced by much more formidable opposition in St. Benedict's, last year's state champion. Although Bedford streaked across the finish line in an excellent 12:59, the Red were soundly defeated 20-35. The victors swept the next six places, revealing great depth. The Benedict's runners were followed by Edmonds, Cappy Powers, and John Johnson for the losers.

Undaunted by a rain-soaked course, the Lawrenceville harriers handed Metuchen a 23-32 defeat. Bedford was first for the third straight time, crossing the line in 13:16. Powers and Rick Shuart, an up and coming fourth former, took the fourth and fifth slots.

The harriers journeyed to Blairstown for their next meet. Blair had finished second ahead of Lawrenceville the year before, and they showed that they were still good by beating the visitors by a 26-29 tally. Bedford raced around the short course in only 10:03 to capture first place. Powers was fourth and Hill was seventh. Shuart, Adriance, and McCashin also placed. Last year Lawrenceville had handed Blair a defeat by the same score, 26-29.

Lawrenceville fell before the mighty Trenton High School squad in their next encounter, 22-33. Bedford suffered his first defeat of the season at the hands of fleet-footed Rayford Johnson, one of the best runners in the state. He finished in a fast 12:44, with Bedford a mere 5 seconds off the pace. Hill finished fifth and Powers took seventh. Johnson's time set a new course record, but since the course had

CAPTAIN BEDFORD

Two Hundred Twenty-five

60 Olla Podrida 60

COACH POREDA

been lengthened to 2.4 miles this year, his record doesn't prove too much. However, his time was still outstanding for the distance.

Lawrenceville and Bob Bedford both climbed back into the victory column as the harriers thumped Princeton High 22-33. Bedford ran the Princeton course in 13.08, 17 seconds ahead of Tinsley of Princeton and 22 seconds in front of Hill, who captured third. Shuart was fourth, Powers sixth, Slater eighth, and Jump tenth.

In the traditional rivalry with Hill on the Lawrenceville course, the visitors easily beat the home squad 21-34. In all fairness to Poreda's team, Hill had a marvelous cross-country squad. White of Hill finished first, streaking through the goalposts to the cheers of his School's entire student body in the amazing time of 12:16. This superior performance shat-

tered Johnson's course record by 28 seconds. Moreover, White finished the race fresher than is usual after so grueling a run. Nor was his effort the only great one of the day. McIlvaine of Hill raced home in 12:44. This equalled Johnson's time. McIlvaine will be back to harass Lawrenceville next year. Bedford was third in 13:09. Jud Hill was fifth, and Mike Slater ran his best race of the year while coming in seventh. Shuart and Jump also placed in the event. The victory was Hill's fifth in six meets; they lost to the Penn frosh by only 3 points.

The 1959 running of the N.J.I.S.A.A. (state meet) was a carbon copy of the previous year's contest. St. Benedict's once again took top honors, with Blair second and Lawrenceville third. Bedford came in second in 13:14 for the 2.4 mile course. Powers was tenth, Hill fourteenth. The scores were: St. Benedict's-42; Blair-53; Lawrenceville-63.

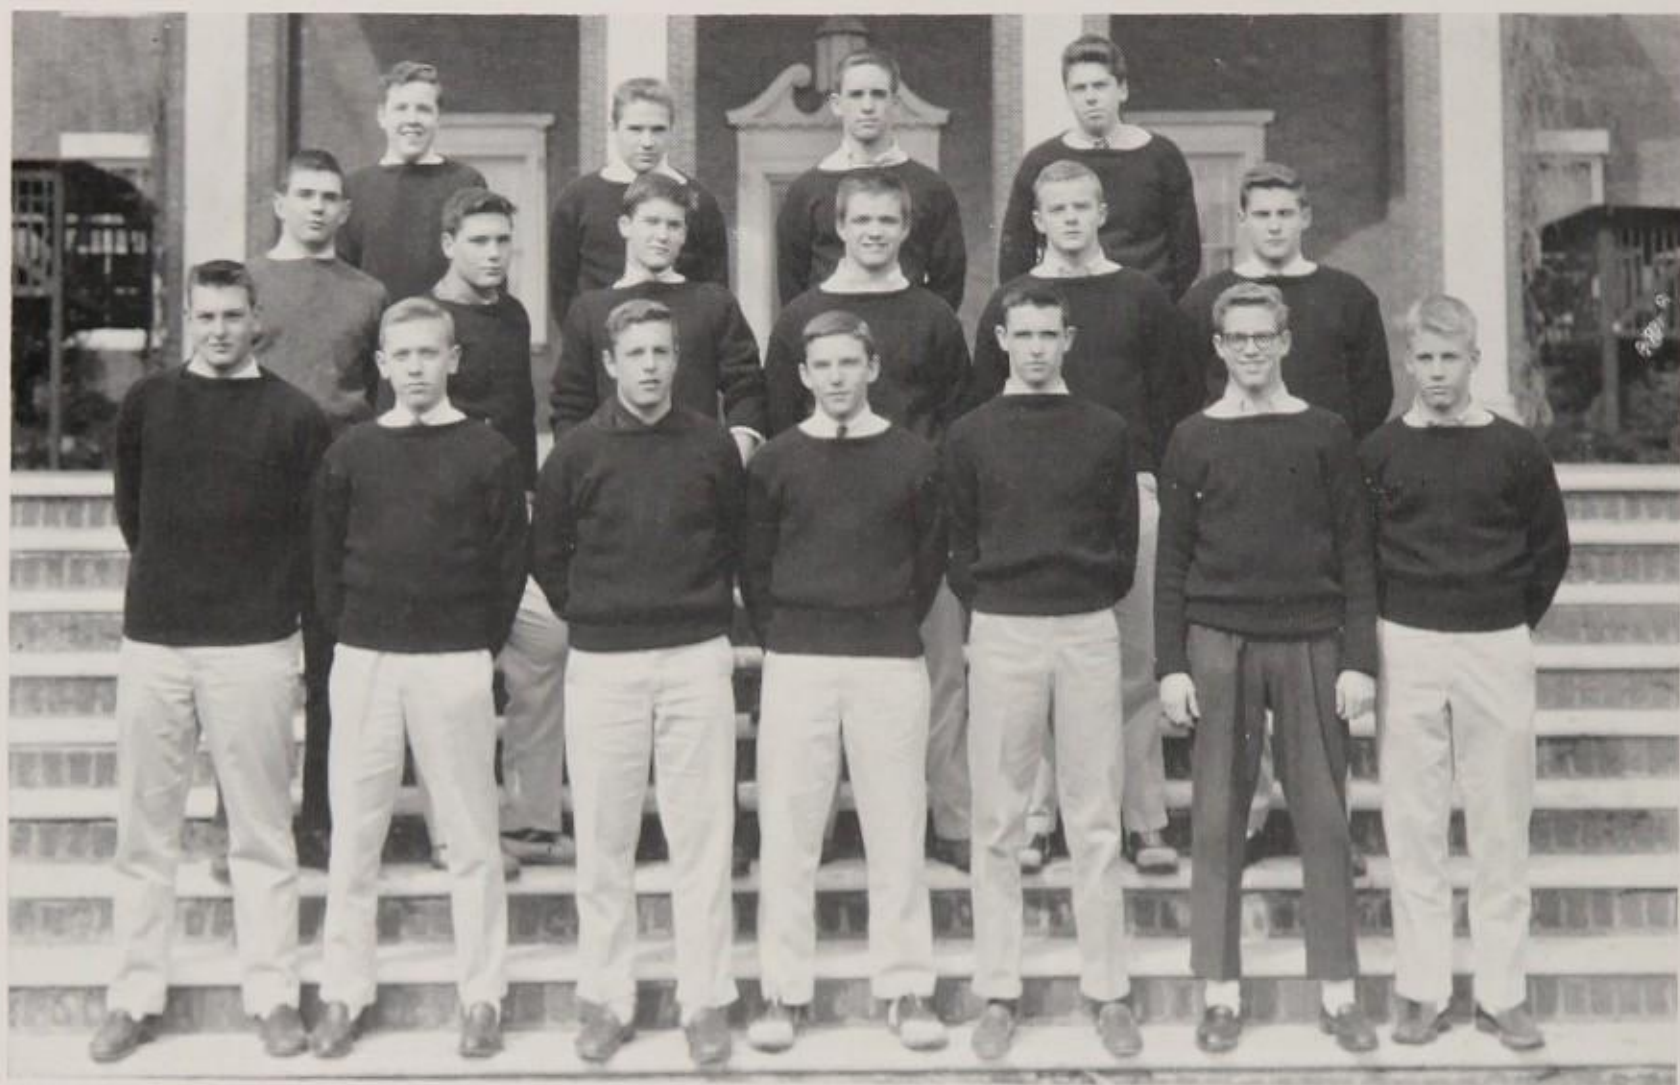

Coach Poreda said that he was very pleased with the squad's season. He remarked, "We had a young and inexperienced team that did very well considering the lack of lettermen. Next year we should have a great team, even though we will lose Bedford. He is a great runner."

JUNIOR VARSITY FOOTBALL SEASON, 1959

ONCE again Lawrenceville's junior varsity football team enjoyed an undefeated season. Under the coaching of Mr. Reydel and Mr. Weeden, the team finished with a 5-0-1 record.

The opening game for the Red and Black, against Trenton Catholic, ended as a scoreless tie, but Lawrenceville was greatly hindered by penalties; two touchdowns by halfback Dick Sellett were called back. The Jayvees' second game proved to be a decisive victory as they romped over Hun School 48-0.

The next game found Lawrenceville travelling to Admiral Farragut. As fullback Bill Deyo scored all four touch-

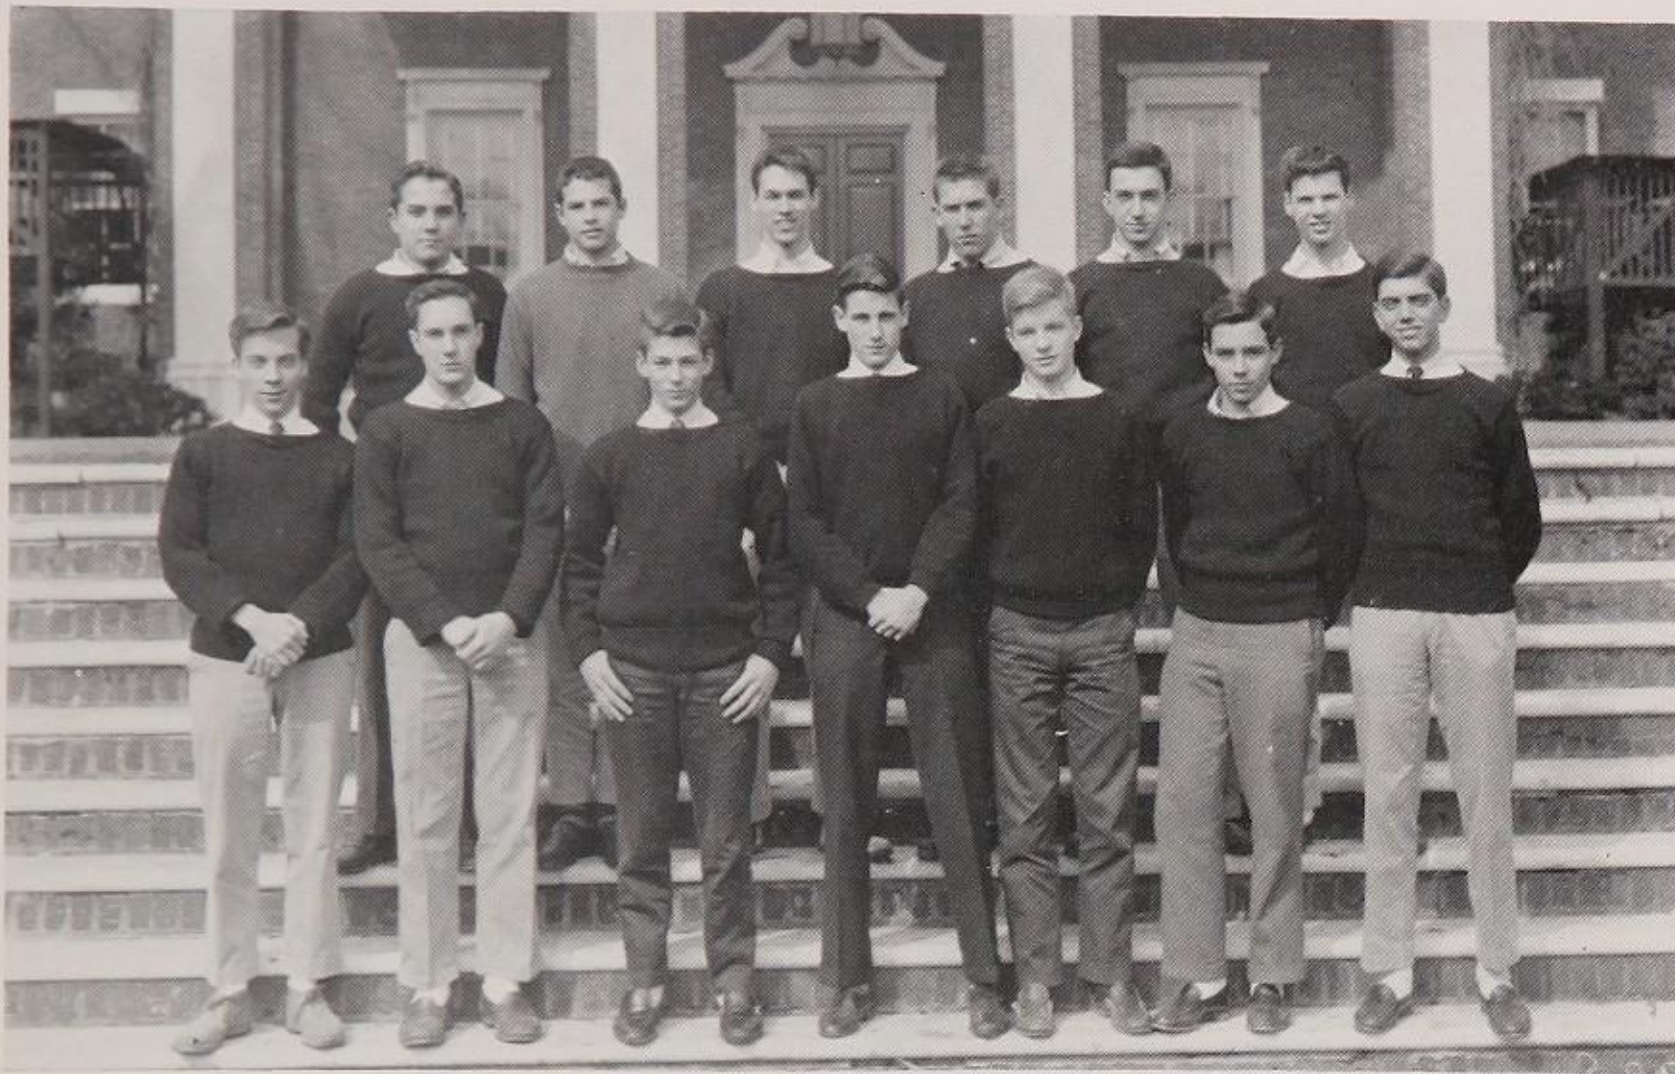

downs, the Red and Black were again victorious, 26-6. The next victim was previously undefeated Hunterdon High. With fine runs by Worcester and Lyons, the Larries won easily by a score of 39-0.

The following week the Red and Black defeated a powerful Princeton High team as tallies were made by Deyo, Lyons, and Worcester. With good line play by Dick Daesener and Sandy Bower, the Lawrenceville backs had no trouble pushing the score to 39-6.

The Jayvees finished their season handily, defeating Trenton High 25-6. Fullback Brian Bruel's hard running accounted for three touchdowns.

JUNIOR VARSITY SOCCER SEASON, 1959

THE J. V. soccer team, coached by Mr. Heyniger, compiled one of the best records ever turned out by a Lawrenceville squad, winning eight games, losing none, and tying one. The main reason for this impressive record is that the team fought extremely hard when the chips were down and worked as a unit, which is important in any sport.

The only game the Red and Black couldn't turn into a victory was a thrilling battle against Princeton High. The opponent's goalie fumbled the ball and Wilson blasted it into the goal. Princeton retaliated when Sidney deFalcio scored, and the game ended in a 1-1 tie.

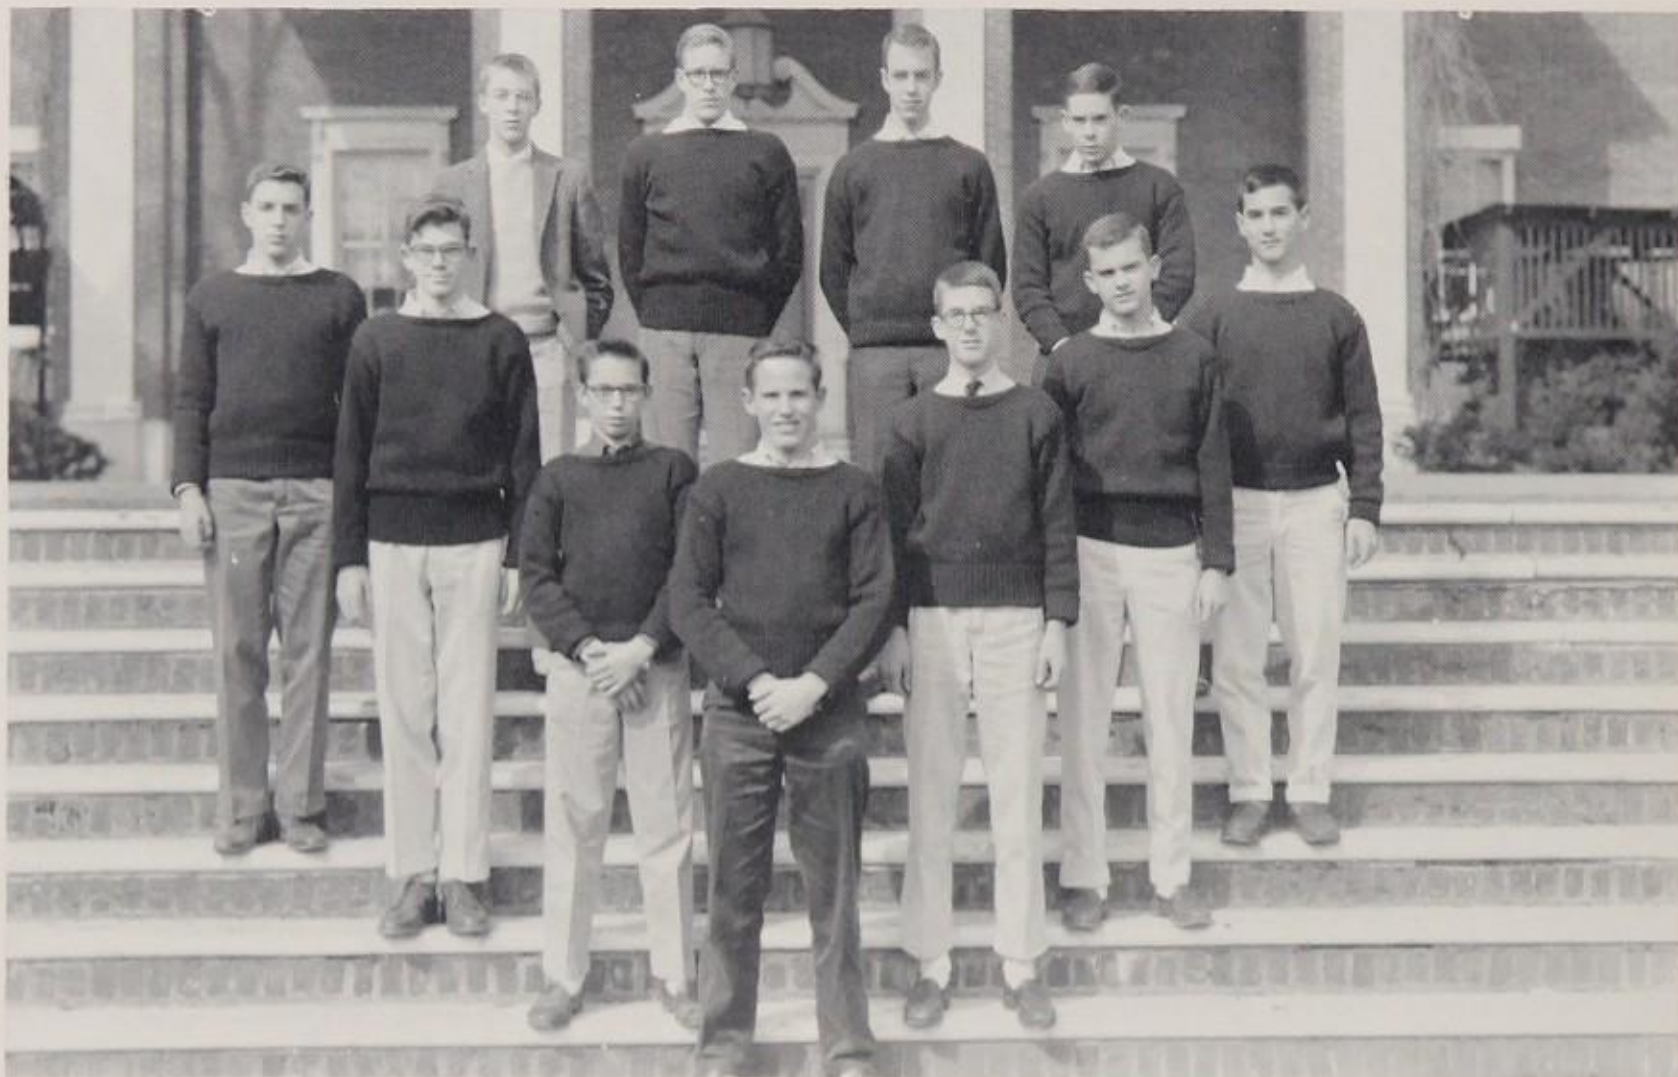

Another close game, which ended more

successfully for Lawrenceville, was a 1-0 victory over Hamilton. The only score in the game came when Captain George Sommer combined skill and a little luck to put a curving kick into the goal from 30 yards out.

The team's defense, led by O'Brien, Formidoni, and Ward, proved very versatile, not only keeping down the opponent's score, but aiding the cause by scoring several goals for Lawrenceville. The J. V. also proved to have a superior group of goalies. Both Alan Walsh and Barry Rank, who started the year off with the J. V. squad, ended up the season playing on the varsity.

JUNIOR VARSITY CROSS-COUNTRY SEASON, 1959

THIS year, under the expert coaching of Mr. Poreda, the J.V. cross-country season was a success. In four meets the Lawrenceville runners won three over Bordentown Military Institute, Princeton High, and Peddie and lost to Metuchen High by a mere five points. Course times were consistently dropping, and three of the Jayvees, Linzee Whittaker, Jim McCashin, and Mike Slater, were moved up to the varsity team.

In the season opener the harriers defeated Bordentown, 18-37. This meet saw Whittaker in first place in a time of 14:41, followed by McCashin, Slater finished fourth, missed third by one second.

In the second meet the Jayvees suffered

their lone defeat at the hands of Metuchen. The course was very wet, and the weather was equally poor, causing the times to be slow.

Two weeks later Lawrenceville met and overwhelmed Princeton, 17-38. Hover led the pack over the course in 14:27, followed by Whiteley, Dick Bass, and Ren Baker. Brian Laddey missed making a perfect meet for the Red and Black by fifteen seconds, taking seventh place.

In the final meet of the season, the Larries traveled to Peddie where they won by a score of 20-35. Bass and Hover led the way, followed by Laddey and Graham Jones, who took fourth and fifth respectively.

60 Olla Podrida 60

VARSITY BASKETBALL SEASON, 1959-1960

THIS year's Lawrenceville basketball team, led by Captain Dick Winickoff and the coaching of Mr. Megna, finished a successful season with a total of 10 wins and 4 losses during the regular schedule. With only two returning lettermen in Winickoff and Jay Jordan, Coach Megna's task of forming a team was quite difficult. However, soon after the season began, the much-needed problem of height was solved with Chuck Miller, Jordan and Pete Riley, and good backcourt prowess was provided by Winickoff, Mike Hannas, Gary Keller, Bill Korn and John Stein.

The hoopsters lost their first game to Trinity-Pawling 49-39 in what might be considered a rather poorly played ball game. The Larries were weak in both team-play and foul shooting. Chuck Miller was high man with 24 points followed by Captain Winickoff with 10 points, but the team was unable to start a rally throughout the game.

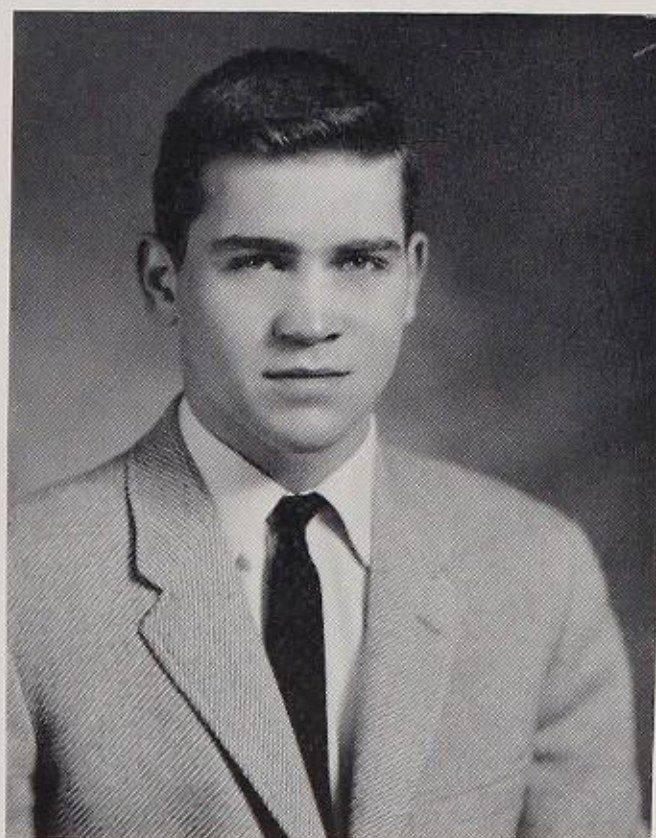

The second game of the year saw Lawrenceville overpower a weak Poly Prep team, 42-33. The Red and Black turned in their best performance thus far in the final quarter as the Lawrenceville offense became deadly and the defense played as a unit for the first time.

The varsity gained one of its most exciting victories of the year against Admiral Farragut as they edged their opponents at the final buzzer 47-45. Chuck Miller, high man with 29, was responsible for the victory as, with a second to go, he took a jump shot from the left of the key-hole and sunk the winning basket.

Behind Miller's 18 points and Winickoff's 13, Lawrenceville won its third straight game of the year against Borden-town Military Institute, 58-47. The team again had a difficult time getting under way, and it was not until the second half that they began to hustle. The remainder of the game was very hotly contested, and it was not until the waning minutes of the final quarter that the Larries were assured of their victory.

The following Saturday, Lawrenceville played host to the Pennington School and readily defeated their weak opponents 83-36. Miller led the scoring with 23 followed by Riley with 12. Even though Pennington was quite powerless, the Red and Black played aggressive ball throughout the game and turned in the highest scoring total of the year.

The St. Benedict's game saw the team's first bad defeat. Their opponents proved

CAPTAIN WINICKOFF

Two Hundred Thirty-five

60 Olla Podrida 60

COACH MEGNA

too much for the Larries as they romped to a 63-38 victory. The fact that Benedict's couldn't miss in the first half proved too much of a handicap for Lawrenceville to overcome. Miller and Korn provided the scoring for the losers.

Getting off to a slow pace, the Red and Black were not able to clinch their victory against Haverford, 60-46, until the fourth quarter. Haverford was only mediocre, and the Larries did not put on their hustling spirit until the third quarter. Dick Winickoff and Chuck Miller shared high point honors with 24 points each.

Lawrenceville's third defeat came at the hands of the Peddie School, 57-42. Again the damage was done during the first half and the Larries fought vainly to overcome the half-time deficit, 29-18.

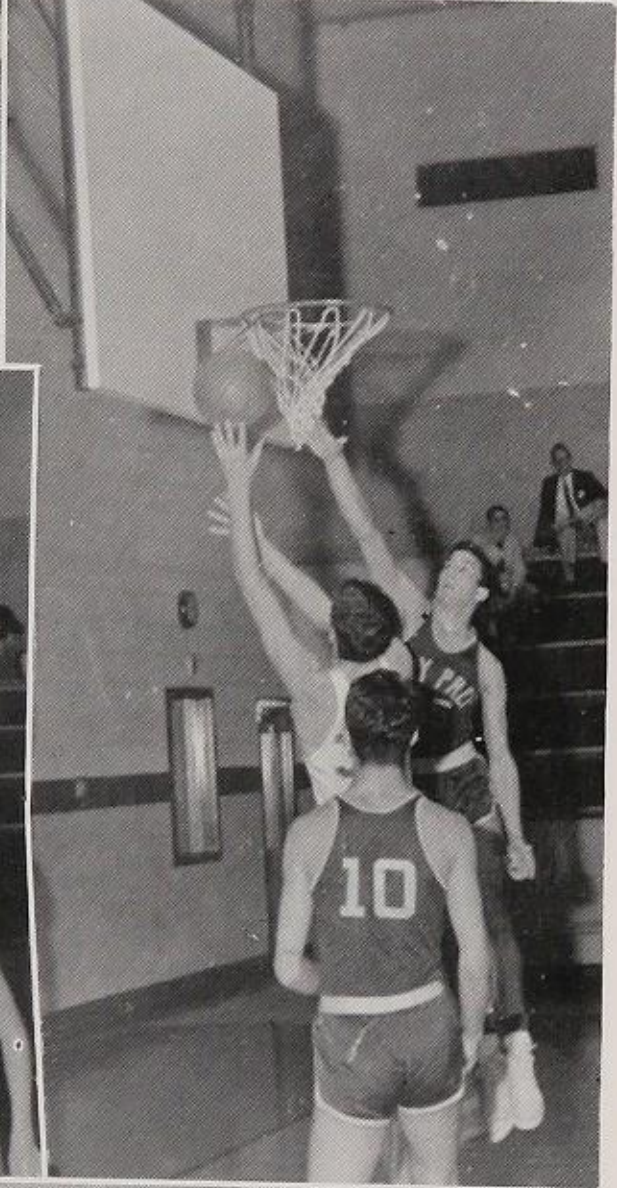

Exploding for nineteen points in the second quarter, the Larries romped to an easy 56-29 triumph over a poorly organized Blair team. The team played fine basketball during the second half and increased their 30-16 half-time lead. Pete Riley led the winners with 11 points followed by John Stein and Winickoff with 10 and 9 points respectively.

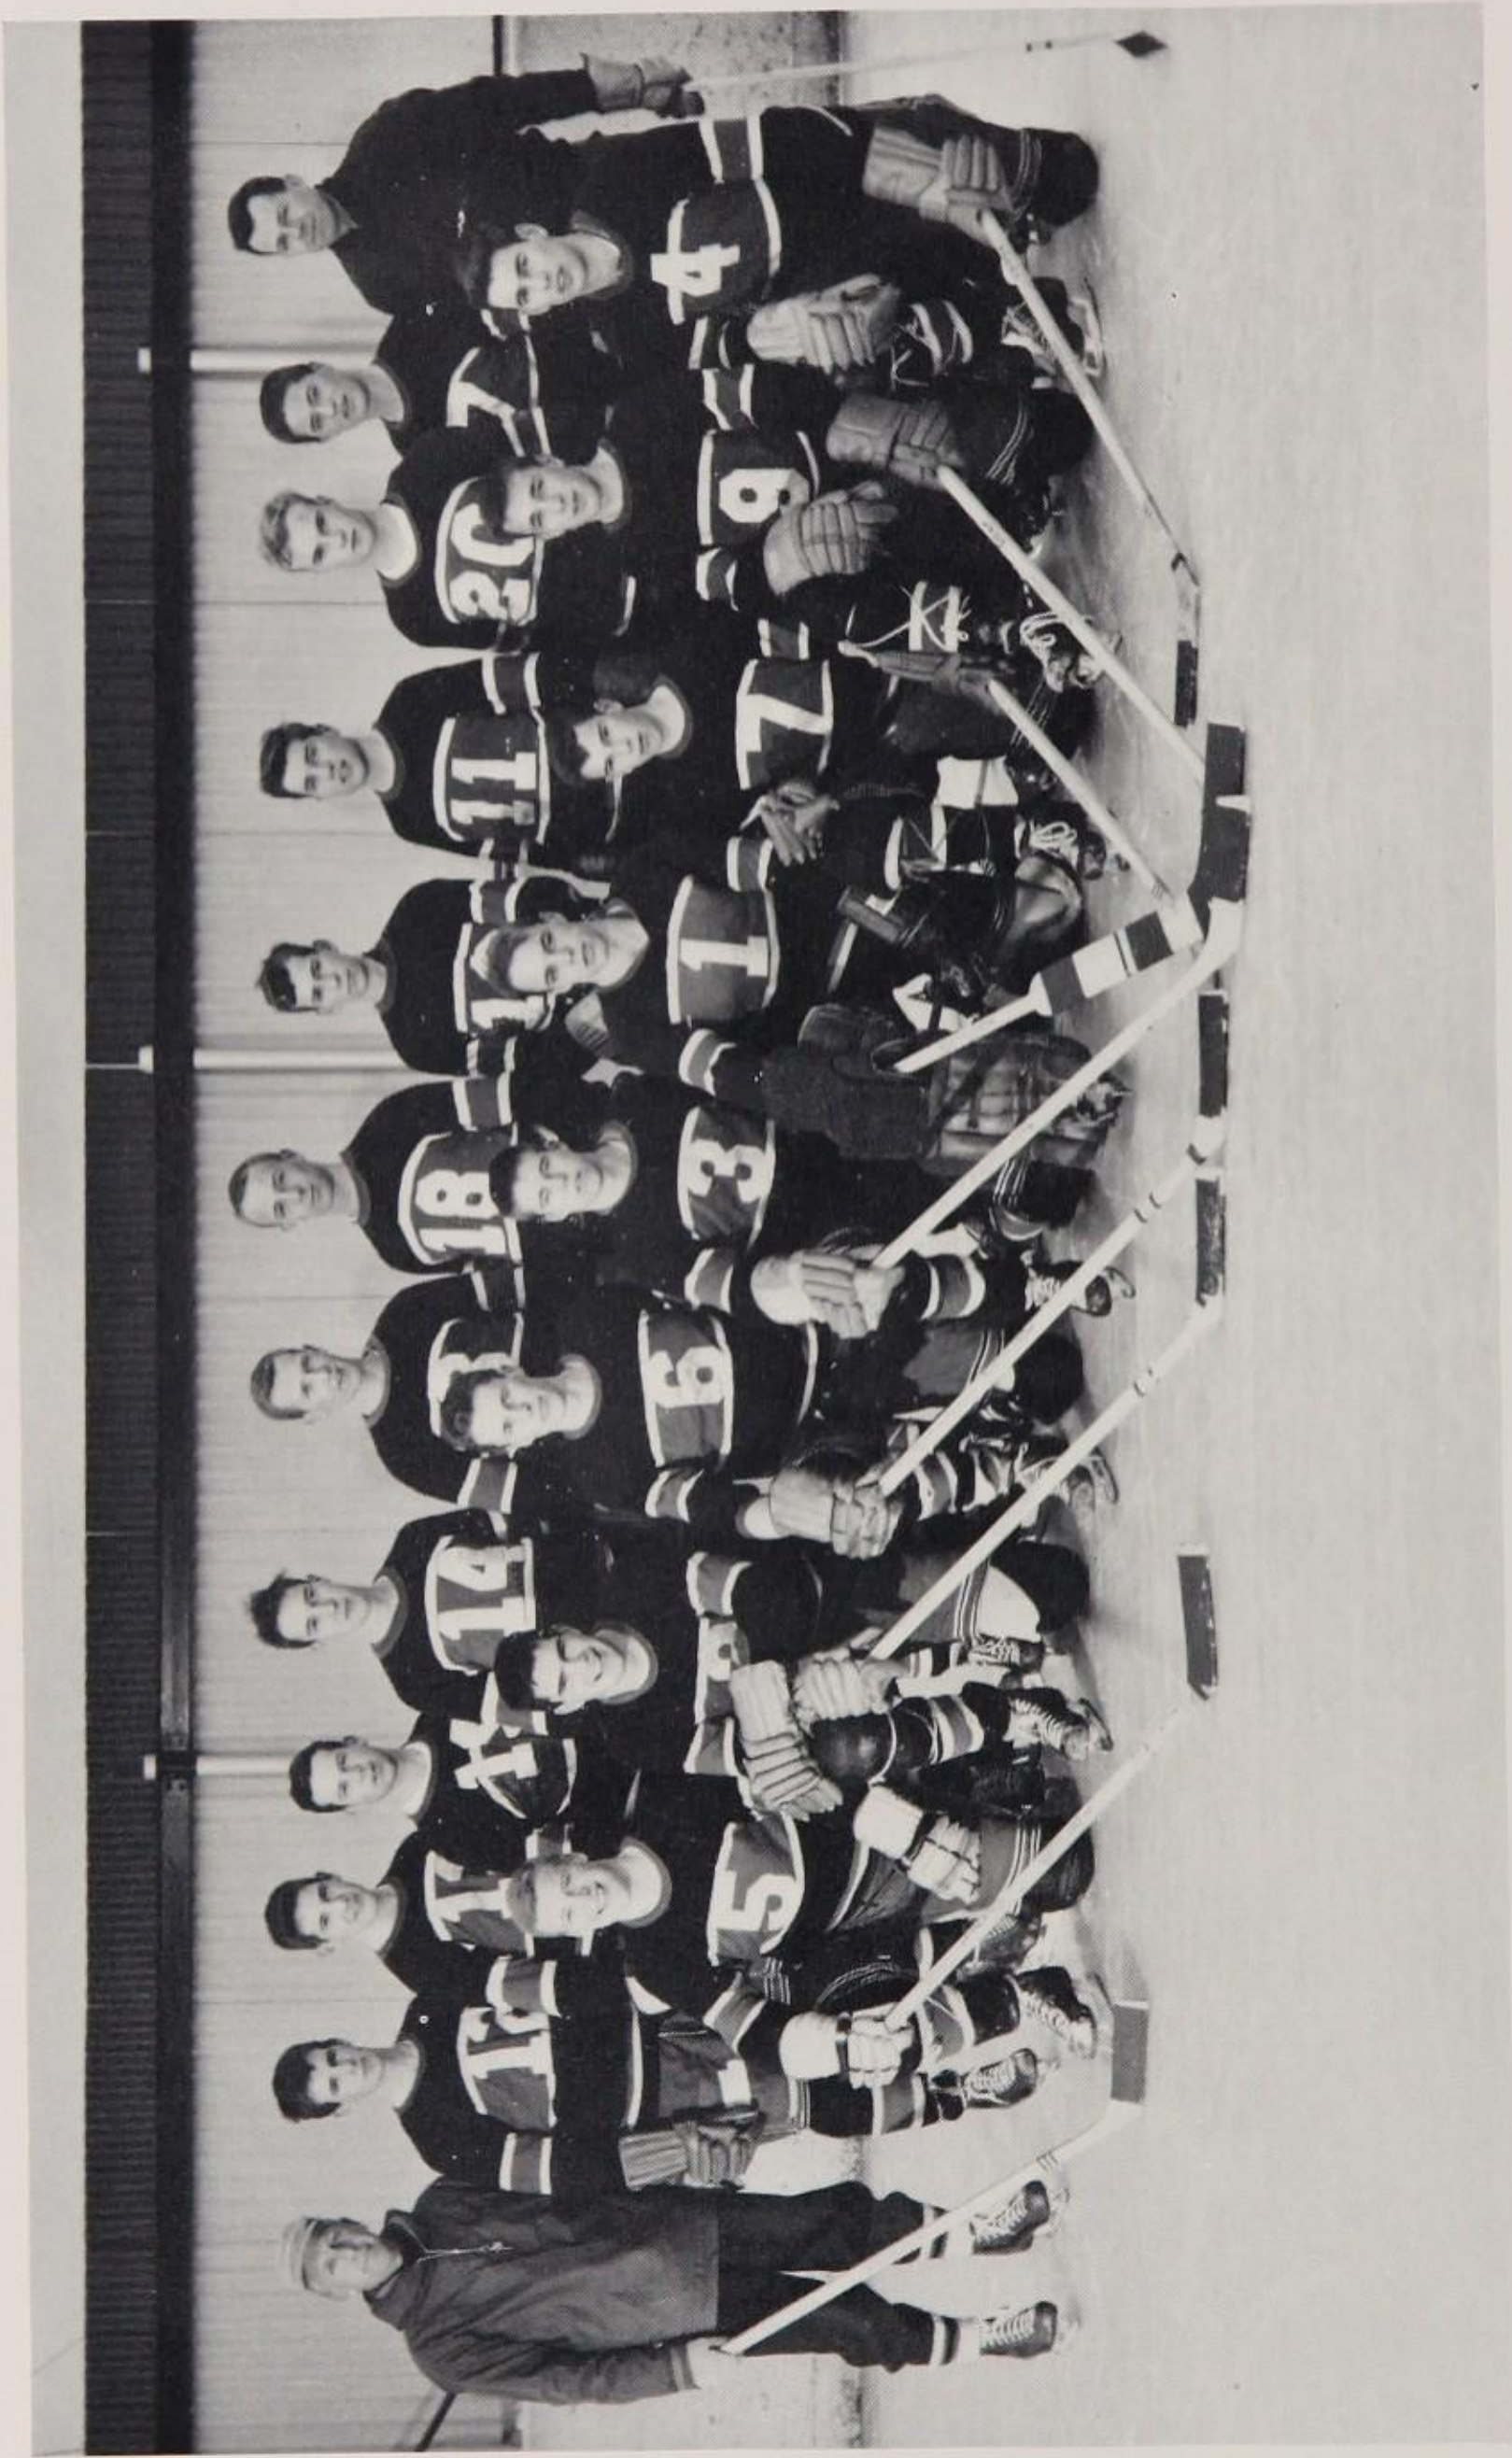

The following game saw Lawrenceville defeat Princeton High School, 56-47. A strong offense and a tight defense provided the necessary components for the victory.

Unfortunately, the final game of the season, the Hill game, was one of the team's low points. The Hillies beat Lawrenceville 52-50 in a sudden death period after the end of a three minute overtime period.

Having drawn a bye in the first round of the State Meet, the Larries defeated St. Bernard's, 54-42, to gain the finals of the meet. The hoopsters played a spirited, aggressive game in the semifinal, and readily defeated their opponents.

But again the team could do nothing against the powerful and fast breaking St. Benedict's who won the States, 60-35. The fine shooting of the experienced Benedict's team was the deciding factor as the opponents increased their 23-17 half-time score. Although the team put forth their best effort, they were unable to get hot throughout the game.

VARSITY HOCKEY

Left to Right: Front Row: Colehower, Harris, Knoblauch, Rotnem, Greenleaf, Nichols, P., Dorf, Kraft. *Second Row:* Mr. Wicks, Ward, Rayborn, Godfrey, Carter, Van Dyke, Raymond, Fields, Ford, Hodges, Pope, Mr. Weedon.

60 Olla Podrida 60

VARSITY HOCKEY SEASON, 1959-1960

THE hockey team started the season well by placing fourth in the Lawrenceville Invitational Hockey Tournament. There were three new players at Lawrenceville on the team plus a mixture of last year's J.V. and varsity players. The team gradually improved as the season went along, despite frantic line changing, and ended the season with a 6-5-0 record.

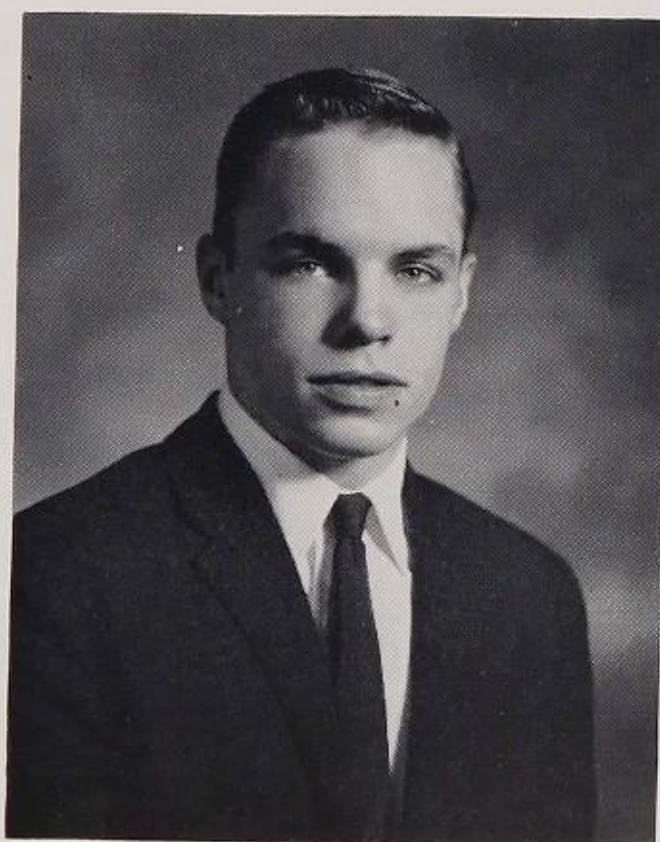

In the first encounter of the season, the Red and Black met the Wissahickon squad and defeated them 5-1. Dick Rotnem started things off for Lawrenceville by scoring with a pass from Bob Dorf. In the second period Dorf again was in on the play as he swept the puck by the Wissahickon goalie on a pass from Link Field. Brin Ford also scored with an assist from Pete Nichols.

The Invitational Tournament began on December 17th and continued for three days. In Lawrenceville's first game they faced Belmont Hill and beat them soundly, 2-1. In the first period Pete Nichols passed to Van Dyke for the first tally. Then Belmont Hill scored, but in the third period a Nichols-Van Dyke combination broke the ice with a goal and the game ended. This game improved the morale of the team because Belmont Hill was seeded first in the tournament. Lawrenceville then faced Andover, but was beaten, 3-1. Pete Nichols scored for the Red and Black unassisted. The numerous Lawrenceville penalties hampered the team and forced

them to play a defensive game. In their last game the team lost to the University of Toronto schools 8-0.

After a three week vacation the team faced one of the best Princeton Freshman teams in years. The two teams traded goal for goal, but in the end Princeton won, 3-2. Rick Greenleaf excelled by keeping 38 shots out of the goal. Beau Carter and Brin Ford both scored unassisted.

After losing to the constantly rugged Hope High School, 5-0, Lawrenceville turned the tables by romping Franklin and Marshall school. The twelve Lawrenceville goals were scored by ten different players, Rotnem and Ford each scoring two. Franklin and Marshall's only two goals were scored in the last period.

CAPTAIN GREENLEAF

60 Olla Podrida 60

COACH D. D. WICKS

With a new bus driver this year, the team managed to arrive on time only to be set back by the Plebes, 7-0. Although the score was rather one-sided, the game was not. All of the Plebes' goals were scored in the first half of the game except for a fluke on a face-off in the third period. Easy shots were missed by Lawrenceville and a goal was called back. Last year's captain, Dennis Ossorio, scored one goal after harassing our lines continually with his excellent defensive play.

The next game with Morristown ended in a 6-0 victory and made the season standing at three wins and four losses. Raborn started things off with a quick goal and was followed up with goals by both Harris and Knoblauch. Despite the bad ice, three more goals were scored in the third period.

The game with the Summit Hockey Club was probably the most disheartening of the season. The problems confronting the Red and Black were numerous; poor passing, no covering, and skating with the sticks over the head. The passing was the worst, especially when Summit had three

men off the ice on account of penalties. Both of Lawrenceville's goals were scored in the first period, one by Field and the other by Nichols. That ended the game in a 3-2 loss.

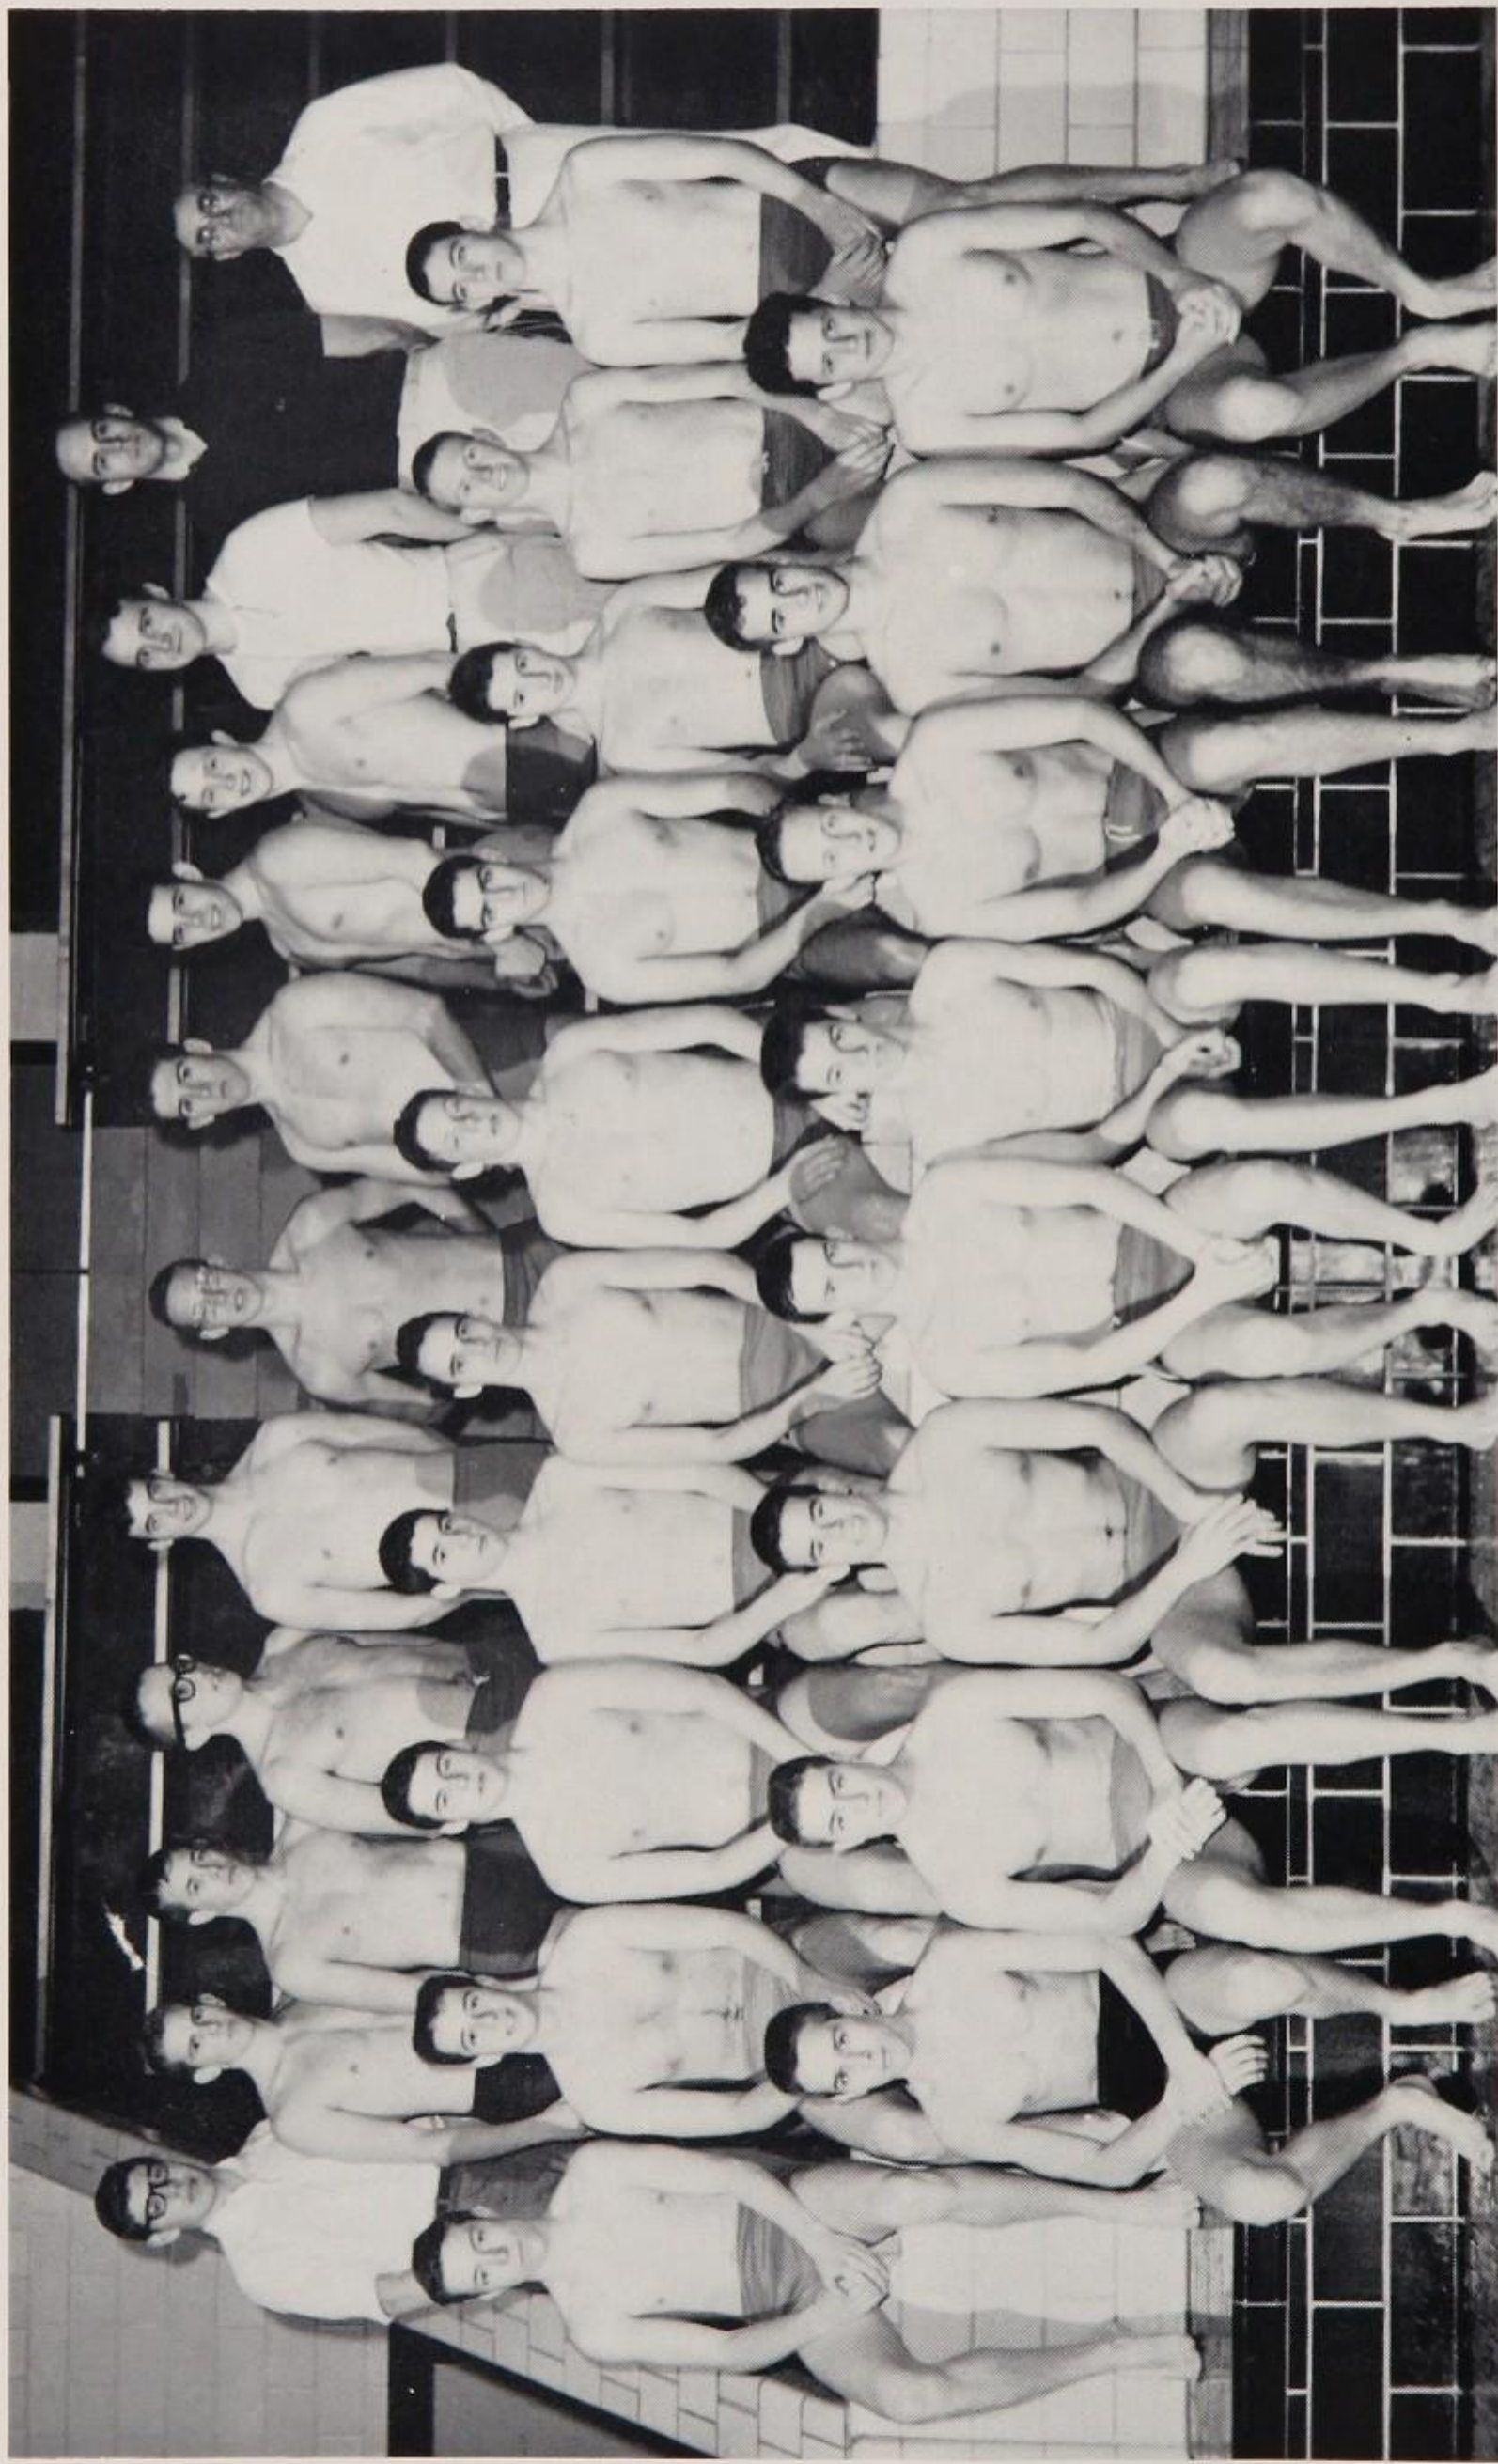

At Baker Rink the next Wednesday the team played good hockey in the last two periods of the game, but in the first period the roof fell in. Actually the roof did not fall in but eight times the puck whizzed by the defense and the goalie. One of the main standouts was a Canadian on the Princeton team, who scored five goals in the first period and six in the game. The second period went scoreless and in the last period Buzz Raborn put one past their goalie to end the game, 11-1.

After these two rather disheartening games the pucksters came back to life, first against the Hill School at Pottstown. They beat their longtime rivals thanks to Rick Greenleaf who stopped 37 shots. Camp Van Dyke, Pete Nichols, Buzz Raborn, and Link Field all scored once and Raborn assisted on two of the goals. Hill dominated the third period but could not put more than three goals past Greenleaf. This wasn't enough, and Lawrenceville won 4-3.

In the last two games Lawrenceville won from its opponents. In the first game they trounced Trinity Pawling, 12-0. Dick Rotnem and Link Field both pulled the "hat trick." Against Storm King much the same happened as Lawrenceville won, 10-0.

At the end of the season the statistics were arranged and revealed that Bob Dorf, Link Field, Dick Rotnem, and Camp Van Dyke scored seven goals each. Counting goals and assists, Bob Dorf and Pete Nichols led the team with twelve points each.

VARSITY SWIMMING

Left to Right: Front Row: Andrews, Doniger, Yocum, Dilworth, O'Brien, Love, Flynn, Salas. *Second Row:* Osborn, Schloss, Valentine, Hill, Garcia, Strater, Greenstein, Hyer, Brauer, Kraemer. *Third Row:* Patterson, Adriance, Taylor, Zaloom, Evans, Pohndorf, Rank, Knight, Palmer, Mr. Geer, Mr. Pratt, Mr. Schonheiter.

60 Olla Podrida 60

VARSDTY SWIMMING SEASON, 1959-1960

THE Lawrentian natators completed the season with a 4 and 6 record. Nevertheless, the spirited and enthusiastic team bounced back to win top honors in the Eastern Interscholastic Championships. Regardless of the disappointing record, the team showed great improvement and that their individual as well as collective effort never faltered during the season should be accredited to the fine coaching of Messrs. Schonheiter, Pratt, and Geer, whose coaching ability was only equaled by their zeal and interest. Co-captained by Dave O'Brien and Bob Dilworth, the team was entirely composed of five returning lettermen and members from last year's J.V. squad. Outstanding in his performance was diver Scott Andrews who broke his own school record, set last year, posting a new mark of 77.6 points.

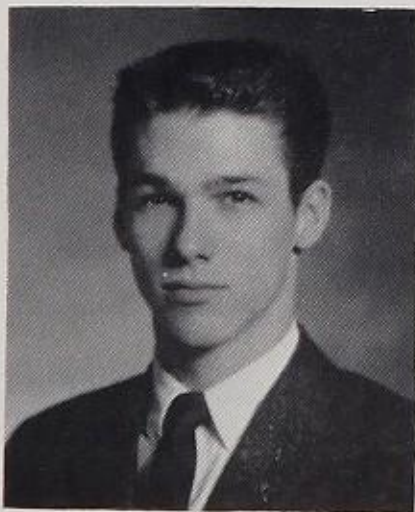

Beginning the season against the Lehigh Freshmen, the mermen were victorious 62-24. Firsts by Evans in the breaststroke, Garcia in the backstroke, and Rank in the individual medley, plus both relays, assured the victory.

After vacation the team traveled to New Haven, where they suffered their first defeat, 19-67, at the hands of a strong Yale freshman team. Lawrenceville was limited to two second places and a first in the medley relay. It was a gloomy day for first and second places were lost by tenths of seconds. It was the reverse the week later in the Peddie meet as the natators took all first places and lost only two sec-

ond spots. The 74-12 score showed the balance of power in the meet.

The Army Plebes meet, at West Point, was one of the biggest disappointments of the year as the mermen lost on a disqualification because of an illegal relay jump. Dave O'Brien started the ball rolling by winning the fifty with an impressive time of :23.6. Scott Andrews and Ted Adriance took first and second places in the dive, respectively, while the medley team of Garcia, Evans, Dilworth and Flynn outdistanced their opponents. The score after that event was 39-40 and the meet hinged on the freestyle relay. The relay spurred by O'Brien's :22.6 in the last leg, edged out the Plebes only to find out that they had been disqualified.

The Mercersburg team, coached by Mr. Schonheiter's son proved to be a powerhouse as they edged out the Larries, 42-44. The mermen only won the breaststroke, the dive, and the medley relay but their depth enabled them to remain a threat

CO-CAPTAINS O'BRIEN AND DILWORTH

60 Olla Podrida 60

COACH SCHONHEITER

throughout the meet. Mercersburg finally secured its victory by beating our freestyle relay in the last event of the meet.

The Princeton Freshman team handed Lawrenceville its next defeat. Led by ex-Lawrentian Gardner Green, who broke his own pool record in the breaststroke and formed part of the record breaking medley relay, the Frosh avenged their past defeats by trouncing the mermen 29-57. Scott Andrews gave a marvelous performance as he broke his own school diving record.

The away meet with Haverford saw the Larries lose another close one. They started well by taking the fifty, the butterfly, and the backstroke. Nevertheless, Haverford sped to a 1:35.9 and this gave them the points to beat Lawrenceville, 38-48.

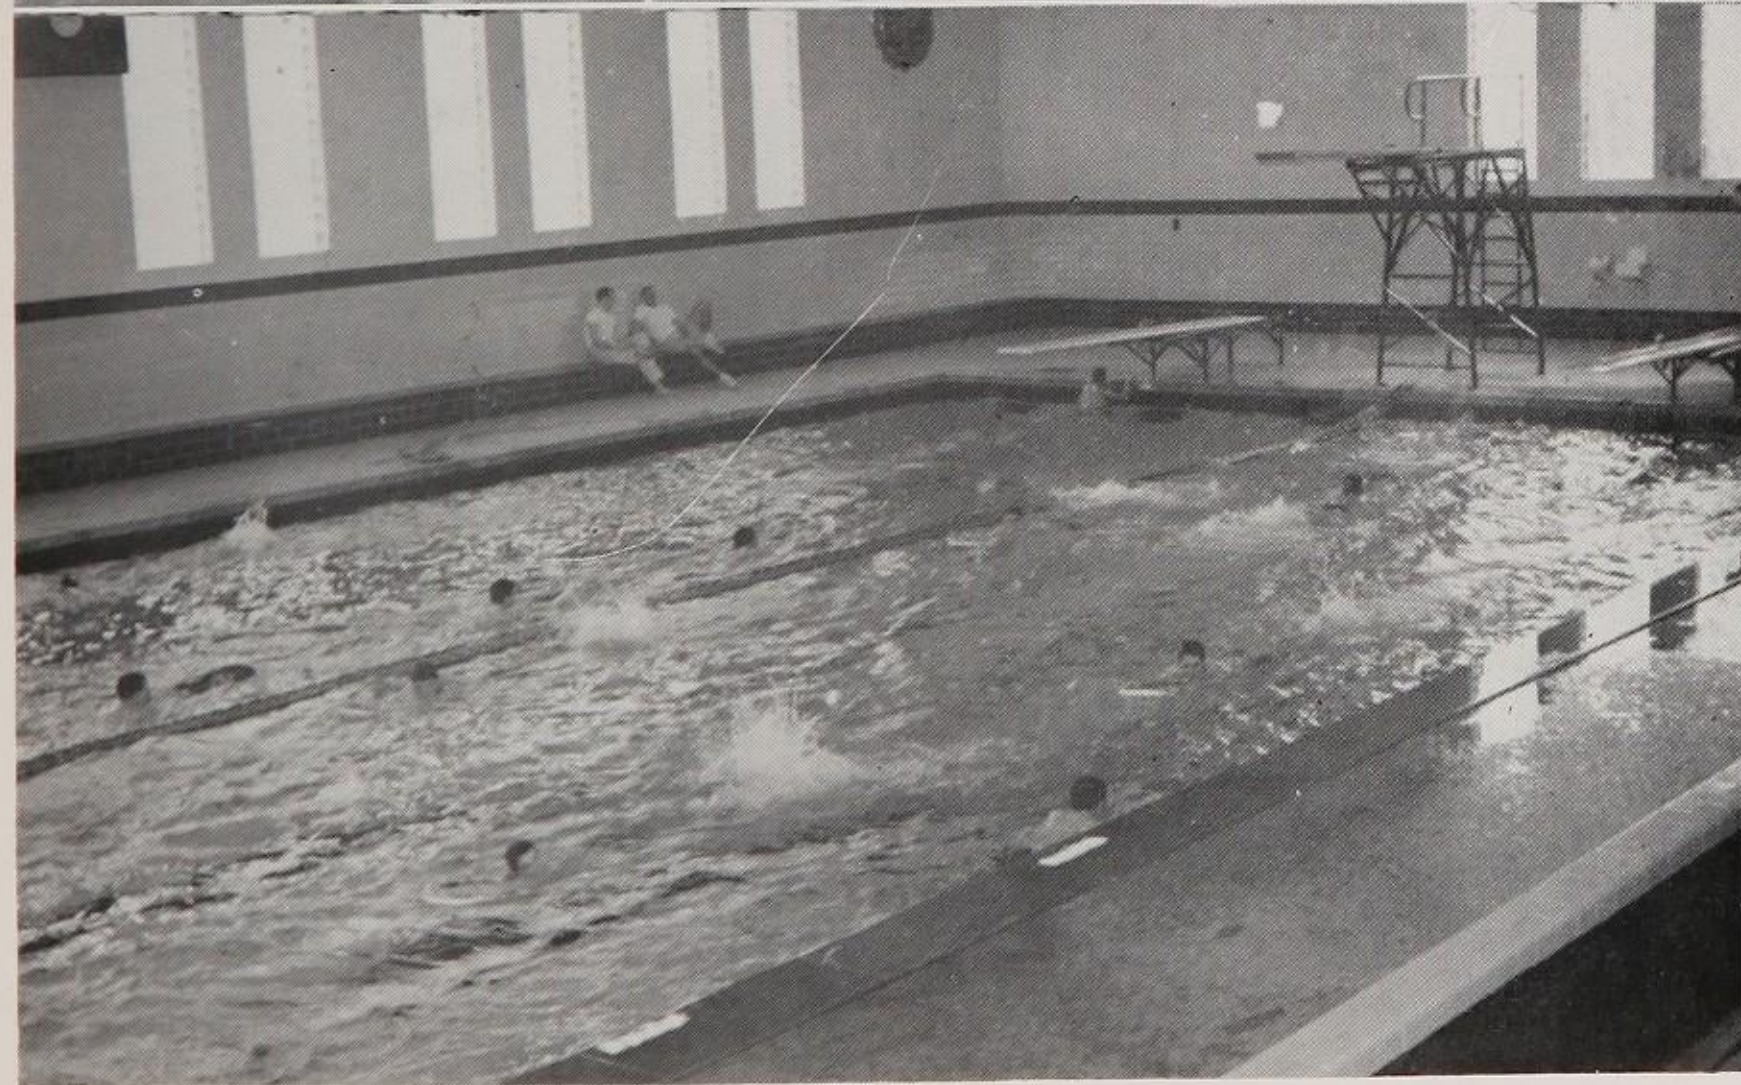

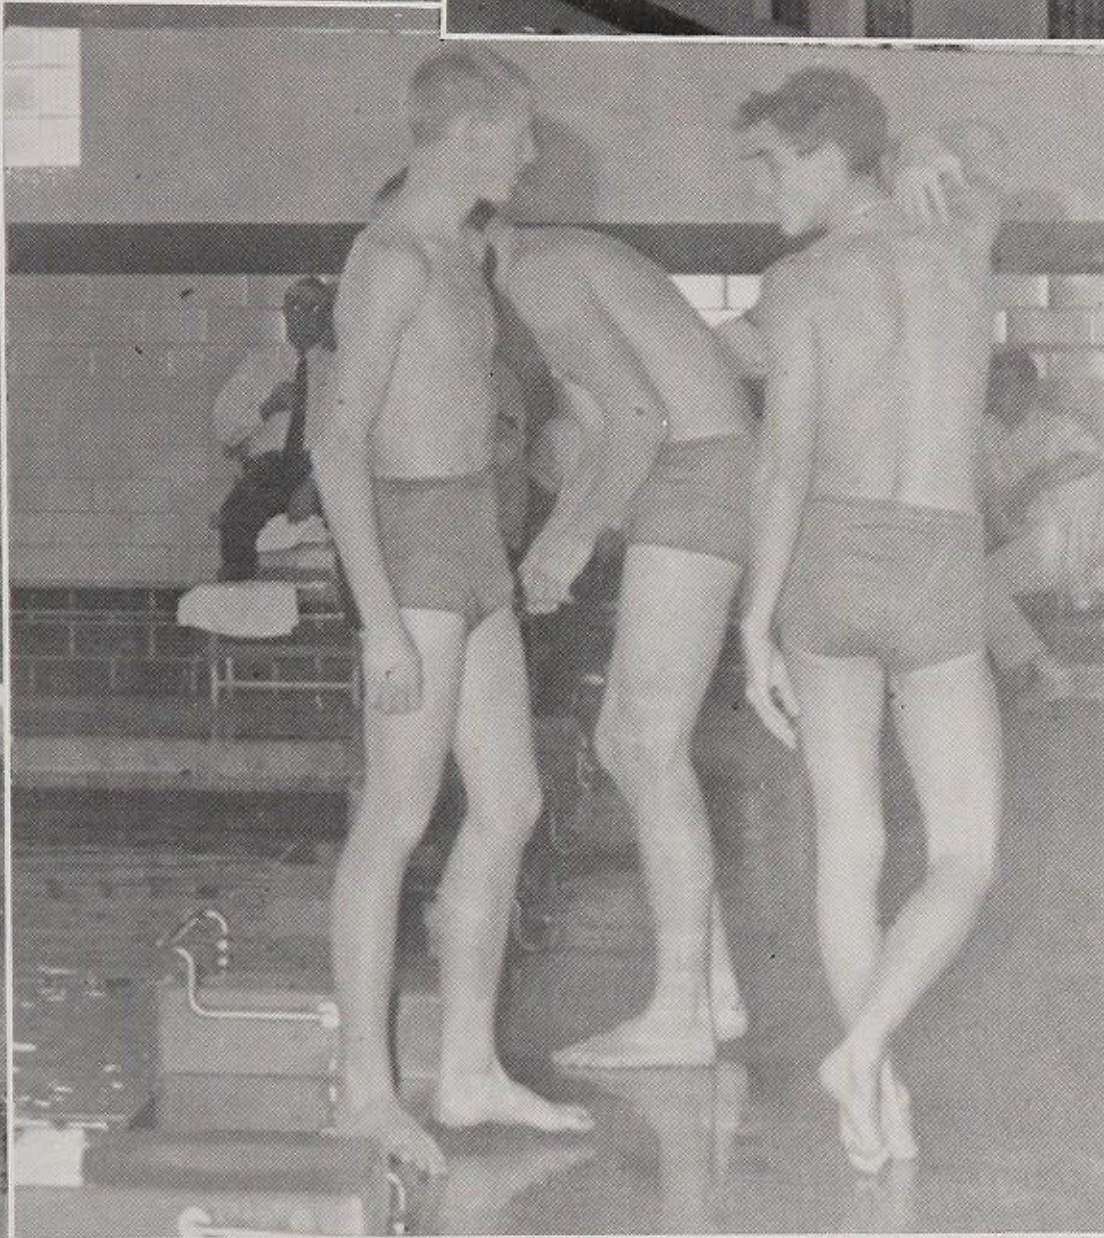

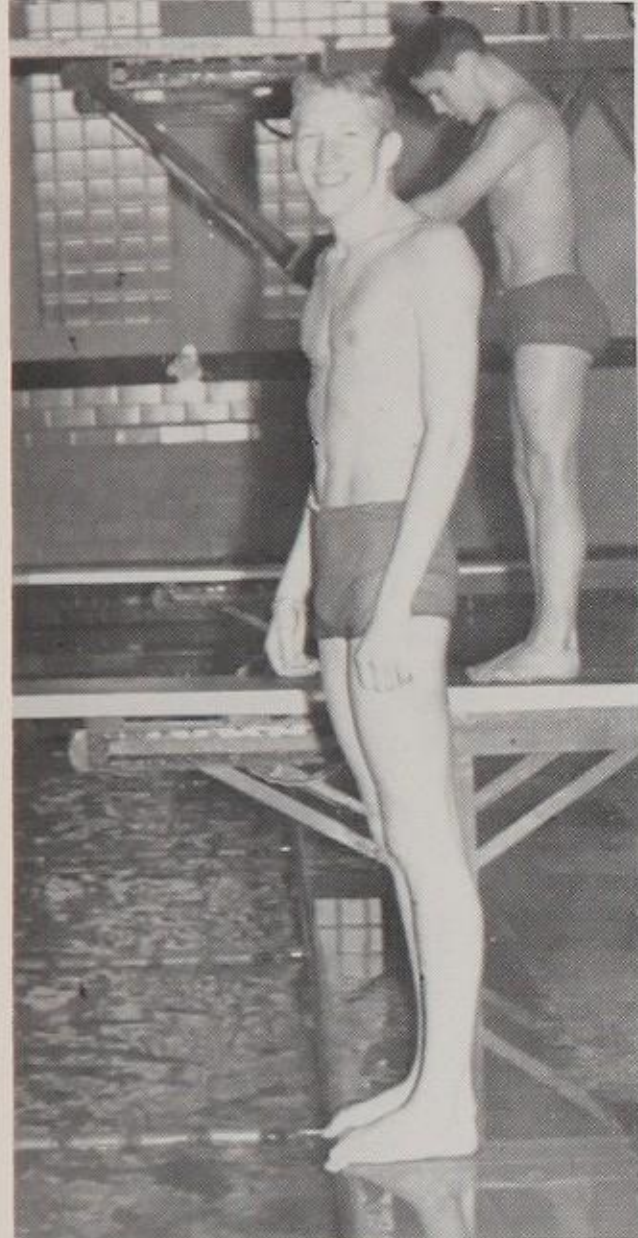

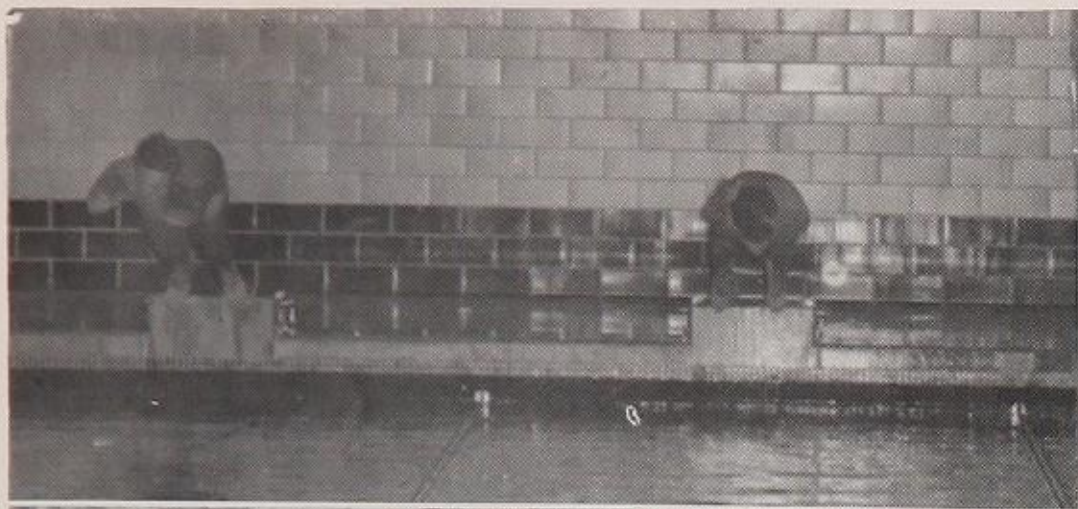

The Peddie and Rutgers meet, both won 62-24, proved to be an onslaught. Led by Co-Captain Dilworth, who took first place

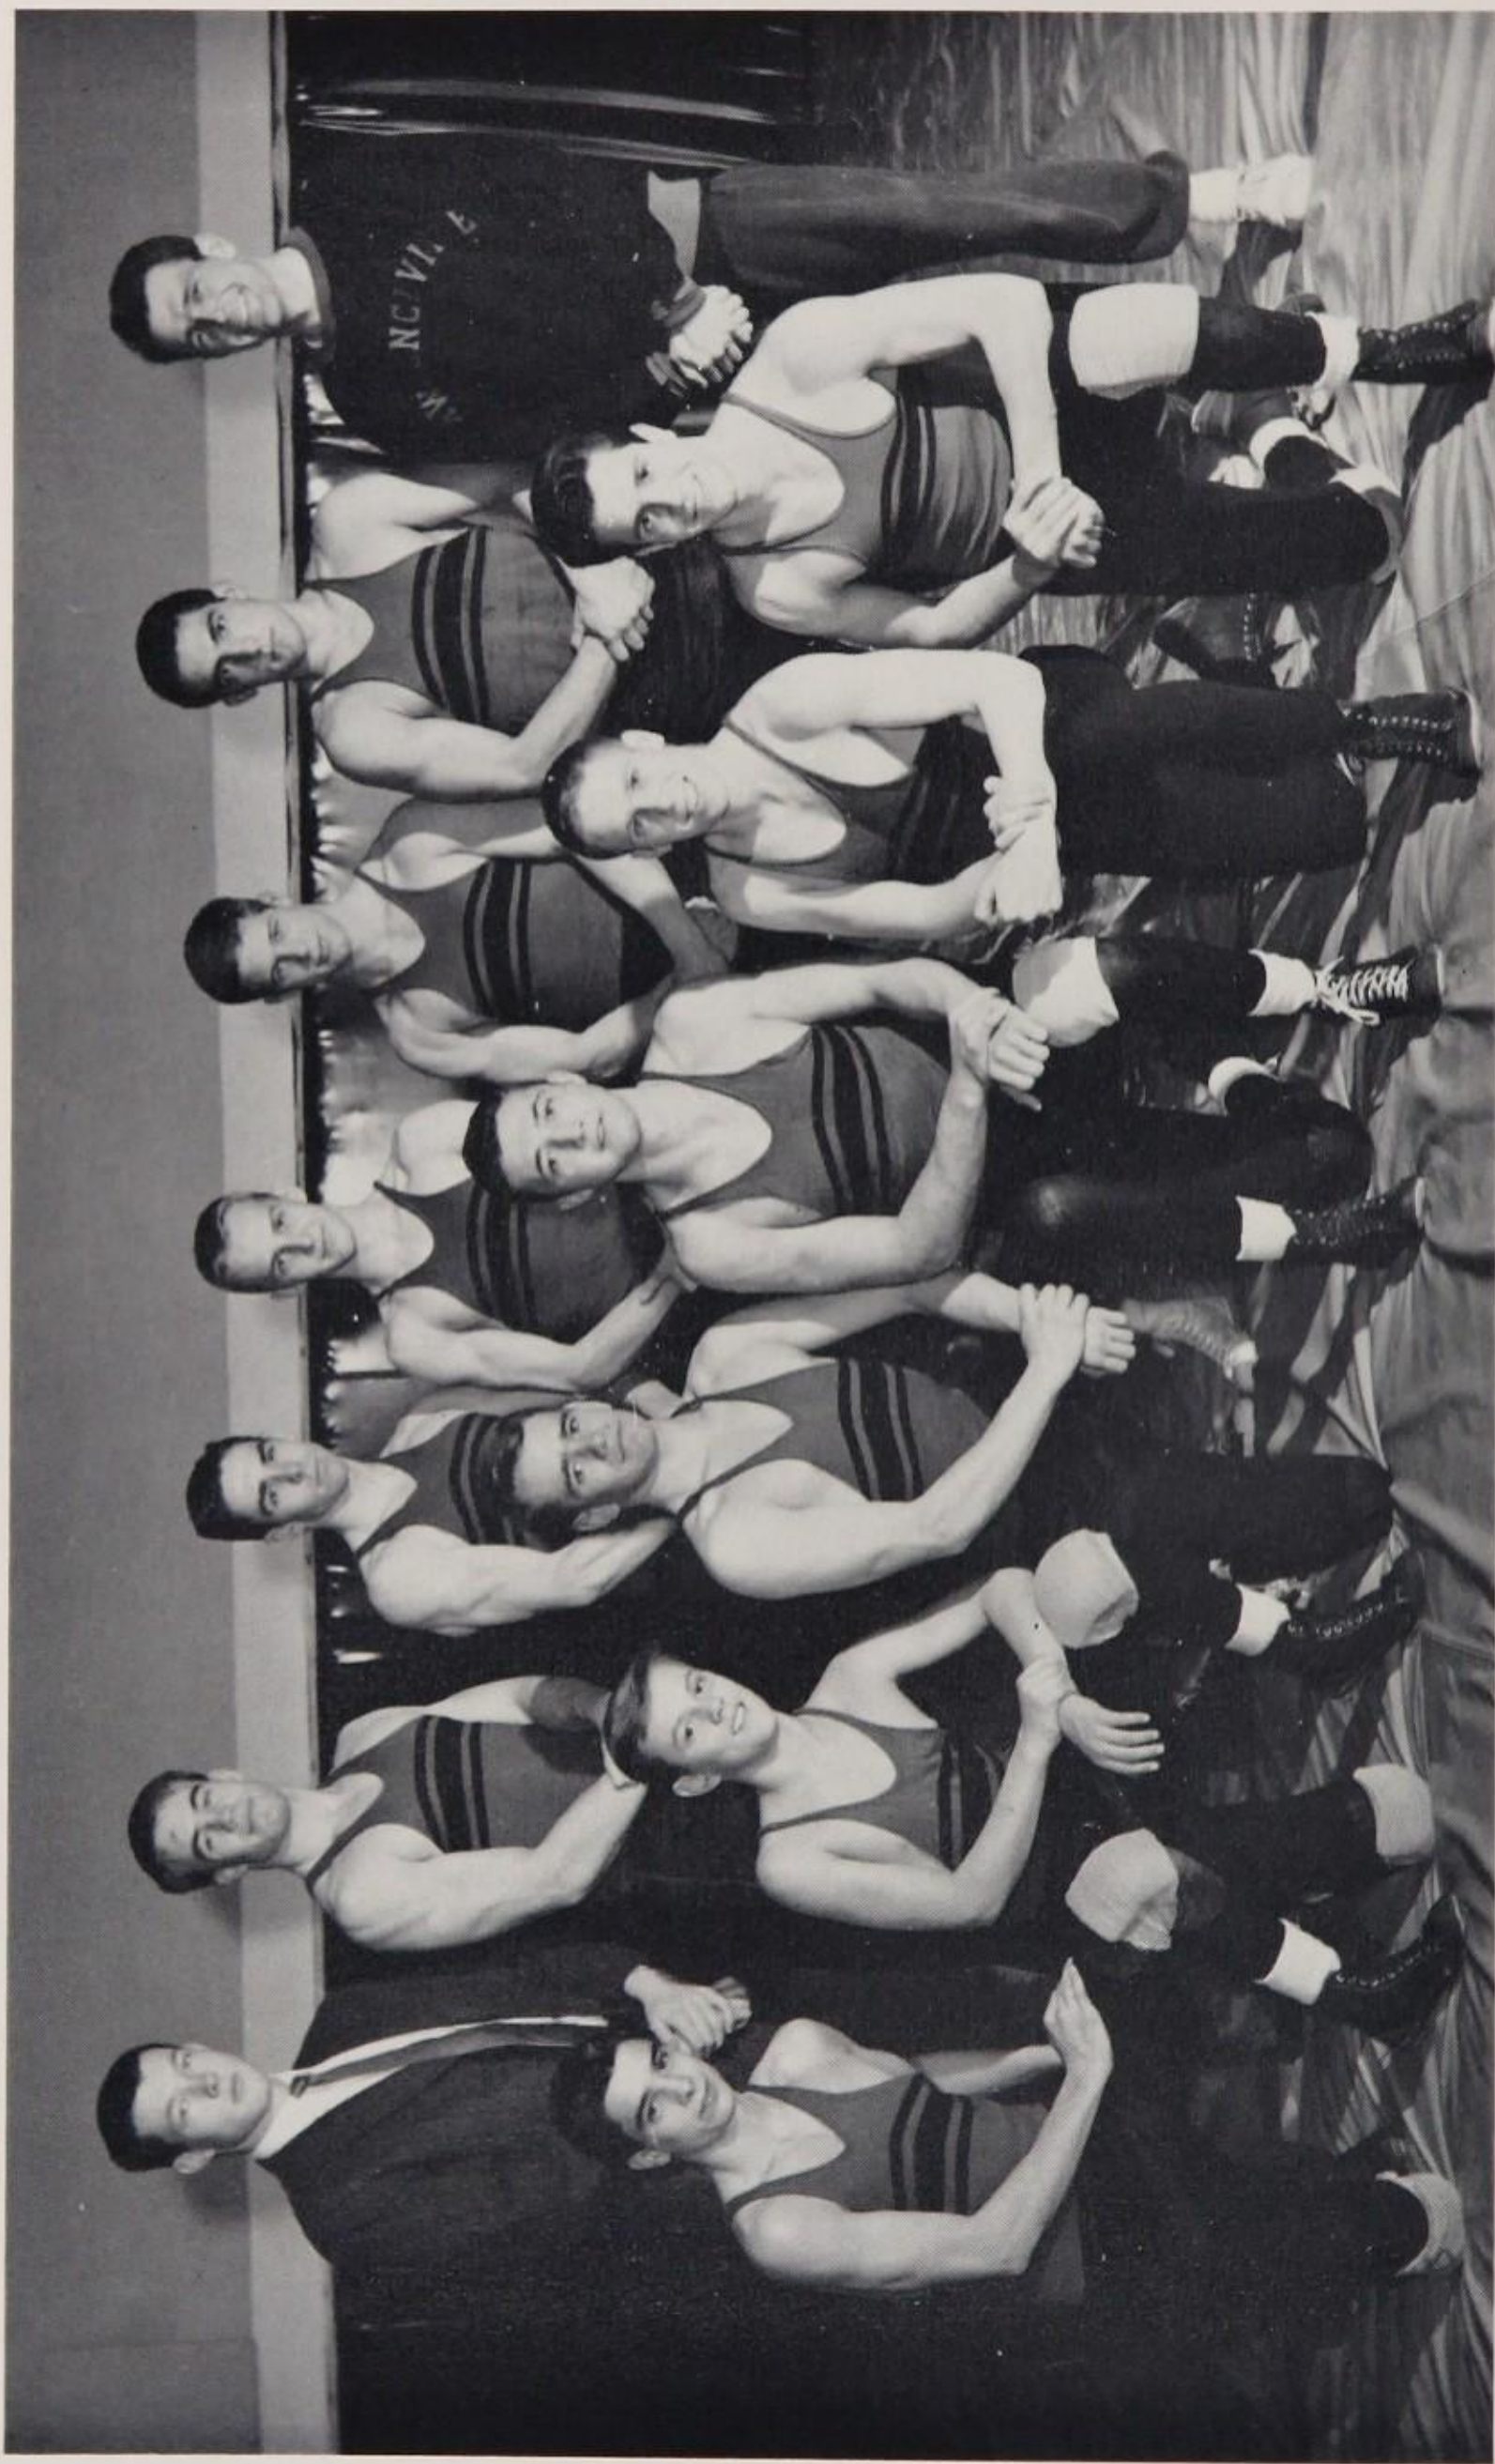

in the two-hundred individual medley, the mermen defeated Peddie in their home pool. Rutgers proved to be no better, for the tankmen took first in all but two events. Firsts by Gus Salas and Barry Rank paced the teams to victory.

The most disappointing meet of the year was with our arch-rival, the Hill, to which the mermen lost 45-41. Firsts by O'Brien, Evans, Andrews and Rank weren't enough, and by the end of the individual events Lawrenceville was trailing 34-38. Hope rose when the Hill winning the medley relay was disqualified, but the Hillies, avid to avenge last year's defeat, bounced back and took the freestyle relay.

The Sixtieth Annual Eastern Interscholastic Swimming Championships brought a pleasant surprise as the spirited mermen brought first place honors back to Lawrenceville. The Larries outswam 18 prep schools, including Haverford, Hill, and Mercersburg. The depth of determination of the team was the deciding factor as the Larries qualified more swimmers in the finals than any other squad. Firsts by Scott Andrews in the dive and Jon Evans in the breaststroke, supported by thirds by Dilworth, O'Brien, and Garcia formed the source of most of the 59 points, which was ten points higher than the nearest team. Other point winners were: Salas, Hill, and Taylor in the freestyle events, Flynn in the backstroke, Greenstein in the butterfly, and Rank and Kramer in the individual medley. Both relay teams placed third.

Three days later both relay teams took first in the Trenton Times AAU meet. Captain-Elect O'Brien anchored both relays.

VARSITY WRESTLING

Left to Right: Front Row: Strecker, Becker, Harding, Solberg, Powers, Ross. Second Row: Lockwood, Fuller, Furlong, Stouck, Churchill, Hess, Mr. Bull.

60 Olla Podrida 60

VARSDITY WRESTLING SEASON, 1959-1960

LED by Captain Vinnie Stouck, the varsity wrestling team compiled a very excellent 5-5 record. All of their matches were very close and it is interesting to note that their opponent's earned only four pins the whole season.

After losing the traditional opener to Princeton, 28-5, the team defeated a Blair team by 7 points. Captain Stouck decisioned his man, 9-1, while Bill Harding, 137 lbs., Mike Furlong, captain-elect at 147 lbs., and Lonnie Churchill each earned decisive wins over their opponents. Mike Bittel lost by a close decision, however. Mort Fuller and Woody Hess also decisioned their men.

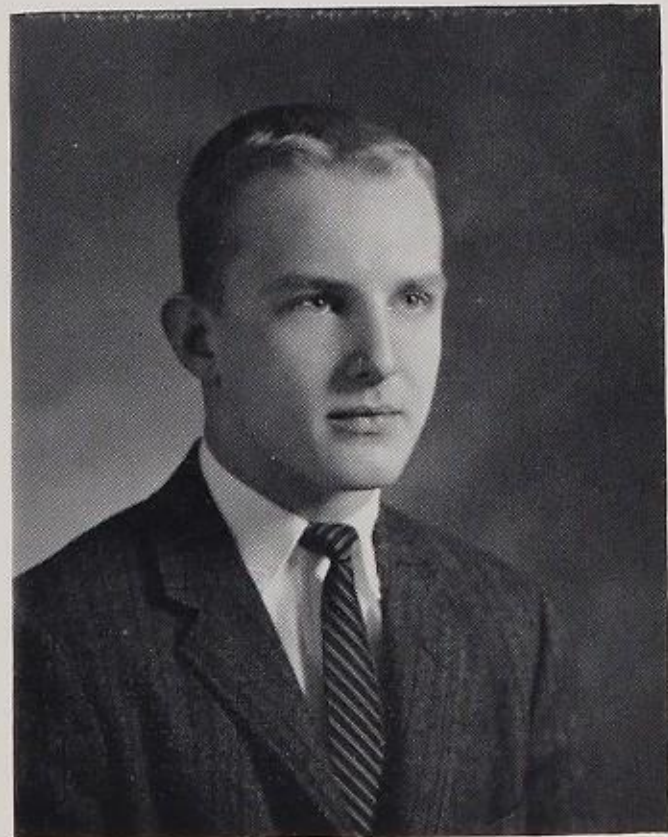

The squad next encountered Borden-town Military Academy and casually walked over them by a score of 45-5. This meet proved to be the easiest victory for Lawrenceville and also contained the most pins. Mike Bittel, Becker, Strecker, Stouck, Powers, Furlong accounted for six pins, while Ross, Fuller, and Harding came through with decisions.

The varsity matmen went on to defeat a weak Admiral Farragut team 34-8. Becker managed a 2-0 decision in the 105 pound class. He was followed by Strecker who also decisioned his opponent. Captain Stouck pinned Pubet of Farragut and Powers kept the team undefeated with his decision. Going into the last three matches of the day Farragut accumulated only 8 points from a tie and two decisions. Two successful Lawrenceville pins by Mike Bittel and Woody Hess brought the score to 29-8, and a default awarded to Mort

Fuller raised the score to 34-8.

It was the same story again when the team met Tower Hill. Lawrenceville pinned three and won five decisions for 37 points, but also suffered two pins and a tie. Dave Strecker thrilled the home crowd with his 35-second pin. Captain Stouck followed Dave's lead and promptly pinned his man in the second period. Powers waited until the third period to put the "whammy" on his opponent, but another lost pin only put Tower Hill back into the contention. But Harding came through with a decision and Furlong a first period pin to put Lawrenceville out of Tower Hill's range.

The Hun match, high-lighted by Stouck's 22-second pin, upset Lawrenceville's performance of the past four matches. But this was the end of Lawrenceville's success, as the team lost the remaining five matches of the season.

CAPTAIN STOUCK

Two Hundred Forty-seven

60 Olla Podrida 60

COACH BULL

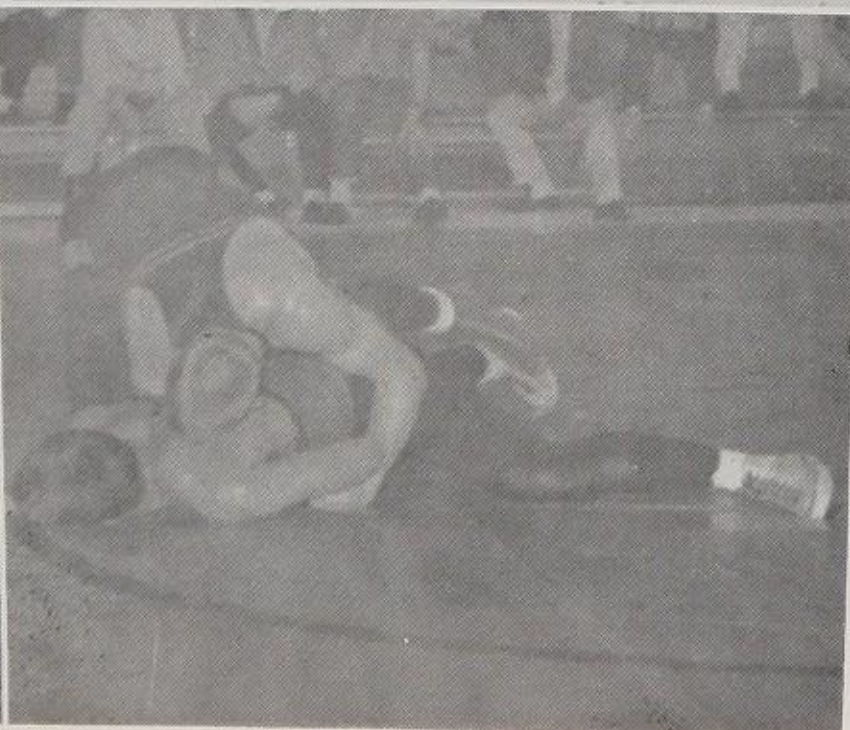

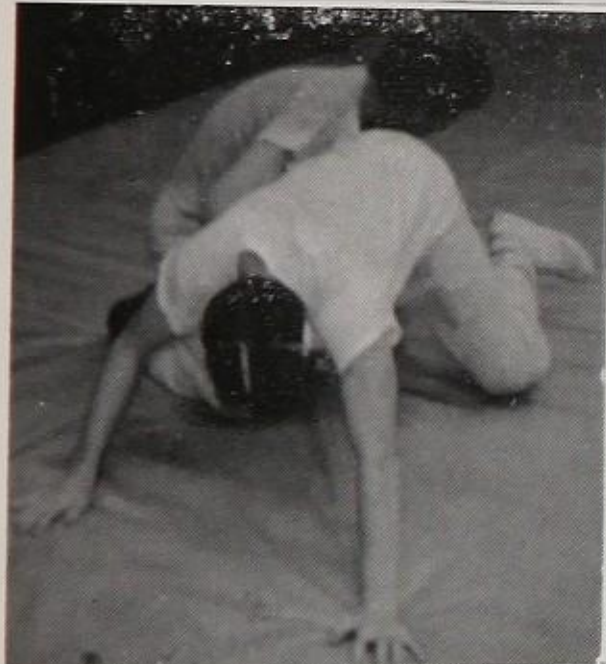

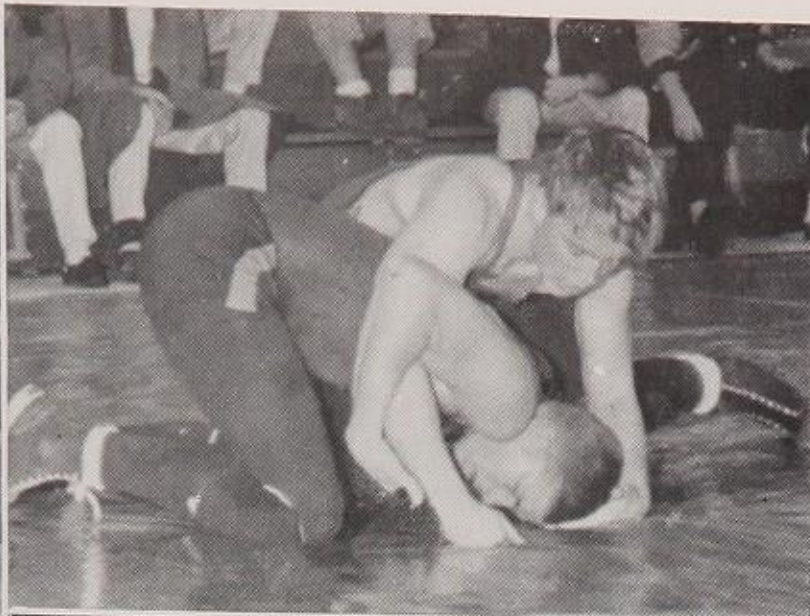

Choate was a heart-breaker, 15-17. Lawrenceville traded decision for decision but a lost pin, one of the only four of the season, was the difference. Peddie also was a close match, though we lost seven of eleven contests. Pins by Becker and Churchill kept us in contention, but nevertheless the final score was 16-23.

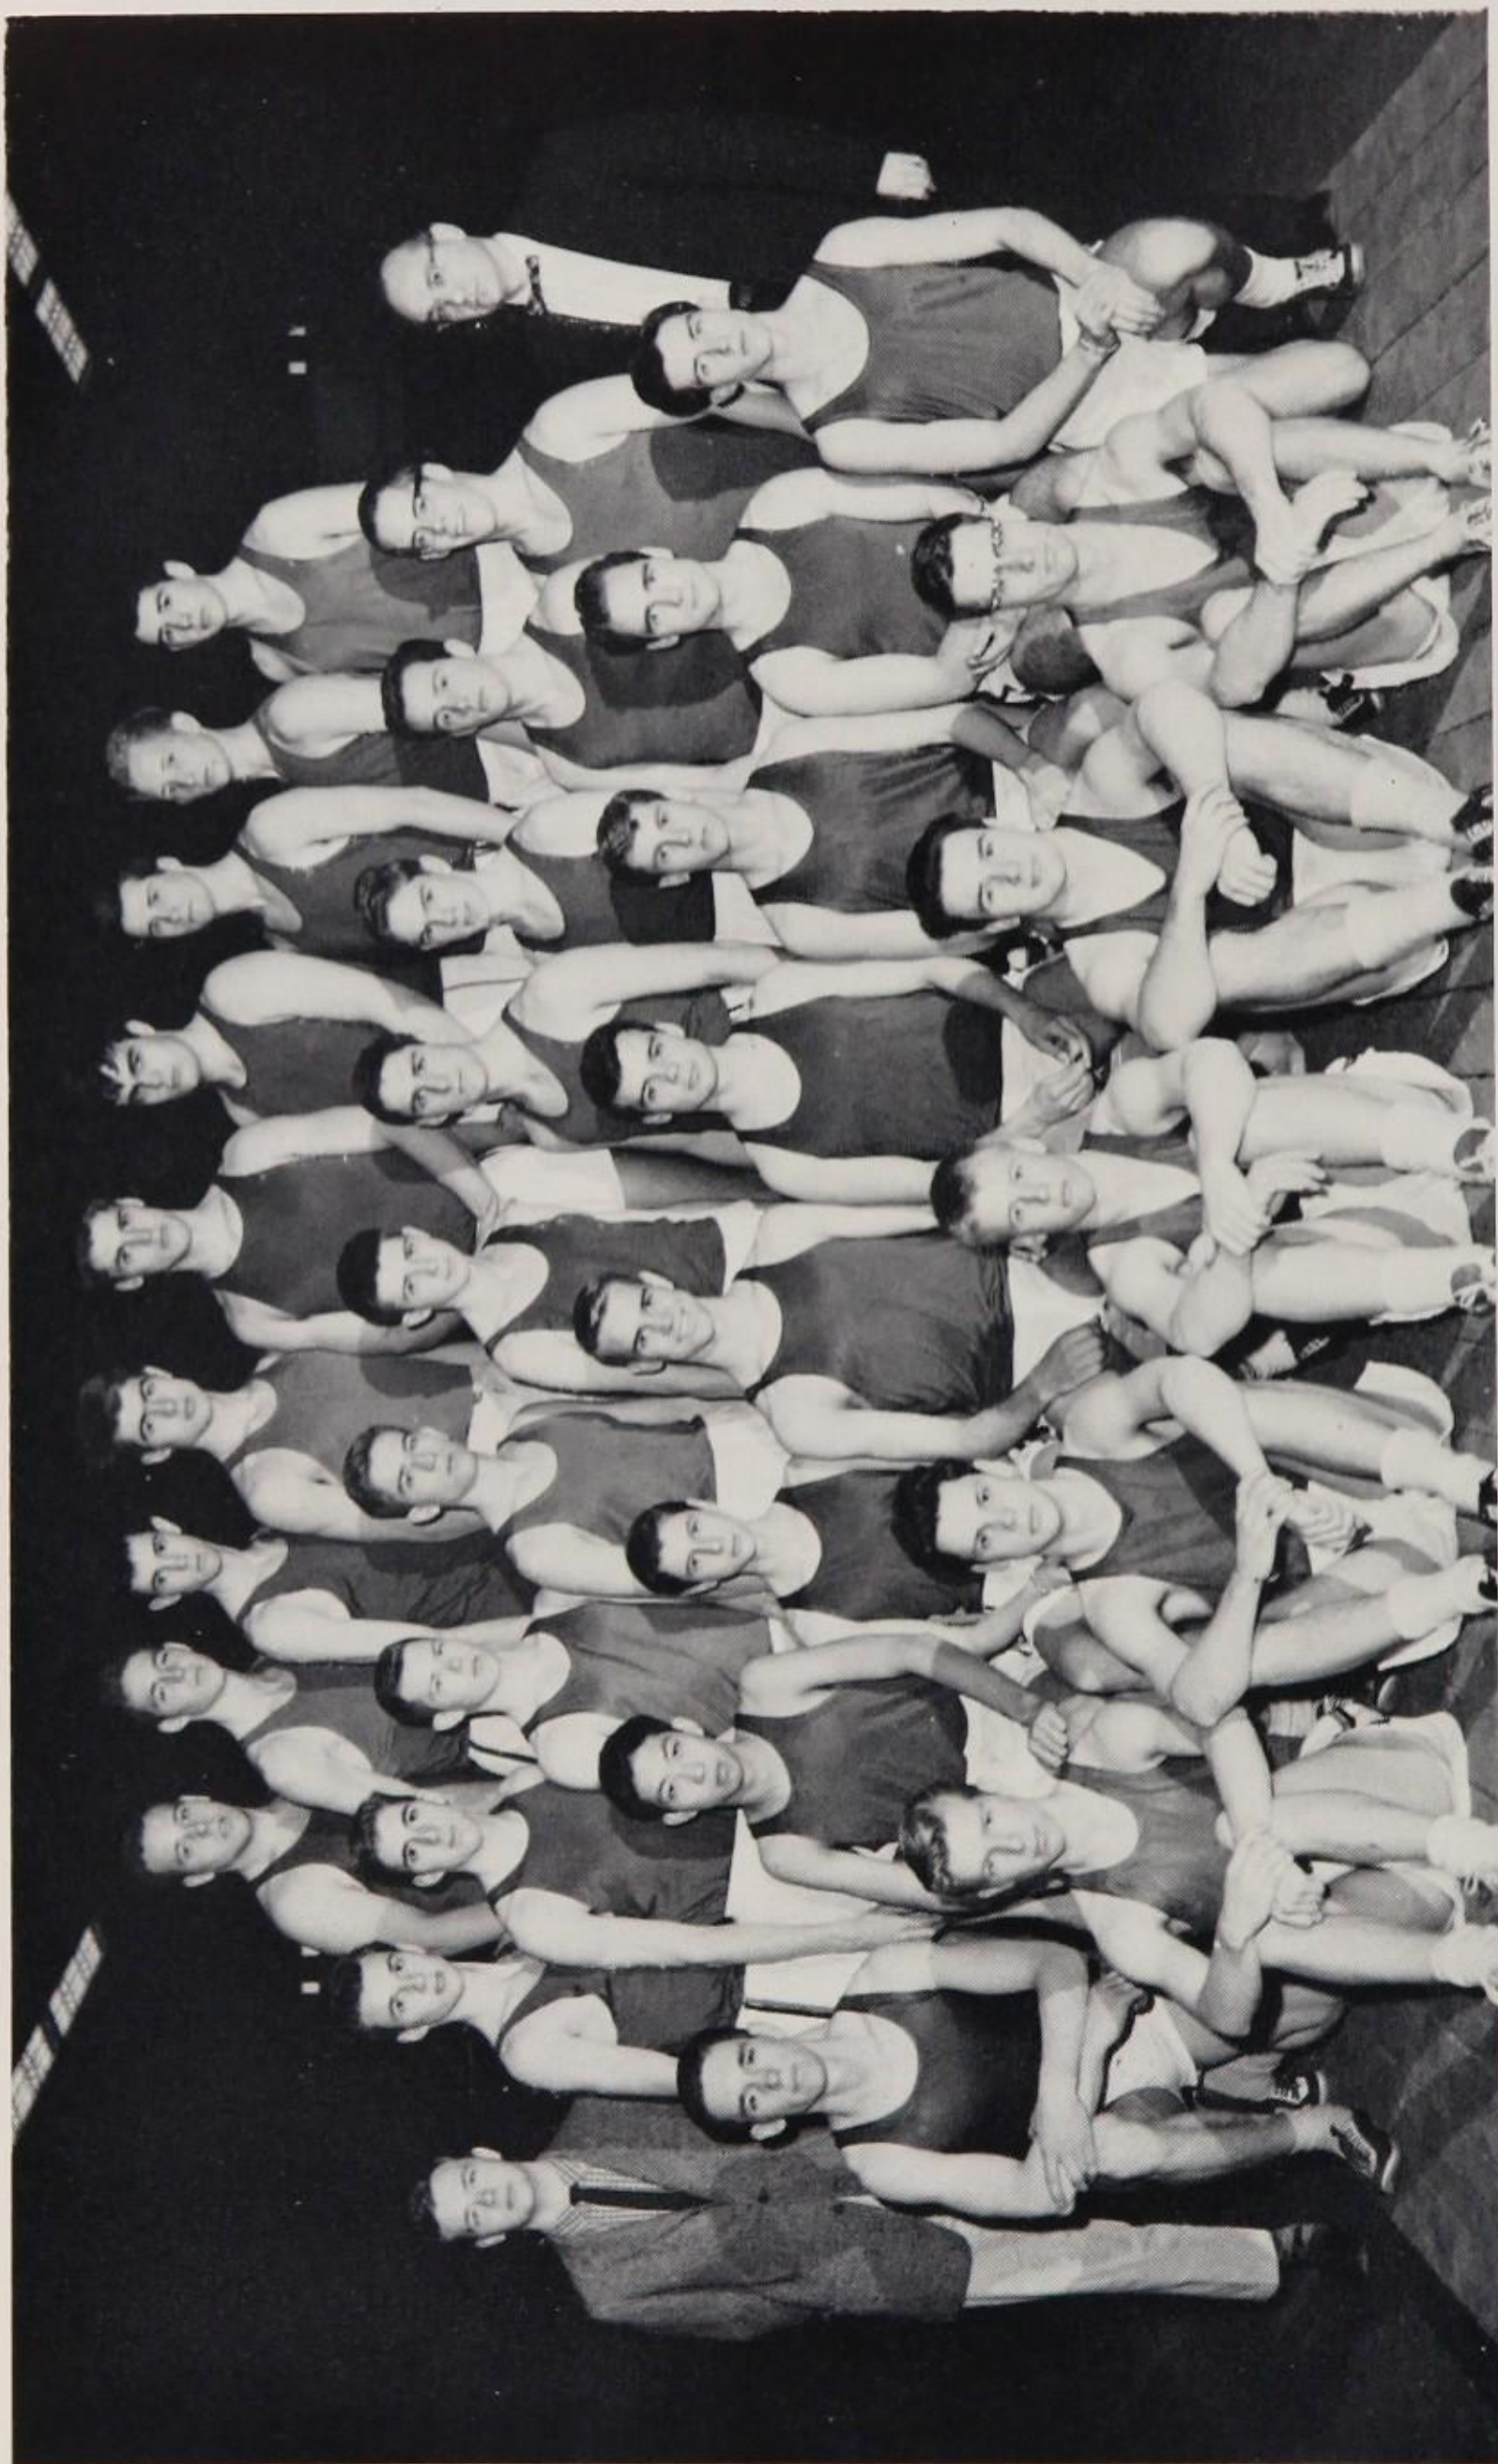

L'ville met the formidable Hill grapplers and managed to gain only one win, by Dave Strecker, who pinned Clarke of Hill. Captain Stouck, striving for his eighth win, did not quite manage to overpower his opponent and had to settle for a tie. Powers, Harding, Furlong, and Churchill all bowed to their more experienced opponents, while Hess and Fuller each lost extremely close matches to slightly stronger competitors. Hill compiled two pins and decisioned six more for

a total of 28 points to L'ville's 5.

Lawrenceville fell once more to a powerful St. Benedict's team, 28-7. Captain Stouck lost a very close match to Coker of Benedict's, while Ross, Harding, and Powers were beaten decisively. Mike Furlong, 148 lbs. wrestled an extremely close match, but was edged out, 2-3. Lonny Churchill followed Furlong and lost a hard-fought contest to O'Conner of Benedict's, 7-9. The surprise of the day came when Solberg captured the team's only win from D'Aluia by a 7-2 decision. Fuller and Hess each battled their men to a tie, to contribute four more points to Solberg's three.

"Hard work and tremendous spirit characterized the season," quotes Bull. "The team exhibited a very impressive reaction to its coaching," he pointed out, "and it was a real pleasure to coach them." He felt that some of the reasons for their success were Captain Stouck's fine leadership, their excellent depth, and the tremendous improvement over last year (which is illustrated in the extremely close matches and amazingly small number of pins against them). Pondering over next year's team, the coach was convinced that things looked "terrific." He feels that with Mike Furlong as Captain-elect and probable state champion, and with the potential of Dave Strecker, Barney Ross, Thor Solberg, Dickie Daesener, and Don Winnet, the team should prove to be as good as, if not better than this year's squad.

VARSITY WINTER TRACK

Left to Right: Front Row: Raymond, Gardner, Magee, Bunch, Lavis. *Second Row:* Gaillard, Huey, Whittaker, Bedford, Long, Green, Pullar, Stuart. *Third Row:* Birch, Jump, Chariott, Newcomer, Edmonds, Squires, Clifford, McCashin, DiMaggio, Crawford, Mr. Poreda. *Fourth Row:* Gordinier, Shea, Bartlett, Kartzke, Pfeifer, Hume, Luke, Callen, Price.

60 Olla Podrida 60

VARSITY WINTER TRACK SEASON, 1959-1960

WHEN asked to give a comment on the 1959-60 varsity track season, Coach Edward Poreda had only one word to say: "Excellent!" The team compiled a 4-1 dual meet record, placed second in a triangular meet, and captured second in the State Indoor Track Championships.

If one was asked to pick the stars from among this year's great performers, he would have to include Bob Bedford and Jim Long. Bedford, running the mile, never lost, and Long finished first in all but two contests, in which he placed second.

It was the squad's great depth, however, that accounted for its successful season. Such names as Pfeifer, Pullar, Gardner, Gaillard, Luke, Huey, DiMaggio, and others were continually in the limelight. The depth was accentuated by the fine performance of the relay team which was made up of various combinations of the following: Pullar, Bunch, Pfeifer, Gardner, and Huey.

Lawrenceville had little trouble dispensing with its first rival, Blair Academy. The squad ran up a total of 53 points, while Blair had to struggle to come up with only 15. Pfeifer captured his event, the high hurdles. L'ville took all three slots in the 60 yard dashes; Pullar, Curry, and Harwich were victorious. The story was the same in the 880 yard run, as Green, Jump, and Whittaker finished in that order. Bedford and Long both triumphed.

New Brunswick and Hill went down to defeat by identical scores; 46-31. In the

Hill meet, the combination of Jump, Long, and Whittaker swept the 880. DiMaggio had the longest toss in the shot put, with Hume only a few feet off the pace. Gaillard won the high jump, and the Lawrenceville relay sped to easy victory. Against New Brunswick, the story was much the same, except for the fact that Chariott won the high jump.

The first taste of defeat came in the triangular meet which pitted Lawrenceville against B.M.I. and St. Benedict's. St. Benedict's triumphed with 47 to Lawrenceville's 27 and B.M.I.'s 11. The Larries captured three firsts as Gaillard, Bedford, and Long won their respective events, but this was not nearly enough to stop the powerful team from St. Benedict's. Although the weak B.M.I. squad finished far off pace, one of its members, Mazza, shattered the school shot put record with the amazing toss of 56' 3 $\frac{3}{4}$ ", far outdistancing his nearest challenger, DiMaggio. A sort of hushed awe spread over the spectators after the astounding throw.

A weak Peddie team was crushed by Lawrenceville, 49-19. Pfeifer took the high

CO-CAPTAINS BEDFORD AND LONG

Two Hundred Fifty-one

60 Olla Podrida 60

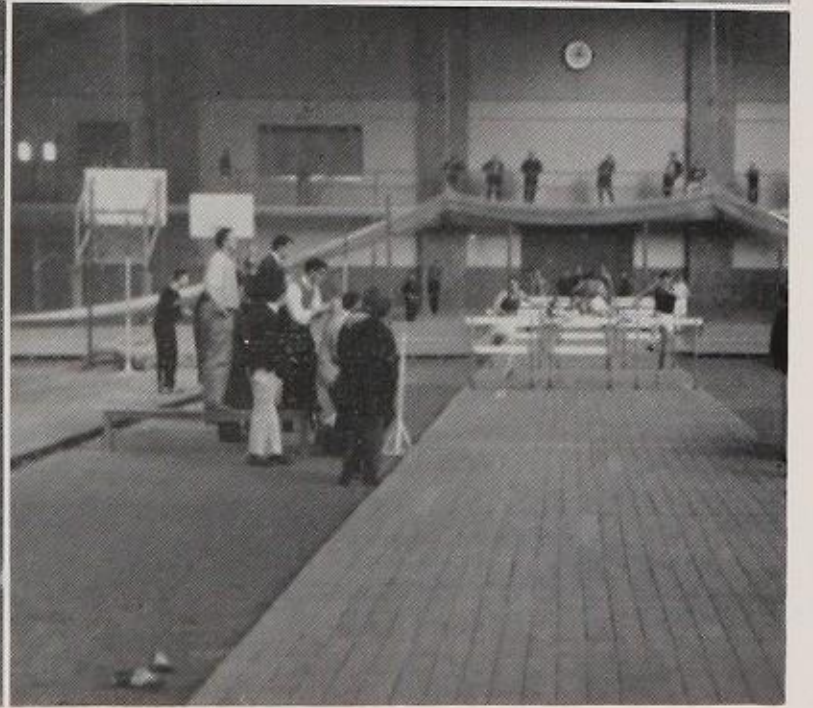

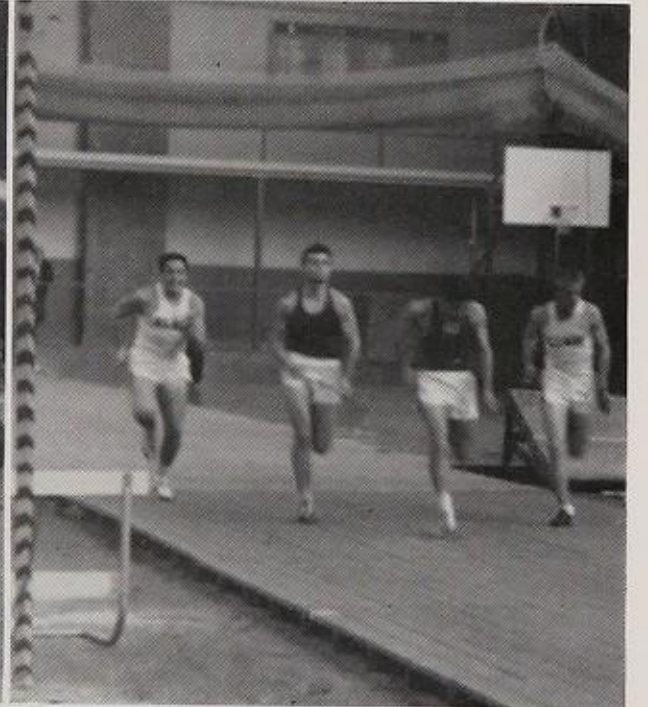

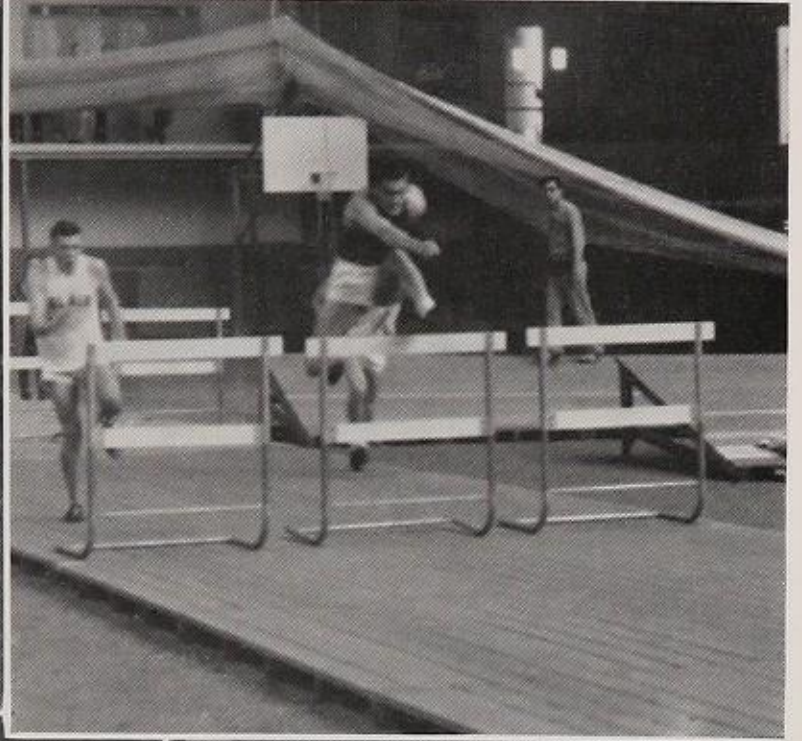

COACH POREDA

and low hurdles. Pullar breezed in the 60, Bedford and Long won again, and Jump and Whittaker finished one-two in the 880. But the victory over Peddie was a brief respite for Lawrenceville. Their next opponent was the highly touted Princeton Freshmen, and the favorites proved their mettle by crushing the prep-schoolers, 60-35. First places were few and far between for the Larries, and only Bedford and Luke (broad jump) were victorious. Bedford streaked across the finish mark in the fine time of 4:31.9.

After Lawrenceville had lost to St. Benedict's, Poreda had made it very clear that he expected his team to emerge victorious in the State Meet anyhow. A sign was posted reading, "Triumph is just try with a little 'umph.'" However, Mr. Poreda was to be badly disappointed as St. Benedict's won again with 46 points. L'ville had to be content with a 32 point second. Bordentown was third with Blair, Delbarton, and Admiral Farragut following in that order. Farragut received no points. Bedford captured the Larrie's only first, as he completed the mile in his best time of the season, 4:29.6 seconds. Pfeifer was fourth in the high hurdles, Bunch and Luke placed in the 60, Green and Jump took 3rd and 4th in the 880, Long was 2nd in the 440, and DiMaggio was 4th in the shot. The relay squad finished a close second to St. Benedict's. The victors captured a total of 5 first places, more than the rest of the competitors combined.

Granted that Lawrenceville did lose three meets, but two of these were to a very strong St. Benedict's, and the other to heavily favored Princeton Frosh. But all in all, the other victories proved this year's track team to be a strong one.

VARSITY FENCING

Left to Right: Mr. Coomber, Langdon, Rampona, Zimmerman, Henderson.

60 *Olla Podrida* 60

VARSITY FENCING SEASON, 1959-1960

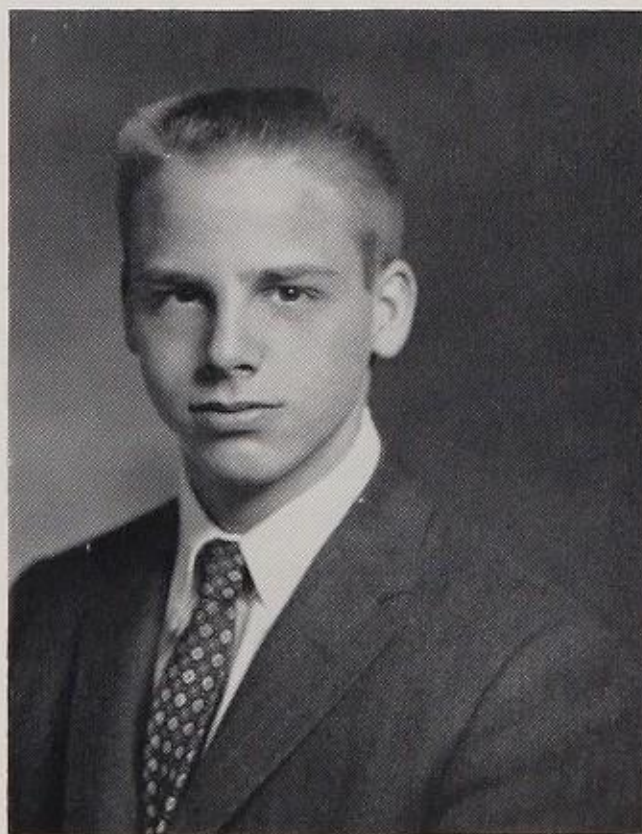

THE varsity fencing team in its third year had a very successful season this winter. This year many more matches were scheduled and the team ended up winning ten and losing only four. Particularly admirable is the second place which the swordsmen gained in the state meet against much more experienced teams.

Lawrenceville won its first three bouts against the Princeton Freshmen, Lincoln High School, and the Hun School but lost its fourth one to Jersey Prep 9-7. The next two matches against Don Bosco Prep and Blair were won 13-3 and 9-5, but, due largely to Captain Rampona's illness for the next bout, the team was defeated by Glen Rock High School with a score of 9-7. The Larries beat Hun, Blair, and the Princeton Freshmen in return bouts but were vanquished by the Newark Academy fencers. A third return match with The Hun School was lost mainly because of an unfamiliar electrical scoring apparatus which was used, new to the Lawrenceville fencers.

Sixteen schools were entered in the state meet, each contestant fencing a total of fifteen bouts. In the first round, or 'strip' as they are known to fencers, John Langdon got a fourth place for Lawrenceville while Doug Rampona gained first in the second strip and Pat Zimmerman placed third in the third strip. Doug Rampona then fenced the winner of the first round

losing but winning in a match against the winner of the third round thereby gaining a second for the team in the state championships. Newark Academy, which is coached by a former Olympic coach, placed first in the state championships.

John Langdon was awarded the Seija cup for being the best fencer in Lawrenceville, while Captain Rampona, Pat Zimmerman, and Bill Smith also did extremely well throughout the season. As an average these boys won better than two-thirds of all their bouts. Donald Dial and Jim Chapman, who were on the Junior Varsity team this year, were elected co-captains for next year's squad. The whole team did extremely well throughout the season under the very able coaching of Mr. Coomber.

CAPTAIN RAMPONA

60 Olla Podrida 60

Left to Right: Front Row: Paneyko, Solasko, Maddock, DeGuere, Tredick. Second Row: Mr. Keller, Stockman, Daesener, Robertson, Hunker, Shur.

JUNIOR VARSITY BASKETBALL SEASON, 1959-1960

UNDER the coaching of Mr. H. Keller, the Junior Varsity basketball team enjoyed a fine year, winning seven games and only losing three. Led by co-captains, Bruce Robertson and Augie Daesener, two strong back court men with scoring ability, the J.V.'s only defeats were by St. Benedict's and Notre Dame, twice. Using a multiple offense, the quintet used the fast break to a perfection, with Pete Riley and Bruce Bittel clearing the boards and throwing upcourt to either Daesener or Robertson. The fifth member of the Red and Black's basketball squad was Maddock.

Notre Dame handed the Larries their first loss in the opener. Bruce Robertson

was the only member to hit for double figures, as the St. Benedict's Bees won by twenty points. Maddock scored nineteen points as the team beat Metuchen.

St. Benedict's and Notre Dame proved to be too powerful for the Larries. In both games the Red and Black quintet were beaten by a twenty point margin. Daesener's jump shot began to hit as the season drew to a close. Peddie, Blair, and Princeton were all beaten by the Larries. Against Blair, Daesener hit for twenty-one points and Maddock for fifteen points. In the final game of the season, Lawrenceville downed the Little Tiger Five, 56-45.

Two Hundred Fifty-six

60 Olla Podrida 60

JUNIOR VARSITY HOCKEY SEASON, 1959-1960

THIS year's J.V. hockey team compiled a commendable record; they lost four close games, tied one, and won eight. Co-Captains Carter and Hannum led the team to this impressive season. Carter was high scorer, while Wakelin and Hannum netted many for the Red and Black.

In their first game the pucksters were downed by a strong Beacon Hill squad with a 4-0 score. The Red and Black dropped their second game by a score of 2-1 against the Ridgewood High School. Lawrenceville played its best game when they tied Beacon Hill 3-3, in a return match.

The pucksters were still playing good

hockey when they defeated Verona 4-1. However, they lost to Cranford 4-2 in their next game. Pingry bowed to Lawrenceville in a later game. Carter scored 4 goals to lead the team to a 5-2 victory. Our biggest rival, Hill, was defeated 8-0. Ridgewood bowed to the Larries, 4-2.

The team was aided greatly by the defensive performances of Buzz Hannum, Steve Robinson, and Joe Hodges, the goalie. And it was bolstered by the fine line play of Carter, Marshall, Pope, and Wakelin.

All in all Mr. Briggs thought that, although this team wasn't his best, it showed fine hustle and improvement.

Two Hundred Fifty-seven

60 Olla Podrida 60

Left to Right: Front Row: Kimball, Reydel, Alcivar, Anathan, Bowers, Gatterdam, Wilson, Bailey, Wilgus. Second Row: Mr. Chambers, Walters, Shannon, Kaiser, Flickinger, Millard, McNeil, Viault, Stone, Fralich.

JUNIOR VARSITY SWIMMING SEASON, 1959-1960

THE J.V. swimming team put up a good fight this year and had a 3 win-3 loss record. It was hindered however, by the fact that the team lost the use of its own pool early in the season, and the workout time was cut down to only 45 minutes a day. Tom Bowers did a fine job, captaining the team and holding a top position among the L'ville free-stylers.

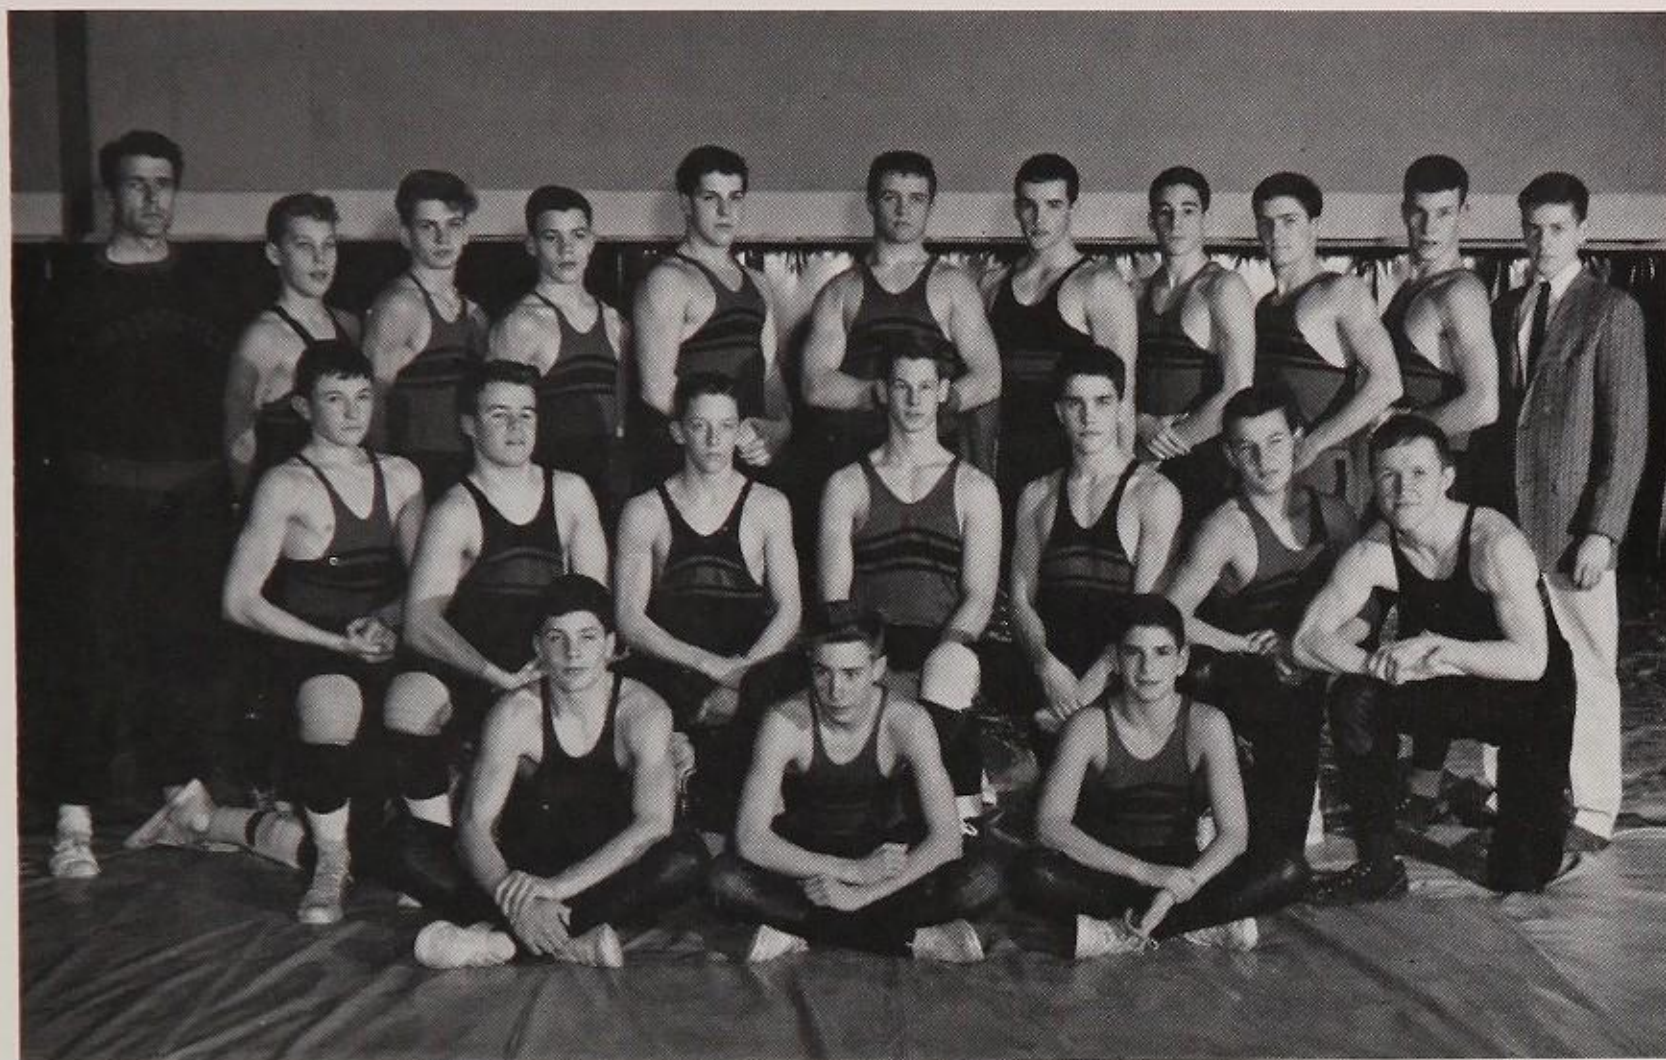

In the first meet of the season, a strong L'ville team defeated the Hun School's varsity 58-27. In the next meet, the Red and Black defeated a weak Neshaminy team, 60-27. Winnie Wilson broke a J.V. record in the breaststroke with a time of 1:16.7. Asbury Park Varsity was downed

by the L'ville J.V.'s in the third meet, despite the two firsts taken by Asbury's Bob Larue.

The next three meets were not up to par for our strong J.V. team. In the fourth meet of the J.V.'s season, Seton Hall High downed Lawrenceville by a 50½-35½ score. McDonough of Seton Hall completely outswam the Red and Black, even taking the 50 yard free with an incredible time of 23.3. As the Hill School J.V. defeated the Lawrenceville team, only one first was taken by the Larries. In the last meet of the season, Lawrenceville suffered a loss to the strong Pingry High School team, 61-25.

Two Hundred Fifty-eight

60 Olla Podrida 60

Left to Right: Front Row: Polhemus, Grace, Wright. Second Row: Wagner, McCall, Laud, Adriance, Johnston, Van Alst, Brewster. Third Row: Mr. Bull, Conner, Shenk, Overstreet, Kampmann, Daesener, McCarthy, Barnett, Miller, Krauthoff.

JUNIOR VARSITY WRESTLING SEASON, 1959-1960

COACHED by Mr. Bull, this year's J.V. wrestling team worked hard and showed great improvement. Dick Daesener, captain of the squad, scored twenty-eight points earning a Minor L. All of his wins, except when he decisioned his man at Blair, came by pins, and the only match he lost all season was against Hill. At Pingry and St. Benedict's he pinned two men apiece getting four wins at two meets.

Another Minor L winner was Eric Kampmann. As the season progressed he became better and better gaining twenty-one points in all. This is his second year of wrestling, and he has lost just two matches in this time.

Phil Krauthoff was right behind Kampmann in points with eighteen. He is a very deceptive wrestler who cannot be put on his back.

Kenny Wagner and Peter Barnett also proved invaluable to the team. Three third formers, Andy McCarthy, Mix Van Alst and Marty Overstreet, showed a lot of potential also. After another year's experience these three should prove to be very good. Stevey Reich in the hundred and three pound class and Dick Johnston in his class both did very fine jobs.

Among the juniors on the squad were Morgan Grace, Peter Shank, Joe File, John Loud, and mighty mouse, Billy Austin.

Two Hundred Fifty-nine

60 Olla Podrida 60

Front Row: Left to Right: Durham, Slemmer, Baker. Second Row: Matthews, Luke, Jones. Third Row: Brewer, Bittel, Goldmann.

JUNIOR VARSITY WINTER TRACK SEASON, 1959-1960

THE junior varsity winter track team had a brief season this year with only one meet, but great potentialities were shown.

Metuchen High School outran the Red and Black in the only meet of the season with a score of 39-20. Brian Loveland and Durham were the sole blue ribbon winners for Lawrenceville. They tied in the sixty yard low hurdles along with a Metuchen man, splitting the honors three ways for that event. The time was 8.5 seconds. In the field events Curtis Luke took a second place for the Larries in the shot put with a throw of 37 feet. Curtis

is only a second former and should be a great help to the team in years to come. Rusty Edmonds ran a fine race in the mile and captured a second place for L'ville while Jim McCashin placed second in the half mile run and Magee took a very close second in the sixty yard dash. His time was 6.9 seconds. The only other runner who placed for the Larries was Baker who came in third in the quarter mile run.

Coach Poreda commented on how hard the team worked all season and said he believed that next year we should have a fine squad.

60 Olla Podrida 60

Left to Right: First Row: San Phillip, Moore, R., Haley, Crenshaw, Wolfe. Second Row: Mr. Gusz, Harris, P., Bensel, Soler, E., Hoffman, Riggs (mgr.). Third Row: Ehret, Marquez, Megna, Perrin, Ryan, Howard.

JUNIOR BASKETBALL, 1959-1960

FOR the first time in its history the junior basketball team went undefeated. This year's team was very well-balanced and its main asset was a fast break. They were coached by Mr. Gusz.

In their first game the juniors crushed the Pennington High School Freshmen 58-27. They were led by the passing and shooting of Mike San Phillip who scored 10 points. With a fast-break working to their advantage, the juniors overwhelmed their arch-rivals Lawrence Junior High by 28 points. Mark Haley led the scoring with 17 points and Bob Moore and Dan Wolff helped the juniors under the board.

The juniors then travelled to Hightstown where they defeated the Peddie juniors 58-34.

In their first home game the juniors again beat Pennington by a score of 59-31. The first string was well backed up by the second and third string. The following Wednesday the team travelled to Princeton where they beat the Valley Road school 55-36.

The following Saturday the juniors entertained the Hunterdon High School Freshmen before a large crowd. Their fast-break again worked well as they won 64-44. Crenshaw led with 18 points.

The high point of the season was against the Dawes House Circle champs, when with two seconds left Bob Moore sank a foul shot to win the game 40-39.

JUNIOR HOCKEY, 1959-1960

THIS year's junior hockey team finished with a highly commendable record of seven wins, one loss, and two ties. The team was sparked by Jim Mendillo, who set a new junior scoring record of fourteen goals, and Charlie Hall, who followed closely with eleven.

The Juniors began the season with a tie game against their arch rivals, Princeton Country Day. A week later the Juniors returned to their own ice and defeated P.C.D. 5-3. This was the first Lawrence-

ville victory over P.C.D. in the history of their rivalry. In the third game P.C.D. gained its revenge by drowning Lawrenceville, 6-4. Next followed two very close games with Cranford and P.C.D., the latter of which the Juniors pulled out by a score of 3-2.

For their next game the Juniors traveled to Pottstown and vanquished the Hill School Juniors 4-1 in a very onesided game.

60 Olla Podrida 60

Front Row: Left to Right: Parcels, Moore, T., Smith, J., Langhorne, Shannon, Viault, Gatterdam, Bailey, D., Petzold, Schaefer. Second Row: Howard, J., McCord, Lee, Vine, H., Clopman, Barrow, Mr. Chambers, Poitras, Roney, Hornburg, Pearce, Wilgus, Force, Wallick.

JUNIOR SWIMMING, 1959-1960

THE Junior Swimming team had an equally successful season this year as last. Under the skilled coaching of Mr. Chambers the team ran up an undefeated season. After weeks of drilling, the Juniors finally got a crack at their first meet, Trenton Jr. High #4.

On Feb. 3, the Juniors met Trenton and defeated them 57-29. The following week the team met Trenton Jr. High #3. This team was more experienced than Junior #4, but regardless the Juniors won by the substantial margin of 53-34. On February 19, the Juniors again met Trenton Jr. High #3 at Lawrenceville. Two records

were set at this meet. The final score was 48-38 in favor of the Juniors. On the 25th in a meet with the Pingry Junior Varsity, the Juniors established three records. The first was Shannon beating his own record again. The second was the backstroke record which was set by Dan Bailey with a time of 58.8 seconds. The final meet of the year was away against Trenton Junior #4. Two records were set. The freestyle relay team and the Medley team set them. Viault tied the 20 yd. freestyle record with a time of 9.0 seconds. This meet climaxed an undefeated season for the Juniors.

JUNIOR WRESTLING, 1959-1960

THE Junior Wrestling team had a 1-1 season, a fair record. This team, though the record does not show it, was a good team. In their first match, they beat the Pingry School 20-15. Billy Austin, Kevin Carr, J. R. Polhemus, and John Loud all wrestled well. With the score tied at 15 all, Carr pinned his opponent to win the match.

The last match of the year was against the Penn Charter team. The match ended with Penn Charter on top 40-29. The Juniors wrestled very well in spite of great odds. Captain Polhemus should be given special credit for the way he wrestled. He

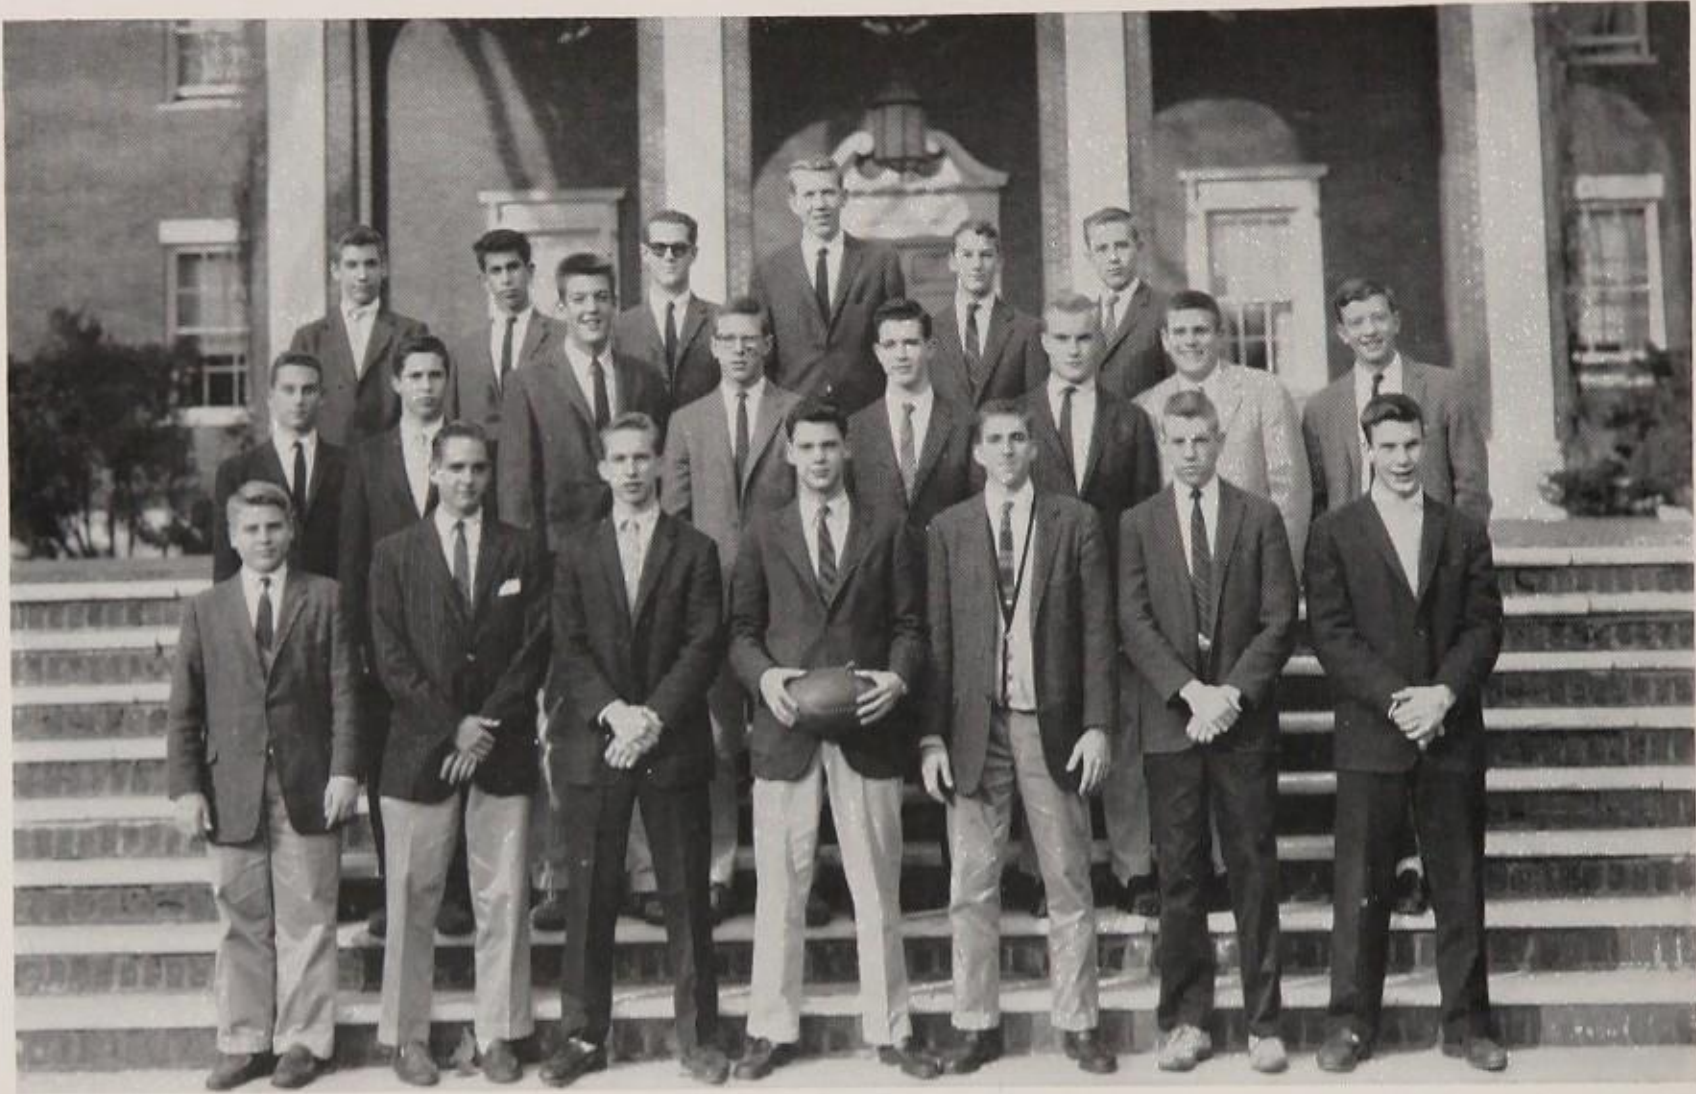

pinned Penn Charter's only undefeated man. The season on the whole was a very exciting one. Coach Gaines did a good job with the team. This year showed a lot of spirit on the part of the wrestlers, who always cheered their man on. Next year's prospects look good. First Formers who will return are: Billy Austin, John Sommer, Tom Gindhart, and Tom Haney.

All the boys wrestled well this year and will be even better next year. With good Rhinies we will probably have an excellent team next year. Congratulations to Coach Gaines and the Junior Wrestling team.

CIRCLE HOUSE FOOTBALL, 1959

THE strong and aggressive Dawes team repeated its last year's performance and emerged the champions from what was perhaps the most exciting football season in Circle history. The league was very evenly balanced and each hard fought game was played with the determination and desire typical of Circle ball.

Led by Captain John Gardner and All-House tackle Frank Schroeder, the Dawes team finished the season with a record of 6 wins and 1 loss. The first game saw Dawes nose out a spirited Woodhull squad by a narrow margin of 21-18. An intercepted pass and a runback for a touchdown by Schroeder late in the final period gave Dawes the winning three points. The rest of the teams seemed to be even easier opponents for Dawes, except the Raymond House, which handed the champs their only defeat of the season. The deadly accurate passing of Bruce Bittel and the powerful line play of both Bob Maddock and Ned Barclay gave Raymond a well-balanced attack and consequently a second place position in the final standings.

Paced by the two All-House selections in backs Chuck Miller and Tony Elliott, Cleve fought its way to a third place finish. Using a tricky wing T offense, the Green and White offered formidable opposition for every house team. Only a last period touchdown by Dickinson which resulted in defeat for Cleve kept them from a second place finish.

The 3-3-1 record of Kennedy House hardly represents the brand of ball the Blue and Grey played. Led by All-House

back Terry Davis and guard Lee Kuntz, Kennedy played hard in every encounter. The Hamill game exhibited their strength as the double wing offense overpowered the Blue and White 13-0.

Success in its concluding games, including an upset victory over Woodhull, gave Dickinson a 3-3-1 record and a tie for fourth place. All-House lineman Alex Hume and Bob Knight anchored the middle of Dick's forward wall. A roll-out pass play from Hustead to Pete Barnett combined with the line plunges of Stephens gave Coach Pratt's squad a varied and potent attack.

Hampered by injuries and bad luck, the Woodhull team found its going rather tough. The season was quite irregular but at times the offense was nearly unstoppable—as in the 26-7 victory over Kennedy, where All-House Tim Musgrave broke away for two touchdowns. Excellent play-calling by quarterback Rusty Brashear was another highlight of the team. Under the direction of Mr. Hlavacek the Blue and Gold team ran out of split T and finished the season with a 2-4-1 record.

Relying mostly on its very effective wedge play, the Griswold House fought its way to a 1-5-1 record and a sixth place finish. Defensive end Jon Bowers was the mainstay of the squad. Time after time he broke up potential scoring plays with bone crunching tackles.

Although finishing at the bottom of the heap, Hamill played very aggressively despite definite disadvantages in weight and numbers. The offense was centered mostly around All-House selection Mike Furlong.

60 Olla Podrida 60

CIRCLE HOUSE SOCCER, 1958-1960

THIS year's Circle House Soccer season was a fine one, with some outstanding teams and individual efforts. During the course of the season, there were many close, hard fought battles, and quite a number of the teams wound up with one or more ties.

A strong Kennedy team took the number one position for the second time in a row. Kennedy, showing fine form, easily won its first game. Paced by All-House selections, Bob Legler and Mason McGowin, the team completed the season without losing, but tied against Cleve and Hamill. They wound up with an impressive 5-0-2.

Hamill, a surprise fast finisher, was second. The team started off very slowly but made a strong comeback in the second half of the season. Bill Magee and Brad Crawford, Hamill's All-House contributions, turned in fine performances throughout the season. Perhaps the highlight of the season was when the team achieved a well-earned tie with Kennedy.

In the third place was the Cleve House team, which tied Woodhull for that rating. Though not rated highly in the pre-season, Cleve fought hard and earned its final standing. The team started off the season with two wins and two ties. They were very much in contention for first place most of the season, but met some tough competitors toward the end. Mike Bodine and Jim Worcester sparked the Cleve team and also made All-House.

Woodhull, which tied for third, gave Kennedy a scare for a while but fell short

in the second half of the season. The first two games were won before the team was beaten by Cleve. Probably the team's best performance was when they defeated Raymond 5-1. They were led by All-House halfback, Gary Gardiner, with Rusty Brashear and John Coburn also turning in good performances.

Although they had a 3-1-3 record, Dawes was a better team than their fifth place standing showed. All their games were close and hard fought. Brian Breuel, an All-House fullback, headed a strong defensive line. The team finished strongly in the second half of the season to edge out Raymond. Although they lost 2-1, they played very well against Kennedy.

After a season of ups and downs, Griswold wound up in sixth place. The team started off the season poorly by losing two of its first three games. They later made a comeback by upsetting Woodhull. In this game, Griswold's All-House players Thor Solberg and goalie Art Wrieden were outstanding.

Raymond finished the season in a dismal seventh place. Inexperience was the team's big problem. In one of their best performances, Raymond defeated Griswold 3-0 with Captain and All-House selection Brooke Beaird leading the team.

In last place was Dickinson. Lack of men and organization plagued the team at the beginning of the year. They turned in a good effort in the Griswold game, and gave it a good try later in the season, but it was just too late.

CIRCLE HOUSE BASKETBALL, 1960

AT the end of the 1960 Circle basketball season, Dawes emerged victorious after an undefeated season. The team led by Captain Bob Stein, Mike Kihn, and Tom Espenshade, together with the fine shooting of Al Walsh and the powerful rebounding of Frank Schroeder, compiled an outstanding 7-0 record as it readily defeated each of its Circle House opponents.

Dawes, Kennedy, Woodhull, and Dickinson were victorious in the first round of the Circle House Basketball competition. Dawes routed Raymond 47-19 while powerful Kennedy, with the aid of Mason McGowin's 16 points, defeated Cleve, 48-28, despite the 17 points that Mike Bodine scored for the losers. Woodhull ripped Hamill 46-18 as the Dickinson squad overpowered Griswold, 38-18.

The second round saw Dawes and Kennedy again victorious; Kennedy defeated Dickinson, 36-28 in a well contested game as Dawes beat a determined Woodhull team, 37-18. Hamill and Cleve each recovered from their first game losses; Hamill defeating Raymond, 33-31, and Cleve winning over Griswold, 37-32.

Round three saw Dawes remain victorious while crushing Hamill, 51-27. Raymond had a 41-33 victory over Woodhull as Kennedy boosted its winning percentage by overpowering Griswold 41-23. Dickinson won its second game of the season as it defeated Cleve, 38-23.

Midway through the season, Dawes and Kennedy met for what was to the most important game of the season for both clubs. However, there was no comparison as Dawes overpowered the Blue and Grey,

36-17. In the other games Raymond handed Cleve its third loss, 35-25, as Woodhull beat Dickinson, 34-28 in a well-fought game. Hamill handed Griswold its fourth straight loss, 36-23.

As the season went into the deciding three games, Dawes continued its winning streak while trouncing Cleve, 47-22. Kennedy nipped Raymond in a very exciting match, 38-36, as Woodhull, with the fine playing of Gary Gardiner, overpowered Griswold, 34-19. In the other game of the round, Hamill swept, 41-32.

Round six saw Kennedy move into second place as they beat a spirited Woodhull, 39-29. Dawes continued its flawless record as the team easily defeated Dickinson, 41-24. Hamill and Raymond remained deadlocked in third place as they gained wins over Cleve, 29-23, and Griswold, 47-22, respectively.

The seventh round determined the final standings and proved to be the most important for many of the teams. Dawes, continued its masterful ball playing, found no trouble in winning its final game, 52-26, over Griswold and capturing the crown. Griswold ended the season in the cellar with a 0-7 record. Kennedy came its closest all season to feeling the sting of defeat as they narrowly nipped Hamill, 28-27, in the last five seconds of play. Raymond, who finished in a third place tie with Hamill and Woodhull, overpowered sixth place Dickinson, 26-17. In the final game Woodhull gained a three-way tie for third by routing seventh-placed Cleve, 48-22.

60 Olla Podrida 60

Left to Right: Bottom Row: Strater, Knight, Stevens. Top Row: Bunch, Singley, Chapman, Miller, G., Callen, Evans, M., Holmes, Hitchcock, B., Jordan, J., Muchmore.

CIRCLE HOUSE SWIMMING 1960

THE Dickinson House captured this year's Circle House meet with a total of 49 points, and by so doing set three Circle Swimming records. The 100 yard medley relay team composed of Jordan, Chapman, Bunch, and Hitchcock set the record at 56 seconds flat, a second better than the old mark set by Cleve in 1957. Frank Bunch in the 50 yard butterfly improved on a record set by Smith of Dawes in 1939 with a 29.8 second time. Jay Jordan set another record in the 50 yard breaststroke with a time of 35.7 seconds which beat W. Wilson's mark of 37.6 set in 1959.

Cleve, winning 45 points, took second place. Bad luck seemed to be with the Green and White all afternoon as on several occasions false starts and bad turns on the slippery wall were made. With a 41 point total the Hamill House took third place. Raymond, paced by Bill Harrison, took fourth place and 25 points. Led by John Johnson who took a first in the diving and a third in the 100 yard freestyle, Woodhull tied with Griswold with a 22 point total. Dawes and Kennedy finished with 6 and 4 points respectively.

Lower School Athletics For The Fall and Winter

60 Olla Podrida 60

Left to Right: First Row: Dix, San Phillip, Polhemus, Viault, Crenshaw, McCord, Marcus. Second Row: Weller (mgr.), Schwalm, Hemmerdinger, Gresser, Rossetti, Roney, Mr. Geer. Third Row: Shannon, Ilch, Platt.

LOWER SCHOOL FOOTBALL, 1959

THIS year the Ross House completely overwhelmed all its opponents to win Lower football. Cromwell finished in second, losing only twice, to the champs. Thomas copped third place, followed by Davidson in last.

Led by the coaching of Mr. Geer, Ross was by far the best all-around team in the league. Their powerful offense was spearheaded by the fine running and passing of Captain Viault, who played wingback, the hard-charging running of Polhemus, and the speedy and shifty running of Crenshaw. However, this powerful offense could not have operated as well as it did without their fine line led by Schwalm, Roney, Platt, McCord, and Dix.

Cromwell captured second place, losing

twice to the champions. Their trouble was that they lacked a strong line, but they had a very speedy and strong backfield led by the ball-running of Poitras and the speed-running of Haley. On defense they were headed by the hard tackling of Marsh, Hall, and Bensel. If Cromwell had had a stronger line, they might have gone all the way.

Thomas finished in third place with two wins and four losses. They had perhaps the biggest line in Lower, but they were not a well balanced team. On offense they were led by the running of co-captains Moore and Wolff, and on defense they were headed by Vine and Gefaell.

Again this year Davidson lacked size, as they had to use several boys who could

60 Olla Podrida 60

have played midget football. One of these players was all-house John Loud, who although he weighed 108 lbs., was one of the hardest tacklers in the league. Davidson's other all-house star was Captain Loveland, who was the shiftiest runner in the league.

MIDGET

For the second year in a row there was a three-way tie for first place between Cromwell, Ross, and Thomas.

As happened last year, Cromwell got off to a bad start losing their first game to Ross 8-7, but after that they were hard to stop. Their attack was led by fine running of all-house backs Witmer, Perrin, and Langhorne. On defense they had

perhaps the best lineman in the league, Bill Elmer.

This year Ross team was led by the signal calling and passing of Dick Hoffmaster. His main receiver was all-house end Smith, but their threat on offense was Tom Force.

Thomas this year had one of the best backfields in Lower, but they had a very weak line. In their backfield they had two of the best runners in the league, Williams and Gregory. On defense they were again led by these two players and Roger Hegeman at end.

Again this year Davidson had quite a weak team. They were led by their captain and all-house quarterback Chuck Tiernan.

MIDGET FOOTBALL CHAMPS

Left to Right: First Row: Maduro, R., Ryan, Erle, Perrin, Langhorne, Elmer, Megna, Kerns, Ohrbach. *Second Row:* Dilworth, Leith, Reid, Force, Hoffmaster, Smith, J., Ackley, Graupner, Barnet, M. *Third Row:* Bach, Hornburg, Hegamen, Browne, Gregory, Williams, Mendillo, Felcone, Bachman.

60 Olla Podrida 60

Left to Right: First Row: Elmer, Haley, Faisal, Poitras, Bensel, Perrin. Second Row: Randolph, Fagan, Hay, Collins, Bermant, Marsh.

LOWER SCHOOL SOCCER, 1959

THIS year's soccer season was more exciting than the scores would seem to indicate. The first game was a 1-1 tie between Cromwell and Davidson in which Cromwell's goal was scored by Haley and Davidson's was tallied by John Loud. The Thomas-Ross game was fought defensively to a 1-1 deadlock.

The next round was more successful from the Cromwell-Ross point of view. With Perrin, Bensel, and Haley scoring, Cromwell pulled out a victory over Thomas, for whom Hoffman scored two. In the Ross-Davidson game it was a hard fought victory, Ross' Polhemus taking it with the only goal scored.

The third round was, perhaps, the most

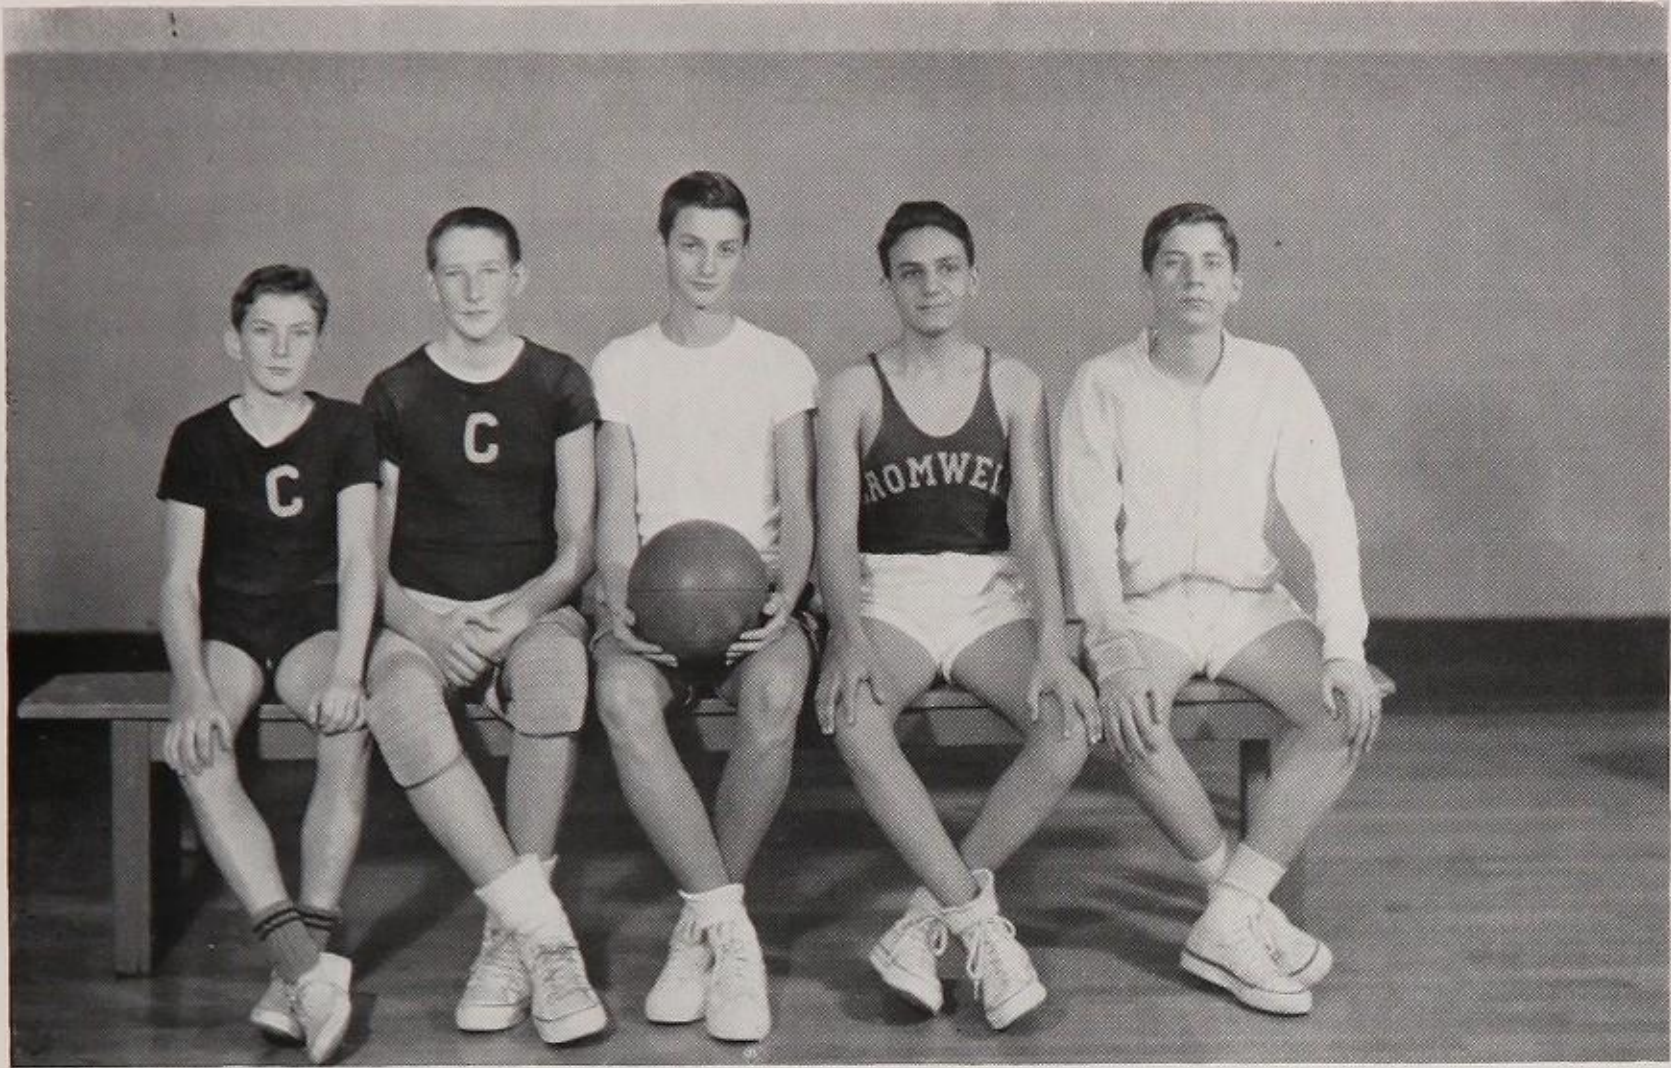

exciting of all. Cromwell was battling hard and defeated Ross House by one goal. Davidson and Thomas played an excellent game ending in a scoreless tie.

Upon returning from Thanksgiving, Cromwell, with goals by Poitras, Perrin and Haley, defeated Davidson. Ross managed to top Thomas by a 1-0 margin.

With victory within reach, Cromwell rolled over Thomas, Haley scoring four; and for the losers, Williams and Hoffman. On the same afternoon, Pancho Soler scored three goals for a successful Davidson victory over the Ross House.

Cromwell, with the championship in hand, drew a 0-0 tie with Ross. Thomas defeated Davidson by a 1-0 margin.

60 Olla Podrida 60

Left to Right: Edwards, S., Fagan, Bermant, Faisal, Maduro, O.

LOWER SCHOOL BASKETBALL, 1960

THIS year's basketball season saw Cromwell, sometimes coming from behind, sometimes winning all the way, but always victorious, sweep the championship with a perfect record of six wins and no losses. Led by Captain Ed Bermant Cromwell managed to stay in front of the unpredictable Ross and Davidson teams all through the season.

In the first round a strong Ross team, led by Franklin, high scorer with ten points, trounced Thomas, 32-11. Following this game Davidson fell to Cromwell, 32-20. Davidson picked up its first win in round two by soundly defeating Thomas in a one-sided contest, 27-7. The second game of this round was the most exciting

of the season. Perry Ross was leading by eight points at the end of the third quarter with Ilch as high scorer. Cromwell, however, came from behind in the final period to win by only one point, 34-33.

The fourth round saw the lower champions close to defeat as they eked out a victory over Davidson, 26-24. From here, however, they could not be stopped, defeating Ross and Thomas respectively to clinch the championship and complete a perfect season. Ross and Davidson finished the season with 3-3 records each to tie for second place. High scorer of Lower was Cromwell captain Ed Bermant, who finished with a total of 85 points.

60 Olla Podrida 60

Front Row: Left to Right: Force, Shannon, Viault, Schwalm. Second Row: Hoffmaster, San Phillip, Crenshaw, McCord. Third Row: Dix, Smith, J., Ackley, Mr. Geer.

LOWER SCHOOL SWIMMING, 1960

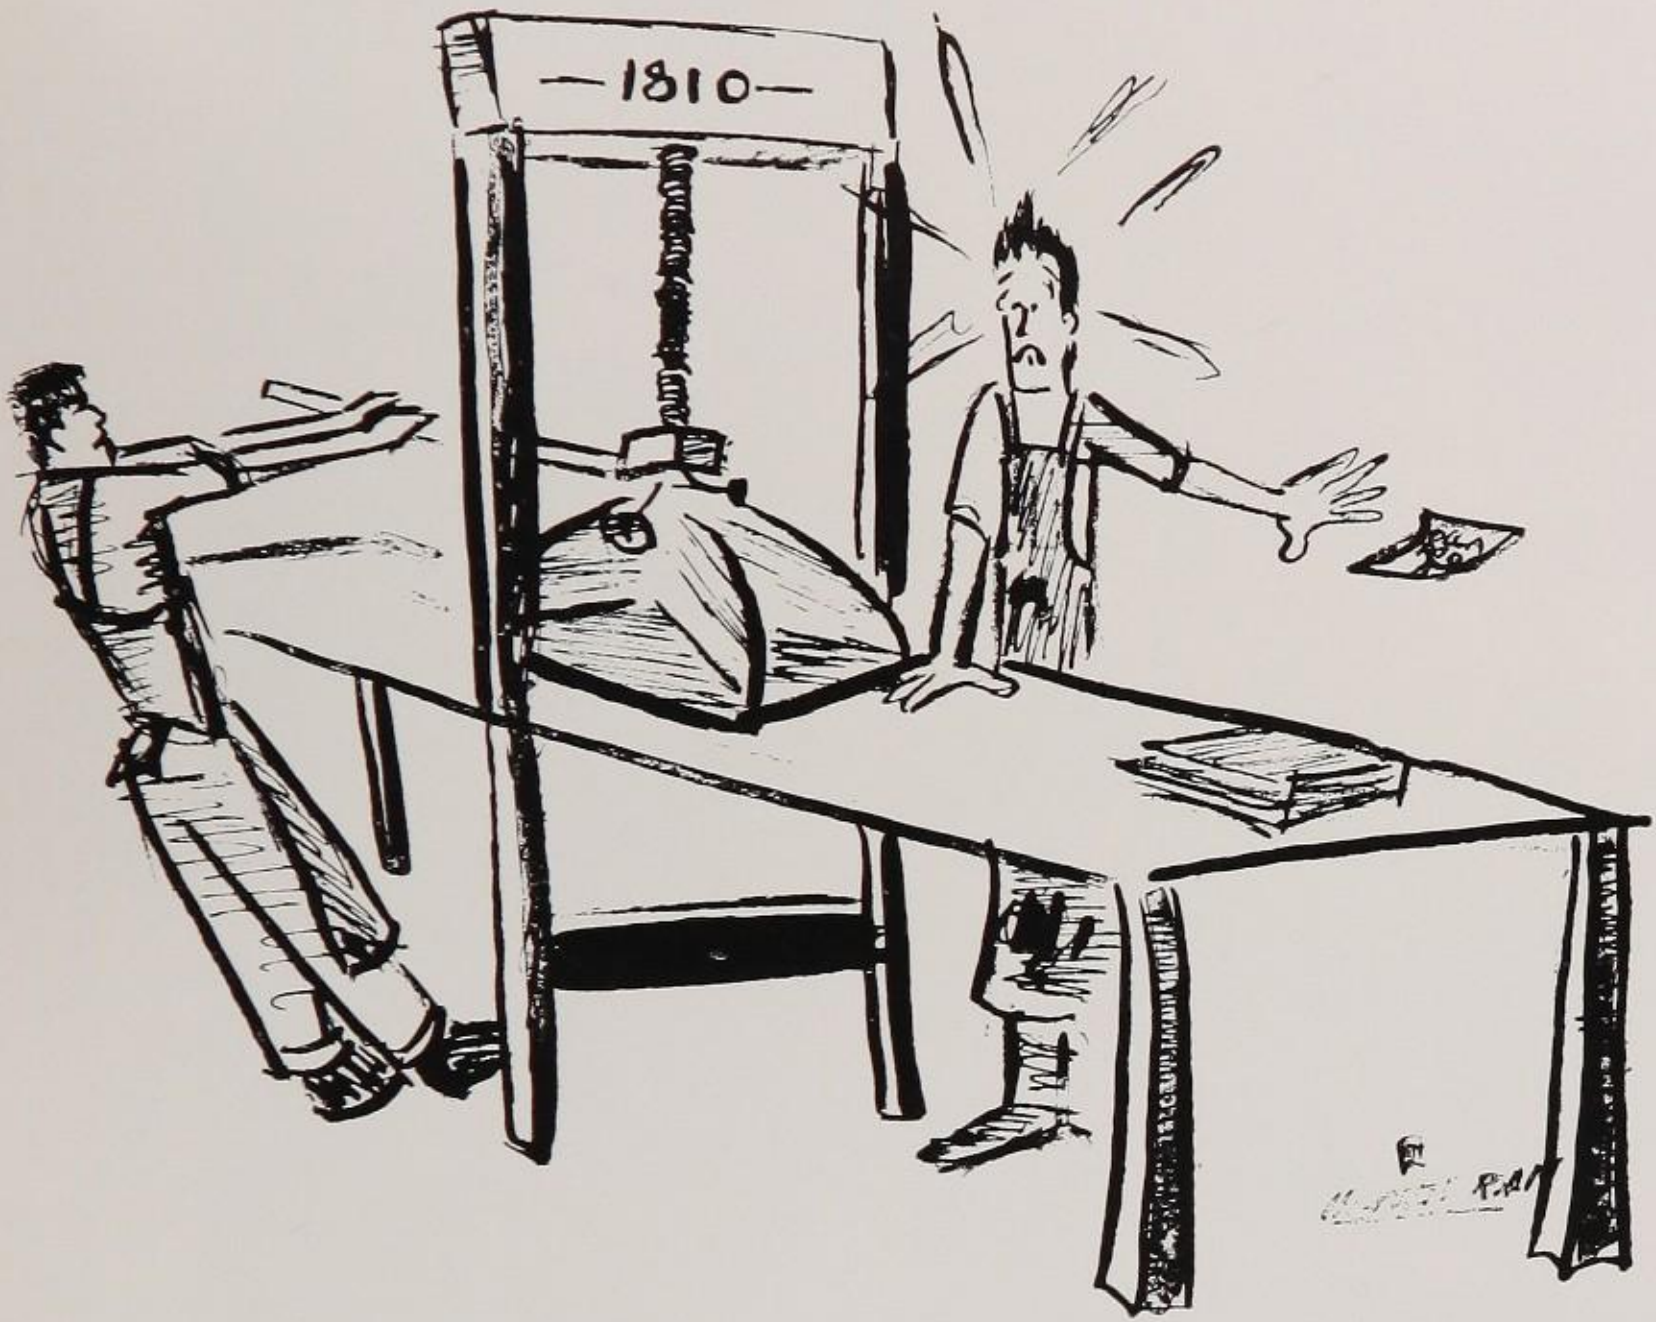

FOR the third consecutive year the Ross House, coached by Mr. Geer, captured first place. Ross took first in 7 out of 8 events and wound up with a score of $55\frac{1}{2}$ points to Thomas's $34\frac{1}{2}$, Cromwell's 27, and Davidson's 6.

In the first event, the 25-yard freestyle, Ray Viault placed first with an excellent time of 12.2 seconds. Gatterdam, Crenshaw, and Poitras finished close behind. In the one event which the Ross House did not win, the 25-yard backstroke, Dan Bailey of Thomas established a new record with an outstanding time of 14.7 seconds. The 25-yard breaststroke followed in which Tom Schwalm of Ross won with a

time of 17.2 seconds. Barrow and Vine followed close behind. In the last individual event of the afternoon, the 50-yard freestyle, Ray Viault came in first with 26.7 seconds as his time.

In the relays Ross was again the outstanding power. The Ross medley team of Force, Schwalm, Shannon, and Smith set a new record with a time of 58.5 seconds. Following the medley relay in the 100-yard freestyle relay, the Ross House tied for first with the Thomas House.

Their time was 51.9 seconds. The diving was won by McCord of Ross, followed by Pearce of Thomas and Schaefer of Davidson.

THE OLLA PODRIDA

IN attempting to summarize the efforts and achievements of this year's *Olla Podrida* board, I look back over the past term at the many successes and failures we have encountered. It is indeed gratifying to realize that we have not only benefited in our accomplishments, but through our misfortune as well. And it is my sincere hope that the board, too, will not recall these troubled times as such, but as an invaluable part of our education.

Unfortunately we never really swung into action until midyear's. We don't advocate this policy to future boards, of course, but in this special case it seems to have been more of a profit than a hindrance. In the past few weeks we have not only learned how to work under pressure, but how to handle an extracurricular activity along with history theses, athletics, clubs, and a normal burden of work.

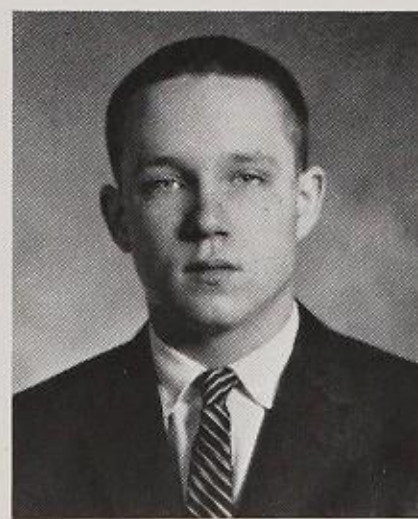

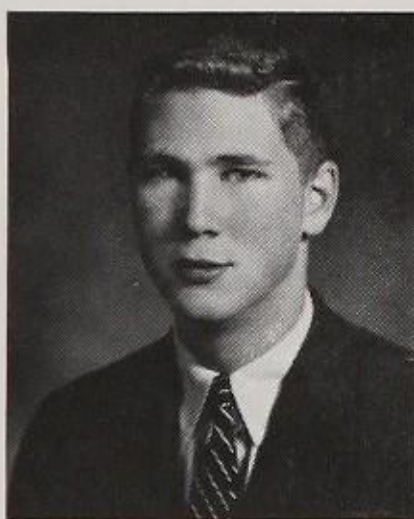

In other ways the *Olla Pod* has helped us all in that it has not only given us an insight into the printing business, but the countless articles to proofread and correct has given us invaluable help in our preparatory school education that we might not have otherwise received. The candidates too have profited from writing the articles. It is they who are the backbone of this organization, and we regret not having given them better working conditions. Countless times they have risen to our stringent demands and sacrificed much of their valuable time to satisfy our peculiar whims.

Despite the general havoc and confusion that went into the making of this edition, there are a number of slight innovations to give the format a more logical and ap-

pealing arrangement. Pictures, articles, and even entire sections have been uprooted from their previous locations; some too were discarded in the shuffle. Though many of our idealistic aspirations faded away after learning of a previous deficit, we have been able to retain the color photos at the front of the book. Also, in conjunction with the sesquicentennial anniversary, we have included a brief section describing the growth of the school.

I could go on for hours about the many wonderful things we learned, the excellent team work, our never-failing typists, and countless other miscellaneous accomplishments. I feel that everything has turned out so wonderfully that I can not help but thank the many people who have contributed in their own way to this organization. Unfortunately to the many who attend Lawrenceville our efforts will be little more than another book on the library shelves, but to us, we are proud of it. And to the Class of 1960 we hope this will be a lasting possession, a memory of your prep school years.

60 Olla Podrida 60

THE LAWRENCE

AS usual this year's *Lawrence* was a masterpiece of journalistic effort. That is not to say that it was a masterpiece of journalism, but that there was a very considerable amount of effort expended. Actually, it has been a very interesting and enjoyable year, from the first issue we spent so much unnecessary time on, to the Rhinie issue our faculty advisor Mr. Morgan put out single-handed, to our last paper before turning over the reins to the new board.

Needless to say, whenever there was anything of note happening on campus, there was a *Lawrence* reporter in attendance. Even the frequent art exhibits were competently covered by ace reporter Rusty Edmonds. Without Colby Smith, terror of all reticent faculty members, the master interview column would never have been what it was this year. Colby's arresting articles poured in all year, with only minor interruptions now and then for various reasons; even then we usually had a large enough backlog of Smithisms to fill the gap.

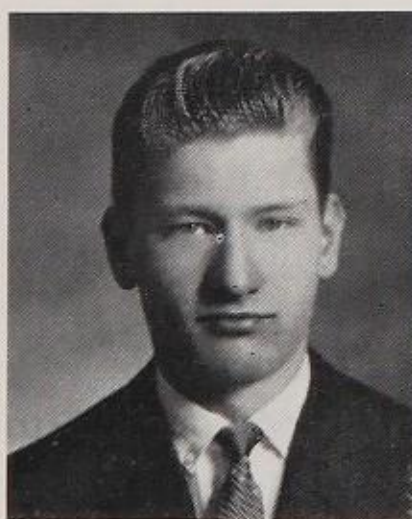

Mr. Phillips, our printer, outdid himself this year, with only scattered lapses, such as the incredible head, corrected in the page proofs before the reading public had a chance to enjoy it, to the effect that Alastair Pullar was giving his second impressions on America and comparing the schools in the United and in Shorthand. Almost every Sunday and Wednesday night the editors, members and candidates of the *Lawrence* were treated to the raucous voice and unnerving bottle-clanking of Butler Lampson, venerable copy editor and paragon of Lawrentian

virtue.

In addition to providing perceptive and perspicacious coverage of the news, the *Lawrence* sponsored the annual Hamlet Symposium to satisfy the intellectual curiosity of the School at large. Not only did the *Lawrence* sponsor this meeting, but its editor-in-chief served as moderator, and not only did it supply the moderator, but also most of the thirteen people who attended. The Hamlet Symposium was a huge success.

This year saw no end to the problems arising between the editorial and business boards. John Musselman, our business manager always wanted four pages when we wanted six, and vice versa. Having money considerations on his side, he usually won. Jim Weir and Doug Luke did a great deal for the paper this past year, as did those unsung heroes, the candidates, the main part of whose dreary work consisted of writing articles and writing heads. We all thank Mr. Morgan for his help; we all congratulate the new board and wish them luck.

DONALD H. REGAN

THE LIT

THIS was the year of the "new" *Lit*. For the first time in many years, Lawrenceville's literary magazine underwent major changes in format. An elaborate, brightly colored cover was replaced by a smaller, quiet but distinguished cover displaying the school seal. Rough grain paper replaced the high-gloss pages of former years. Not only was the basic design of *The Lit* overhauled, but the content changed as well. There were fewer critical essays and articles of philosophical nature and obscure meaning.

The student primarily responsible for these innovations was editor-in-chief Scott Skinner. Two factors influenced his decision: the fancy edition was too costly, and the emphasis of a school literary mag-

azine should, he thought, be on content, not design. With Skinner at the helm, the organization functioned smoothly and published four editions. The student body was generally enthusiastic about the changes.

The more modest design of *The Lit* left little room for illustration, but Miner Warner provided each issue with one or two skillfully done drawings. The managing editor was Dave Loveman, literary editors were John Kronenberger and Bill Smith, while the business phase was handled by Terry Hermanson and John Voigt. Mr. T. J. Johnston acted as faculty advisor. *The Lit's* successful year must, of course, be attributed in part to the enthusiasm of the School.

THE PROGRAM COMMITTEE

THE primary job of the Program Committee is to publish programs for the major athletic events at Lawrenceville. Especially fine editions were put out this year on Parent's Day and on the days of the fall and spring Hill rivalries. Each contained pictures and past records, in addition to line-ups and statistics. The Hill programs included statements by the headmasters of both schools and by Doug Luke, School President.

The organization is responsible for many other publications of great service to the school. The Rhinie Bible, containing everything from the location of the barber shop to the House track records, has guided many boys through their first

year at Lawrenceville, and its appearance was as always one of the highlights of the Committee's year. Desk blotters of the athletic schedules and pocket size schedule cards were distributed as usual. This year's Committee added another activity when it printed the programs for the Eastern Interscholastic Swimming Championships.

The success enjoyed by the Program Committee this year can be ascribed to the officers: Barry Larsen, Chairman; Bob Holcombe, Vice-Chairman; Dick Devens, Art Editor; and Francis Montgomery, Distribution Manager. Credit must also be given to the faculty advisor, Mr. Cotter.

THE PRESS CLUB

THE Press Club, founded in 1914, is the School's youngest literary organization. Since its inception the club's primary purpose has been to maintain ties with newspapers in such cities as New York, Philadelphia, Newark, Pittsburgh, and Trenton, and to supply them with the scores and descriptions of all varsity athletic contests with other schools.

Recently the Press Club, under the guidance of Mr. Bull, has expanded its services to include coverage of special events and "provincial" coverage. Special events coverage involves reporting to several local papers any information in connection with lectures, speeches, or visits

from distinguished persons that are of particular interest outside the school community. Fidel Castro's visit last year, Professor Rossiter's lecture on the effect of the Constitution by the Civil War, and Dr. J. Robert Oppenheimer's yearly talks to the Herodotus Club are a few of the events to which the club has given its attention. "Provincial" coverage is a service whereby boys whose achievements have been outstanding are given recognition in their hometown newspaper.

Dick Winickoff was this year's president. John Nathan, Norm Cantor, Ted Barclay, and Bob Bedford headed other departments.

The Clubs

THE PERIWIG CLUB

Left to Right: First Row: Andrews, S., Sullivan, W., Knight, W., Killen, Musselman, Newcomer, Meek, Walker, Gronich, Monge. *Second Row:* Wagoner, Alcivar, Shearer, Warner, Wavvig, Panzer, McWhorter, Sills, Etherington, Deutsch. *Third Row:* Schneider, Vogt, Jeffords, Chariott, Carter, Gruss, Clark, Hodges, Smith, J. J., Regan, Godfrey, Krauthoff. *Fourth Row:* Harris, A., Corby, Wakelin, Lampson, Patterson, Kramer, Solberg, Harris, D., Squires. *Fifth Row:* Williams, T., Bedford, Bartlett, Kraft, Sullivan, M., Hannum, Hay, McLean, H., Petix.

60 Olla Podrida 60

THE PERIWIG CLUB

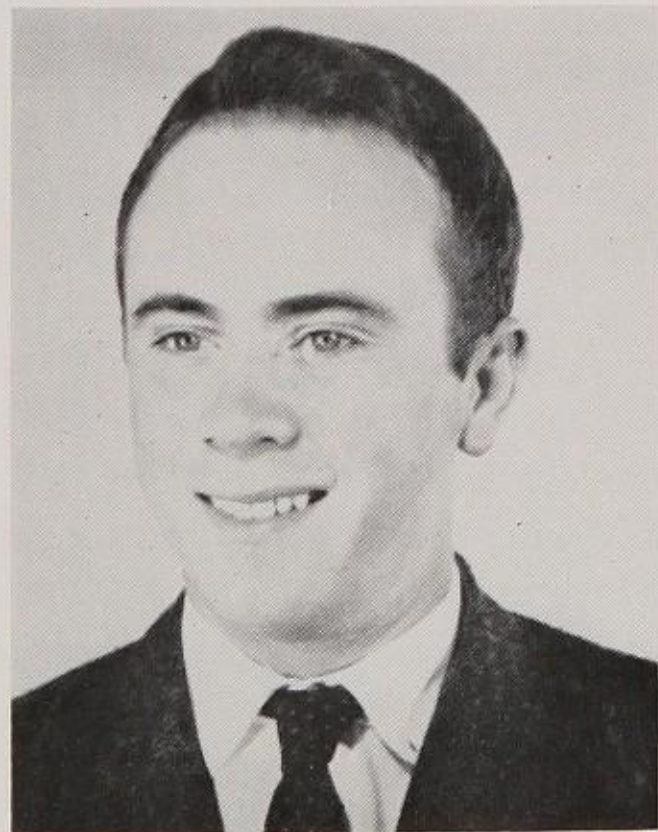

UNDER the guidance of Rhinie master Mr. Peter Candler, the Periwig Club has enjoyed a most successful year. In early October the board, headed by John Musselman, called together the mighty forces of Lawrenceville dramatists. Mr. Candler introduced himself and explained the set up to the corps of actors, carpenters, and electricians. It was decided that *Stalag 17*, the parody on concentration camp life during the Second World War, was to be the Fall Show. Also, the administration granted permission for a permanent stage to be erected in the Old Gym. With this news the carpenters heaved a sigh of relief for it meant an end to the chore of building a temporary stage each play. Other renovations such as free admittance, because of an endowment, and a concession were added.

The performance of *Stalag 17* was well above the level of high school acting because of the terrific cast. Starring in the performance were: Bill Panzer as the barrack's clown, Stosh; Marty Gruss as Hoffman, the tough leader whose responsibility was to keep organization in the barracks; William Dale as Sefton, the emotional, hard-luck boy who turned out to be right about some things; Mike Alcivar played Henry Shapiro, Stosh's comical side-kick; and Fred Buesser in the part of Price, the German spy.

Unfortunately the dream of a permanent stage and the plans for the Winter Show were abruptly halted by the disastrous burning of the Old Gym. *The Caine Mutiny Court Martial* replaced *The Man Who Came To Dinner*. The starring roles were portrayed by Weyman Walker

as Barney Greenawalt, the lawyer for the defense; Mr. Case Morgan who took over the part of the judge advocate, Challee, at the last minute; Bill Panzer as the mutineer, Maryk; and Mike Alcivar as Captain Queeg, the paranoid chief of the U.S.S. Caine.

The great success enjoyed by the Club can be attributed to the hard work of Mr. Humason and Mr. Candler as the acting directors while the technician's work was ably directed by Dr. Ross Harrison and Mr. Cotter. Working hard with the faculty advisors were John Musselman, president; John Newcomer, vice-president; Bill Doniger and Tim Killen, co-business managers; Maxwell Meek, publicity manager; Fred Vogt, art and design; Andrew Godfrey, head electrician; Warren Knight and Bill Sullivan, stage crew representatives; Jay Monge, property manager; and Weyman Walker and Scott Andrews as actor representatives.

THE MATH CLUB

THE Math Club is designed to stimulate the minds of students proficient in mathematics so that they will seek additional knowledge of the field outside the classroom. The admission requirements are rigorous. A student must be taking fifth year Lawrenceville math and, with only a few exceptions, must maintain a high honors average in the course. Members are elected to the club on the basis of merit, and there is a quota of twenty-five members.

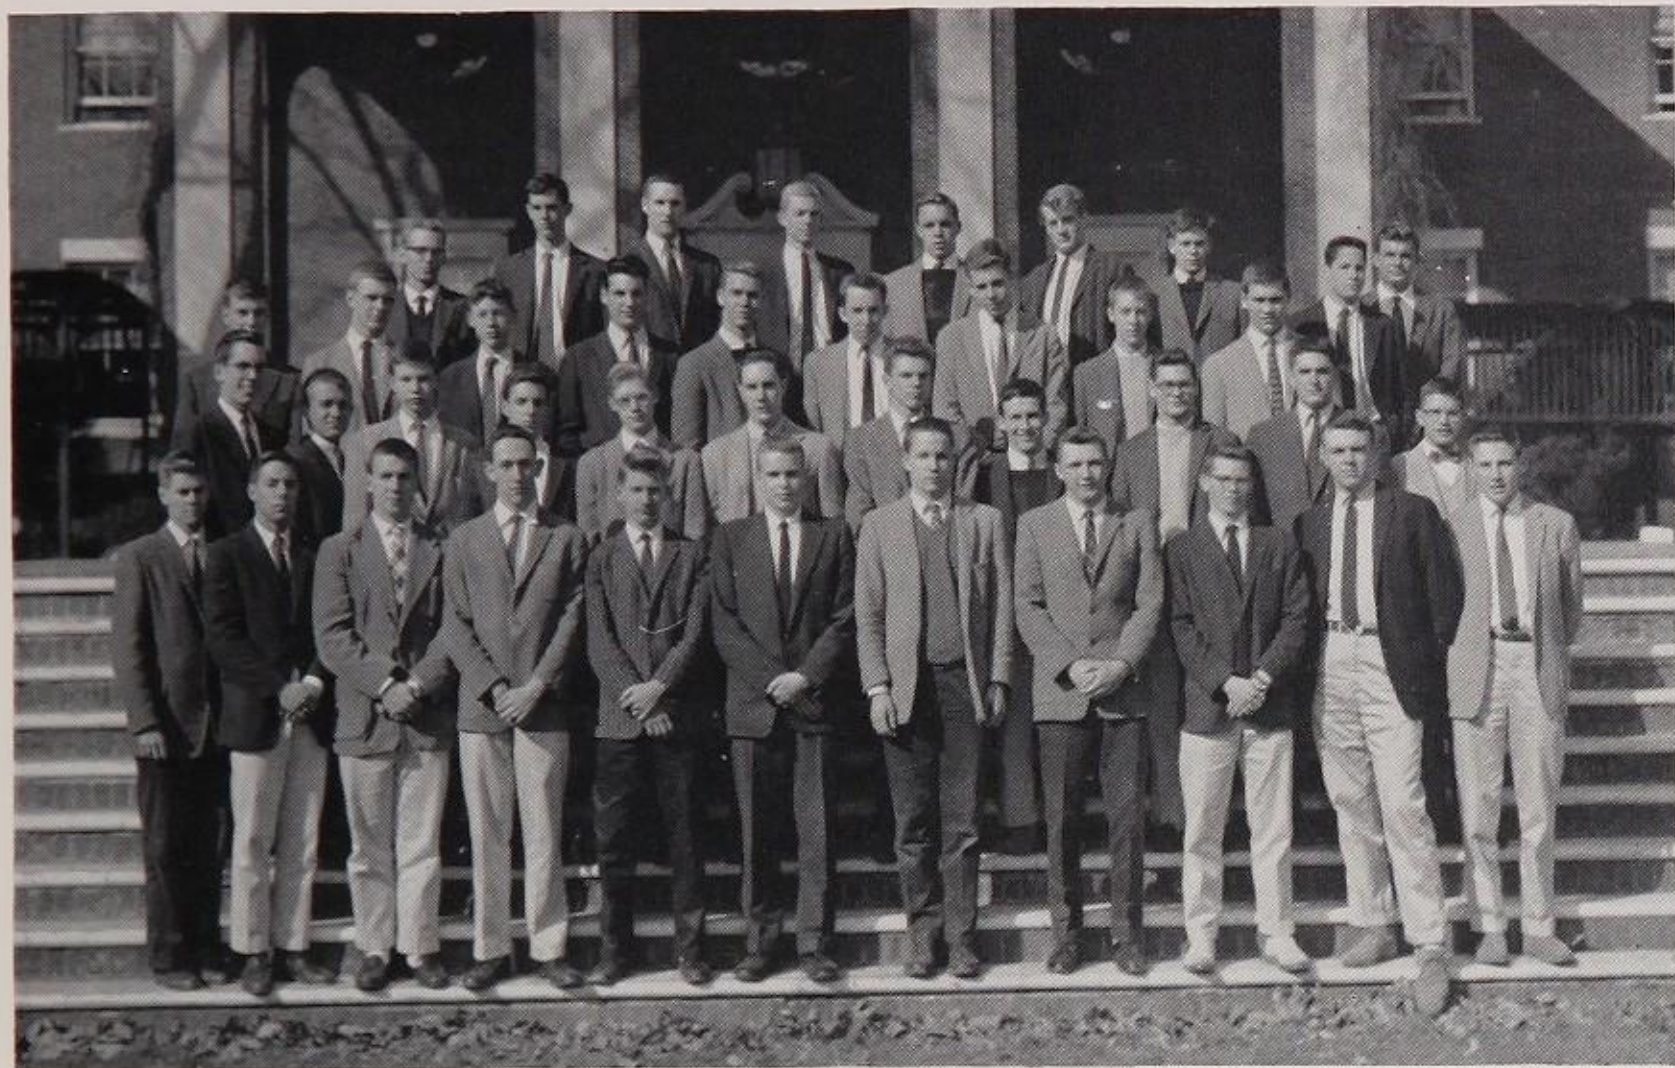

At the bi-weekly meetings, members give short talks on mathematical subjects of special interest to them. These lectures may pertain to the history of math, theorems, derivations, and other related topics.

The speakers are assisted in their preparations by the faculty advisor, Mr. James Rizzo, who answers their questions and gives them pointers on effective delivery. He also serves as moderator when a dispute arises from someone's talk. The schedule is so arranged that every member must give at least one talk during the school year. For an occasional change of pace, guest speakers are brought in to address the club.

Don Regan acts as president, and Butler Lampson fills the vice-president's office. David Loveman, who won a Westinghouse science award for a math paper, is secretary-treasurer.

Two Hundred Ninety-two

60 Olla Podrida 60

Left to Right: First Row: VanderVoort, Linker, Hitchcock, Regan, Gronich, Lampson, Solberg, Newcomer, McGowan, Fisher, R. Second Row: Mason, Schneider, Andrews, S. Fourth Row: Fehl, Bartlett, Harris, A., Vogt, Greenleaf, Shepherd, McLean, H., Hermanson, Gibson.

THE SCIENCE CLUB

THE Science Club is an honorary club devoted to the encouragement of interest in science. Boys are elected to the club on the basis of their performance in science courses, their interest in the club, and their overall average. The club boasts a twenty-six year history of interesting and informative addresses by leading men in various fields of scientific endeavor.

Dave Loveman was elected president at the first meeting this year, John Hitchcock served capably as secretary-treasurer, and Mr. Robert Clicquennoi generously gave his time as faculty advisor.

The club gathered at numerous meet-

ings to hear talks and see demonstrations by members and guests. Among the many informative speakers were Raymond Fisher of Bell Laboratories, and the club president, Dave Loveman.

Interesting trips to the R.C.A. laboratories, and to Squibb pharmaceutical labs were contemplated. There was some hope that the club would be able to visit the Esso Research Labs, but that trip remained very much in doubt until the last few weeks of the year. Movies were shown to round out the activities at certain of the meetings.

Two Hundred Ninety-three

60 Olla Podrida 60

Left to Right: First Row: Preis, Lampson, Shepherd, Steinhardt, Gronich. Second Row: Miller, Smith, W., Dorf, Langdon, Leff.

THE OLYMPIANS

THE Olympians is an honorary organization designed to increase appreciation of interest in the classics. Boys are eligible for membership if they have had two years of Latin or are taking any Greek course and have an honors average. A person nominated for membership must appear for initiation in a toga and take a very stiff exam on Greek and Roman literature.

Because of the effort of Dr. Wade Stephens, the faculty advisor, the Olympians have heard many fine speakers this year. In February, Professor George Duckworth, an authority on Virgil, spoke about the significance of Venus in the *Aeneid*. There were several more lecturers during the

spring. Rolfe Humphries, known for his translation of the *Aeneid* and Daniel Woods, a well known archaeologist from Manhattanville College.

Last spring the Olympians went to New York City to see the play "The Family Reunion" by T. S. Eliot. They planned to go again this year to see some of the exhibits at the Metropolitan Museum of Art.

The Olympians made their services available at the Classics Conference held at Lawrenceville this year, and contributed a program the evening before which was a great success.

This year's officers are Banks Shepherd, president; Jim Weir, vice-president; and Donald Regan, secretary-treasurer.

60 Olla Podrida 60

PARLONS FRANÇAIS

THE main function of the Parlons Français is to give its members, students of more than average ability and interest in French, a chance to enlarge their knowledge of France, the French language, and the French customs. The club was founded by Dr. Coderre in 1929 and has been under his excellent supervision ever since. Last year members of the club and the modern language department gathered to pay tribute to Dr. Coderre's thirty years of service. At this celebration he was presented with a volume of congratulatory letters from past presidents of the club.

The initiation test was changed this year from an oral dissertation to a written

composition in French, followed by an interview with Dr. Coderre. Not a word of English is spoken at the meetings, which are held every Thursday in the field house lounge. The subjects discussed can range from yesterday's weather to a debate on Castro.

The club went to New York on two occasions, both times to see French movies. Among the club's speakers this year were Mr. Elliott and Mr. Gordon, both members of the faculty, and Germaine Bree, an authority on Albert Camus.

This year's officers were Dick Labouchere, president; Delano Harwich, vice-president; and Don Regan, secretary-treasurer.

Two Hundred Ninety-five

THE SPANISH CLUB

THE avowed purpose of the Spanish Club is to encourage the use of the Castilian language, and further the contact between boys from Latin America and North America. Meetings are held every two weeks in the Field House Lounge. The program for each meeting usually includes speeches by candidates, and discussions among members. By those in the know, this is generally considered to be among the liveliest clubs on the campus.

Mr. Geoffrey Brink was the advisor this year. Gustavo Salas served as president with Roberto Bonetti and Miguel Garcia as vice-president and secretary, respective-

ly. Bob Dilworth was elected treasurer during the first semester to round out the officership.

Largely through the efforts of Mr. Brink, the club was able to see a Spanish language film, "Doña Barbara." Also planned were a trip to New York and a dramatic presentation in conjunction with the Modern Language Convention of the 150th anniversary. Several changes were made in the constitution, but the unique flavor of the club was not altered. A very successful year was thoroughly enjoyed by all members.

60 Olla Podrida 60

Left to Right: First Row: Greenstein, Warner, Smith, W., Fisher, Goldmann. Second Row: Schuhardt, Antheil, Brennen.

THE FORENSIC SOCIETY

A HARD core of Lawrenceville debaters gallantly accepted the challenge of rival forensic clubs and emerged with a reasonably successful record. The team was composed of only eight members, but which one proved to be expert at the art of talking. The club was divided into two "strings," largely on the basis of seniority. The first string included fifth formers Bill Smith, Miner Warner, Tony Love, and Pat Brennen. The "J.V." consisted of fifth former Art Fisher and fourth formers Don Goldmann, Bill Antheil, and Bob Greenstein.

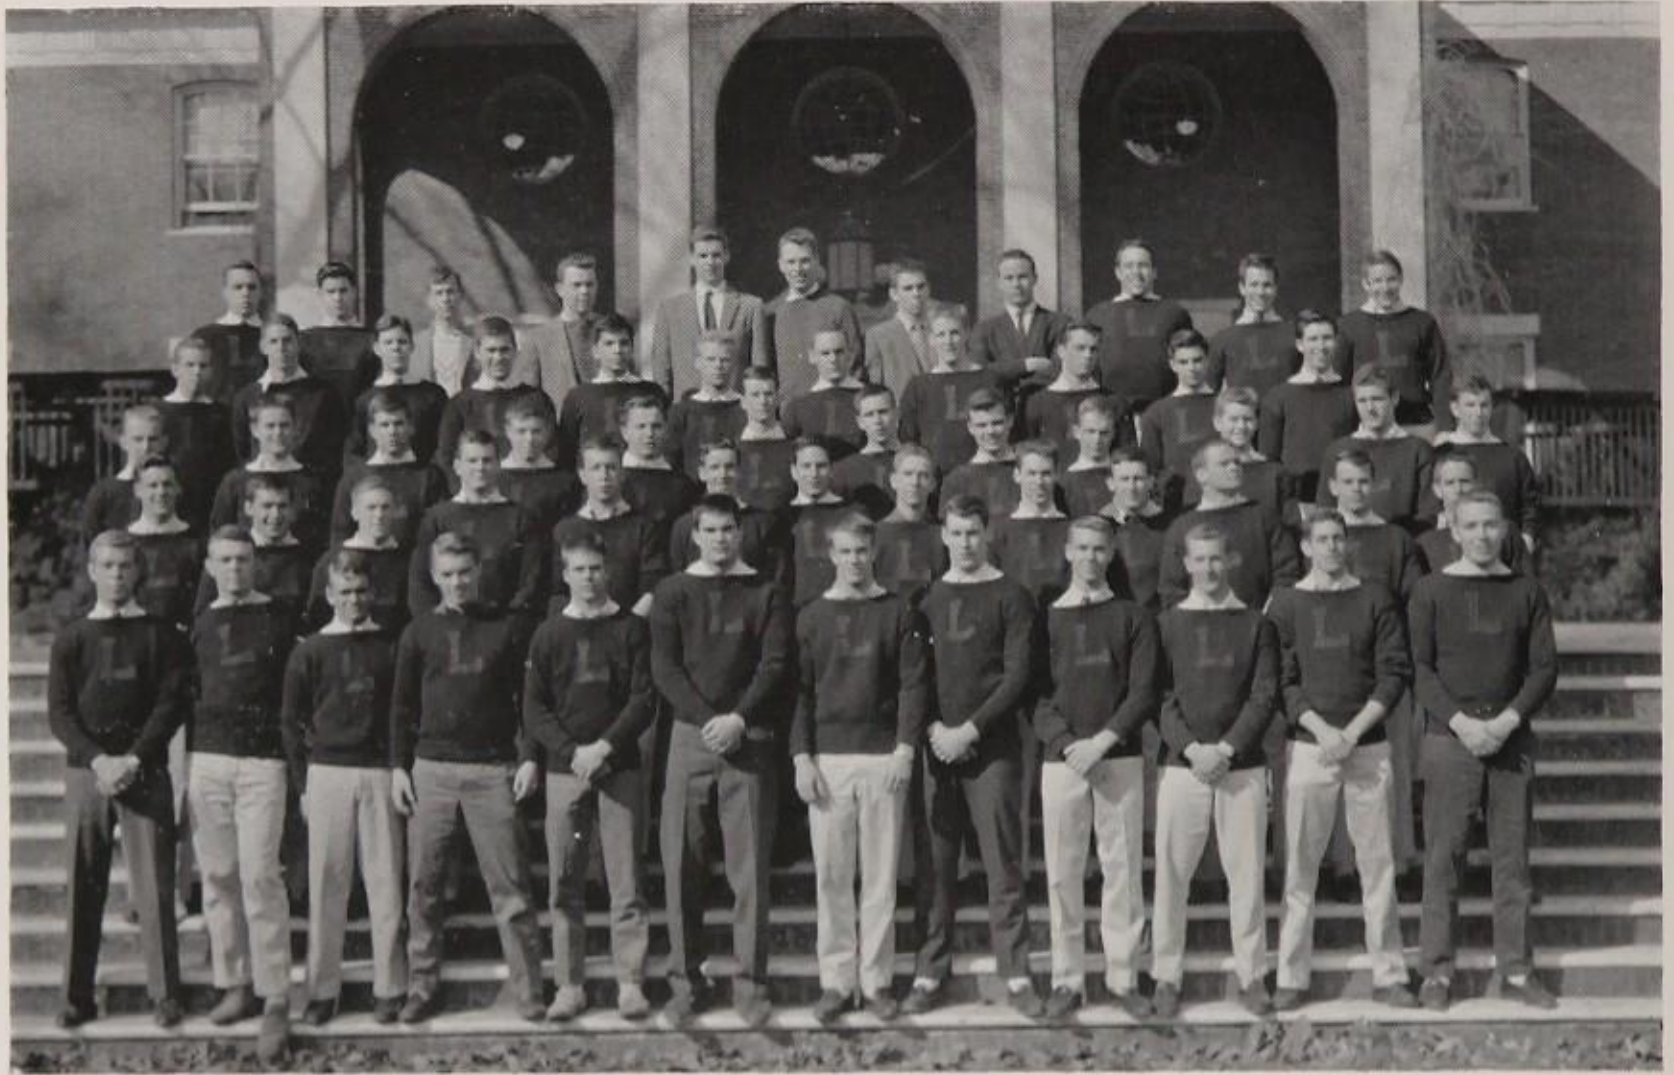

The faculty advisor, Mr. Arthur G. Down, assisted by Smith and vice-presidents Warner and Love, arranged a rigorous debate schedule for the society. Among

the schools debated were Trenton High, Westtown Prep, Ewing High, Hill, Choate, and Princeton High. Lawrenceville also participated in the Valley Forge tournament.

Debating the topic, "Resolved: that the U.S. Government should substantially increase its regulation of labor unions," the society had little trouble vanquishing Princeton. The team took all four contests. Against Hill, however, the situation was reversed, Hill captured the debate 4-0, although the scores were close and two matches were decided by only one point. The team also lost to Choate when the combinations of Warner-Smith and Brennen-Fisher were narrowly defeated. The club whipped Trenton High 3-1.

MAJOR "L"

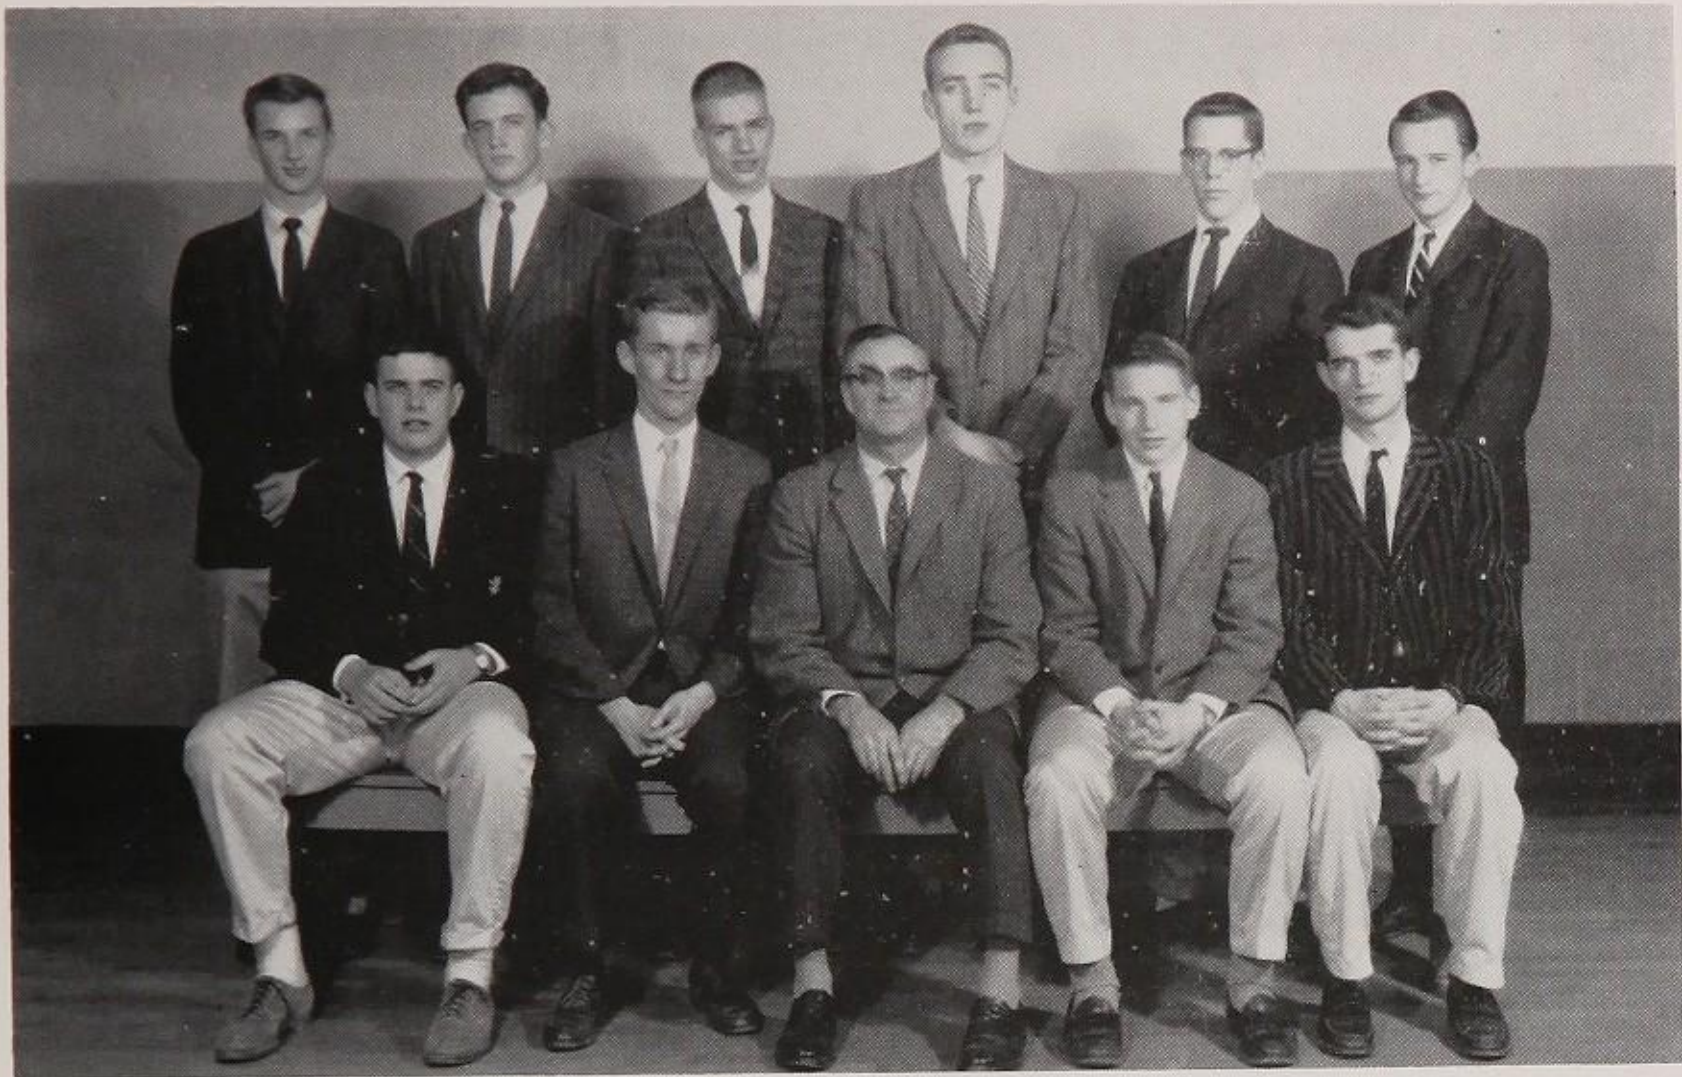

THE Major "L" Club is one of the largest extracurricular organizations on campus. The requirements for membership is a major letter in a sport at Lawrenceville. Founded in 1929, the club has had an active history. Some of its present functions are to supply ushers for athletic events, to plan and execute rallies, and to serve refreshments on Saturday afternoons.

The club has expanded its activities this year. With the cooperation of the cheerleaders and the Student Council, it ran a poster contest in which prizes were

awarded for the best banner or exhibit at the Hill game. A committee on training rules was formed under its auspices. Made up of team captains and officers of the "L" Club, it counsels boys who have broken regulations and makes recommendations to the coaches regarding infractions.

The officers of this year's Major "L" Club were Mort Fuller, president; Dan Harris, vice-president; and Gordon Kraft, secretary-treasurer. Mr. Tiuhonen, Director of Athletics, is the faculty advisor.

THE SCHOOL CAMP

THE main purpose of the Lawrenceville School Camp is to provide two-week vacations for underprivileged children from New York and Trenton. The camp is situated on an old farm site in northern New Jersey and has been, for the last nineteen years, under the supervision of Mr. Schonheiter.

Included in the camp's physical plant are large playing fields for soccer, football, baseball, and volleyball. The boys live in four wood cabins, eat in a central dining hall, and swim in a large man-made pool.

IV and V formers may act as senior counselors, having complete charge of

seven boys ranging in age from eight to twelve. Lower Forms may act as junior counselors who participate in all phases of camp life as well as helping with daily chores. Old campers sometimes return to help out as counselors.

The camp is financed completely by Lawrenceville's student body. Funds necessary for the eight-week season are secured by means of weekly Chapel offerings and the annual charity drive. The '59-'60 drive was opened on January 17, and the goal was set at \$6,000. Because of the generosity of those who gave, the camp will have this and more.

60 Olla Podrida 60

THE STAMP CLUB

ABOUT twenty members composed this year's philatelic organization. Their distinguishing characteristic was their enthusiasm. Under the guidance of Mr. Jordan Churchill, who himself owns an extensive collection, members were able to gain a thorough knowledge of the technique of collecting stamps. This year's officers were Miner Warner, president; Leighton Huey, vice-president; and William Raymond, secretary-treasurer.

The main goals of the club are to increase each member's understanding of the nature of stamps and their use and importance in the world of both past and present. In an effort to increase each member's personal collection, interclub auctions

were held whenever there was a demand or whenever a number of valuable stamps of the same kind were donated. This innovation gave members a chance to secure stamps which otherwise would have been very difficult to obtain. The highlight of the year was the club's annual trip to the National Stamp Show in New York during late November.

Numerous meetings throughout the year added to the club's activities. The group saw movies or slides of universal interest, or heard talks by Mr. Churchill and members about the care of a collection and factors to keep in mind when purchasing stamps.

THE CAMERA CLUB

SOME enigmatic philosopher has said that the present generation could be best described as the "generation of the third eye." The Camera Club provides the School's only refuge for those students who have their "third eye" strapped over their shoulders in a leather case.

This year, as always, the Club's most important function has been to aid the *Olla Podrida* and the *Lawrence* in their pictorial coverage of the year's happenings. All the candid shots which appear in the yearbook and nearly all the sports photos used in *The Lawrence* are the work of the Club. In connection with the school's sesquicentennial celebration, some of the members collaborated with Mr. Williams, the director of the 150th Anni-

versary Program, to produce a booklet with pictures of the school.

Meetings were held every two weeks in the Club's well-equipped darkroom, which was equipped with a new enlarger this year. During the meetings the members discussed topics of particular interest, and sometimes watched films and slides supplied by Kodak, demonstrating various photographic tricks and ways to improve technique.

The club had a varied and active year, and did some very fine work. The club's active president was Fred Fehl; its vice-president and secretary-treasurer were Dave Pohndorf and Joe Hodges. Mr. R. S. Wicks was the faculty advisor.

THE CONCERT CLUB

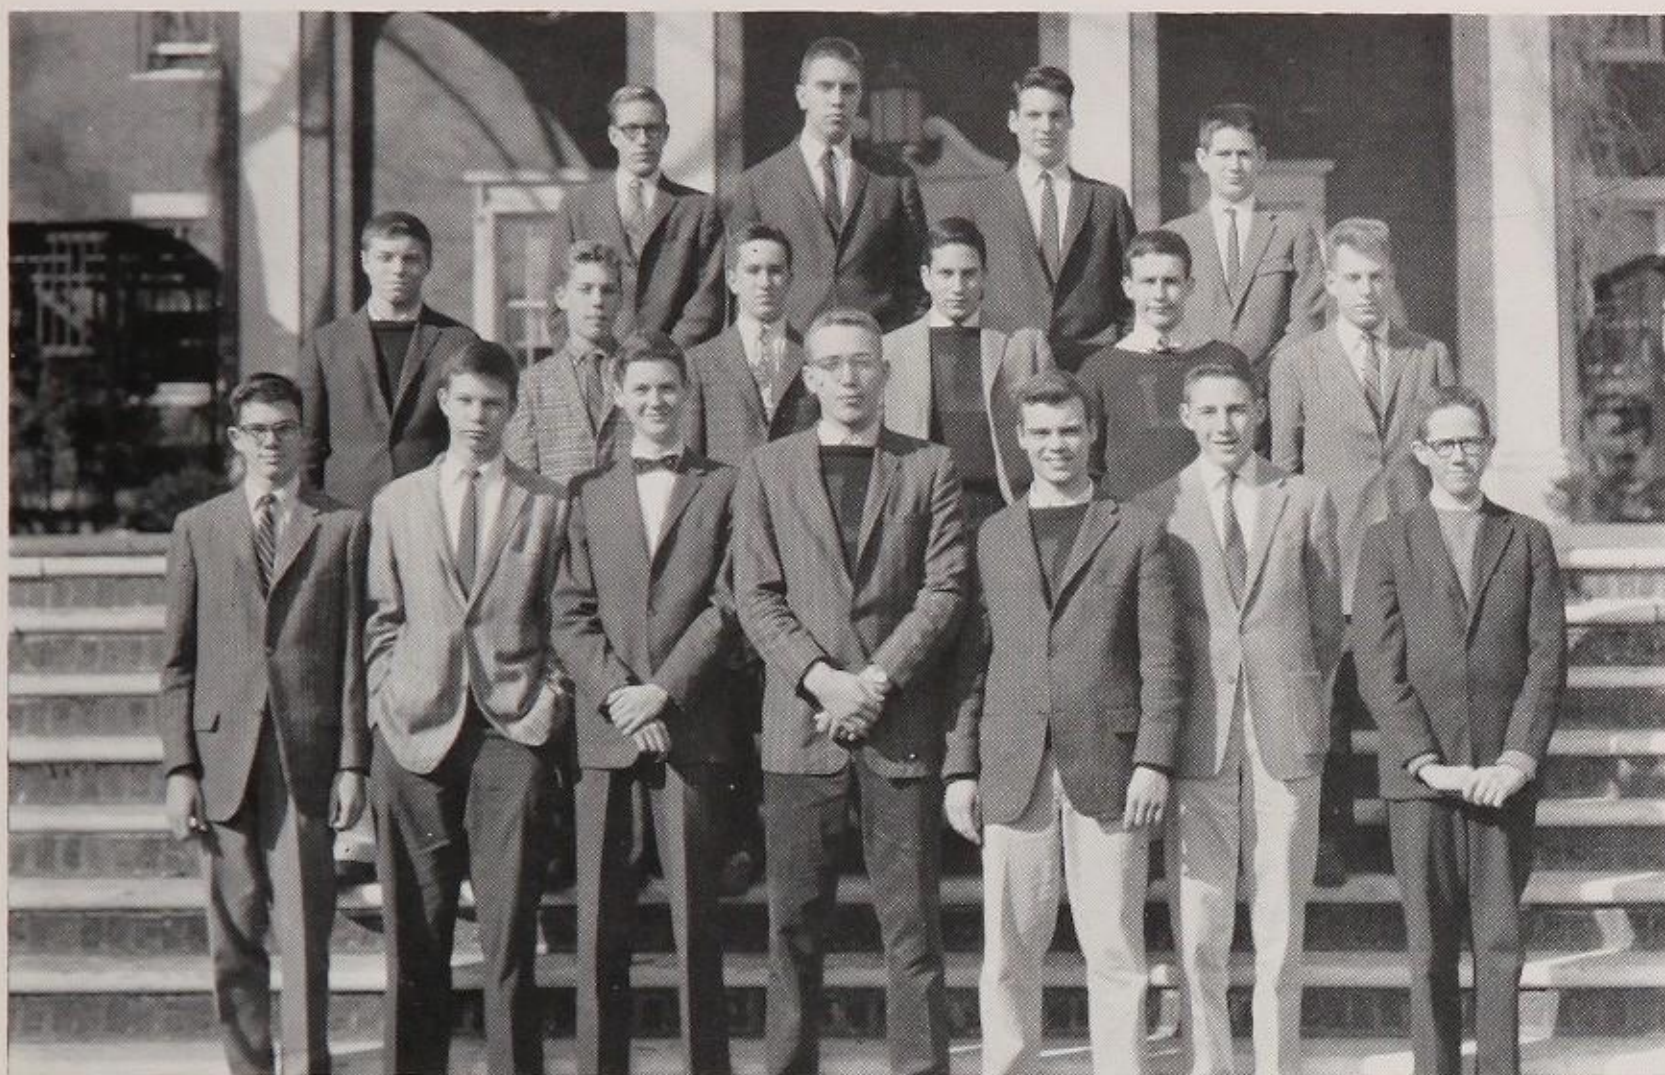

FOR the past two years the Concert Club has been a particularly active organization. Yet this year's club has increased its activity, with the result that the club has come closer than ever to its main objectives of stimulating interest and enthusiasm for classical music.

Under the outstanding direction of Mr. Down and Del Harwich, the club's president, a new program of student participation was instituted in which musically gifted boys gave concerts. Two such Student Concerts were given in the fall and winter terms, and one special outdoor concert was given in the spring. To the delight of the whole school, the club also presented for the first time a Faculty Concert with several Masters working in their

favorite fields of music. The Sunday afternoon programs of recorded music were held regularly in the Alumni Study, instead of the Library as had been the custom in previous years. These sessions were preceded by brief but enlightening discussions of the selections to be played. During the year the club, either as a group or as individual members, attended concerts of the Philadelphia, Cleveland, and Trenton Symphony Orchestras, and saw "Macbeth" played at the Metropolitan. They also took several trips to Princeton's McCarter Theatre for special programs.

The excellent leadership of the officers and the spirit of its members was, in part, responsible for the great success the club enjoyed this year.

THE CHESS CLUB

THE Chess Club enjoyed a successful year under the leadership of Scott Skinner. Interest in the club continued to grow as the third year its latest attempt at reorganization passed by. The Chess Club is not a new institution at Lawrenceville. Twice before it had been founded, and twice before it had floundered. Pursuing the plan of ladder ratings and inter-school competition, the club seems at last to have built its foundation on rock rather than sand. Dr. Wade C. Stephens was the advisor.

The ladder system is a method of rating each member of the club. The scale ranges from 300 at the bottom to 700 at the top. Each week a new rating is posted in

Mem. Hall. Ratings are based on the relative won-lost record of members and were worked out by Scott from the records of the matches, also recorded in Mem. Hall. Under the ladder system a player with a low rating can make a monumental stride upward if he defeats an opponent with a higher rating.

One of the highlights of this year's action was the club tournament during the winter term. Prizes for the winners were two inlaid wooden chess sets. On the inter-school schedule were Princeton High School and Peddie. The club was fortunate in being able to hear Mr. Arthur Bisguier speak. Mr. Bisguier is one of the leading chess players in the United States.

Left to Right: First Row: Key, Bueno, Linker, Lundy, Loveman, Fehl, Harris, A., Solberg, Hale. Second Row: Schulze, Sternberg, Dale, Turner, Killen, Sills, Hudson, Ross.

THE ASTRONOMY CLUB

THE Astronomy Club is open to those students who wish to learn more about space and space exploration. Candidates seeking to become members must give a lecture on some aspect of astronomy. The Astronomy Club was at a loss for members and candidates this year, and thus had difficulty finding persons willing to give lectures to such a small group. The club nonetheless had an active year.

This spring the Astronomy Club built an observatory with the aid of an anonymous gift. It will be patterned after large ones such as Mt. Wilson and will have a rotating dome approximately twelve feet in diameter. Mr. Gifford Havens, the club's

faculty advisor, hopes to get a silo dome for the purpose.

The beginning of the year the members assembled on the golf course early one morning at sunrise to watch an eclipse of the sun. Unfortunately, storm clouds were the only things visible to the disappointed gazers. Other projects were more successful. Movies about rockets and the sun were shown throughout the year. The telescope was used frequently and enabled the observers to track the movements of the stars.

The officers this year were David Loveman, president; John Lundy, vice-president; and Fred Fehl, secretary-treasurer.

60 Olla Podrida 60

Front Row: Left to Right: Adamson, Bartlett, Starrett, Levering, Evans, Nichols. Second Row: Mr. Bull, Hawkins, Overstreet, Miller, Unger. Third Row: Clark, Westman, Reiger, Barden, Stanard.

THE SKEET CLUB

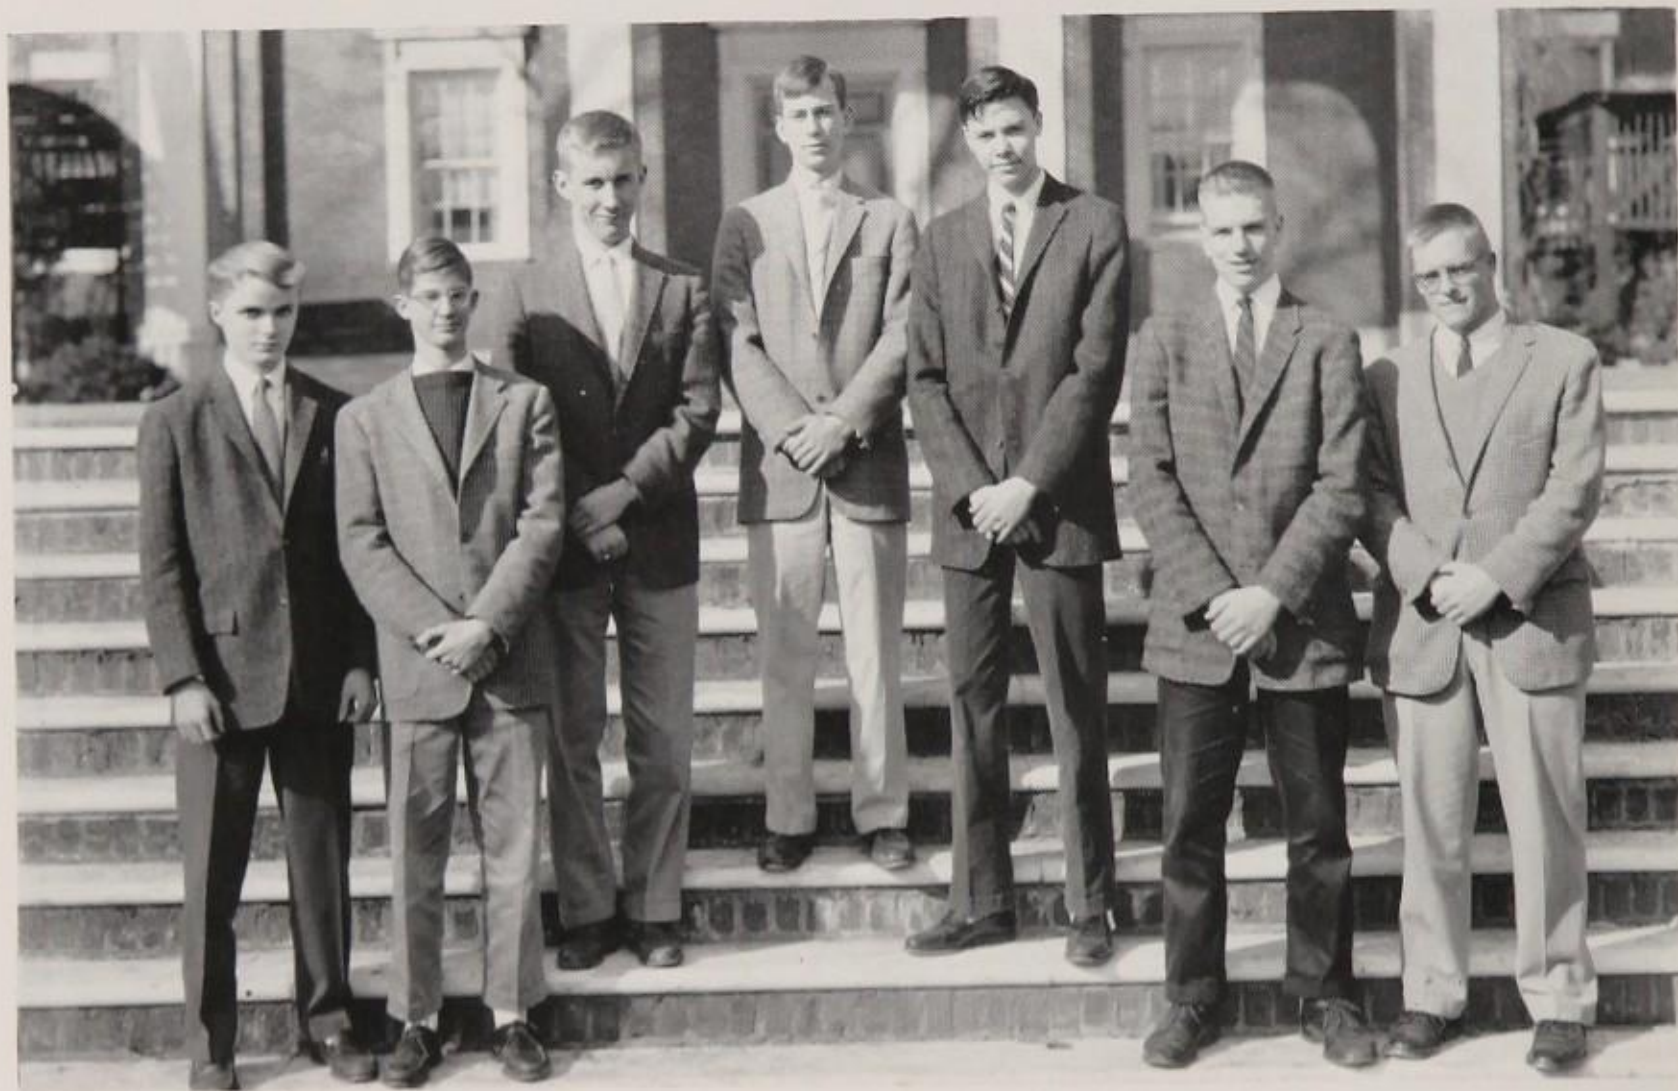

THE Skeet Club, founded over thirty years ago, is one of Lawrenceville's largest organizations. Expansion in facilities, activities, and membership marked another successful year. The many new and inexperienced members were given expert instruction and supervision by both professionals and club members. Through the club's affiliation with the National Skeet Shooting Association, the seventy members were able to obtain a standard rating and gain entrance in national tournaments. In addition, a trap shooting program was continued successfully in the spring after many improvements. Faculty advisers Mr. Bull and Mr. Howard did an

excellent job this year in handling all phases of the club. Commendable student leadership was given by president John Starrett; vice-president Ernest Levering; and directors Nelson Palmer and Mike Bartlett.

As a part of each year's program, members are given the opportunity to work on both the skeet field and its facilities as a part of their regular work program. This phase of the club's activity was highlighted by a complete interior repaneling of the skeet house. Both the appearance and workability of the range were generally improved by the commendable work and spirit of the club's members.

Three Hundred Five

60 Olla Podrida 60

Left to Right: Holt, Gamble, Shearer, Field, Turner, Franklin, Mr. Chapman.

THE ARCHERY CLUB

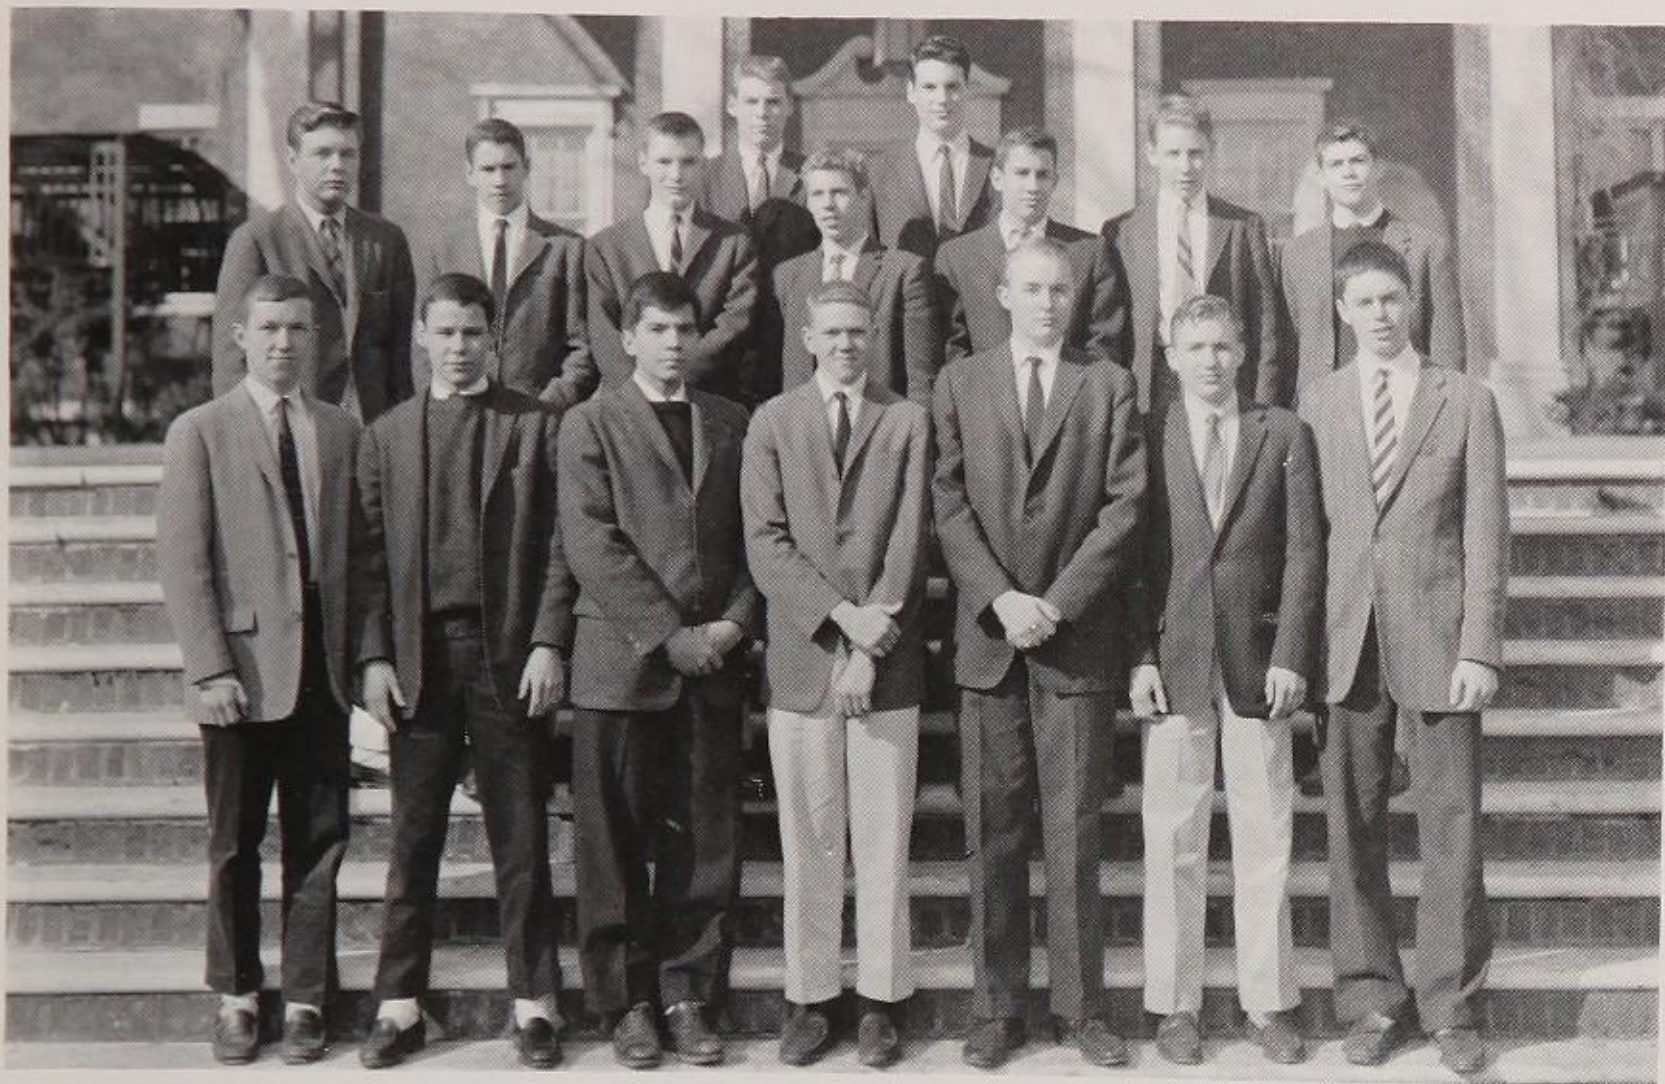

THIS year marked the second year the Archery Club has operated since 1954, when it was supervised by Mr. Brewster of Kennedy House. Mr. Alfred Chapman, master of the Davidson House and member of the Latin department, acted as the club's new faculty advisor. Link Field was president of the club, Art Shearer was vice-president, and Ken Turner was secretary-treasurer. There were about a dozen members who shot regularly on Sunday afternoons during the fall term. The club afforded its members an opportunity to get away from school for a while and spend a relaxing afternoon in the open.

During one of the first meetings in the fall, a professional archer, John Jackson, gave a demonstration in field archery. His

demonstration promoted great interest in field archery, which consists of shooting from varied distances at different targets. Subsequently, the club substituted field archery for target archery in its program.

During the winter term, the hay bales that the club used as backers for their targets were burned by vandals. However, the club's activity would not have been very great anyway because of the poor winter weather. The club resumed activity in the spring term, when the temperature was more conducive to outdoor relaxation. Mr. Chapman planned to take about ten of the club's best archers to a nationally famous target range at Washington's Crossing.

60 Olla Podrida 60

Left to Right: First Row: Brewster, Bower, Bueno, Unger, Huckle, Wade, Deutsch. Second Row: Noise, Hudson, Jardine, Parker, Slemmer, Patterson, McGowin. Third Row: Rahilly, Wakelin.

THE RADIO CLUB

THIS year the Radio Club has enjoyed another successful season. With the hope of helping members to obtain broadcasting licenses through stimulation of interest in various fields of amateur radio, electronics, and hi-fidelity, it provided a center for the construction of radio kits and equipment. Although it had a very slow start at the beginning of the year due to loss of tools, the club made considerable progress in its expansion program since its membership, close to twenty boys, was almost double that of last year. Even though contact with such distant locations as Saudi Arabia had been made, the club was limited in its transmission facilities and so, with the help of the Fathers' Association, there is hope that a new trans-

mitter will be purchased. However, the club does have a fine signal generator and test meter and standard test equipment, some of which was generously loaned by members of the student body.

During the course of the year, basic electronics theories have been presented in a number of lectures provided for the interest of the club's members. The lectures were given by faculty members and boys in the club who were well versed in the field of electronics. A number of field trips were planned, including visits to such places as the Bell Transmission Station, R.C.A. research laboratory, and station WPRB on the Princeton University campus.

60 Olla Podrida 60

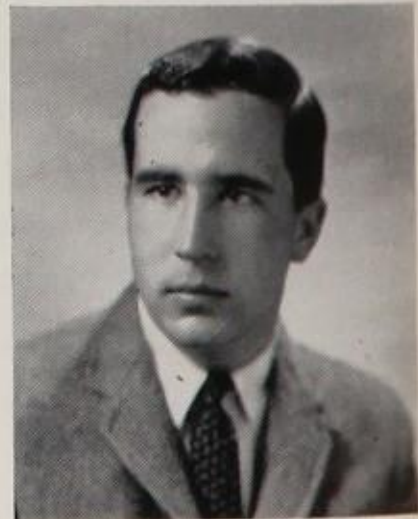

Left to Right: Smith, C., Balser, Wilson, E., Crossett, Crawford, Turner, Larsen, B., Luke, D., Lippert.

MUSICAL ORGANIZATIONS

THE musical clubs were characterized this year by a definite trend toward the performance of more modern works than ever before. This trend was stimulated to a great extent by the celebration of the 150th Anniversary of the School and by the ability of this year's various musical clubs to cope with relatively difficult pieces. The Glee Club, the Band, and the Choir contributed in this respect. In the Fall, the Band did much to spark Lawrenceville's football team to an undefeated season. From January to March the Glee Club Concerts provided many students with a change of pace in what otherwise would have been a dull term. The Spring Show Chorus was composed chiefly of Glee Club members. The Choir, which

performed throughout the year, was excellent.

Early in the Fall, Mr. Keller sent out the call for Glee Club candidates and, after careful selection, arrived at a membership of 69 boys. Practicing 45 minutes twice a week, the Club opened its concert

CO-LEADERS LIPPERT AND SMITH

60 Olla Podrida 60

season with the Dobbs School, the concert taking place at Lawrenceville. Everyone in the Glee Club was apprehensive over "Tarantella," a work composed by Randall Thompson, Lawrenceville '16, which took up almost all of the practice periods. Its difficulty lay mostly in the timing of the entrances. However, the Glee Club did a creditable job of "Tarantella" at the first concert, improving with each successive performance. Highlights of the evening were the rousing "Brothers Sing On" by Grieg, "Music Will Calm Thee," by Handel, "Ai, lucka, lucka" by Bartholomew, sung in the original ethnic dialect, and the provocative "Hernando's Hideaway"

by Adler-Ross. Larry Lippert, Brin Ford, and Brad Crawford sang solos in "Flow Gently Sweet Afton," "Passing By," and "Music Will Calm Thee," respectively. The Dobbs and Lawrenceville Glee Clubs participated in a dance before the concert, which was, as all the dances were, quite successful. In addition to the Dobbs School, the Glee Club had concerts with The Hartridge School, Beard, Shipley, Kent Place, and Baldwin. Unique this year was the absence of printed music at concerts, all singing having been done by memory. Different also was the addition of three folk-singers, Larry Lippert, Bill Dawes, and Borden Snow, who call them-

Three Hundred Nine

60 Olla Podrida 60

selves the "Villagers." The Glee Club went on the radio as a part of Mr. MacCellan's broadcast, singing "Sons of Lawrence" and "A Lost Farewell." Praise goes to manager Andy Godfrey, who handled the many complicated details which accompanied the concerts, and to Fred Fehl, whose piano virtuosity proved invaluable. Of course, the motivating force behind every performance was Mr. Keller. His composure in the midst of musical disaster carried the Club beautifully through the season. No one will ever forget his subtly hilarious remarks in practices and at concerts.

The Lawrentians, a select group of the nine best voices in the school, contributed

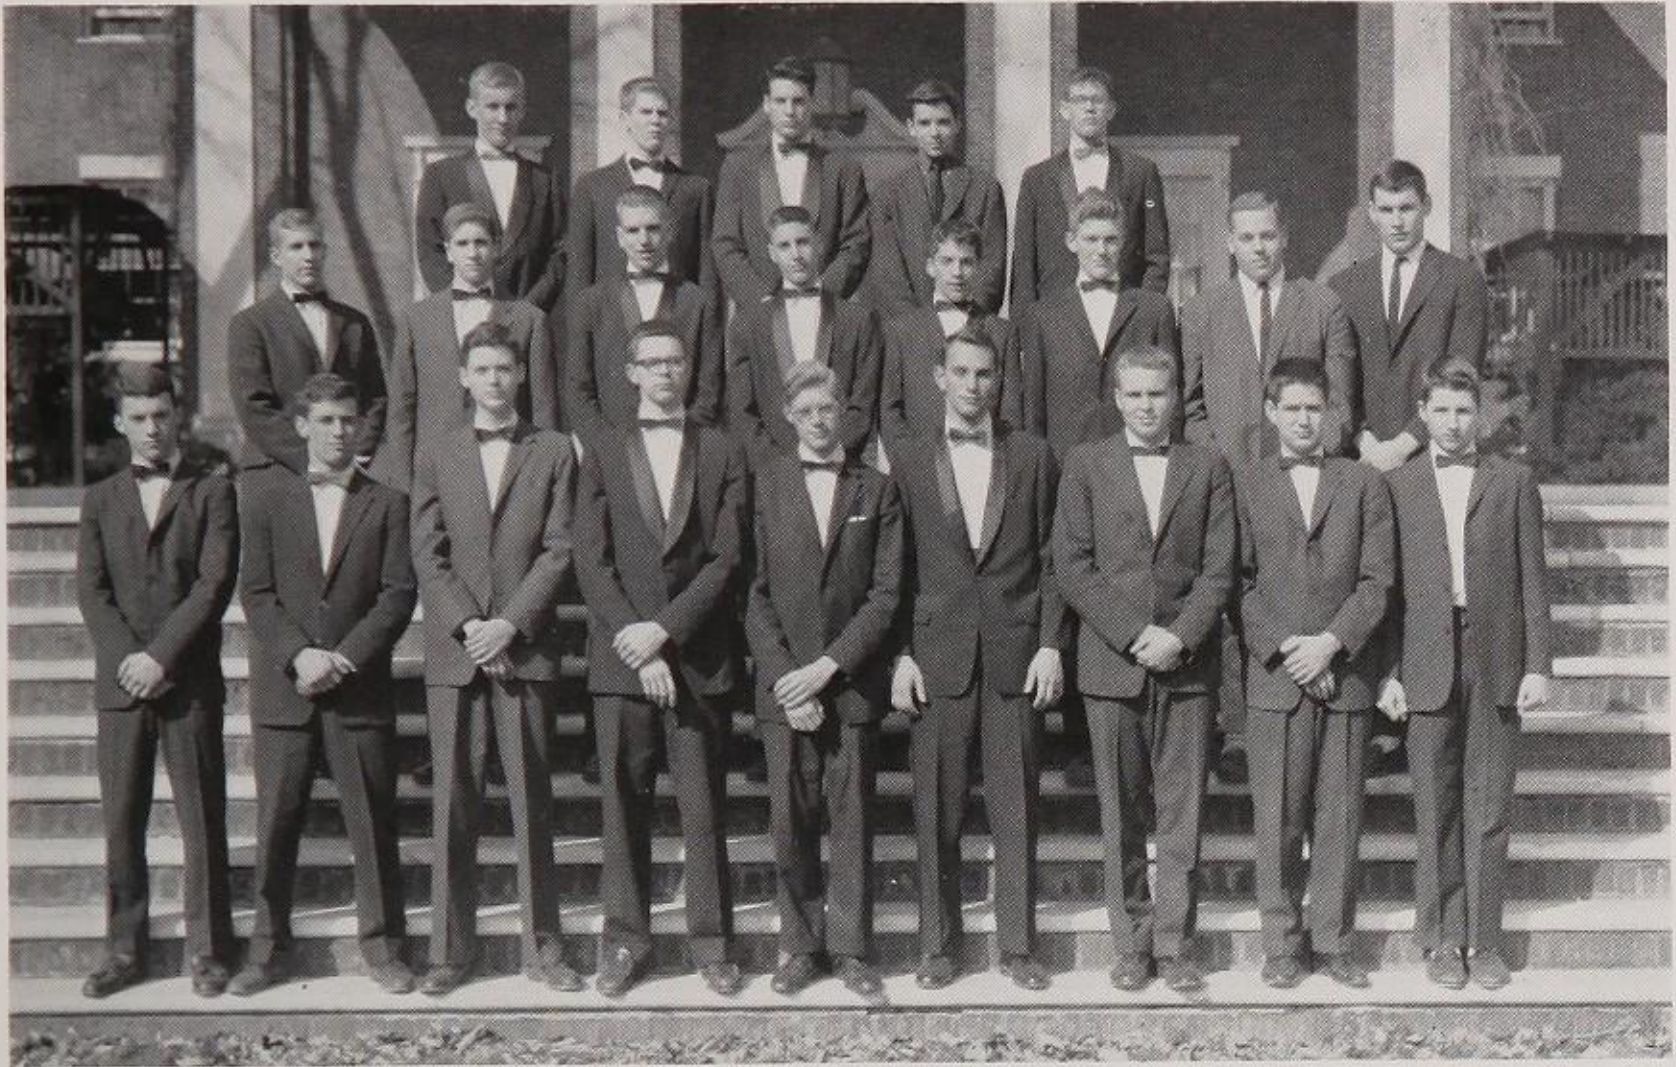

to the lighter, more humorous side of the Glee Club Concerts. With only four returning members, this year's group did a very commendable job. With "moanin'" Larry Lippert, "swinging" Nad Balser, and "pious" Doug Luke, the first tenors were unusually powerful, while "licorice-stick" Ken Turner and Allen "the blusher" Crossett, as second tenors, managed to keep the fans in good humor. "Brassy" Brad Crawford and Craig "sit down" Smith sang baritone. Earl Wilson handled difficult counterpoint passages with consummate ease, and Barry "the Lover" Larsen had the vibrant tremolo of a bass drum. The Lawrentians, aside from singing in all of the concerts, also did their share

in the Spring Show, and at the Prom.

The Choir, directed by Mr. Keller, is perhaps the most significant of the Musical organizations at Lawrenceville, since it plays a major part in every Lawrenceville Chapel service. Composed of approximately thirty boys, the best in the Glee Club, the choir sang an anthem at each Sunday Service. On many occasions in daily Chapel, the Choir not only led the sleepy school in the singing of hymns, but did most of the singing itself. The Carol Service on the night before Christmas vacation was one of the most memorable of Choir functions, as was the performance in the Chapel of Faure's Requiem by the Lawrenceville and Miss Fine's Choruses.

The Band, under the able and infinitely patient direction of Mr. Rolv Yttrehus, provided martial music for the spectators and the football team in the Fall, spicing the season for everyone. The Band also represented Lawrenceville in the annual Halloween Parade, marching behind large fire trucks, which led the parade of Lawrenceville Township children down Main Street. In return for this, Band members received well-earned donuts and apple-cider. During the Winter, Mr. Yttrehus led the Band at the Glee Club concerts, playing "Le Carillon," from "L'Arlesienne Suite" by Bizet, "Evening in the Country" by Bela-Bartok, and the always well received "Stars and Stripes Forever" by Sousa.

60 Olla Podrida 60

VARSDITY BASEBALL SEASON, 1959

THE 1959 baseball squad, although boasting five returning lettermen, Captain Ben Beirsto, Gage Andretta, Dean Pierson, Bob Bradshaw and Fred Frost, posted a poor record of three wins and eleven losses. Lack of luck and numerous errors contributed to the poor season. This slate did not seem to reflect the great potential of the team, which was the best in the past few years. Led by Captain Beirsto and Gage Andretta, an outstanding defensive star, the team fought well without losing any of its spirit and determination through heartbreak after heartbreak. The season provided suspense and thrills along with its heartbreaks. Two of the fourteen games went into extra innings, and five were lost by only one run.

A radical change was made in this year's coaching staff. Mr. Hult, after 25 years as head coach of the Lawrenceville squad, was replaced by Mr. Reydel, last year's J.V. coach. Mr. Weeden, a former catcher at Princeton, became a new member and handled the batteries with particular attention to the catchers. Mr. Schonheiter resumed the same position as before, coaching the outfielders.

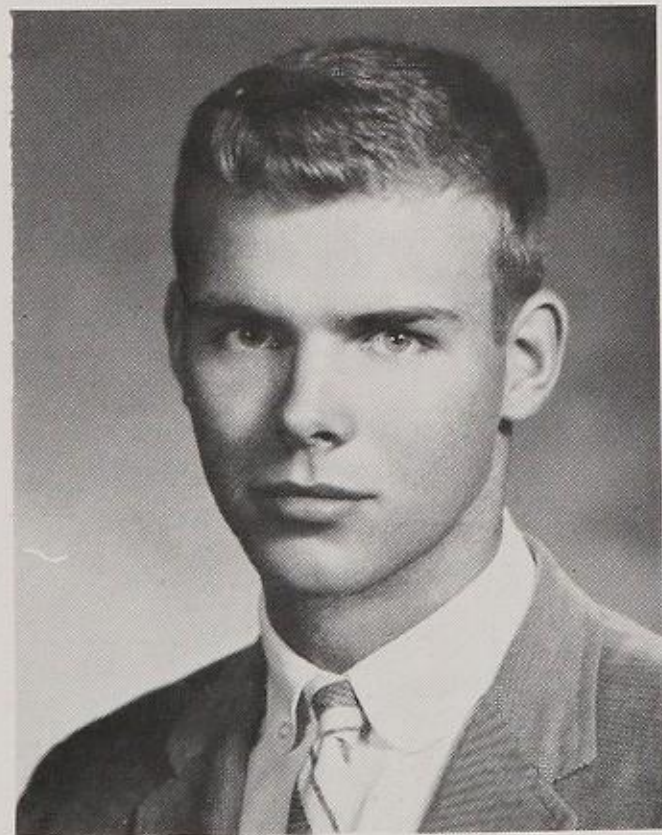

In the opening game the Lawrenceville varsity lost to Trenton High 7-0. Trenton capitalized on six Larrie errors to score four unearned runs. The speedy visitors also took advantage of the home errors to grab a total of 16 extra unearned bases. Lawrenceville's failure to hit well also contributed to the loss.

The team then had its winning streak of three games. With Bill Broll on the

mound it defeated Haverford 5-1. Frank Bunch then pitched a 10-1 victory over Peddie. Bill Broll once again took the mound and led Lawrenceville to its third and last victory by defeating Blair 11-9.

Next, the Princeton Freshmen handed us a 15-8 loss. Lawrenceville fought Trenton Catholic Boys' High School to a 3-3 deadlock, but three runs by Trenton in the eleventh inning ended the game at 6-3. Though managing to stay even with a strong Lehigh Freshman team for five innings, Lawrenceville was soundly defeated 13-3. As in its previous outings, the Red and Black was plagued by errors, eight this time. Gage Andretta's fielding and Bob Bradshaw's hitting were superb.

Then came the heartbreaking one-run defeats. The Ridgewood High School game on Prom Weekend was a very tight pitcher's duel as Bill Broll fought admira-

CAPTAIN BEIRSTO

60 Olla Podrida 60

COACH REYDEL

bly for us, but wasn't able to come up with a win. The Princeton High School game was another very close one, but the Larries ended up on the short side again, 4-3. Lawrenceville was nipped 5-4 by the Hill School before the Hill Alumni Day crowds. Although it was the Larries sixth straight loss and their third loss by one run, Bill Broll pitched outstandingly for eight and two-thirds innings. He allowed only six hits and struck out nine batters while third former Jock Hannum collected two hits, a home run and a single.

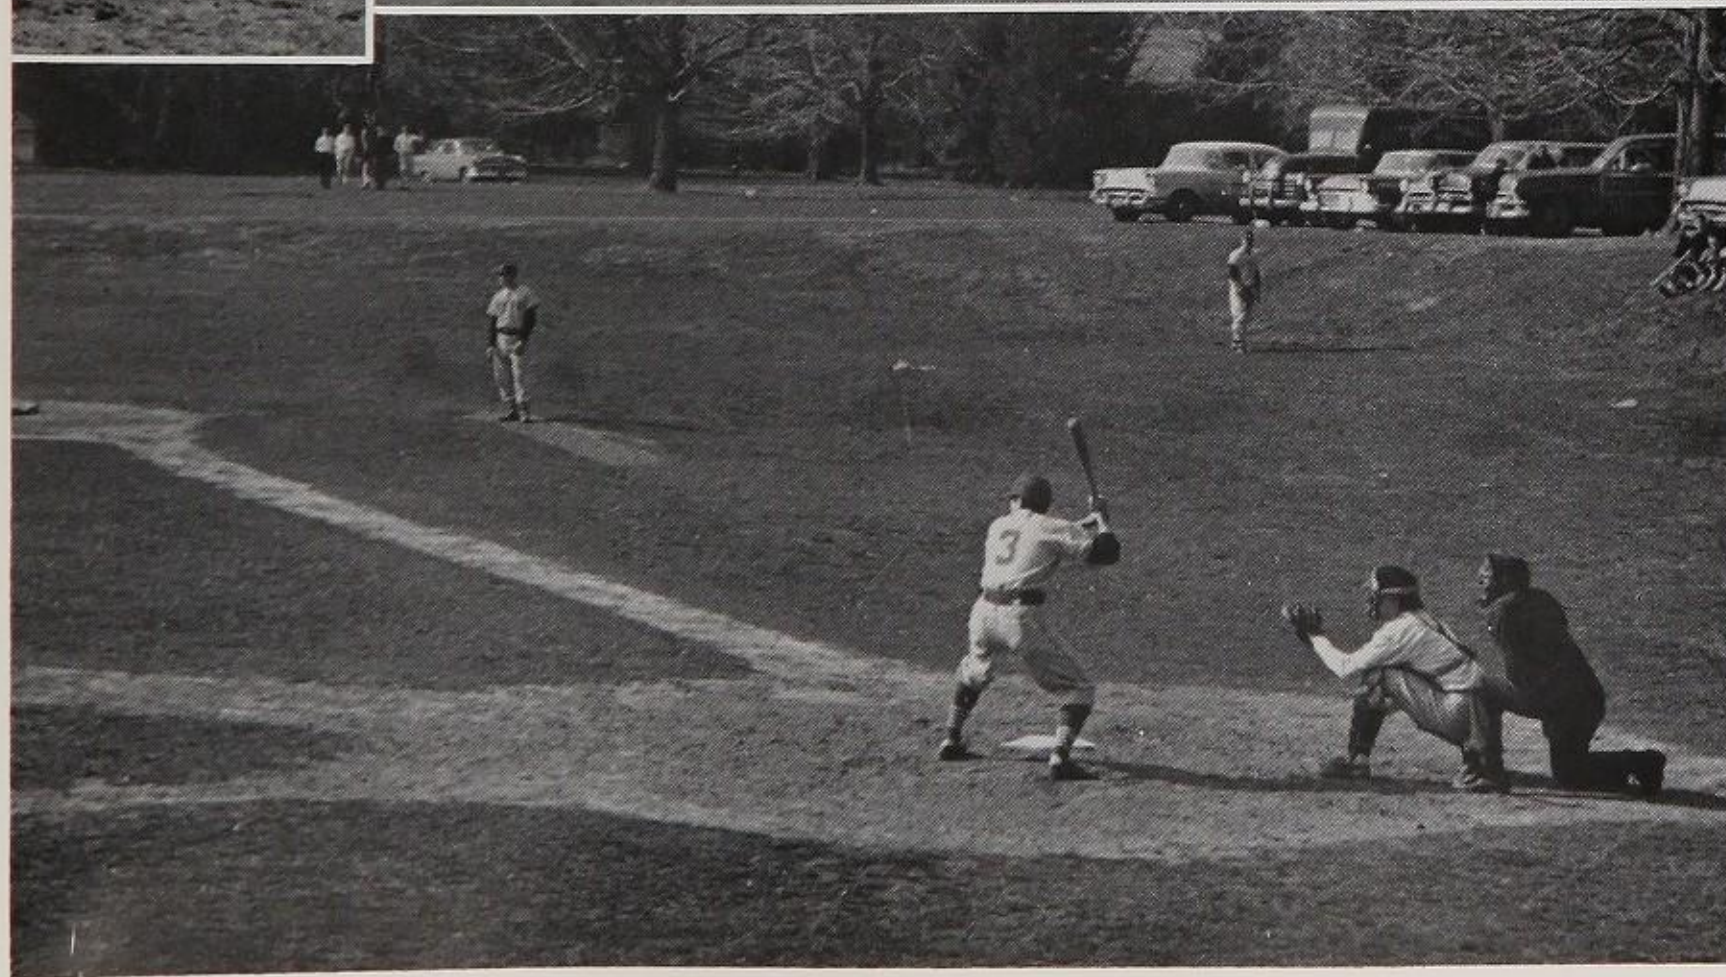

The George School game was halted and postponed because of rain. On Alumni Day we lost again to the Hill, 8-4 in a fourteen inning game. This game will be remembered for years by alumni and students alike as one of the greatest Lawrenceville has ever seen. The score was tied 3-3 in the ninth and 4-4 in the eleventh as Jock Hannum blasted a home run to tie the one run which Hill had just scored. Hill clinched the game in the fourteenth with four tallies. Very much depressed by

the Hill encounter, the Red and Black suffered an 8-1 defeat from George School two days later.

Weak hitting, inconsistent fielding, and an array of strong high school and freshman teams all contributed to the long losing streak. Hannum's .294 batting average with two home runs, a double, and a triple paced the team's hitting. Pierson and Barbour had .259 and .250 respectively. Bill Broll and Frank Bunch did most of the pitching. Dave Solosko, Glenn Mason, Willard Korn, and Mason McGowin saw occasional action. Jock Hannum, captain-elect, started at catcher and was backed up by John Battin. Jock was awarded the Jackson Weeks Osborne baseball prize for his effort. Pete Wardenburg on first, Bob Bradshaw on second, Gage Andretta at shortstop, and Dean Pierson on third were the regular infielders. Ben Beairsto, Bill Barbour and Bob Legler, with Woody Hess and Dick Winickoff filling in, patrolled the outfield.

VARSITY GOLF SEASON, 1959

THE trend this season was one of consistent fine performances by all members of the team which, of course, led the squad to victory in nine out of ten matches. The only mar on this outstanding record came at the hands of the Princeton Freshmen who just managed to emerge the victors by a slight margin of 4-3. One consolation for this loss is the fact that one of the Tiger victories was obtained by Dorsey, who was a former student at Lawrenceville. In a previous match, though, the Red and Black scored a decisive victory over this same team by winning seven out of seven matches. Mr. Heyniger, the able coach, accredits these two results to the fact that the Princeton win came on their own course and they had the benefit of local knowledge.

The team was well captained by Clark MacKenzie, whom Mr. Heyniger described as one who "lived and breathed golf." During MacKenzie's two years as captain, he developed into one of the finest if not the best golfer the School has ever seen. The only competition he received came from the Hill captain, Symonds, and because of this a personal rivalry developed between the two. Unfortunately, Symonds has been able to emerge the victor for the past two years in the Easterns, but in the dual matches between Lawrenceville and the Hill, Clark has been 2 up and 1 down. This all is made insignificant by Clark's outstanding achievement while representing Lawrenceville in the state championship, which was held at the School. His score of 66 tied the School record held by Norbury, who was captain of University of Pennsylvania's golf team last year.

Pres Seckel was also a great factor contributing to the team's string of victories last year. For ten matches, Pres defeated his opponents in eight. It is pleasing to note that two of these victories were at the expense of Hill, when we won 6-1 and 5-2.

The Lawrenceville team of MacKenzie, Seckel, Chapin, and Kelsey easily took the State Championship with a mean score of 71.5. This is an average of a 66, 69, 74, and 77 turned in by the players respectively, and set a new state record. Bill Chapin, captain for this coming year showed himself more than worthy of this position. At last year's end he had been undefeated for seventeen matches. His victories have ranged from 10-8 to 2-1. He also has the distinction of having tied the school course record of 66, but unfortunately it did not come during official competition, so he will have to wait till next season to have his name inscribed in the record book. Golf

CAPTAIN MACKENZIE

Three Hundred Twenty-five

60 Olla Podrida 60

COACH HEYNIGER

seems to run in the blood of the Chapin family, for his father was the captain in 1930 and 1931. A rivalry has developed between Kash of Peddie and Chapin, which now stands one and one in competition. They will meet this year for the decisive match as captains of their respective teams.

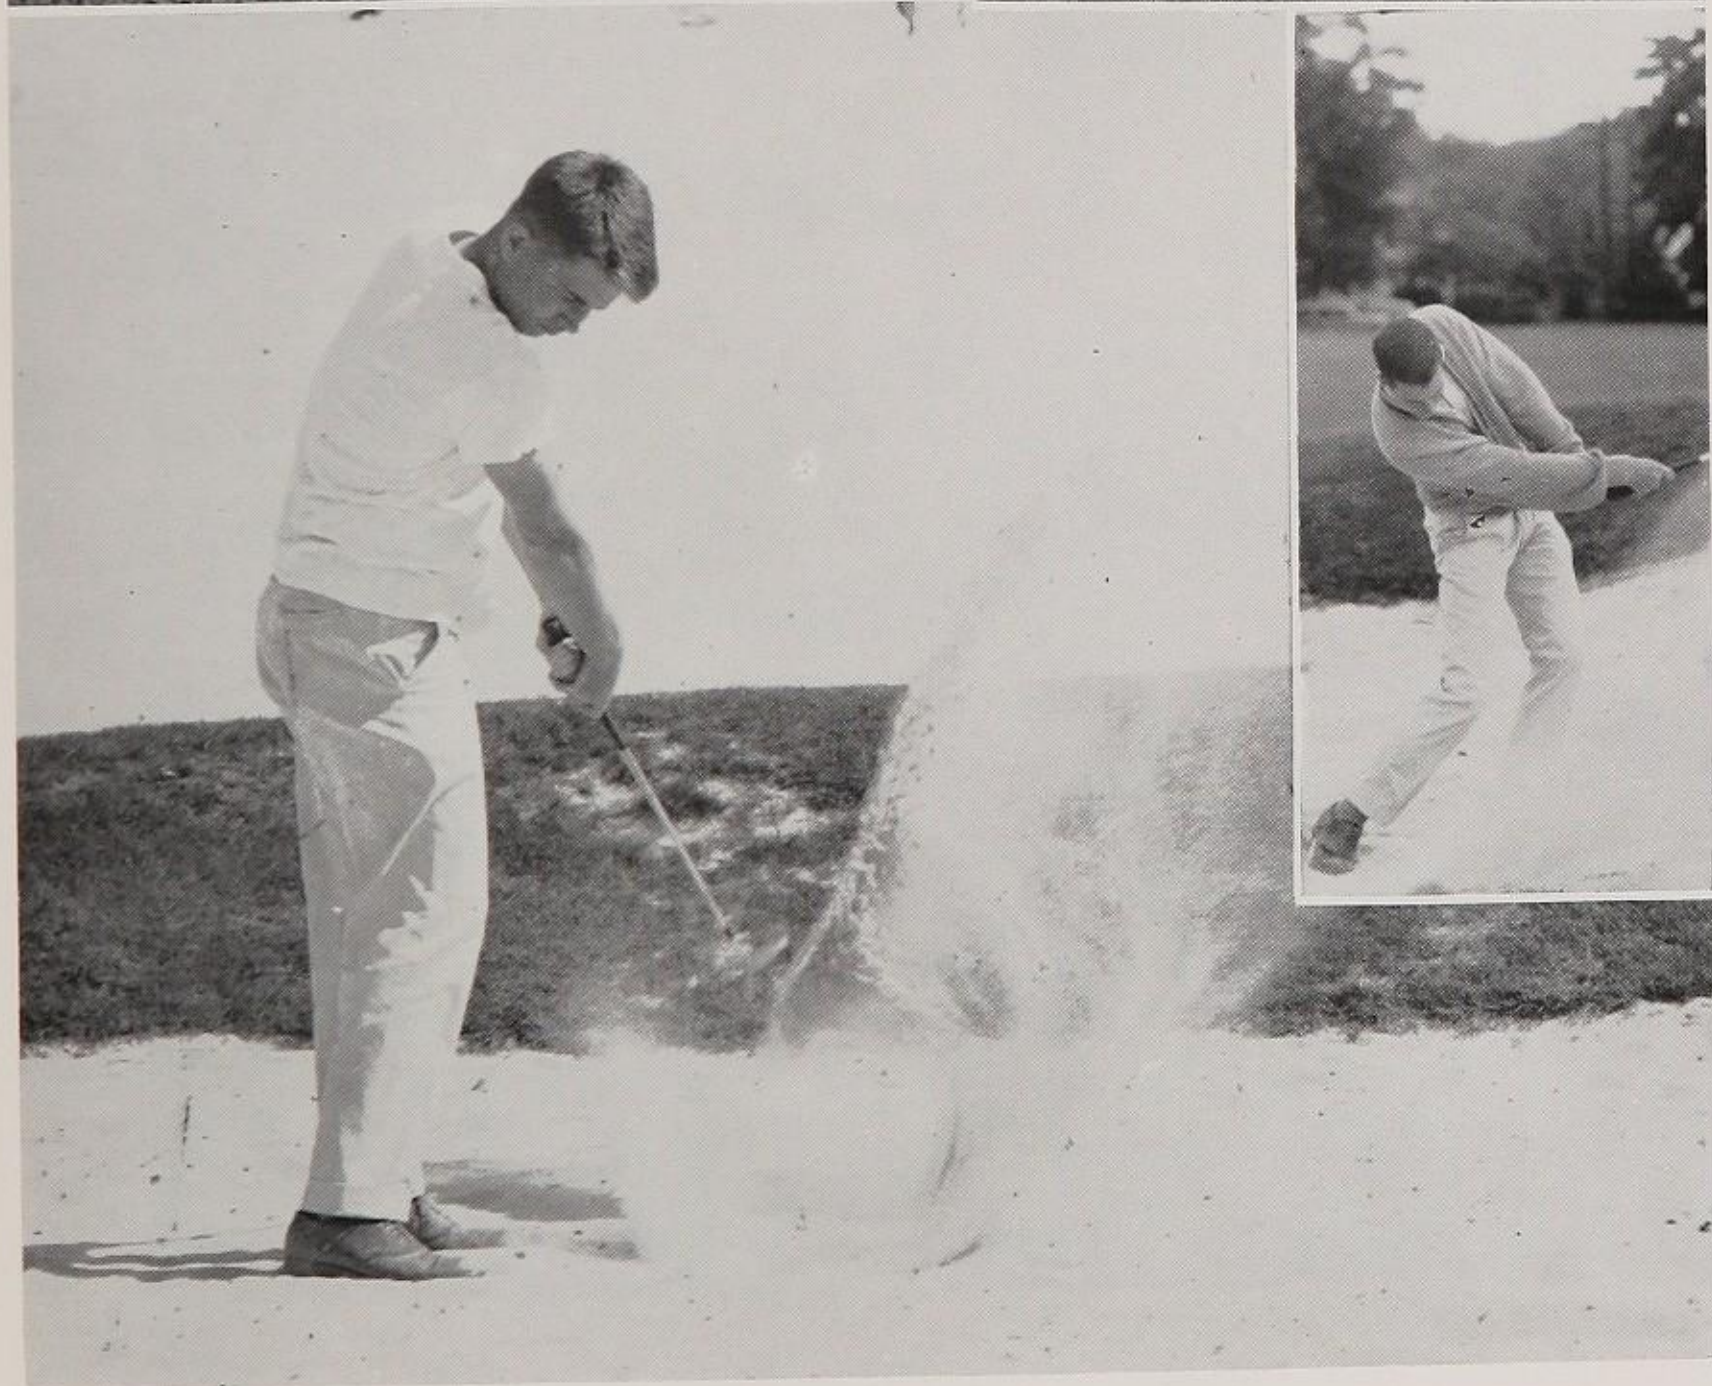

Jan Sternberg also went undefeated this past season. His outstanding achievement was his victory in the Easterns at the Greenwich C.C. with a score of 71. He received much support from Chapin and MacKenzie who followed in second and third places respectively. This, of course,

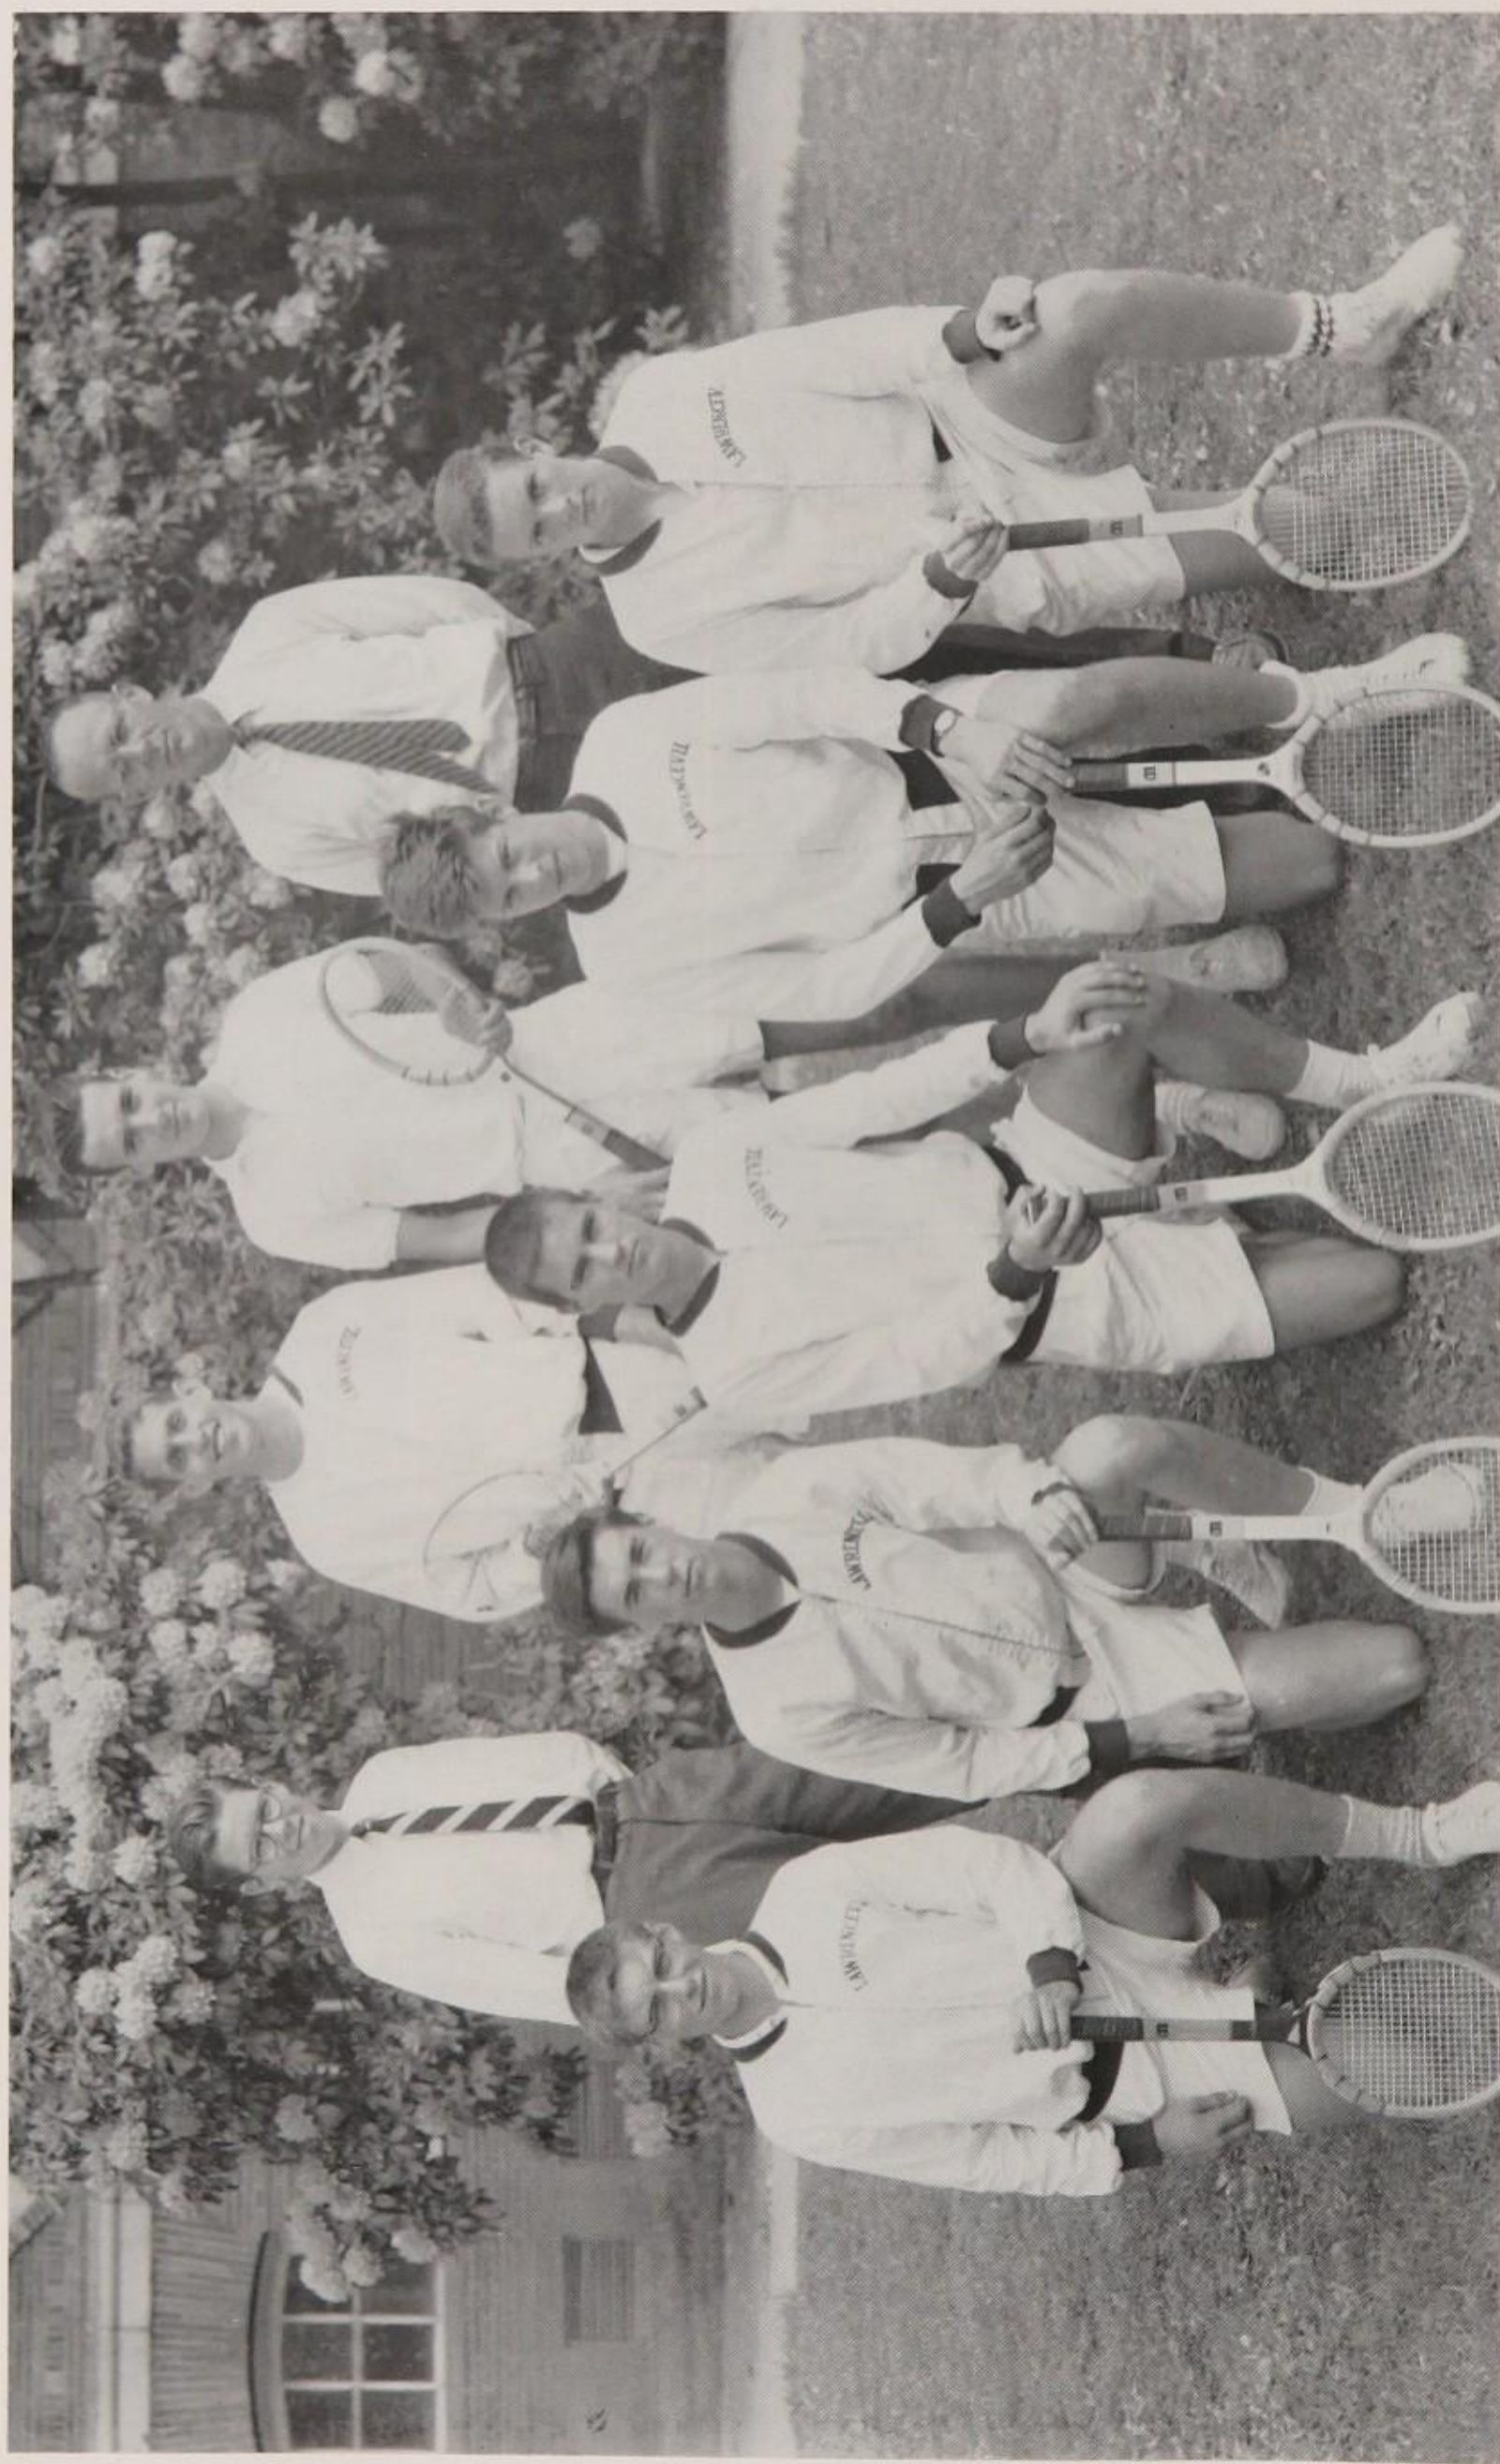

secured an easy victory over Peddie, who came in second. Since Peddie was defeated twice in dual competition by Lawrenceville, it is fair to say that Lawrenceville was definitely the best team in the east.

The fine record of the team naturally reflects the diligent coaching job of Mr. Heyniger. He has had a successful career in scholastic golf competition both here and at Princeton, where he was champion during 1941. One of last year's players said that besides Mr. Heyniger's influence on the golf course, he also keeps up the morale of the team with a "banquet" after each match. When asked his sentiments about last year, his reply was, "Delightful season."

60 Olla Podrida 60

VARSDITY TENNIS SEASON, 1959

LAWRENCEVILLE retained its state private school championship in the Eastern Interscholastic Championships. The team was led by Captain Alex Champion, and he, along with two others, Dave Edwards and Jack Luetkemeyer, were the only returning lettermen from last year's squad.

Playing consistently sound tennis, the netmen had a good season, winning five and losing only four. The fact that they had lost their four top men from last year's squad also adds to their fine record.

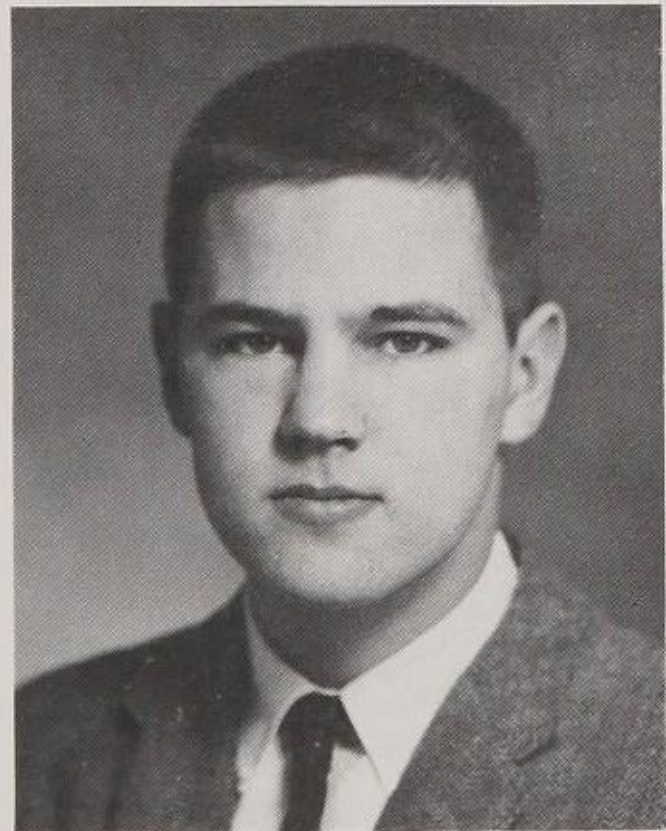

The first match was played against the Penn Freshmen. Lawrenceville came out on top by a score of 7-2. Dave Edwards, Jack Luetkemeyer, John Stein and Steve Bush all won their singles, and this plus three doubles wins gave us the victory. In the next encounter, we blanked Peddie 9-0 with everyone winning in straight sets.

However, the undefeated streak was broken when the netmen travelled to New Haven for an away match with the Yale Freshmen. They met a very strong team, and John Stein and Steve Bush were the only ones able to cop wins. The next two matches, which were back at home, saw a spirited team retaliate from the setback at Yale to overcome Blair and Pingry 9-0 and 7-2.

Then, after the scheduled meet with the Princeton Freshmen had been delayed because of the rain, the netmen travelled to Hill. Here they got off to a good start with Luetkemeyer, Dial, Bush and Stein all winning their singles. Having four wins, we needed only one of the three doubles for victory, but our determined opponents rallied strongly and took all three of them

to deny us the triumph. Thus the Hillies came out on top in our first encounter of the year by a score of 5-4.

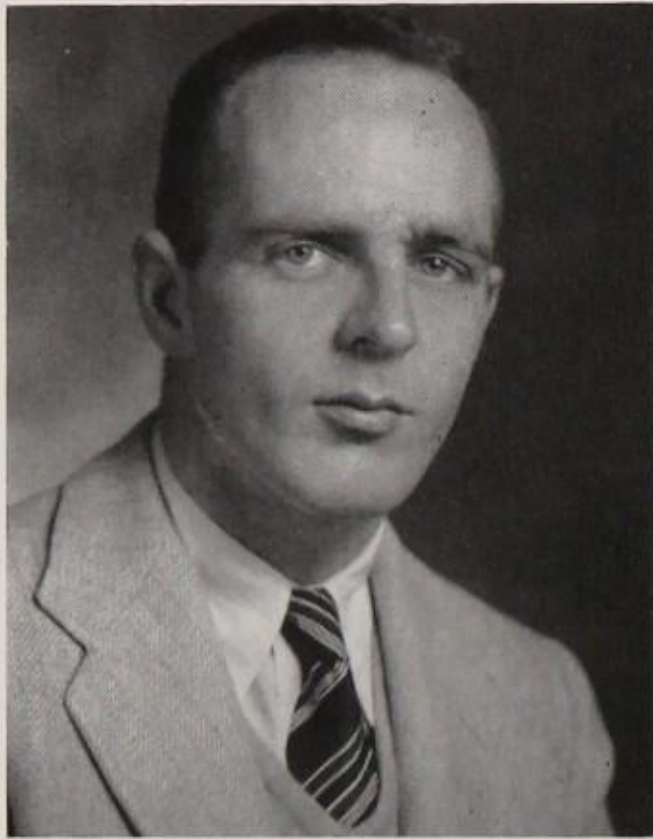

A few days later, however, when the Hill came here for a rematch on Alumni Day, the tables were turned, and our visiting Lawrentians saw one of the most exciting matches of the year. An inspired Lawrenceville team took to the courts and the contest got under way. In the number one singles, Frank, Hill's captain, beat Edwards 6-4, 6-4, while in the number two singles, Luetkemeyer beat Steman in a close three-setter. The action went back and forth like this until the score finally stood tied at four matches apiece. It all hinged on the last doubles match. The players were equally good, and as the play progressed, it became clear that the team which could best stand up under pressure would triumph in the end. Neither side could gain a decisive advantage, and at the end of two sets the score stood tied. As

CAPTAIN CHAMPION

Three Hundred Twenty-nine

60 Olla Podrida 60

COACH GAINES

the tension mounted, our team, Stein and Bush, began to edge ahead to an early lead in the third and final set. All at once, however, Hill, with a barrage of strong serving and sharp volleying, started to come back. Even so, our team managed to hold on to the lead and win the match for a thrilling climax to a successful day.

Following this, though, the Larries ran into a lot of trouble when they met the Princeton Freshmen. Princeton's team was made up largely of our last year's undefeated varsity. Drayton Nabers, who was our captain the year before, played number

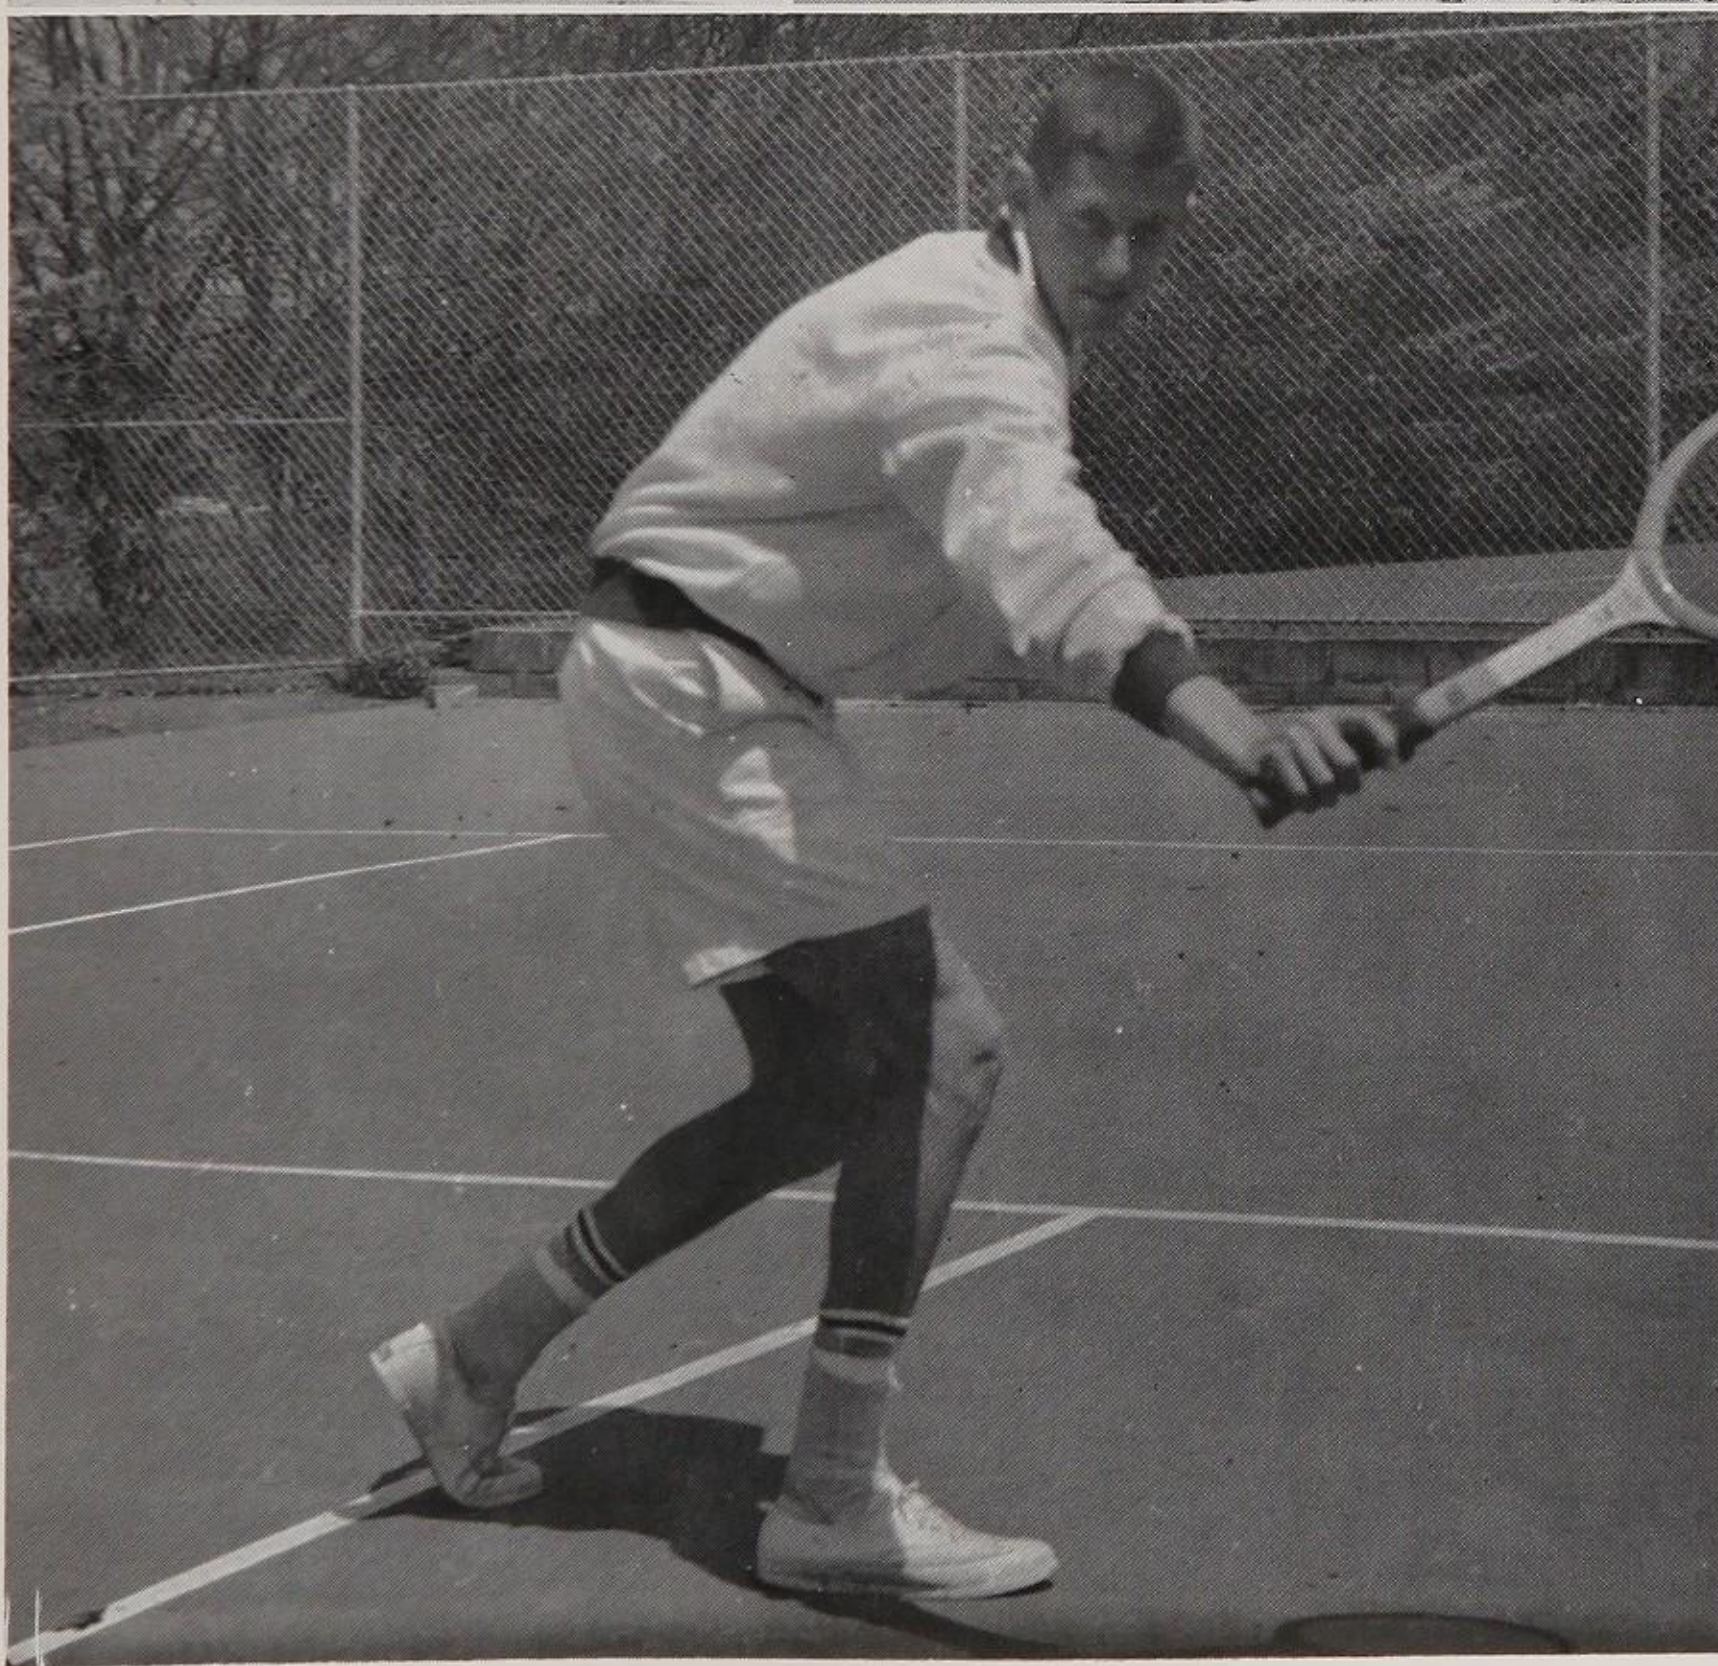

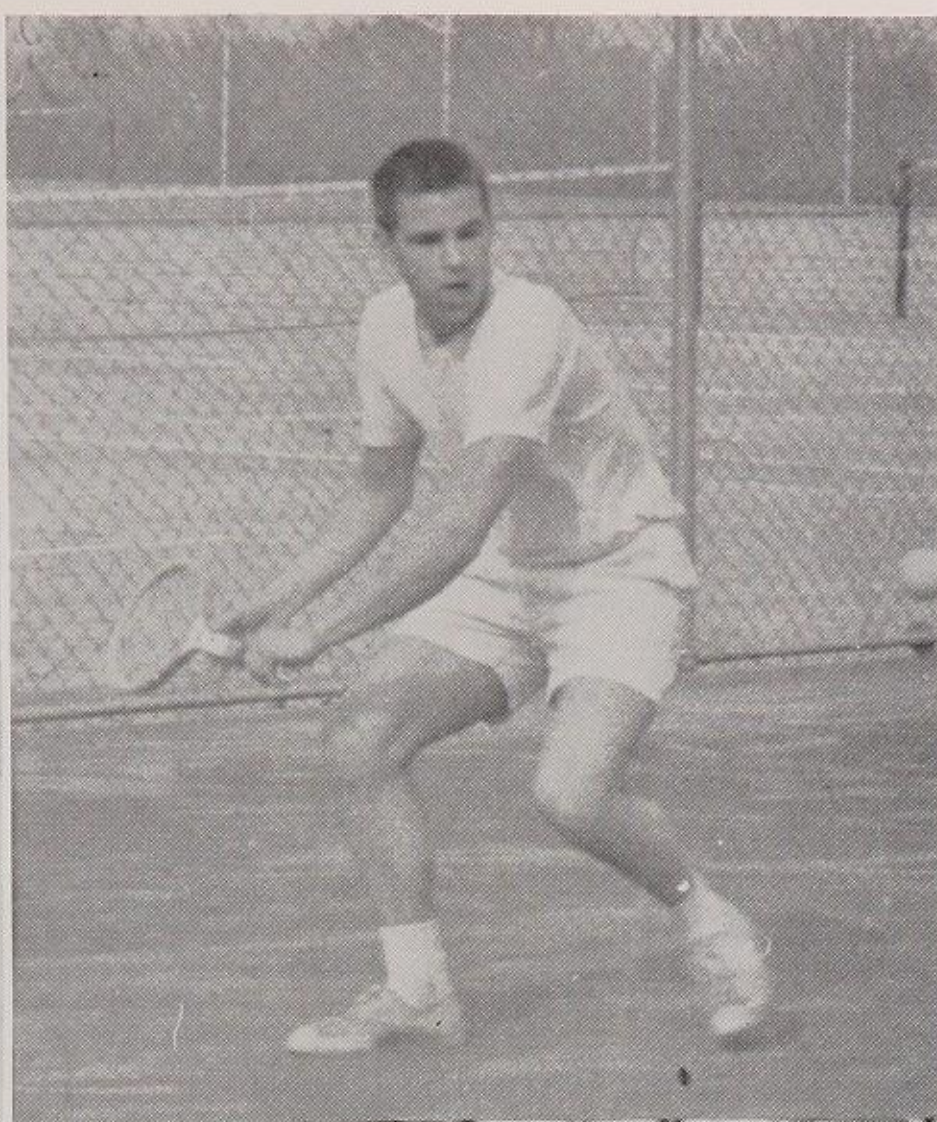

one, and Dick Baldwin and Sandy Ackley, who had also been our mainstays in the previous year, all ganged up to rout us 9-0.

On the next day, when the netmen went to Choate for the last match of the season, a similar fate was in store for them. Choate had a strong team, headed by the eleventh ranked boy in the country, Curtis Meyers. They had a great deal of depth too, and Lawrenceville was able to win only two matches. Edwards defeated Peckham 7-5, 3-6, 6-3 for the only singles win and Hannas and Dial salvaged the only doubles.

Coached by Mr. R. L. Gaines, this year's varsity showed great improvement, and in spite of the fact that almost everyone was new and inexperienced, the team came out with a record of more wins than losses for a successful year.

60 Olla Podrida 60

VARSITY SPRING TRACK SEASON, 1959

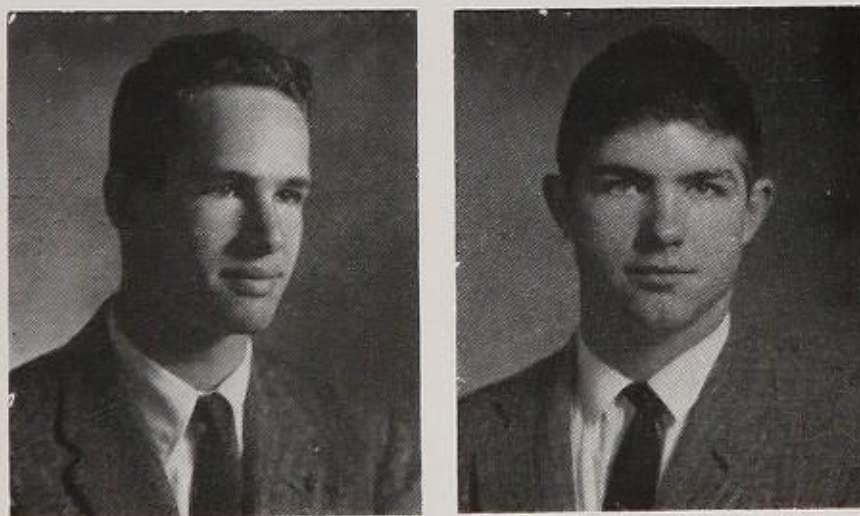

IF a team can be measured by the number of points it scores, this year's team was certainly one of the best. Undefeated in four dual meets and overwhelming the rest of the field at the state level, the Larries earned the reputation of being unbeatable, without a doubt the supreme compliment. Rolling up scores like 70-47, 96-21, 79-38, 71½-45½, we convincingly outclassed our rivals.

Much of the squad's success must be attributed to Mr. Poreda's competent and capable coaching. Russ Fries and Dave Monroe, the co-captains, supplied much admirable leadership, in addition to laudable performances in the field.

Individual performances indeed prove the scores not to be an exaggeration. Although it is not uncommon for a team to enjoy an exceptional day, complete dominance of a series of events is rare. And yet this track team dominated the field events. Dave Munroe, the shotput-wizard, garnered first place in all our regular meets, placing second in the state meet. In the St. Benedict's meet, his toss of 51'6" broke the existing school record by 1'¾". However great his feats, Dave minimized the team's accomplishment not in the least. The javelin trio of Beckley, Campagna, and Jordan proved itself too powerful for our opponents. Swapping first places, these three often passed 175 feet, Jordan once reaching 178 feet 11 inches. Beckley, not to be outdone, captured the state championship. Nor was he an isolated case. Doug Graybill, making a habit of outjumping everyone else, followed suit. Though he did not enter the

charmed circle of six-foot jumpers, he did come close. Several jumps of five feet eight inches evidenced promising potential. Most of the time, Gordon Kraft threw the discus farther than anyone else; and when he didn't, Scott Skinner did. Grabbing first place in the Blair, Hill, and St. Benedict's meets, this duo contributed handfuls of points. In addition, Skinner earned a silver medal in the state meet. Sky-scraping Paul Yost, successfully performing in the pole vault, usually came up with first place. Leaping 11 feet at times, Paul swept triumphantly through the four regular season encounters. At the state meet, not to be denied, he outvaulted all his adversaries, picking up a gold medal on the way. Kangaroo-like Russ Fries cornered first place on three occasions, and at times he broadjumped over twenty feet. Even the non-winners performed admirably and creditably. Our field men exhausted the opposition, leaving our sprinters to complete the subjugation.

In the running events, which were not our forte, we were undoubtedly strong. Our weaknesses seemed to stand out only

CO-CAPTAINS MUNROE AND FRIES

Three Hundred Thirty-three

60 Olla Podrida 60

COACH POREDA

because the field men were so unstoppable. In the 100 yard sprint Bill Evans excelled. Since his time averaged just over ten seconds, Bill was usually first to arrive at the finish line. Apparently he found the 220 yard race to his liking, too, as he galloped away twice with first place. Manifesting his fine versatility, Bill also, at the state meet, copped a gold medal in the low hurdles. During the regular season, however, Doug Luke dominated this event, claiming victory in the Blair and Hill conflicts. Ubiquitous Russ Fries mastered the high hurdles, raking in three first places. He then crowned his efforts with a crucial victory in the state meet. Even though we could not produce a winning quarter-miler, Jim Long ran commendably, twice just falling short of first place. Since we possessed long-winded and rapid runners in Fred McCashin and Bob Bedford, we were almost invincible in the 880 yard and mile races. In the half mile

McCashin snared three victories, finishing with times of just above two minutes. First pacing and then outkicking his rivals, Bob Bedford won the mile race three times. With his times of 4:53.8, 4:47.5, and 4:45.5, he left his opponents lagging behind him in exhausted bewilderment.

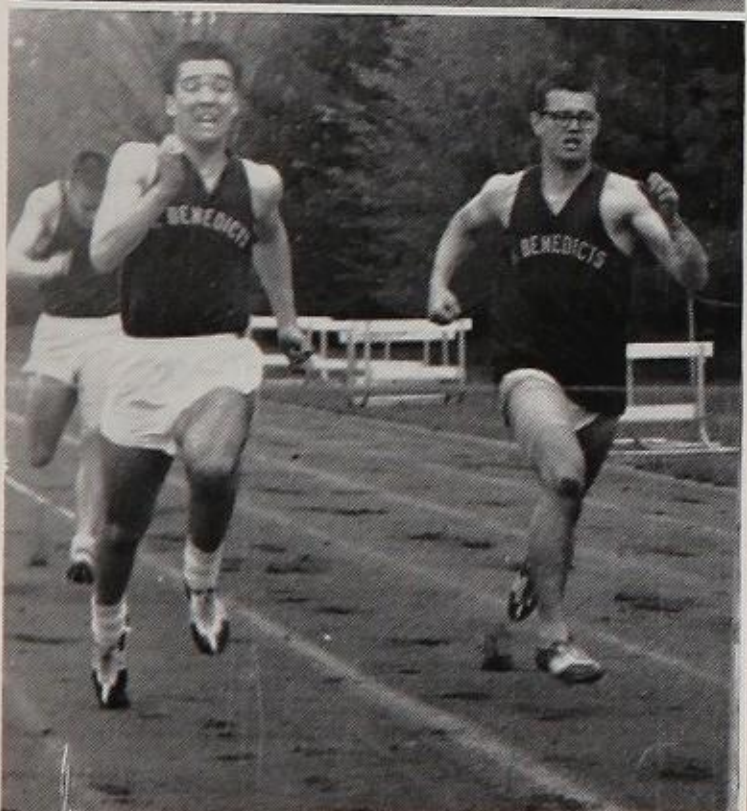

All the cindermen turned in spirited, swift, and—most important of all—winning performances.

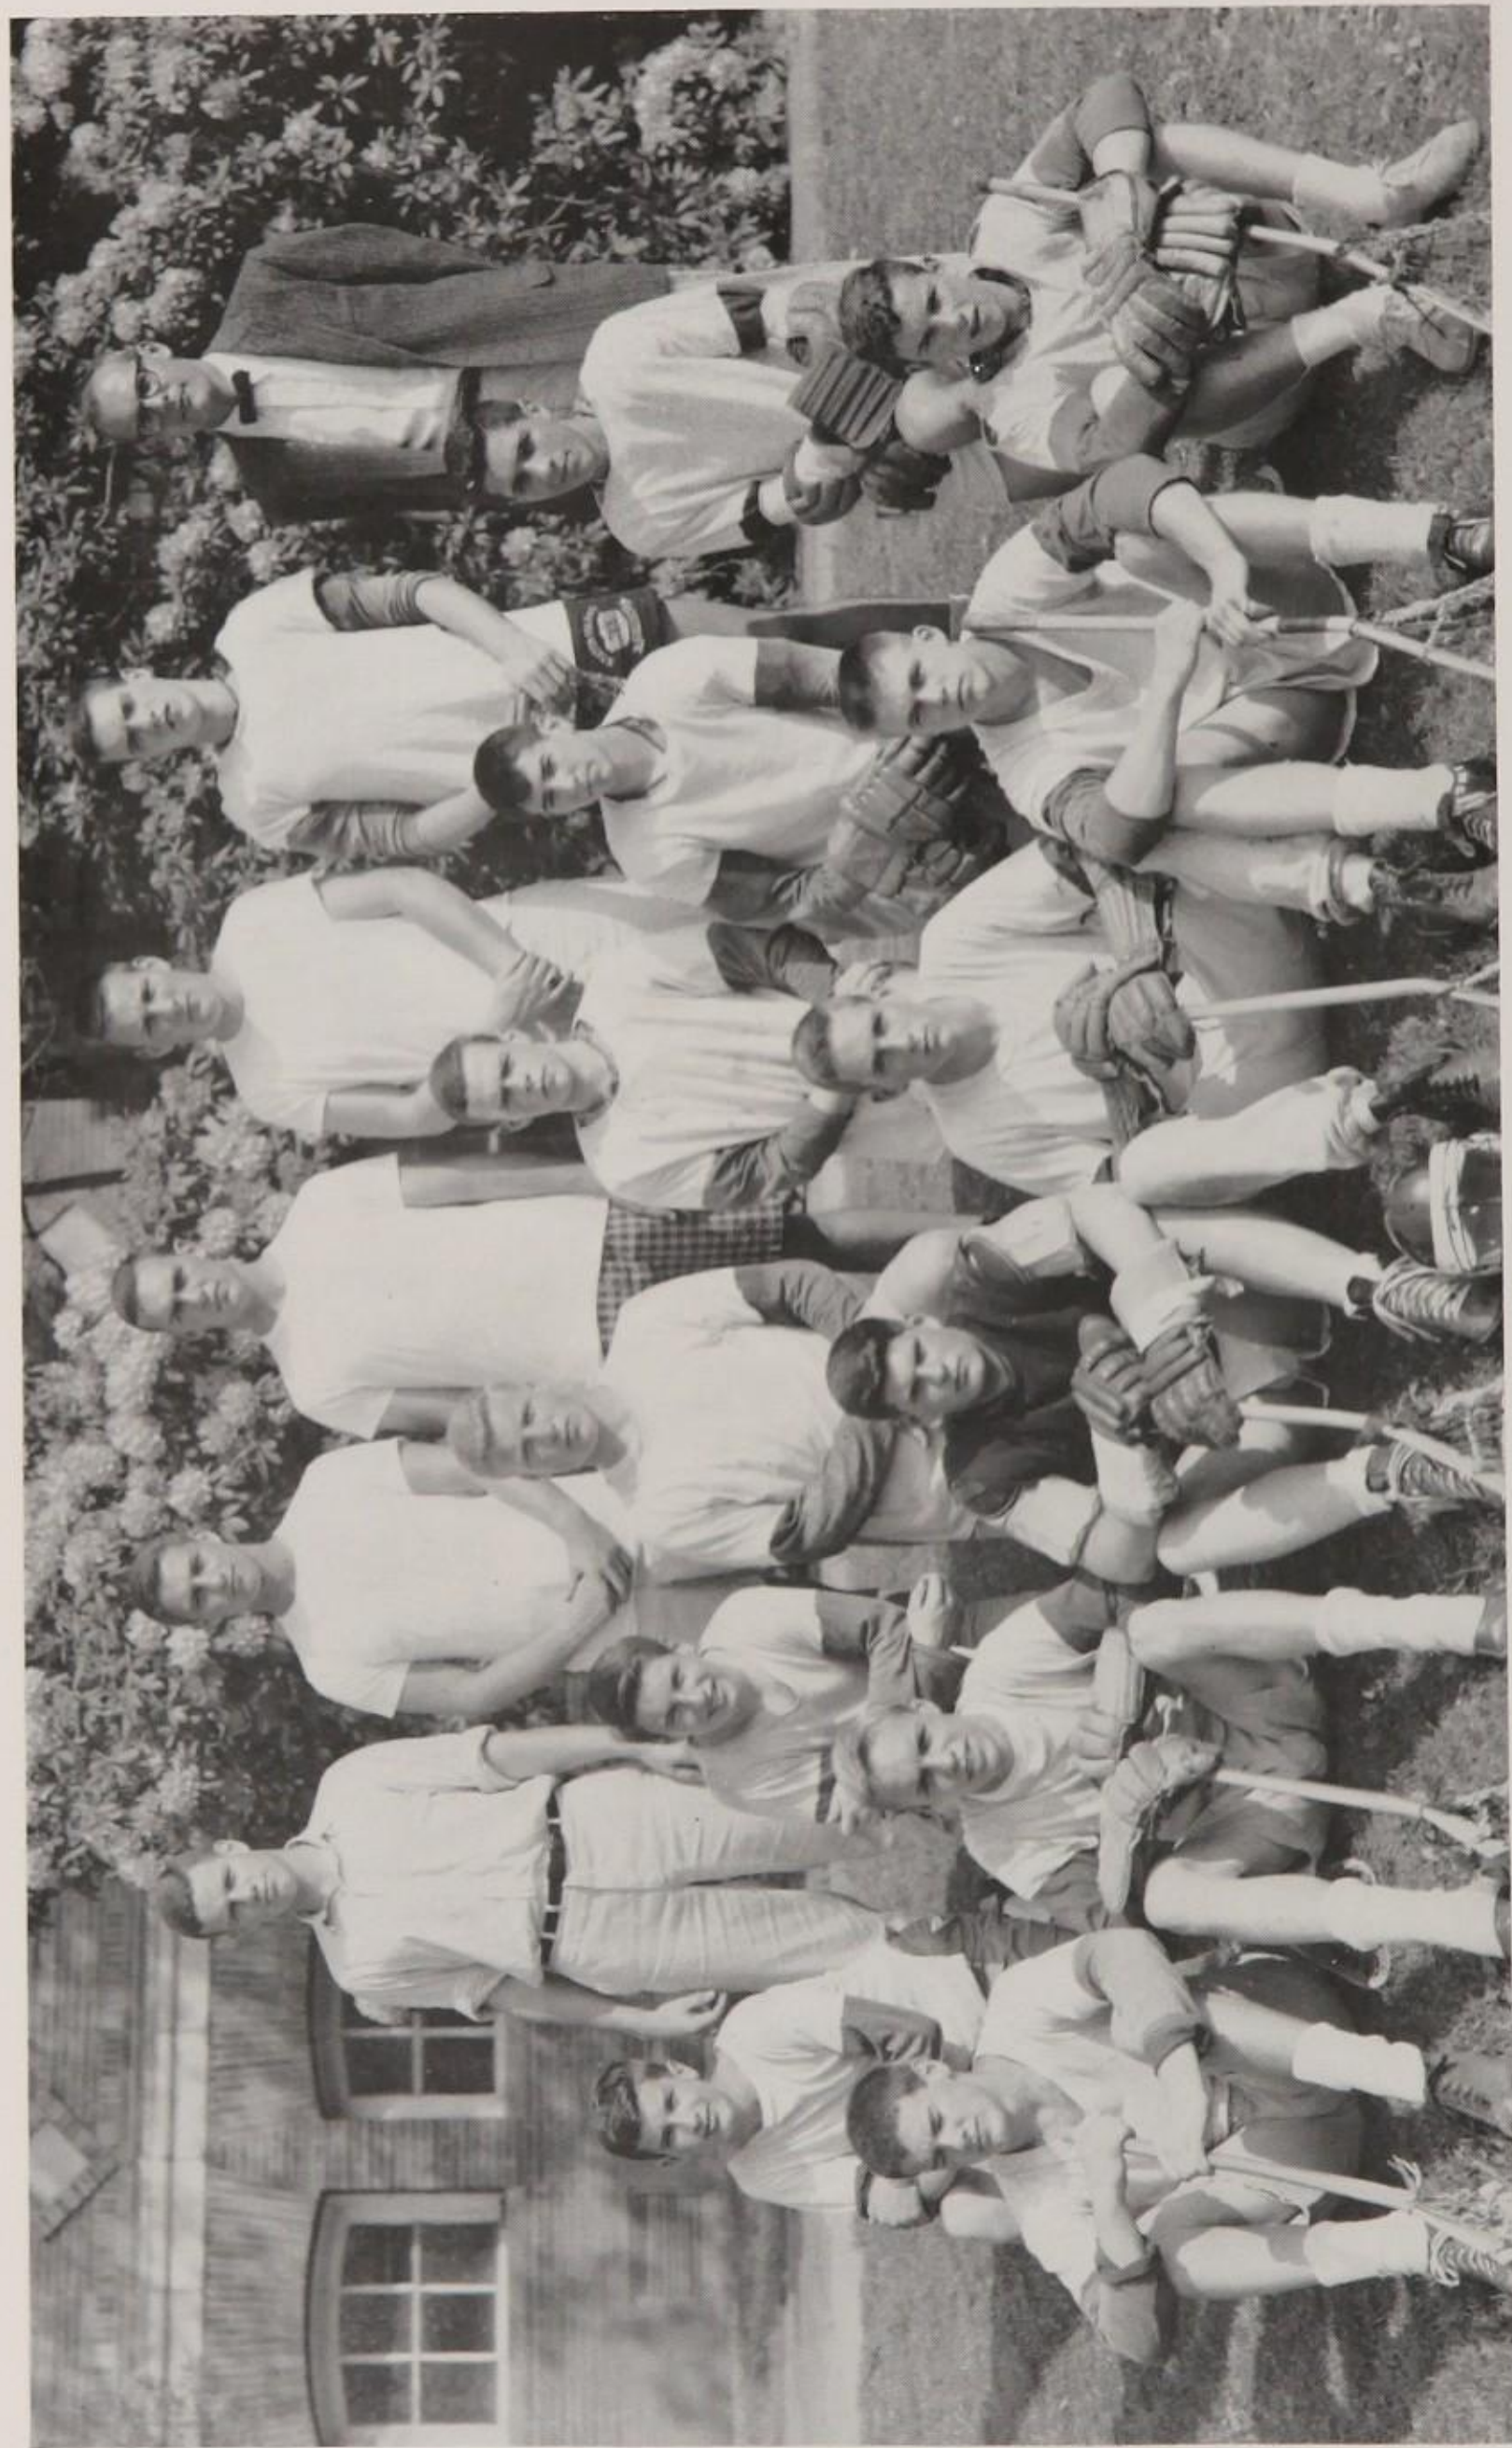

During the regular season the trackmen competed in four meets, and from each one they emerged unscathed. Initially, the Blair Academy was crushed by the lopsided score of 96-21. Then St. Benedict's fell by the wayside, 79-38. The following outing, the Larries humbled Peddie, 71½-45½. On Alumni Day we pulverized the Hill, 70-47. Outjumping, outhurdling, outthrowing, and outrunning nearly everybody, our cindermen racked up a smashing plurality of 40 points per meet. All, however, was not yet conquered. The State Private Schools meet still remained.

As our field men ran up an overwhelming advantage, this proved not to be an obstacle. Our trackmen won by eleven points. Thus, in a burst of glory, the final topping was put on the 1959 Spring Track season—truly one of the best ever.

60 Olla Podrida 60

VARSITY LACROSSE, 1959

LACROSSE at Lawrenceville is a relatively new sport, in fact, this was the second year. Last year lacrosse was informal and just a trial to see whether there was any interest. There was a fairly good turnout and this year even a better one. The Major "L" Club was approached and they voted almost unanimously to give it a trial.

The team was co-captained by Chris Betts and Colston Young. Mr. Chambers coached it and also arranged five games for the team, four away and one home.

The first game was played against the Hun J.V.'s. Although fairly unorganized, Lawrenceville managed to beat them 4-3. Colston Young led the team with three goals and Roger Colehower scored one. Chris Betts played goalie for Lawrenceville, and by the end of the season only six goals had been scored on him.

In the next game with Peddie J.V.'s, Lawrenceville triumphed 3-1. Colston Young, Roger Colehower, and Dick Rotnem each accounted for a goal. Improvement seemed to be Lawrenceville's motto and day by day they showed it.

The third game saw Lawrenceville continue its winning streak by beating the Pingry J.V.'s 5-0. In this game, the attack was led by two third formers, Pete Rankin and Roger Colehower, who both tallied. The other goals were scored by Young, Ossorio, and Rotnem. In the next game, the Red and Black overpowered the Maplewood Lacrosse Club by a score of 8-2. Colston Young put in his sixth, seventh and eighth goals of the season.

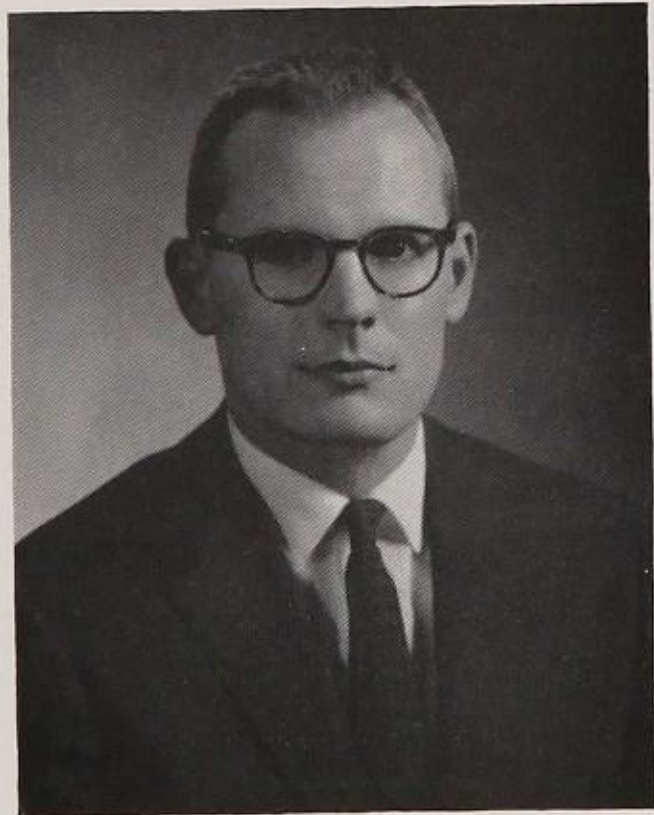

After having beaten the Peddie J.V.'s,

Lawrenceville decided to try out the Peddie Varsity. The attempt proved successful as they shut out the Peddie twelve 6-0. Dennis Ossorio, Jay Jenney, Steve Robinson, and Pete Nichols each scored and Roger Colehower put in two.

The equipment used by the team consisted of football helmets, two dozen face masks donated by the Lacrosse Coaches Association and, of course, sticks, which were bought by the individual players.

The concern of the Coaches Association for lacrosse at Lawrenceville is certainly a good omen. Also, the apparent concern of the Lawrenceville student body for lacrosse is another factor that might make the athletic department approve.

Next year's team appears to be even more promising. At least ten games will be played and most of this year's players will be back. Dick Rotnem and Roger Colehower were elected co-captains for next year's team.

60 Olla Podrida 60

Front Row: Left to Right: Marshall, Gordinier, Brashear, Atlee, McGowin. Second Row: Hannum, R., Robertson, Daesener, A., Walsh, Solosko.

JUNIOR VARSITY BASEBALL SEASON, 1959

UNDER the tutelage of M. Briggs and Clemen the 1959 junior varsity baseball team fought to a 7-4-1 record. Although the pitching was erratic, Art Wrieden, Champ Atlee, and Mason McGowin fashioned several good games. The hitting attack, which managed to tally almost seven runs per game, was buttressed by Dick Marshall, Augie Daesener, Barry Larsen, and Rick Gordinier.

Led by its high-scoring attack, the Lawrenceville nine participated in four free-scoring slugfests. In one of these, however, we participated only indirectly as we were trounced by the unbecoming score of 12-1. In retaliation we then lashed out at the Pennington Prep J.V., pummeling them 14-3. Lightning struck again when we pul-

verized Peddie 14-8. On sheer muscle we then squeaked by Pennsbury High School, 10-9. Even though the team provided plenty of opposition, our ball-swatting batsmen displayed too much prowess.

For the first time in several years we defeated the Trenton High J.V.'s. The score of 9-6, over a team very highly thought of, indicated a splendid team effort. Perhaps the season's most scintillating performance, however, was recorded by Mason McGowin. Hurling the season's only shutout, Mason whiffed seven, while walking only three, and gave up only four safeties. Meanwhile, his cohorts crossed the plate four times, insuring victory over Princeton High School J.V.'s.

Three Hundred Thirty-eight

60 Olla Podrida 60

Left to Right: Barden, Howson, Schloss, Deyo, Petito.

JUNIOR VARSITY GOLF SEASON, 1959

LAST year's J.V. golf team, coached by Mr. Heyniger, had an undefeated season. It played three matches, all against high school varsity teams, and it won all of them with ease. In the first match, played against neighboring Pennsbury, the starting line-up consisted of Frank Petito, Bill Deyo, Alan Eder, Jim Schloss, Don Regan, Jay Howson, and Doug Barden. All but Howson and Petito were victorious, as the Red and Black handily took the opponents 5-2.

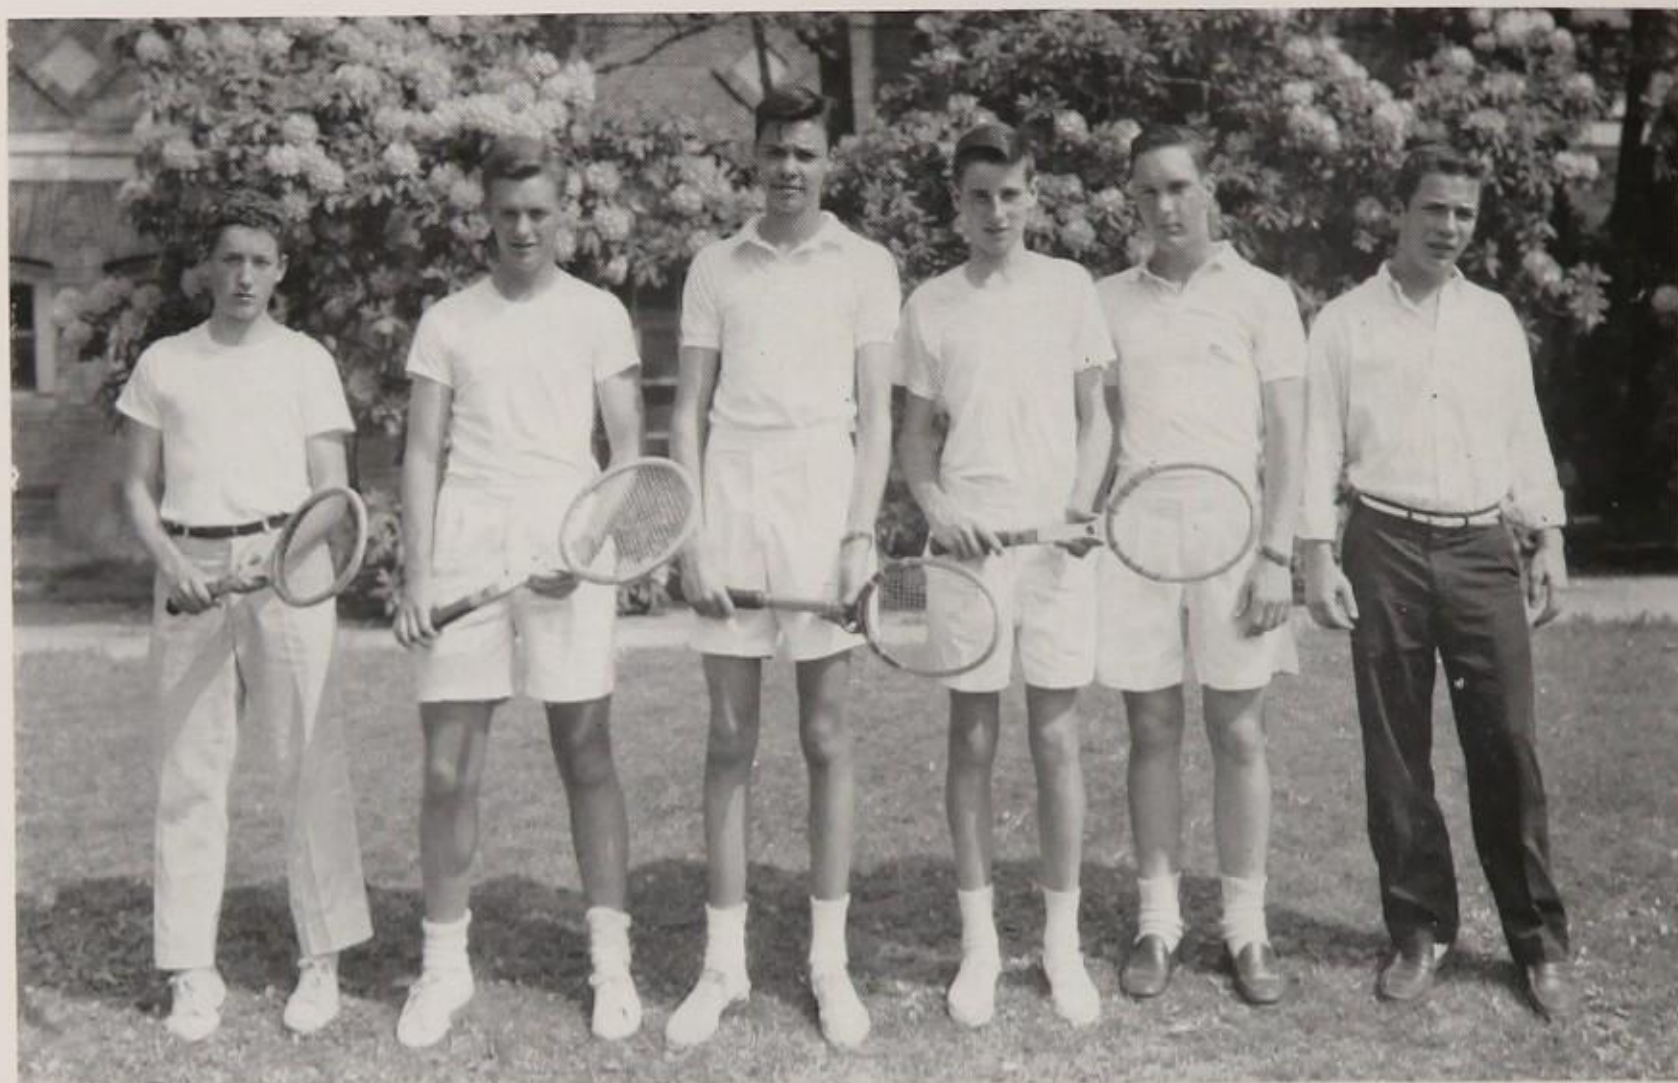

The next meet was a return encounter against the Pennsburyites, again played on the Larries home course. In the absence of Petito and Eder, the line-up went Deyo,

Schloss, Regan, Rick Clifford, Barden, Howson. Only six matches were played, of which the J.V.'s took four, the winners being Deyo, Schloss, Regan, and Clifford.

The year's final encounter was with the Neshaminy varsity, also on our course. The line-up was the same as in the first match, the first six men playing in three foursomes, all victorious, while Doug Barden downed the opposition's coach. There were only two fifth formers on the team, and although it can not be said that the opposition during the year was of the highest quality, the perfect slate compiled by the J.V. golfers nevertheless represents a commendable achievement.

Three Hundred Thirty-nine

60 Olla Podrida 60

Left to Right: Devens, Williams, Turner, Sommer, Carter, Kreitler.

JUNIOR VARSITY TENNIS

THE junior varsity tennis team, by their good record, did justice to Lawrenceville's prestige in tennis circles. Under the guidance of Coach Gaines the team won all five matches to extend its undefeated record to thirteen years. In the first contest, the netmen met with Pennsbury. Lawrenceville dealt their opponents a crushing defeat, 9-0.

Lawrenceville gained another victory against Princeton, 6-3, on April 30. Dick Kreitler, Ken Turner, John Bauer, Burr Hollister, Tom Williams, and Dick Devens won their singles matches. The next week the Red and Black team, strengthened by two varsity players, met with a strong Trenton High. An unfortunate rainstorm,

however, interrupted the meet and the score stood at 3-3.

The home courtmen showed their superiority to the Pennington School team by a score of 9-0. This performance, in which Turner, Williams, and Sommer starred, was commendable. The final match of the season was a return performance against Trenton High. Lawrenceville soundly beat their strong opponents 9-0.

Throughout the season the team showed promise and improvement which can be witnessed by the final two matches. The success of the J.V. tennis team can be attributed to the excellence of Mr. Gaines' coaching, the constantly improving quality of the players, and the lack of formidable opposition.

60 Olla Podrida 60

Left to Right: First Row: Hover, McCashin, Johnston, Jump, Powers, Whittaker. Second Row: Alcivar, Evans, Edmonds, Yocum, Crawford, McCrann, Green.

JUNIOR VARSITY SPRING TRACK

THIS year, in contrast to last year's team, Mr. Poreda's J.V.'s had an exceptionally good season. Although the team started off with a loss to the Princeton High School team ($69\frac{1}{2}$ - $47\frac{1}{2}$), it wound up its season by winning three out of its five meets.

The Princeton meet seemed to give the team the initiative that they had lacked before and although the score was not in our favor, the team's performance was good. This was done with the help of Furlong throwing the javelin, Chariott's jumping, Jump doing the 880, and Huey's broad jumping.

Trenton High School was the first to fall, by a score of 64-53, and the Pennington meet proved a crushing triumph, as the score stood 92-16 in L'ville's favor. Pfeiffer again won the hurdles and discus, while Huey went on to win both the 100 yd. dash and the broad jump.

In the Peddie meet, the excellence of the team was again shown. The score this time was a little closer, but the Red and the Black managed to stay on top. The final meet, however, wasn't quite as successful as the others. A strong New Brunswick team made a clean sweep.

60 Olla Podrida 60

Left to Right: First Row: Loud, Miller, Wilgus, Stockman, Frederick, Hannum. Second Row: Valentine, Rosen, Dewey, Haley, Viault. Third Row: Reich, Lyons, Niederer, Tredick, Sellett, Mr. Thompson.

JUNIOR BASEBALL, 1959

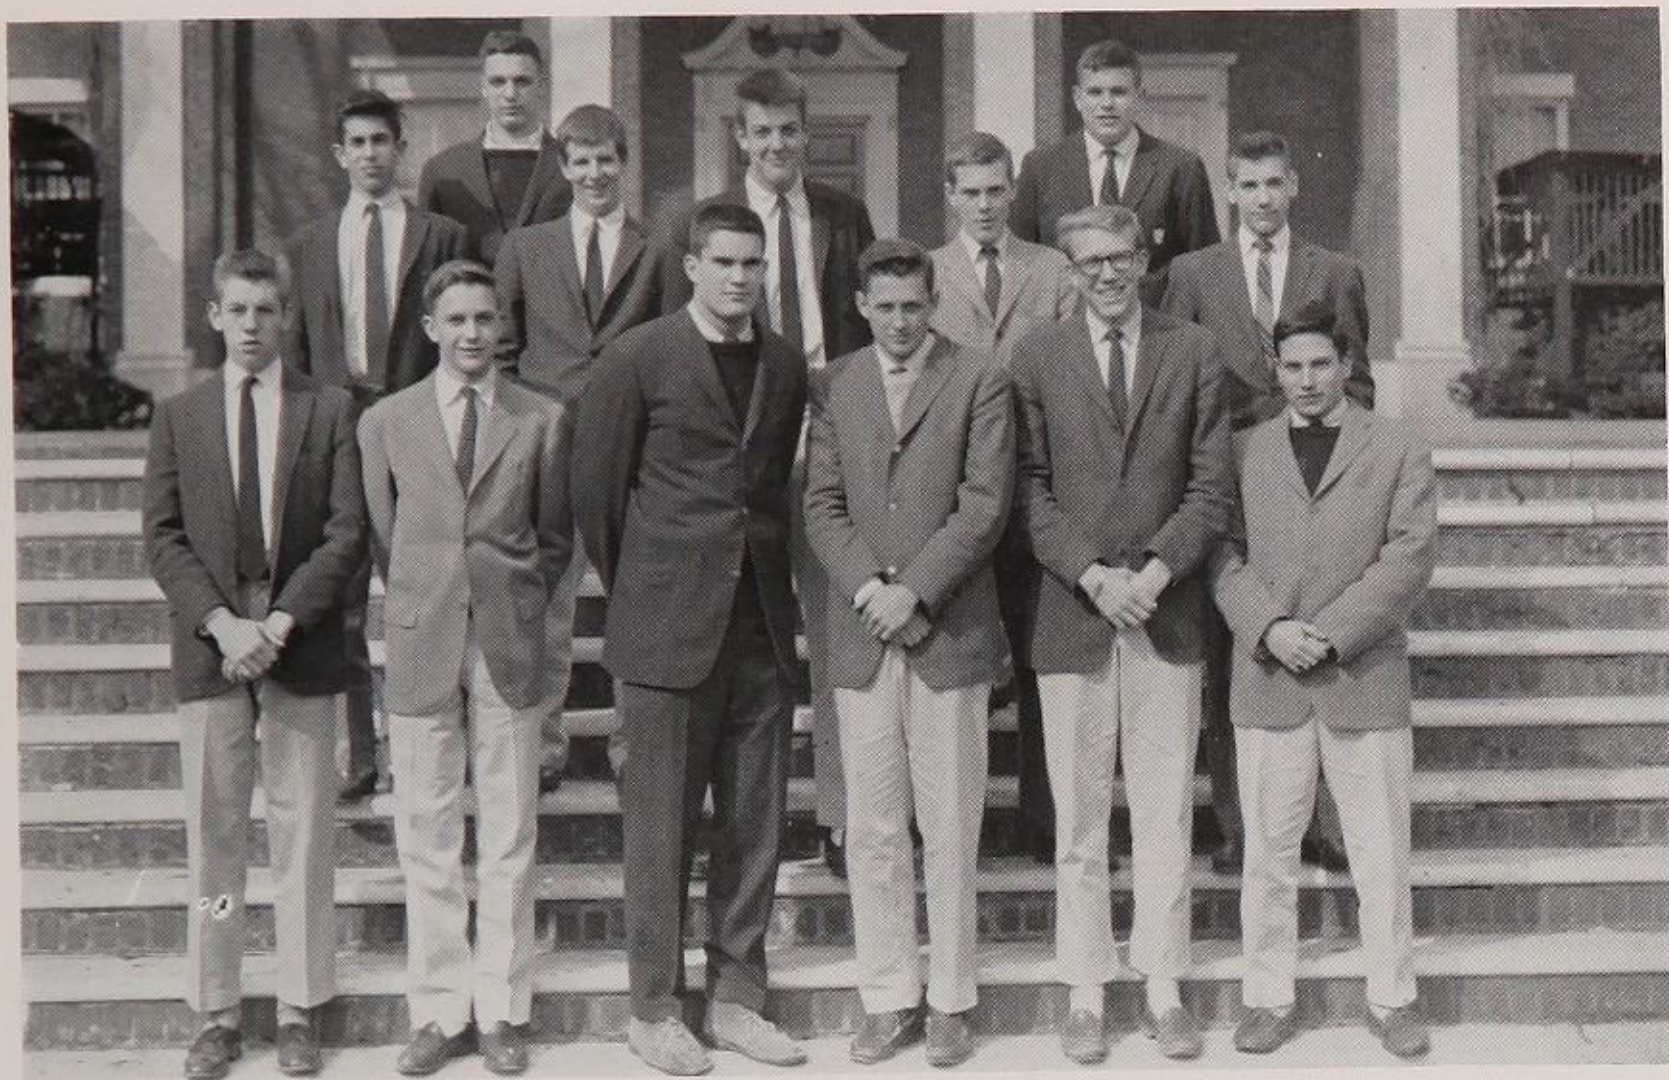

DURING the 1959 season the junior baseball team ran up a unique record of 3, 3 and 3. For their first game the team visited Princeton High. Despite the batting of Lyons and the pitching of Tredick the juniors were trounced 12-7. A few days later the juniors played at home. They played an excellent game but when the ninth inning was over the juniors were on the short end of a 9-7 score.

The next two games were with Lawrence Junior High and Steinert. The Lower Schoolers climbed out of their slump by winning both, thus pulling their average up to .500. The juniors went into their fifth game unconscious of the Ewing squad's strength. The score resulted in a

3-3 tie. Returning two days later they tied Ewing again 4-4. The second formers' next game was away with Steinert. The juniors were routed 7-2 by a team they had previously beaten. The highlight of the season was the meeting with a strong Lawrence High squad. The game turned into a pitching duel between Haley and Lombardo and ended in a 0-0 tie. Both teams played exceptionally well. Princeton High was the juniors' last game. The Lower Schoolers were out for Princeton blood and that's what they got. They routed the previous victors 8-1. Lyons led the team with a .407 batting average, while Sellett sparked the outfield. Frederick and Hannum held the infield.

Three Hundred Forty-two

Left to Right: First Row: Espenshade, Paneyko, Harris, D., Salas, Wilson, W., Cantor. Second Row: Kihn, Ward, Schroeder, Jeffords, Williams, F. Third Row: Langdon, Antheil.

CIRCLE HOUSE BASEBALL, 1959

DAWES secured first place in Circle House Baseball with comparative ease. With six victories, the only team able to mar their perfect record was Kennedy, who managed to hold Dawes to a 7-7 tie. One of the main reasons for success was the fact that Dawes had one of the best infields in the league with short-stop Norm Cantor and second-baseman Gus Salas both receiving honors by being chosen to the All-House team. Undoubtedly Dawes can attribute much of its success to Winston Wilson, who pitched all of the team's victories.

Second place was occupied by Raymond. Receiving much support from Bruce Bittel in the infield and Ned Barclay and Jim Rubino in the outfield, the Raymond house

compiled a 5-2 record. These two defeats came at the hands of Cleve and the champions, Dawes.

Woodhull narrowly edged out Cleve for third place. Cleve, led by All-House selection Jim Weir, won four games while losing three, while Woodhull finished the season with a 4-2-1 record.

Hamill rested securely in fifth place with a 3-3-1 record. Despite these results, the house was generously represented on the All-House Team with a fine battery of Messiry and Temple and with outfielders Bailey and Shoemaker.

Sixth and seventh place were occupied by Kennedy and Dickinson respectively, each with only one win.

Left to Right: Dorf, Van Dyke.

CIRCLE HOUSE TENNIS, 1959

COMPOSED of Camp Van Dyke and Skipper Chase, the Woodhull tennis team captured its fourth Circle House tennis championship in five years. Dawes, Raymond and Kennedy followed in that order.

Woodhull did not find its competition very strong until it met Raymond in the semi-finals. Then only after long, hard, and well-played matches were Van Dyke and Chase able to triumph over Jim Studiford and George Shur. This round also saw Dawes and Kennedy battle each other for the other position in the finals. In the singles Rank of Kennedy lost to Norm

Cantor, but the Blue and Gray's other representative, Doniger, was able to squeeze out a win over Paneyko. Thus everything depended upon the doubles in which the combined talents of Cantor and Paneyko overpowered Rank and Doniger and gave Dawes a place in the final round.

In the finals Van Dyke was victorious over Cantor, 7-5, 6-1; but Chase of Woodhull lost to Paneyko. Again the outcome rested upon the doubles. This time, however, the tables turned on Dawes, as their team was defeated 7-5, 6-2, and they ceded another Circle tennis championship to the Black and Gold.

60 Olla Podrida 60

Left to Right: Worcester, Etherington, Bodine.

CIRCLE HOUSE GOLF, 1959

THE circle house golf championship was won by a strong Cleve team, which was made up of Rick Etherington, Jim Worcester, and Mike Bodine.

In the first round Cleve topped Hamill 3-0, and Kennedy beat Woodhull 2-1, with McCulloch and Pope winning for the Gray and Larsen for Woodhull. Griswold's Palmer, Davidson, and Clifford all topped the Raymond linksters. Dawes's Musselman, Hannas, and Panzer all won their matches against Dickinson.

The second and semi-final round pitted Cleve against Kennedy in the upper bracket and Griswold against Dawes in the

lower bracket. Cleve defeated Kennedy 2-1, as Etherington and Bodine won. Dawes was also victorious 2-1, as Musselman and Hannas triumphed. Kennedy and Griswold therefore moved into the consolation flight finals. There Kennedy defeated Griswold as McCulloch and Pope won by a hole each.

In the finals it was Dawes against the Cleve team. Rick Etherington, first man for Cleve, defeated Dawes's first man, John Musselman. Worcester came back from an off day to beat Hannas of Dawes. Mike Bodine upset Bill Panzer to give Cleve a clean sweep and the third title in a row.

60 Olla Podrida 60

Left to Right: First Row: Overstreet, Schlossberg, Poitras, Perrin, Bensel. Second Row: Tassie, Bower, Barclay, Van Alst, Hitchcock.

LOWER SCHOOL BASEBALL, 1959

THE end of the Lower School House Baseball found Cromwell in first place. Their battery consisted of Sandy Bowers and John Tassie. Finishing in second was Thomas with Hugh Hoffman pitching and Skip Murphy catching. Tied for third place were the Ross and Davidson teams. Ross's chief hurler was Bill Spofford, aided by Wes Skeen behind the plate. Jamie Brooks did the pitching and Eric Berger the catching for Davidson.

The first round saw Ross pitted against Thomas and Cromwell against Davidson. Thomas won, 7-2, and Davidson beat Cromwell, 7-0. In the second round Ross came through to hand Davidson their first loss while Cromwell defeated Thomas, 4-3. Davidson and Cromwell won their

third games, 6-2, and, 16-1, respectively. At the midway point in the season, Cromwell and Davidson were two for three. To finish the season, Cromwell won their second games against Davidson, 11-9, and Thomas, 5-4, but lost to Ross, 5-3, winding up with a four for six average for the season.

Taking second place Thomas won their second games with Ross, 2-1, and Davidson, 4-1, but the Cromwell game was a different story. Ross tied Davidson 3-3, and tied for third when Ross beat Cromwell.

First Place	Cromwell
Second Place	Thomas
Third Place	Ross
Third Place	Davidson

Left to Right: First Row: Brassell, Bower, Barclay, Sellett, Haley, Poitras, Bensel. Second Row: Sloan, Schlossberg, Hitchcock, Daesener, Wilgus.

LOWER SCHOOL TRACK, 1959

CROMWELL regained its athletic supremacy by literally trouncing all the other houses in the Lower School Track meet with nine of eleven firsts. The meet opened with the hurdles, taken by Haley of Cromwell. The next event was the junior 50 yard dash, which was won by Polhemus of Ross. The senior 50 was easily taken by Thorpe of Cromwell. In the 100, Frederick of Ross shot across the line and won by a yard. The rest of the events were captured by Cromwell. Sellett took the 220 and the shot put. His 45 feet in the shot was a new record, breaking the old one by over 5 feet. In the pole vault Hitchcock, who had never vaulted before, came out as victor.

In the broad jump Thorpe leaped to victory with DelBalso second. The high jump was captured by Berger and Barclay who tied. The final event, the relay, was won easily by the team of Sloan, Bower, Hitchcock, and Wilgus of Cromwell to climax the sweep.

As the dust settled on the track, Cromwell was first with Ross a distant second and Davidson and Thomas bringing up the rear, and the Lower School Track Meet was over for another year.

First Place	Cromwell
Second Place	Ross
Third Place	Davidson
Fourth Place	Thomas

60 *Olla Podrida* 60

Left to Right: Schlossberg, Poitras, Perrin.

LOWER SCHOOL GOLF, 1959

LAST year the Cromwell House golf team, led by Bob Poitras, captured the Lower School golf Championship. A fine team of Bob Poitras, Dave Schlossberg, and Charlie Perrin won six out of the six matches played.

On the whole the Davidson House squad of John Burroughs, Roger Franklin, and Carl Shulze played good golf. Its efforts, however, were not enough to overwhelm the excellent team of Cromwell.

The Ross team of Barry Haywood, Don Weiss, and Roger Marcus, which placed third, played fairly well but was not able to cope with the playing of Cromwell or the Davidson players.

The Thomas contingent of Frank Wakefield, Robert Hogan, and David Guggen-

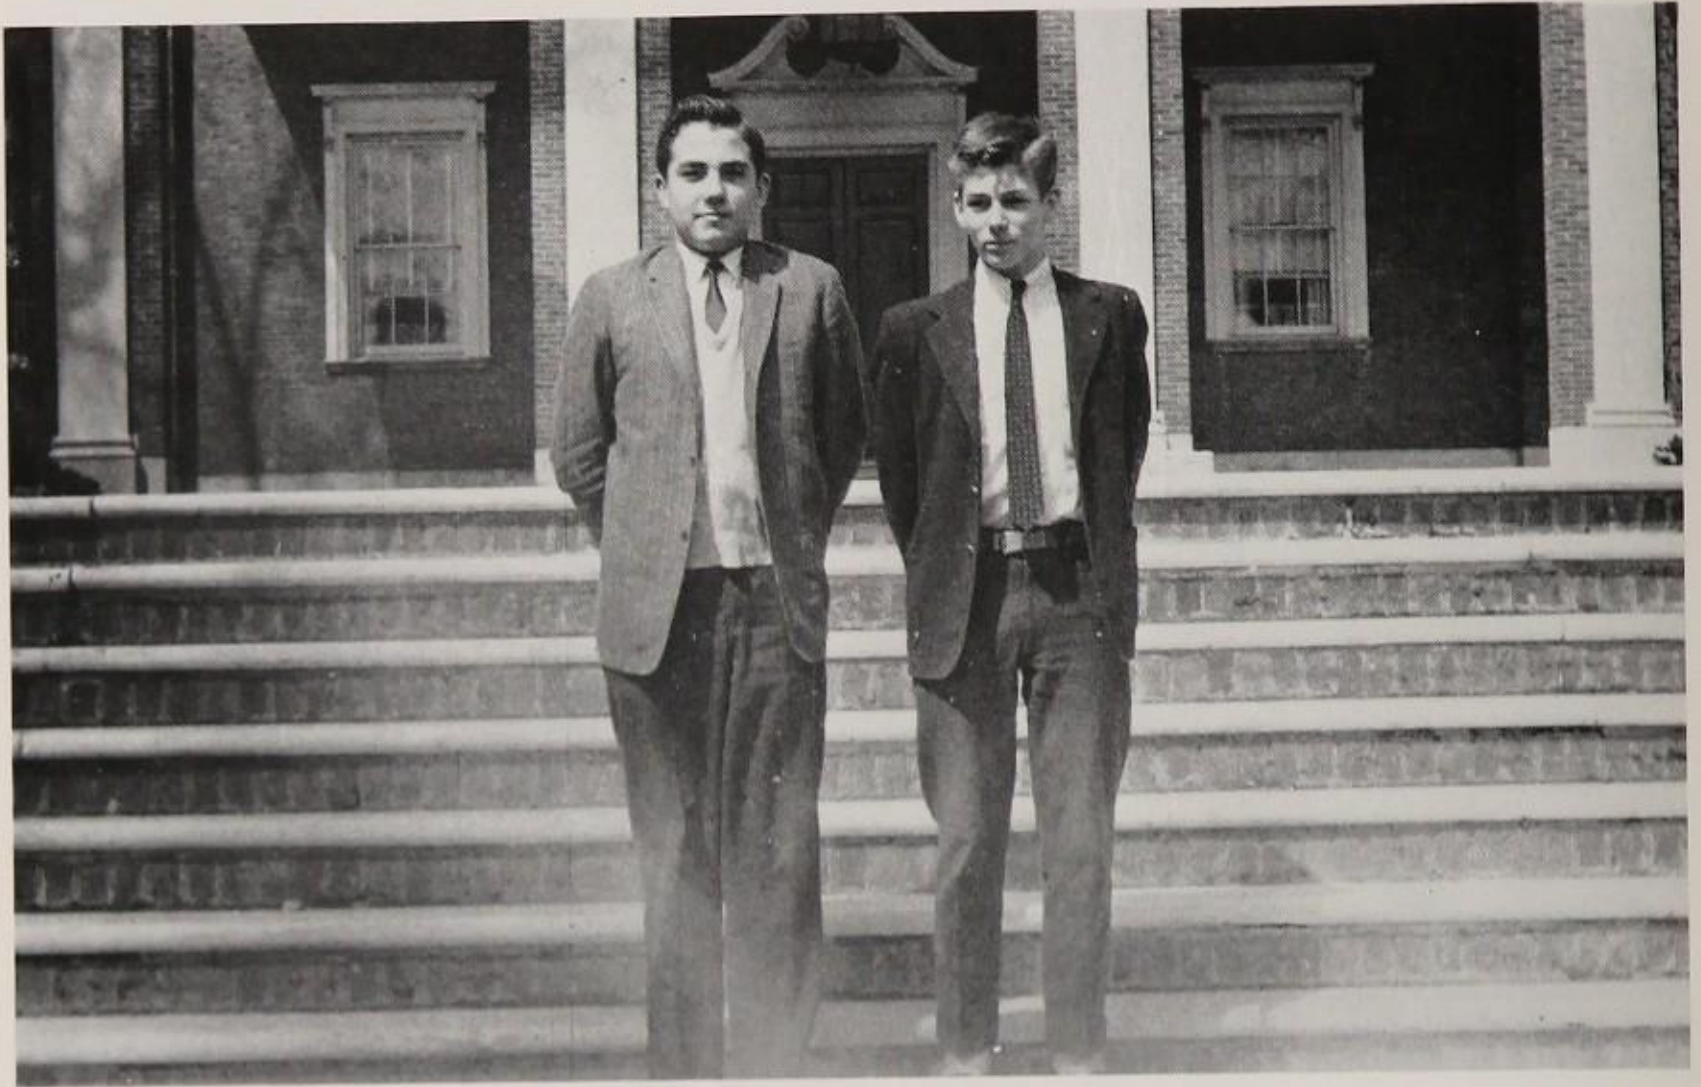

hime occupied the cellar. The team not only lacked skill, with the exception of Frank Wakefield, but two of the boys failed to show up for their second match.

In the first round Cromwell defeated Ross, 3-0, and in the other match Thomas lost to Davidson despite the efforts of Frank Wakefield.

In the second and final round Ross won over Thomas by default. For an unknown reason two of the Thomasites failed to appear. Cromwell again displayed its ability when they defeated the Davidson team, 3-0.

First Place	Cromwell
Second Place	Davidson
Third Place	Ross
Fourth Place	Thomas

60 Olla Podrida 60

Left to Right: Soler, Berger.

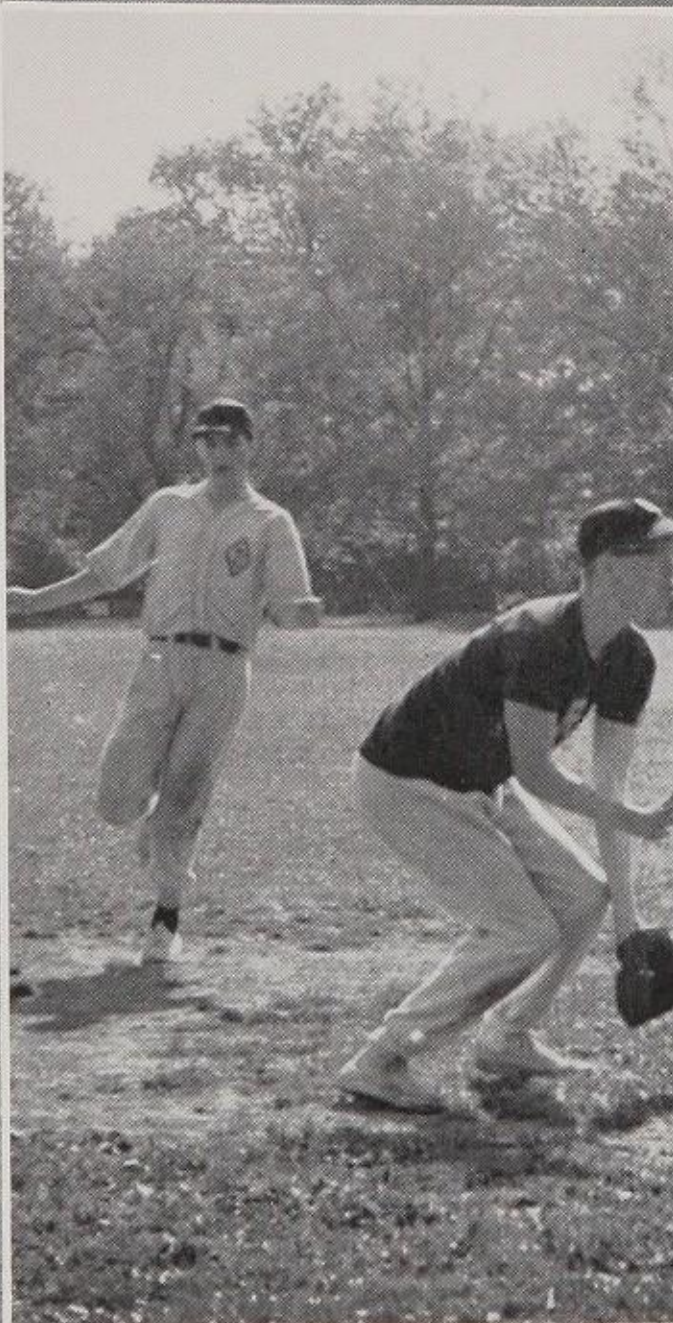

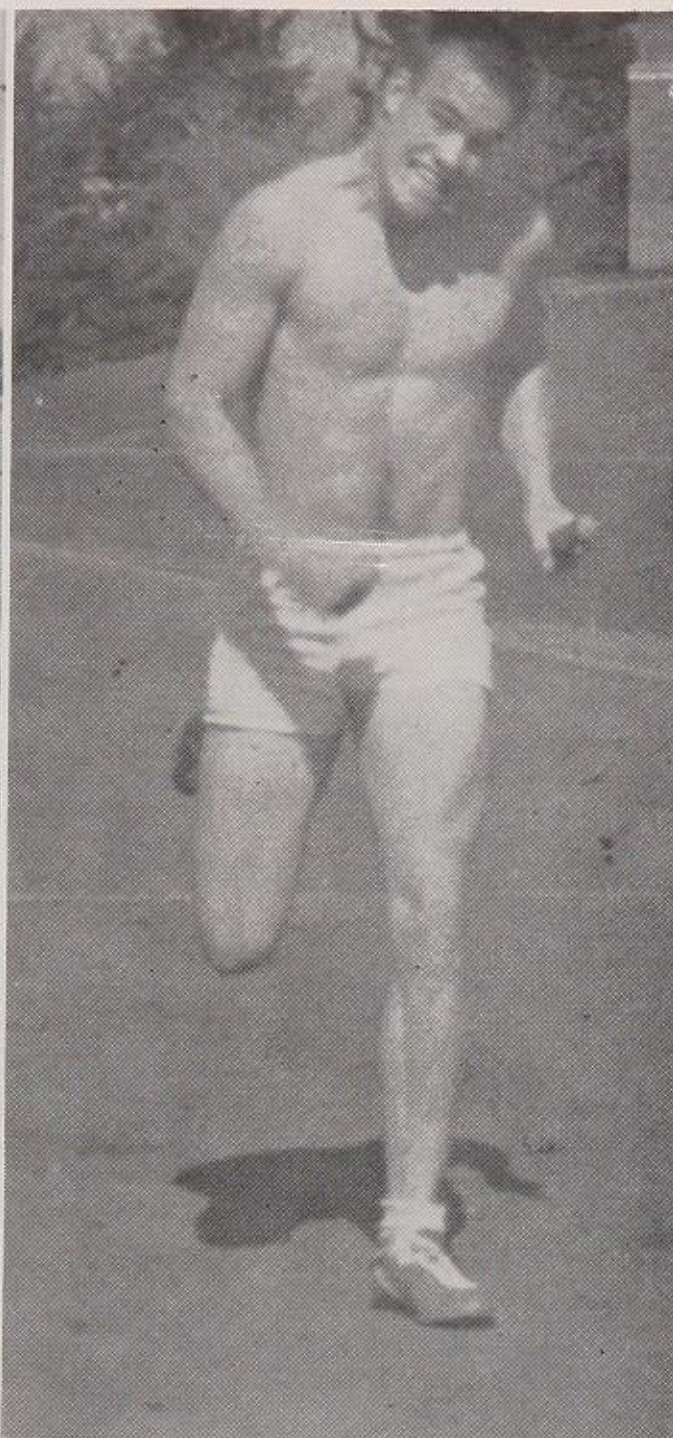

LOWER SCHOOL TENNIS, 1959

THE Lower School tennis front showed Davidson sweeping through the ranks. Their superbly playing, well-trained team was composed of Berger, Hannum, Paull, and Soler, three of whom received laurels on the Junior Tennis squad. In the first round of competition, the championship Davidson team easily crossed their first hurdle to fame by handily defeating Thomas. The competition saw one of Lower's finest players, Eric Berger, defeat Thomas' Grace by scores of 6-1, 6-1. His example was followed by Hannum, who succeeded over Underwood in the singles by a margin of 6-3, 6-4, and by Davidson's doubles team of Soler and Paull, who won over Conly and Miller with the massive scores of 6-2, 6-1.

While Davidson worked its way to vic-

tory, Cromwell, the second place team, edged out Ross by one match. Haley, playing first singles for Cromwell, came from behind to beat Viault with scores of 4-6, 6-2, and 6-3, while Ross' Stockman defeated Barclay with the score of 7-5, 6-2. In the decisive match Cromwell's Tassie and McNeil won over Hunker and Eisele in the doubles, 2-6, 8-6, and 6-4, an extremely tense match.

As a result of the first round's outcome, Davidson was pitted against Cromwell. Berger romped over Haley with the scores of 6-0, 6-3, while Davidson remained undefeated by winning the second singles match and the doubles contest. Hannum defeated Barclay, 6-4, 4-6, 6-3, and the team of Paull and Soler emerged with tallies of 6-3, 6-3.

If you were to visit every royal residence,
presidential mansion and embassy for which
Lenox China has been created by "Command
Performance," you would make a world tour
with many stops. You would find that only the
crests, insignia and special patterns distinguish
these services from your own Lenox. There is
only one Lenox quality . . . *superlative*.
